With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

- Win More Contracts, at nyc.gov/competetowin

“The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed, to the City’s prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence.”

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic prequalification application using the City’s Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed, at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children’s Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)
- Department of Homeless Services (DHS)
- Department of Probation (DOP)
- Department of Small Business Services (SBS)

Department of Youth and Community Development (DYCD)
Housing and Preservation Department (HPD)

Statement of Basis and Purpose of Proposed Rule

The Office of Administrative Trials and Hearings (OATH) proposes to amend its Rules of Practice for its Trials and Hearings Divisions, currently found in chapters 1 and 6 of title 48 of the Rules of the City of New York as follows. The provisions codified in chapter 6 of title 48 of the Rules of the City of New York govern Environmental Control Board adjudicatory proceedings, as well as other proceedings under the jurisdiction of OATH's Hearings Division.

Rule Change Section 1

OATH is proposing to amend subdivision (d) of section 1-33 of title 48 of the Rules of the City of New York by adding a new paragraph (4) to establish the procedure by which an administrative law judge may issue a protective order denying, limiting, or conditioning the use of any discovery device, in order to prevent the inappropriate use of such device. This rule would clarify the authority of administrative law judges in the trials division of OATH to prevent parties from inappropriately obtaining information through discovery devices that could later be disclosed to harass or to embarrass other persons involved in the proceeding.

Rule Change Sections 2-5

OATH is proposing amendments to its rules that would prevent the inappropriate disclosure of immigration-status information in its proceedings. Sections two and three of this proposed rule would amend subdivision (b) of section 1-46 and subdivision (c) of section 6-12 of title 48 of the Rules of the City of New York by adding provisions that restrict parties, attorneys and representatives from offering information concerning a person's actual or perceived immigration status at OATH trials and hearings unless an administrative law judge first reviews this information privately and determines that such information is both relevant and not introduced solely to subject that person to harassment, intimidation, physical danger, or other harms in connection with the person's immigration status. This provision would not restrict a party from voluntarily introducing or authorizing the introduction of information about his or her own immigration status. Violations of these provisions could be subject to sanctions and struck from the record of the proceedings.

Sections four and five of this rule change would amend subdivision (a) of section 6-25 of title 48 of the RCNY to prohibit a party, witness, representative or attorney from threatening to disclose information related to another person's actual or perceived immigration status for the purpose of intimidating or harming the other person in order to affect the outcome of the OATH proceeding.

These rules would protect the integrity of OATH proceedings by assuring individuals that they may appear before OATH and have their matters heard without fear of adverse consequences or threats of intimidation based on their immigration status.

Rule Changes Sections 6 and 7

Local Law 58 of 2020 added section 1-114 to the New York City Administrative Code prohibiting the use of the word "alien" in City rules to describe an individual who is not a citizen of the United States. In order to comply with this local law, sections six and seven of this rule would amend Section 102 of appendix A to title 48 of the RCNY to replace the word "alienage" with the word "immigration."

New material is underlined.

[Deleted material is in brackets.]

Section 1. Subdivision (d) of section 1-33 of title 48 of the Rules of the City of New York is amended by adding a new paragraph (4) to read as follows:

(4) On his or her own motion or on the motion of any of the parties, the administrative law judge may issue a protective order denying, limiting, or conditioning the use of any discovery device available under subdivisions (a) or (b) of this section, in order to prevent the inappropriate use of such device.

§ 2. Subdivision (b) of section 1-46 of title 48 of the Rules of the City of New York is amended by adding new paragraphs (1) and (2) to read as follows:

(1) A party representative or attorney shall not offer information concerning a person's actual or perceived immigration status unless and until the administrative law judge reviews such information in chambers and determines that such information is relevant and not introduced solely to subject that person to harassment, intimidation, physical danger, or other harms in connection with the person's immigration status. Notwithstanding any other provision of this subdivision, a party may voluntarily introduce or authorize the introduction of information about his or her own immigration status.

(2) Any party representative or attorney who offers immigration status information of a person not in compliance with paragraph one of this subdivision may be subject to sanctions pursuant to § 1-13, and such information may be struck from the record.

§ 3. Subdivision (c) of section 6-12 of Title 48 of the Rules of the City of New York is amended by adding new paragraphs (1) and (2) to read as follows:

(1) Admissibility of Immigration Status. A party, representative or attorney shall not offer information concerning a person's actual or perceived immigration status unless and until the hearing officer reviews such information privately and determines that such information is relevant and not introduced solely to subject that person to harassment, intimidation, physical danger, or other harms in connection with the person's immigration status. Notwithstanding any other provision of this subdivision, a person may voluntarily introduce or authorize the introduction of information about his or her own immigration status.

(2) Any party, representative or attorney who offers information concerning the immigration status of another person not in compliance with paragraph one of this subdivision may be subject to sanctions pursuant to section 6-25 and such information may be struck from the record.

§ 4. Paragraph (12) of subdivision (a) of section 6-25 of Title 48 of the Rules of the City of New York is amended to read as follows:

(12) Make or cause to be made a stenographic, electronic, audio, audio-visual or other verbatim or photographic reproduction of any hearing or other proceeding, whether such hearing or other proceeding is conducted in person, by telephone, or other remote methods, except upon application to the Hearing Officer. This does not include copies of documents submitted to the Tribunal during a hearing including written or electronic statements and exhibits. Except as otherwise provided by law, such application must be addressed to the Hearing Officer, who may deny the application or grant it in full, in part, or upon such conditions as the Hearing Officer deems necessary to preserve the decorum of the proceedings and to protect the interests of the parties, witnesses and any other concerned persons[.]; or

§ 5. Subdivision (a) of section 6-25 of Title 48 of the Rules of the City of New York is amended by adding a new paragraph (13) to read as follows:

(13) Threaten to disclose information related to another person's actual or perceived immigration status for the purpose of intimidating or harming the other person in order to affect the outcome of the proceeding.

§ 6. Subdivision (E) of section 102 of appendix A to Title 48 of the Rules of the City of New York is amended to read as follows:

(E) A City administrative law judge shall not hold membership in any organization that practices invidious discrimination on the basis of actual or perceived age, race, creed, color, gender (including gender identity), sexual orientation, religion, national origin, disability, marital status, domestic partnership status, [alienage] immigration or citizenship status, military status, or any other protected status enumerated in the City Human Rights Law, Administrative Code §8-101, or the State Human Rights Law, Executive Law §291. This provision does not prohibit a City administrative law judge from holding membership in an organization that is dedicated to the preservation of religious, ethnic, cultural or other values of legitimate common interest to its members.

§ 7. Paragraphs (5) and (6) of subdivision (A) of section 103 of appendix A to Title 48 of the Rules of the City of New York is amended to read as follows:

(5) A City administrative law judge shall perform judicial duties with impartiality. A City administrative law judge in the performance of judicial duties shall not, by words or conduct, manifest bias or prejudice, including but not limited to bias or prejudice based upon actual or perceived age, race, creed, color, gender (including gender identity), sexual orientation, religion, national origin, disability, marital status, domestic partnership status, [alienage] immigration or citizenship status, military status or any other protected status enumerated in the City Human Rights Law, Administrative Code §8-101, or the State Human Rights Law, Executive Law §291, or socioeconomic status, and shall require City tribunal staff and others subject to the City administrative law judge's direction and control to refrain from such words or conduct.

(6) A City administrative law judge shall require the parties and their representatives in proceedings before him or her to refrain from manifesting, by words or conduct, bias or prejudice against parties, witnesses, counsel or others based upon actual or perceived age, race, creed, color, gender (including gender identity), sexual orientation, religion, national origin, disability, marital status, domestic partnership status, [alienage] immigration or citizenship status, military status or any other protected status enumerated in the City Human Rights Law, Administrative Code §8-101, or the State Human Rights Law, Executive Law §291, or

socioeconomic status. This provision does not preclude legitimate advocacy when age, race, creed, color, gender, sexual orientation, religion, national origin, disability, marital status, domestic partnership status, [alienage] immigration or citizenship status, military status, socioeconomic status or any other similar factor is an issue in the proceeding.

EMERGENCY EXECUTIVE ORDER NO. 153

October 14, 2020

EMERGENCY EXECUTIVE ORDER

WHEREAS, on March 7, 2020, New York State Governor Andrew Cuomo declared a State disaster emergency for the entire State of New York to address the threat that COVID-19 poses to the health and welfare of New York residents and visitors; and

WHEREAS, Emergency Executive Order No. 98, issued March 12, 2020 and extended most recently by Emergency Executive Order No. 151, issued October 5, 2020, contains a declaration of a state of emergency in the City of New York due to the threat posed by COVID-19 to the health and welfare of City residents, and such declaration remains in effect; and

WHEREAS, this Order is given because of the propensity of the virus to spread person-to-person and also because the actions taken to prevent such spread have led to property loss and damage; and

WHEREAS, Emergency Executive Order No. 126, issued June 18, 2020, established the Open Restaurants program, allowing restaurants, bars and other establishments to use outdoor space on sidewalks and the roadway to set up additional dining space, successfully supporting small businesses and allowing New Yorkers to safely enjoy dining out during the pandemic;

NOW, THEREFORE, pursuant to the powers vested in me by the laws of the State of New York and the City of New York, including but not limited to the New York Executive Law, the New York City Charter and the Administrative Code of the City of New York, and the common law authority to protect the public in the event of an emergency:

Section 1. In order to provide continued support to restaurants, bars and other establishments participating in the Open Restaurants program established by Emergency Executive Order No. 126, as amended by subsequent orders, and to allow such establishments to continue outdoor dining operations during the colder weather months, I hereby authorize such establishments to utilize temporary outdoor heaters in their outdoor dining areas.

a. For purposes of this Order, a "temporary outdoor heater" means a freestanding or ceiling- or wall-mounted electric radiant heater, portable radiant heater fueled by piped natural gas, or portable heater fueled by propane liquefied petroleum gas ("LPG"), provided any such heaters comply with this Order and the guidance described in subdivision c of this section.

b. The use of temporary outdoor heaters in outdoor dining areas operated pursuant to the Open Restaurants program is subject to the following limitations:

- 1. For the purposes of the Open Restaurants program, temporary outdoor heaters fueled by piped natural gas shall be deemed to be "limited plumbing alterations, category 2", as defined in section 28-101.5 of the Administrative Code, and applications for such work may be filed with the Department of Buildings ("DOB") by licensed master plumbers.
2. For outdoor dining areas operated pursuant to the Open Restaurants program, electric heaters may be placed within such areas on sidewalks and on roadways, and LPG and natural gas-fueled portable heaters may be placed only on sidewalks.
3. Propane containers may not be stored on sidewalks, roadways, or indoors. They may only be stored in facilities approved by the Fire Department ("FDNY"), except that one-pound containers of propane may be stored in accordance with the guidance issued by FDNY pursuant to subdivision c of this section.
4. Freestanding portable temporary outdoor heaters must be removed from outdoor dining areas prior to the start time indicated upon a Snow Alert issued by the Department of Sanitation ("DSNY"). DSNY makes this information available on its website at swww1.nyc.gov/assets/dsnysieome https://www1.nyc.gov/assets/dsny/site/home. Non-fixed features of outdoor dining areas, such as tables and chairs, must be removed from such areas or secured in place pursuant to the Department of Transportation's siting criteria.
5. In the event of a DSNY Snow Alert, LPG containers must be removed from heaters prior to storing the heaters indoors.

c. In addition to the requirements set forth above, any use of a temporary outdoor heater pursuant to this section shall adhere to applicable guidance issued by DOB, available on DOB's website at https://www1.nyc.gov/site/buildings/codes/building-bulletins-current.page, and by FDNY, available on FDNY's website at https://www1.nyc.gov/site/fdny/business/support/restaurant-help.page.

§ 2. Any restaurant, bar or other establishment participating in the Open Restaurants program is prohibited from providing service in an outdoor dining seating area while a DSNY Snow Alert is in effect. Notwithstanding sections 16-123 and 16-124 of the Administrative Code, the owner of any such restaurant, bar or establishment shall be responsible for removing snow and ice from their outdoor dining area, as if such area is an area of paved sidewalk abutting a building under the establishment's control, and in accordance with applicable law and rules.

§ 3. In order to provide support to food service establishments that offer outdoor dining on private property, and to allow such establishments to continue outdoor dining operations during the colder weather months, I hereby authorize the use of portable heaters fueled by LPG in courtyards or other outdoor spaces on private property used by food service establishments for outdoor dining, subject to the provisions of this Order and guidance issued pursuant to subdivision c of section 1 of this Order. Any such use is prohibited in an outdoor dining area located above grade except as provided in the guidance issued by FDNY pursuant to subdivision c of section 1 of this Order.

§ 4. I hereby authorize the use of electric and natural-gas fueled temporary outdoor heaters in courtyards or other outdoor spaces on private property used by food service establishments for outdoor dining, subject to the provisions of this Order and guidance issued pursuant to subdivision c of section 1 of this Order.

§ 5. For portable heaters fueled by LPG, this Order allows only the use of such heaters using propane. The use of portable heaters fueled by non-propane LPG, such as butane, is prohibited.

§ 6. I hereby suspend section 3805.3(12) of the New York City Fire Code to the extent such provision prohibits the use of LPG for space heating in outdoor dining areas operated pursuant to the Open Restaurants program or in courtyards or other outdoor spaces on private property used by food service establishments for outdoor dining, and operated subject to the provisions of this Order and guidance issued by FDNY pursuant to subdivision c of section 1 of this Order.

§ 7. I hereby suspend section 404-03(b)(5)(C) of Chapter 4 of Title 3 of the Rules of the City of New York, to the extent such provision conflicts with the DOB guidance described in subdivision c of section 1 of this Order.

§ 8. I hereby suspend the following provisions of Appendix A of the New York City Fire Code, to the extent such provisions require the payment of a fee for the storage, handling and use of propane or the handling and use of temporary outdoor heaters as authorized by this Order:

- a. Section FC A01.1(3), relating to certificates of fitness, provided such suspension is limited to fees for a T-93 Certificate of Fitness for Temporary Suspension of Storage, Handling, and Use of Propane Containers and the Portable Space Heaters in Outdoor Dining;
- b. Section FC A03.1(41), relating to the storage, handling or use of LPG;
- c. Section FC A03.1(46), relating to an open flame permit and the fire safety inspection for the use of an open flame;
- d. Section FC A03.1(51), relating to review of design and installation documents for an LPG storage facility; and
- e. Section FC A03.1(52), relating to the storage, handling or use of a portable fueled space heater.

§ 9. Any temporary outdoor heater authorized by this Order must be removed upon a determination by DOB or FDNY that such temporary outdoor heater is a safety hazard. Any temporary outdoor heater in an outdoor dining area operated pursuant to the Open Restaurants program as authorized by this Order must also be removed upon termination of such program or revocation of the establishment's certification to participate in such program.

§ 10. I hereby direct the Fire Department of the City of New York, the New York City Police Department, the Department of Buildings, the Sheriff, and other agencies as needed to immediately enforce the directives set forth in this Order in accordance with their lawful enforcement authorities, including but not limited to Administrative Code sections 15-227(a), 28-105.10.1, and 28-201.1, and sections 104.5.1, 107.6, and 313.4 of the New York City Fire Code. Violations of the directives set forth in this Order may be issued as if they were violations under the New York City Health Code, title 24 Rules of the City of New York sections 3.07 and 3.11, and may be enforced as such by the Department of Health and Mental Hygiene or any other agency named in this section.
