**ARTICLE III  
COMMERCIAL DISTRICT REGULATIONS**

**Chapter 2  
Use Regulations**

**32-00  
GENERAL PROVISIONS**

\* \* \*

**32-02  
Special Provisions for Hotels**

#Transient hotels#, as listed in Section 32-14 (Use Group 5), and #motels#, #tourist cabins# or #boatels#, as listed in Section 32-16 (Use Group 7A), shall be subject to the special provisions of this Section. For the purposes of this Section, #transient hotels# shall include #motels#, #tourist cabins# and #boatels#.

In all Districts, #transient hotels# shall be permitted only as set forth in this Section.

**(a) Applicability**

A special permit for #transient hotels#, by the City Planning Commission, pursuant to Section 74-802 (Transient hotels within Commercial Districts) shall be applicable to:

- (1) the #development# of a #transient hotel#;
- (2) a change of #use# or #conversion# to a #transient hotel#, or an #enlargement#, containing a #transient hotel#, of a #building# that, as of [date of adoption], did not contain such #use#; or
- (3) an #enlargement# or #extension# of a #transient hotel# that existed prior to [date of adoption], that increases the #floor area# of such #use# by 20 percent or more.

**(b) Exclusions**

Notwithstanding the above, the provisions of this Section shall not apply to the following:

- (1) a #transient hotel# operated exclusively for the public purpose of temporary housing assistance by the City or

State of New York, or operated by a non-governmental entity pursuant to an active contract or other written agreement with an agency of the City or State specifying such public purpose;

- (2) where an application for a project containing a #transient hotel# has been filed at the Board of Standards and Appeals before [date of adoption] and such application has been approved after January 1, 2018, provided that:

- (i) such #transient hotel# was considered in such application, as evidenced by its description or assessment at a specified location in a land use application or in environmental review documents; and

- (ii) in the event that a temporary or final certificate of occupancy has not been issued by [six years after date of adoption], the building permit shall automatically lapse and the right to continue construction shall terminate. An application to renew the building permit may be made to the Board of Standards and Appeals not more than 30 days after the lapse of such building permit pursuant to the applicable provisions of Section 11-332 (Extension of period to complete construction); or

- (3) where an application for a project containing a #transient hotel# has been certified by the City Planning Commission before [date of adoption] and has been approved by the Commission after January 1, 2018, provided that:

- (i) such #transient hotel# was considered in such application, as evidenced by its description or assessment at a specified location in a land use application or in environmental review documents; and

- (ii) in the event that a temporary or final certificate of occupancy has not been issued by [six years after date of adoption], the building permit shall automatically lapse and the right to continue construction shall terminate. An application to renew the building permit may be made to the Board of Standards and Appeals not more than 30 days after the lapse of such building permit pursuant to the applicable provisions of Section 11-332. For such applications where a special permit for a #transient hotel# has been certified by the Commission pursuant to a #Special Purpose District#, such application may continue pursuant to the regulations and term of years proposed or in effect at the time such special permit was certified by the Commission.

**(c) Existing hotels**

- (1) Any #transient hotel# existing on [date of adoption] shall be considered a conforming #use# and may be continued, structurally altered, #extended# or #enlarged# subject to the limitations set forth in this Section and subject to the applicable #bulk# regulations. However, if for a continuous period of two years such #transient hotel# is discontinued, the space allocated to such #transient hotel# shall thereafter be used only for a conforming #use# other than a #transient hotel#, or may be utilized for a #transient hotel# only if the Commission grants a special permit for such #use# in accordance with the provisions of Section 74-802 or other applicable section of this Resolution.

- (2) The provisions of paragraph (c)(1) of this Section shall be modified up to [six years after date of adoption] to allow a #transient hotel# existing on [date of adoption] to be restored to such #use# regardless of more than two years of discontinuance of the #use#, and regardless of any change of #use# between [date of adoption] and [six years after date of adoption].

- (3) In the event a casualty damages or destroys a #transient hotel# that was in such #use# as of [date of adoption], such #building# may be reconstructed and used as a #transient hotel# without obtaining a special permit. A #non-complying building# may be reconstructed pursuant to Section 54-40 (BUILDING OR DESTRUCTION IN NON-COMPLYING BUILDINGS).

**(d) Vesting regulations**

The provisions of Section 11-30 (BUILDING PERMITS ISSUED BEFORE EFFECTIVE DATE OF AMENDMENT) regarding the right to continue construction shall apply. As an alternative, the following provisions shall apply.

- (1) If, on or before [date of referral], an application for a #development#, #enlargement# or #conversion# to a #transient hotel# has been filed with the Department of Buildings, and if, on or before [date of adoption], the Department of Buildings has approved an application for a foundation, a new #building# or an alteration based on a complete zoning analysis showing zoning compliance for such #transient hotel#, such application may be continued, and construction may be started or continued. The application may be revised and retain vested status,

provided that the #floor area# for the #transient hotel# is not increased beyond the amount approved.

(2) However, in the case of an application for a #development#, #enlargement# or #conversion# to a #transient hotel# that has been filed with the Department of Buildings prior to January 1, 2018 and has not received a permit contingent on zoning approval on or before [date of adoption], the provisions of paragraph (d)(1) of this Section shall not apply. In lieu thereof, the provisions of this paragraph shall apply. For such applications, if, on or before [date of adoption] a permit contingent on zoning approval was lawfully issued by the Department of Buildings, such construction may be started or continued.

In the event that a temporary or final certificate of occupancy has not been issued by [six years after date of adoption], the building permit shall automatically lapse and the right to continue construction shall terminate. An application to renew the building permit may be made to the Board of Standards and Appeals not more than 30 days after the lapse of such building permit pursuant to the applicable provisions of Section 11-332 (Extension of period to complete construction).

Within the East Midtown Subdistrict, as shown on Map 1 (Special Midtown District and Subdistricts) in Appendix A of this Chapter, the #development# of a #building# containing a #transient hotel#, as listed in Use Group 5, or the #conversion# or change of #use# within an existing #building# to a #transient hotel#, shall only be allowed by special permit of the City Planning Commission pursuant to the provisions of this Section. In addition, in Subareas other than the Vanderbilt Corridor, as shown on Map 2 (Special East Midtown District and Subareas), the #enlargement# of a #building# containing

a #transient hotel# shall only be allowed by special permit of the City Planning Commission pursuant to the provisions of this Section.

However, in the event a casualty damages or destroys a #building# within the East Midtown Subdistrict that was used as a #transient hotel# as of May 27, 2015, in the Vanderbilt Corridor Subarea or on August 9, 2017, in other Subareas, such #building# may be reconstructed and used as a #transient hotel# without obtaining a special permit, provided the #floor area# of such reconstructed #building#, less the #floor area# of any other #buildings# on the #zoning lot# does not exceed the applicable basic maximum #floor area ratio# for the #zoning lot# set forth in Section 81-60, inclusive. #Transient hotels# existing on May 27, 2015 within the Vanderbilt Corridor Subarea or on August 9, 2017, in other Subareas, shall be considered conforming #uses#.

To permit such a #transient hotel#, the Commission shall find that such #transient hotel# will:

- (a) be appropriate to the needs of businesses in the vicinity of the East Midtown area; and
(b) provide on-site amenities and services that will support the area's role as an office district. Such business-oriented amenities and services shall be proportionate to the scale of the #transient hotel# being proposed, and shall include, but shall not be limited to, conference and meeting facilities, and telecommunication services.

The Commission may prescribe additional conditions and safeguards to minimize adverse effects on the character of the surrounding area.

However, after August 9, 2017, #development# of a #building# containing a #transient hotel# shall be permitted under the regulations which were in effect prior to August 9, 2017, if a new building application for such #development# was filed at the Department of Buildings after June 9, 2016, and a partial permit for such application was issued by the Department of Buildings on or prior to July 20, 2017, and a temporary certificate of occupancy for the entire #building# has been granted prior to January 31, 2020. In the event that such temporary certificate of occupancy has not been granted prior to such date, and an application is filed prior to such date, pursuant to this Section, with the Board of Standards and Appeals, the Board may permit the new building permit to be renewed for a term of one year upon the following findings:

- (1) that the applicant has been prevented from completing such construction by hardship or circumstances beyond the applicant's control;
(2) that the applicant has not recovered all or substantially all of the financial expenditures incurred in construction, nor is the applicant able to recover substantially all of the financial expenditures incurred through development that conforms and complies with any applicable amendment to this Resolution; and
(3) that there are no considerations of public safety, health and welfare that have become apparent since the issuance of the permit that indicate an overriding benefit to the public in enforcement of the special permit provisions of this Section. In the event that the Board permits the renewal, the temporary certificate of occupancy shall be obtained by no later than January 31, 2021.

**NOTICE**

On Wednesday, July 14, 2021, a public hearing is being held by the City Planning Commission (CPC), accessible both in person and remotely, in conjunction with the above ULURP hearing to receive comments related to a Draft Environmental Impact Statement (DEIS) concerning an application by the New York City Department of City Planning (DCP). The Proposed Action is a zoning text amendment to require a CPC special permit for new and enlarged transient hotels (Use Group 5) and motels, tourist cabins, and boatels (Use Group 7). The new CPC special permit would replace existing special permits for hotels in Special Purpose Districts. These include the Inwood, Jerome Avenue, East Harlem, Midtown, Garment Center, Hudson Square, 125th Street, Clinton, and Tribeca Special Purpose Districts. It would also require a CPC special permit citywide for new hotels and enlargements in C1 (except for C1- 1, C1-2, C1-3 or C1-4 Districts), C2 , C4, C5, C6, C8, Mixed Use (MX), and paired M1/R districts. This is the "Area of Applicability" for the Proposed Action. The proposed text amendment would retain existing findings and regulations for hotels in M1 districts where a special permit was adopted in December 2018. The Proposed Action would also retain provisions adopted in the 2018 text amendment to exempt hotels in M1 districts operated for a public purpose. The proposed zoning text amendment would affect every community district within the City, since all community districts contain zoning districts that currently permit as-of-right hotel development, either in the form of commercial (C) districts or mixed-use (MX) districts. In addition, since changes to discontinuance provisions described below may apply to existing commercial hotels that are closed on the date of enactment and could apply in all districts citywide, the action has the potential to affect all community districts.

Written comments on the DEIS are requested and will be received and considered by the Lead Agency through Monday, July 26, 2021.

For instructions on how to submit comments and participate remotely in the hearing, please refer to the instructions at the beginning of this agenda.

This hearing is being held pursuant to the State Environmental Quality Review Act (SEQRA) and City Environmental Quality Review (CEQR), CEQR No. 21DCP111Y.

21-10 PURPOSES OF SPECIFIC RESIDENCE DISTRICTS

\* \* \*

21-15 R3-2, R4, R4B, R5, R6, R7, R8, R9 and R10 — General Residence Districts

These districts are designed to provide for all types of residential buildings, in order to permit a broad range of housing types, with appropriate standards for each district on density, open space, and spacing of buildings. However, R4B Districts are limited to single- or two-family dwellings, and zero lot line buildings are not permitted in R3-2, R4 (except R4-1 and R4B), and R5 (except R5B) Districts. The various districts are mapped in relation to a desirable future residential density pattern, with emphasis on accessibility to transportation facilities and to various community facilities, and upon the character of existing development. These districts also include community facilities and open uses which serve the residents of these districts or benefit from a residential environment.

R7-3 and R9-1 Districts may be mapped only as specified in this paragraph. Such districts may be mapped within the waterfront area and in the #Special Mixed Use Districts#. In addition, R7-3 Districts may be mapped in the #Special Long Island City Mixed Use District# and #Special St. George District#, and R9-1 Districts may be mapped in #Mandatory Inclusionary Housing areas#.

**128-00  
GENERAL PURPOSES**

The "Special St. George District" established in this Resolution is designed to promote and protect public health, safety and general welfare. These general goals include among others, the following specific purposes:

- (b) to establish zoning regulations that facilitate continuous ground floor retail and the critical mass needed to attract and sustain a broader mix of uses;
- (c) to require a tall, slender building form that capitalizes on St. George's hillside topography and maintains waterfront vistas;
- (d) to encourage the reuse and reinvestment of vacant office buildings;
- (e) to accommodate an appropriate level of off-street parking while reducing its visual impact; and
- (f) to enhance neighborhood economic diversity by broadening the range of housing choices for residents at varied incomes; and
- (g) to promote the most desirable use of land and building development in accordance with the District Plan for St. George and thus conserve the value of land and buildings and thereby protect the City's tax revenues.

NOTICE

On Wednesday, July 14, 2021, a public hearing is being held by the City Planning Commission (CPC), accessible both in person and remotely, in conjunction with the above ULURP hearing to receive comments related to a Draft Environmental Impact Statement (DEIS) concerning an application by Richmond SI Owner LLC (“The Applicant”). The Applicant seeks approval of a series of discretionary land use actions including a zoning map amendment, zoning text amendments, and a special permit (the “Proposed Actions”) from the City Planning Commission (CPC) that would facilitate the development of a mixed use project comprising residential and commercial uses, open space, and accessory parking (the “Proposed Development”) in the St. George neighborhood of Staten Island, Community District 1. The Project Area includes two vacant development sites and an underdeveloped site near the St. George Waterfront and the Staten Island Ferry Terminal. The Applicant’s site would be developed with three buildings totaling 801,594 gsf (see architectural drawings in Appendix A). The Applicant also would develop an approximately 7,790 square foot (sf) privately owned public space next to the intersection of Stuyvesant Place and Hamilton Avenue. An additional site that is not controlled or under ownership of the Applicant (“Projected Development Site 2”) is projected to be developed as a result of the Proposed Actions.

Written comments on the DEIS are requested and will be received and considered by the Lead Agency through Monday, July 26, 2021.

For instructions on how to submit comments and participate remotely in the hearing, please refer to the instructions at the beginning of this agenda.

This hearing is being held pursuant to the State Environmental Quality Review Act (SEQRA) and City Environmental Quality Review (CEQR), CEQR No. 20DCPI40R.

**HHS ACCELERATOR**

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic prequalification application using the City’s Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed, at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

**Participating NYC Agencies**

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children's Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)
- Department of Homeless Services (DHS)
- Department of Probation (DOP)
- Department of Small Business Services (SBS)
- Department of Youth and Community Development (DYCD)
- Housing and Preservation Department (HPD)
- Human Resources Administration (HRA)
- Office of the Criminal Justice Coordinator (CJC)

**06821N0094-CASII TOOLS** - Negotiated Acquisition/Pre-Qualified List - PIN#06821N0094 - Due 7-21-21 at 2:00 P.M.

The Administration for Children's Services (ACS) intends to enter into negotiations with AMERICAN ACADEMY OF CHILD & ADOLESCENT PSYCHIATRY to acquire the New York State-specified assessment tool. This evidence-based tool will support ACS's decisions in making appropriate Level of Care determinations. In accordance with Section 3-04(b)(2)(ii) of the Procurement Policy Board Rules, ACS intends to use the negotiated acquisition process to enter into a 35 - month contract from August 1, 2021 through June 30, 2024, with an option to renew for an additional 3-years. Organizations interested in future solicitations for these services, are invited to do so by registering the NYC Mayor's Office of Contract Services (MOCS) PASSPort system. To register with PASSPort, please go to [www.nyc.gov/PASSPort](http://www.nyc.gov/PASSPort). There you will find additional guides to assist you with the registration process.

In order to comply with the Federal requirements of the Family First Prevention Services Act (FFPSA) which NYS will implement on September 29, 2021, ACS sought an evidence-based assessment tool to ensure that placements are appropriately evaluated. Out of the 2 assessment tools approved by the NYS Office of Child and Family Services (OCFS), ACS selected the Child and Adolescent Services Intensity Instrument (CASII) developed by the American Academy of Child and Adolescent Psychiatry. Due to time constraints involved with having the tool in place to ensure compliance with FFPSA by the September 29 implementation date, competitive sealed bidding is not practicable. Competitive sealed bidding is also not practicable due to there only being 2 assessment tools approved by OCFS that jurisdictions can select for evaluating foster care placements (see attached NA justification).

EMERGENCY EXECUTIVE ORDER NO. 202

May 18, 2021

EMERGENCY EXECUTIVE ORDER

WHEREAS, on March 7, 2020, New York State Governor Andrew Cuomo declared a State disaster emergency for the entire State of New York to address the threat that COVID-19 poses to the health and welfare of New York residents and visitors; and

WHEREAS, Emergency Executive Order No. 98, issued March 12, 2020 and extended most recently by Emergency Executive Order No. 198, issued May 2, 2021, contains a declaration of a state of emergency in the City of New York due to the threat posed by COVID-19 to the health and welfare of City residents, and such declaration remains in effect; and

WHEREAS, this Order is given because of the propensity of the virus to spread person-to-person and also because the actions taken to prevent such spread have led to business closures and increased unemployment; and

WHEREAS, the COVID-19 pandemic has led to a decline in tourism, and the hotel sector in New York City has been substantially impacted, with jobs, inventory, occupancy rates, and room rates sold, all down substantially, resulting in extraordinary economic loss for the sector; and

WHEREAS, thus far in Fiscal Year 2021, hotel tax revenue is down approximately 89 percent as compared with Fiscal Year 2020; and

WHEREAS, to aid in New York City's post-pandemic economic recovery, it is necessary to provide economic relief to this hard-hit industry, which would enable more hotels to remain open or to reopen, to keep New Yorkers in the hotel trade employed, and to boost tourism in New York City; and

WHEREAS, immediate relief is warranted in order to assist in the economic recovery of the New York City hotel industry;

WHEREAS, hotel operators and room remarketers remit the hotel occupancy tax on a quarterly cycle and the elimination of the hotel occupancy tax rate of 5.875 percent for the period commencing on June 1, 2021 and ending on August 31, 2021, would reduce the cost of a hotel room and thereby stimulate higher demand for hotel rooms and tourism in New York City or allow hotels to charge more for rooms; and

WHEREAS, the overall leisure and hospitality sector lost approximately 257,000 jobs from March through December 2020.

NOW, THEREFORE, pursuant to the powers vested in me by the laws of the State of New York and the City of New York, including but not limited to the New York Executive Law, the New York City Charter and the Administrative Code of the City of New York, and the common law authority to protect the public in the event of an emergency:

Section 1. a. I hereby suspend paragraph (3) of subdivision a of section 11-2502 of the Administrative Code of the City of New York to the extent necessary to provide for the reduction of the tax for occupancy of a room in a hotel in the City of New York imposed by such paragraph to zero percent for any such occupancy from June 1, 2021 through August 31, 2021.

b. Nothing in this section shall affect the imposition of the tax for the occupancy of a room in a hotel in the City of New York pursuant to paragraph (2) of subdivision a of such section.

§ 2. This Emergency Executive Order shall take effect immediately, and shall remain in effect for five (5) days unless it is terminated or modified at an earlier date.

# READER'S GUIDE

The City Record (CR) is published each business day. The Procurement section of the City Record is comprised of notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Notice of solicitations and other notices for most procurement methods valued at or above \$100,000 for goods, services, and construction must be published once in the City Record, among other requirements. Other procurement methods authorized by law, such as sole source procurements, require notice in the City Record for five consecutive editions. Unless otherwise specified, the agencies and offices listed are open for business Monday through Friday from 9:00 A.M. to 5:00 P.M., except on legal holidays.

## NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptroller's Office at [www.comptroller.nyc.gov](http://www.comptroller.nyc.gov), and click on Prevailing Wage Schedules to view rates.

## CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION-RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

## VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$17 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. Registration for these lists is free of charge. To register for these lists, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application, which can be found online at [www.nyc.gov/selltonyc](http://www.nyc.gov/selltonyc). To request a paper copy of the application, or if you are uncertain whether you have already submitted an application, call the Vendor Enrollment Center at (212) 857-1680.

## SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services at 110 William Street, New York, NY 10038. Sessions are convened on the second Tuesday of each month from 10:00 A.M. to 12:00 P.M. For more information, and to register, call (212) 618-8845 or visit [www.nyc.gov/html/sbs/nycbiz](http://www.nyc.gov/html/sbs/nycbiz) and click on Summary of Services, followed by Selling to Government.

## PRE-QUALIFIED LISTS

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstances. When an agency decides to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH). Section 3-10 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists. For information regarding specific pre-qualified lists, please visit [www.nyc.gov/selltonyc](http://www.nyc.gov/selltonyc).

## NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board Rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, and the Housing Authority. Suppliers interested in applying for inclusion on bidders lists for Non-Mayoral entities should contact these

entities directly at the addresses given in the Vendor Information Manual.

## PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 9:30 A.M. to 5:00 P.M., except on legal holidays. For more information, contact the Mayor's Office of Contract Services at (212) 341-0933 or visit [www.nyc.gov/mocs](http://www.nyc.gov/mocs).

## ATTENTION: NEW YORK CITY MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women-Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about this program, contact the Department of Small Business Services at (212) 513-6311 or visit [www.nyc.gov/sbs](http://www.nyc.gov/sbs) and click on M/WBE Certification and Access.

## PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City pays interest on all late invoices. However, there are certain types of payments that are not eligible for interest; these are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year: in January and in July.

## PROCUREMENT POLICY BOARD RULES

The Rules may also be accessed on the City's website at [www.nyc.gov/selltonyc](http://www.nyc.gov/selltonyc)

## HOW TO READ CR PROCUREMENT NOTICES

Procurement notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards, and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section.

At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified unless a different one is given in the individual notice. In that event, the directions in the individual notice should be followed.

The following is a SAMPLE notice and an explanation of the notice format used by the CR.
