"Compete To Win" More Contracts!

Thanks to a new City initiative - "Compete To Win" - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and Women-Owned Businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

- Win More Contracts, at nyc.gov/competetowin

"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed, to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed, at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children's Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)
- Department of Homeless Services (DHS)
- Department of Probation (DOP)
- Department of Small Business Services (SBS)
- Department of Youth and Community Development (DYCD)
- Housing and Preservation Department (HPD)
- Human Resources Administration (HRA)
- Office of the Criminal Justice Coordinator (CJC)

AGENCY RULES

CONFLICTS OF INTEREST BOARD

■ NOTICE

Notice of Adoption of Final Rules

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN THE NEW YORK CITY CONFLICTS OF INTEREST BOARD by Sections 1043, 2603(a), 2603(c)(4), and 2604(b)(5) of the City Charter, that the Conflicts of Interest Board has adopted Board Rules amending its rules governing the acceptance of gifts of meals or refreshments at events.

The proposed Rules were published in the City Record on January 5, 2021, and a public hearing was held on February 4, 2021. No comments were received. The Conflicts of Interest Board now adopts the following Rules.

STATEMENT OF BASIS AND PURPOSE

In accordance with the mandate of City Charter § 2603(c)(4) for the Board to review all its advisory opinions and initiate rulemaking to adopt those with "interpretative value in construing provisions" of Chapter 68, the Board has been reviewing the 29 advisory opinions it has issued concerning public servants' acceptance of gifts. In connection with this comprehensive review, the Board revises Board Rules § 1-01(e), the exception to the "Valuable Gifts Rule" that permits a public servant to accept gifts of meals when conducting City business, in light of the Board's almost 30 years of experience administering these rules.

The previous version of Board Rules § 1-01(e) did not provide sufficient guidance to public servants as to whether they could accept food offered to them during or after meetings attended in connection with the performance of their City duties. This rule proved to be so over-inclusive, with its multiple and seemingly overlapping provisions, that it was difficult to provide meaningful guidance. As practice demonstrated, the situations described were not a realistic reflection of the actual situations in which public servants often find themselves.

In Board Rules § 1-01(e), the Board has replaced the previous version of Board Rules § 1-01(e)'s scenario-based analysis with a simple rule permitting public servants to accept free meals or refreshments at a meeting attended in the course of and for the purpose of conducting City business provided that four specific criteria are met. First, the public servant cannot accept meals or refreshments that they have solicited, such as by suggesting that a vendor order food for a City meeting. Second, the meal or refreshments must be available to all people participating in the meeting or event without additional charge. Third, the meal or refreshments may not be separable from the meeting at which the City business is being conducted. This means, for example, that the public servant cannot accept the meal if it would take place after the meeting's City purpose has been concluded; nor, also by way of example, can they accept refreshments offered at an event around the corner from the office where City business is being conducted.

Finally, the meeting at which the City business is being conducted cannot have been scheduled for the purpose of obtaining the meal or refreshments, such as by scheduling the meeting to take place at a restaurant over lunch or dinner. This particular revision codifies the Board's oft-given informal advice that public servants should not accept free meals at meetings except under limited circumstances, thus avoiding the practice of a vendor scheduling an important "meeting" to negotiate the terms of a City contract over dinner or cocktails or of a legitimate meeting "running long" so that a developer can continue the business discussion while hosting the public servant at an expensive restaurant. See COIB v. Tuller, COIB Case No. 2015-428 (2016); COIB v. Secreto, COIB Case No. 2015-428a (2016); COIB v. Pizzuti, COIB Case No. 2015-428b (2016) (three NYPD Chiefs each paid fines of \$1,500 in connection with their receipt of gifts of meals from the Queens Library President and CEO with whom they dealt as part of their NYPD duties).

New material is underlined.

Section 1. Section 1-01(e) of Chapter 1 of Title 53 of the Rules of the City of New York, relating to meals and refreshments at meetings, is REPEALED and new a Section 1-01(e) is added to read as follows:

(e) Meals and Refreshments at Meetings

For the purposes of Charter § 2604(b)(3) and Charter § 2604(b)(5), a public servant may accept free meals or refreshments otherwise prohibited as valuable gifts at a meeting attended in the course of and for the purpose of conducting City business, provided that:

- (1) the public servant did not solicit the meal or refreshments;
- (2) the meal or refreshments are available to all participants without charge;
- (3) the meal or refreshments are not separable from the meeting at which the City business is being conducted; and
- (4) the meeting at which the City business is being conducted was not scheduled for the purpose of obtaining the meal or refreshments.

Notice of Adoption of Final Rules

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN THE NEW YORK CITY CONFLICTS OF INTEREST BOARD by Sections 1043, 2603(a), 2603(c)(4), and 2601(11) of the City Charter, that the Conflicts of Interest Board has adopted Board Rules amending its rule concerning the definition of "other similar entity" in City Charter § 2601(11).

The proposed Rules were published in the City Record on January 5, 2021, and a public hearing was held on February 4, 2021. No

comments were received. The Conflicts of Interest Board now adopts the following Rules.

STATEMENT OF BASIS AND PURPOSE

The Board amends Board Rules § 1-08 to include all public universities of the United States and its states and territories, not only the State University of New York (“SUNY”) and the City University of New York (“CUNY”).

Board Rules § 1-08, effective on January 20, 2019, lists a subset of entities that are not “firms” and at which public servants may take positions without requiring a waiver of Charter § 2604(a)(1), which generally prohibits a public servant from having an ownership interest or position in a firm that is engaged in business dealings with the City. Since promulgating this rule, the Board has received a number of inquiries as to whether public servants would require a waiver to hold positions as adjunct professors at nearby public universities such as Rutgers, the State University of New Jersey. The Board, therefore, expands the list of entities in Board Rules § 1-08 beyond CUNY and SUNY to include domestic public university systems, thus treating these public universities in the same way as all other domestic government institutions pursuant to Board Rules § 1-08(a)(1). This amendment permits a public servant to teach a class as an adjunct professor, or take any kind of second job, at those public universities without requiring a waiver of Charter § 2604(a)(1). The inclusion of domestic public universities is consistent with the Board’s historic handling of SUNY and CUNY as entities that are not “firms” as defined in City Charter § 2601(11).

New material is underlined.

[Deleted material is in brackets.]

§ 1. Section 1-08 of Chapter 1 of Title 53 of the Rules of the City of New York is amended as follows:

§ 1-08 Definition of “other similar entity” within the definition of “Firm”.

(a) For the purposes of Charter § 2601(11), the term “other similar entity” includes, but is not limited to, any of the following entities:

- (1) Local, state, and federal governments and their agencies;
- (2) New York State public authorities;
- (3) New York local public authorities;
- (4) the United Nations;
- (5) the United States Postal Service;
- (6) the State University of New York [; (7)], the City University of New York, and the public university systems of the United States or any United States state, municipality, or territory;
- [(8)] (7) the Brooklyn Public Library;
- [(9)] (8) the Queens Public Library; and
- [(10)] (9) charter schools created pursuant to New York State Education Law Article 56.

(b) For the purposes of Charter § 2601(11), the term “local development corporation” includes only local development corporations affiliated with, sponsored by, or created by New York State government or by a New York county, city, town, or village.

OFFICE OF THE MAYOR

■ NOTICE

MAYOR’S OFFICE OF CITYWIDE EVENT COORDINATION AND MANAGEMENT

NOTICE OF ADOPTION

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN THE Office of Citywide Events Coordination and Management by Executive Order No. 105 of 2007, and in accordance with Section 1043 of the Charter, that the Office of Citywide Events Coordination and Management hereby adopts the following amendments to Chapter 1 of Title 50 of the Official Compilation of Rules of the City of New York relating to street activity permits.

Notice regarding a public hearing about the amendments was first published on Wednesday January 27, 2021, with a hearing held February 26, 2021 and the agency accepted comments until February 26, 2021. The agency was prepared to make available for public inspection all written and oral comments it received on the matter, within a reasonable time after receipt, on its website nyc.gov/cecm.

These amendments will take effect immediately.

Statement of Basis and Purpose of Final Rule

Local Law No. 8 of 2021 directed the Mayor’s Office of Citywide Events Coordination and Management (OCECM) to establish an Open Culture Program, pursuant to which an eligible art and cultural institution or cultural venue may utilize an open space for an artistic or cultural event. The law further directed OCECM to establish eligibility and use guidelines and policies for such program, and promulgate any necessary rules. These rules will establish an application process and create requirements for the Open Culture program, and allow the Street Activity Permit Office (SAPO) within OCECM to issue street activity permits for this program in accordance with Local Law No. 8 of 2021. The final rule below differs from the proposed rule in that it includes a provision wherein the Director of the Street Activity Permits Office may waive applicant deadlines in extraordinary circumstances, upon a written determination by the Director that compliance with such deadline would frustrate the purposes of this chapter by preventing the equitable use of streets for community gatherings due to an inadvertent applicant error.

OCECM authority for these rules is found in section 1043 of the New York City Charter, Local Law 8 of 2021, and Executive Order Nos. 100 and 105 of 2007.

New material is underlined.

[Deleted material is in brackets.]

“Shall” and “must” denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

(j) The Director of SAPO may establish guidelines that set limits on the frequency of Open Culture events from a single applicant or sponsor to ensure that numerous applicants and sponsors are able to utilize Open Streets for Open Culture Events. Such guidelines may take into consideration the concentration of events in certain neighborhoods, and the provision of equitable access to all groups.

(k) The Director of SAPO may, in extraordinary circumstances, waive or alter any applicant deadline in this chapter for an individual applicant upon a written determination by the Director that compliance with such deadline would frustrate the purposes of this chapter by preventing the equitable use of streets for community gatherings due to an inadvertent applicant error.

(h) Notwithstanding anything in this section, this Director shall not deny an application for a Press Conference/Rally/Stationary Demonstration other than under paragraph 7 of subdivision b of this section or unless the requested time or location conflicts with another permit, in which case the applicant shall be offered an alternative time or location for the Press Conference/Rally/Stationary Demonstration.

(i) Notwithstanding any other time period for review provided by these rules, notification of the approval or denial of an Open Culture event application shall be made within 5 days of receipt of a complete application.

§ 6. The table of Street event fees and Plaza event fees in subdivision (c) of Section 1-08 of Chapter 1 of Title 50 of the Rules of the City of New York is amended to add a new row in alphabetic order to read as follows:

Statement of Substantial Need for Earlier Implementation

I hereby find, pursuant to Section 1043(f)(1)(d) of the New York City Charter, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of rules to implement the Open Culture Program in Chapter 1 of Title 50 of the Rules of the City of New York.

Local Law No. 8 of 2021 directed the Mayor's Office of Citywide Events Coordination and Management (OCECM) to establish an Open Culture Program, pursuant to which an eligible art and cultural institution or cultural venue may utilize an open space for an artistic or cultural event. The law further directed OCECM to establish eligibility and use guidelines and policies for such program, and promulgate any necessary rules. This rule will establish an application process and create requirements for the Open Culture program, and allow the Street Activity Permit Office (SAPO) within OCECM to implement the Open Culture program. The statutory deadline for implementing this program is March 1st, 2021. Therefore, in order to meet the statutory deadline, I find pursuant to Charter Section 1043(f)(1)(d), that there is a substantial need for this rule to become effective immediately upon its publication in the City Record.

HOUSING PRESERVATION AND DEVELOPMENT

■ PUBLIC HEARINGS

Corrected Notice

PLEASE TAKE NOTICE that a Real Property Hearing will be held, on March 24, 2021 at 10:00 A.M. The Public Hearing will be held via Conference Call. Call-in #: 1-646-992-2010, Access Code 717-876-299.

Pursuant to Section 695(2)(b) of the General Municipal Law and Section 1802(6)(j) of the Charter, the Department of Housing Preservation and Development (“HPD”) of the City of New York (“City”) has proposed the sale of the following City-Owned property (collectively, “Disposition Area”) in the Borough of Manhattan:

Address	Block/Lot(s)
406-08 East 10 Street	B:379/ L:12
533 East 11 Street	B:405/ L:46
656 East 12 Street	B:394/ L:37

Under HPD’s Affordable Neighborhood Cooperative Program, occupied City-Owned residential buildings are purchased by Restoring Communities Housing Development Fund Corporation (“Sponsor”) and then rehabilitated by a private developer selected through a request for qualifications. Upon conveyance to the Sponsor, buildings will be managed by the private developers. Following completion of rehabilitation, Sponsor conveys the building to a cooperative housing development fund corporation (“Cooperative Corporation”) formed by the building’s tenants. The cooperative interests attributable to occupied apartments will be sold to the existing tenants for \$2,500 per apartment. The cooperative interests attributable to vacant apartments will be sold for a price affordable to families earning no more than 165% of the area median income.

Under the proposed project, the City will sell the Disposition Area to Sponsor for the nominal price of one dollar (\$1.00) per building. When completed, the project will provide 44 affordable cooperative dwelling units and three storefront commercial spaces.

At the time of sale, the Sponsor will be required to sign a rental regulatory agreement with HPD containing, among other things, restrictions on rents, incomes, and assets. When the Sponsor conveys the building to the Cooperative Corporation upon the completion of rehabilitation, the Cooperative Corporation will be required to sign a cooperative regulatory agreement with HPD containing, among other things, restrictions on sale prices, incomes, and assets as well as requirements for a flip tax and building reserve fund.

The appraisal and the proposed Land Disposition Agreement and Project Summary are available for public examination by emailing Margaret Carey at CareyM@hpd.nyc.gov on business days during business hours.

The hearing location is accessible to individuals using wheelchairs or other mobility devices. NYCDOT DESIGN BUILD SOFT LAUNCH - Request for Proposals - PIN# 84121 - Due 3-4-21 at 12:00 A.M.

The New York City Department of Transportation, invites interested contractors, engineers, and related entities to participate in an "NYCDOT Bridges Design Build Soft Launch" to be held virtually on Thursday March 4, 2021, from 3:30 P.M. to 4:30 P.M. ET. The feedback from this event will help inform the Department's approach to developing a design build program that best combines industry best practices with the needs of the Agency to complete its bridge projects successfully. With the passage of the New York City Public Works Investment Act in 2019, the Department began planning the launch of the Design Build program. During this planning phase NYCDOT has held several discussions with industry partners to gain valuable insights into aspects of successful design build projects as well as the concerns of the industry from previous experiences.

The event will include an overview of NYCDOT's current DB program approach for bridge projects, anticipated projects and general timeline. We hope this will provide the industry with information necessary to inform its resourcing and planning efforts moving forward. There will be a Q&A portion after the presentation is completed. <https://zoom.us/j/91824074106?pwd=d1l1ldhmZERWcUMrRFNlOHkWkhQUt09> (passcode 698097) is provided for participation to the event. However RSVP via email at ACCO@dot.nyc.gov, is strongly recommended. Email should have DB soft launch in the subject line along with name, firm/organization affiliation, title, email and telephone contact information prior to the event.
