COMMUNITY BOARD NO. 10 - Thursday, March 18, 2021, 7:00 P.M. via CISCO WEBEX, 646-992-2010, access key 1736307272

CEQR REFERENCE #: 21DCP045X  
ULURP REFERENCE #: 210149ZMX

Crab Shanty Restaurant, 361 City Island Avenue, 10464, seeks a zoning map amendment to rezone all or part of five lots on Block 5633: 120 (p/o), 122, 124 (p/o), 127 (p/o), and 137 (p/o) from R3A to R3A/C1-2 within the Special City Island District to facilitate the continued operation of the restaurant. The action would bring the UG 6 eating and drinking establishment on Lot 137 into conformance with the use regulations of the Zoning Resolution, and it would serve to legalize the rear portion of the restaurant that is an addition not covered by the Certificate of Occupancy. The action would establish the parking lot on Lots 122, 124, and 127 as accessory to the eating and drinking establishment on the adjacent Lot 137, and thus a conforming UG 6 use.

# PROCUREMENT

*“Compete To Win” More Contracts!*

*Thanks to a new City initiative - “Compete To Win” - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and Women-Owned Businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.*

● **Win More Contracts, at [nyc.gov/competetowin](http://nyc.gov/competetowin)**

*“The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed, to the City’s prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence.”*

### HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic prequalification application using the City’s Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed, at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

### Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children’s Services (ACS)  
 Department for the Aging (DFTA)

Statement of Basis and Purpose of Proposed Rule

This rule amends the Reference Standard FEMA FIRM 360497, as identified in Section BC G402 of the building code. The FEMA FIRMs are the Flood Insurance Rate Maps published by FEMA, and are referenced in the building code for the purpose of enforcement of the construction standards of the National Flood Insurance Program.

This rule updates the FEMA FIRMs to incorporate Letters of Map Revision approved by FEMA for Whitestone, Queens and Raritan Bay, Staten Island. This amendment ensures New York City's continued compliance with and eligibility to participate in the National Flood Insurance Program.

The Department of Buildings' authority for these rules is found in sections 643 and 1043 of the New York City Charter and section 28-103.19 of the New York City Administrative Code.

New material is underlined. [Deleted material is in brackets.]

"Shall" and "must" denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

Section 3606-03 of Chapter 3600 of Title 1 of the Rules of the City of New York is amended to read as follows:

§3606-03 Federal Emergency Management Agency ("FEMA") Letters of Map Revision.

Pursuant to Section 28-103.19 of the Administrative Code, the reference standard FEMA FIRMs 360497, as identified in Section BC G402 of the Building Code, is modified for New York City to read as follows:

Table with 3 columns: FEMA FIRMs 360497, Flood Insurance Rate Map, Community Number 360497, Panel Numbers 1 through 0457, Revised September 5, 2007; Federal Emergency Management Agency, with the following Letters of Map Revision: Letter of Map Revision effective September 29, 2008, FEMA case # 08-02-0948P, revising FIRM panel 0111 [and], Letter of Map Revision effective April 18, 2018, FEMA case # 17-02-1503P, revising FIRM panels 0092F, 0094F, 0111F, and 0113F, Letter of Map Revision effective June 2, 2021, FEMA case # 20-02-1119P, revising FIRM panel 0116F, and Letter of Map Revision effective June 16, 2021, FEMA case # 20-02-1564P, revising FIRM panel 0314F.
