No. 3

CD 9 M 030150(A) HOX

IN THE MATTER OF an application submitted by the Camber Property Group LLC for a modification to the previously approved Stevenson Commons City-aided limited-profit housing project and plan, pursuant to Article 2 of the New York State Private Housing Finance Law (CP-22381) to reflect the land actually occupied by the existing buildings located at 755 White Plains Road and 1850 Lafayette Avenue (Block 3600, Lot 4).

M 040047(A) ZSX

IN THE MATTER OF an application submitted by Camber Property Group LLC for a modification to the previously approved application (CP-22380) to update the previously approved plans and zoning calculations to reflect the proposed as-of-right development of 6 new mixed residential and community facility buildings, within an existing large-scale residential development bounded by Lafayette Avenue, White Plains Road, Seward Avenue, and Thieriot Avenue (Block 3600, Lot 4), in an R6 District.

Plans for this proposal are on file with the City Planning Commission and may be seen, at 120 Broadway, 31st Floor, New York, NY 10271-0001.

NOTICE

On August 18th, 2021, a public hearing is being held by the City Planning Commission (CPC), accessible both in person and remotely, in conjunction with the above hearing to receive comments related to a Draft Environmental Impact Statement (DEIS) concerning an application by Camber Property Group for a minor modification to the Stevenson Commons LSRD and an amendment to an existing project plan to facilitate the construction of six new affordable residential buildings, including 753 units of affordable housing in Soundview, Bronx Community District 9. The Stevenson Commons site (a.k.a. the "Project Area") at 1850 Lafayette Avenue comprises the 679,000-square foot (sf) superblock bounded by Lafayette Avenue, White Plains Road, Seward Avenue, and Thieriot Avenue. The eastern portion of the site is currently developed with a mix of residential, retail, community facility, and/or accessory parking uses. The Proposed Actions would facilitate new construction on the Stevenson Commons site that would result in an incremental (net) increase of approximately 735 affordable dwelling units, including 621 income-restricted housing units and 114 affordable independent residences for seniors (AIRS), 33,995 gsf of community facility uses, approximately 1.94 acres of publicly accessible open space, and a net decrease of 104 accessory parking. The Proposed Actions would facilitate the development of six new residential and community facility buildings with approximately 735 total new

units (621 income-restricted housing units and 114 affordable independent residences for seniors (“AIRS”)) on lands that currently are underutilized and present unsafe conditions. The Proposed Project is compliant with the underlying R6 zoning district. The location and bulk of the existing Stevenson Commons buildings would not change, and no new modifications of zoning provisions are required for either the Proposed Project or the existing Stevenson Commons buildings.

Written comments on the DEIS are requested and will be received and considered by the Lead Agency through August 30th, 2021.

For instructions on how to submit comments and participate remotely, please refer to the instructions at the beginning of this agenda.

This hearing is being held, pursuant to the State Environmental Quality Review Act (SEQRA) and City Environmental Quality Review (CEQR), CEQR No. 21DCP044X.

NOTICE

On Wednesday, August 18, 2021, a public hearing is being held by the City Planning Commission (CPC), accessible both in

person and remotely, in conjunction with the above ULURP hearing to receive comments related to a Draft Environmental Impact Statement (DEIS) concerning an application by BP 347 Madison Associates, LLC, (BP) and the Metropolitan Transportation Authority (MTA) (the Applicant). The Applicant is seeking from the CPC two Vanderbilt Corridor Subarea special permits, pursuant to Zoning Resolution §81-633 (Grand Central public realm improvements) and §81-634 (modifications to bulk regulations and mandatory district plan elements), in order to redevelop the property located at 341-347 Madison Avenue (the Project Site), within the Vanderbilt Corridor and Grand Central Core Area of the Special Midtown District's East Midtown Subdistrict in Manhattan, Community District 5. The Project Site is owned by the MTA, from which BP is seeking approval of a net lease on the property. The Proposed Action, which is expected to be completed by 2026, would facilitate the redevelopment of the Project Site with the Proposed Project—a new, approximately 925,630-gross-square-foot (gsf) commercial office building up to 1,050 feet tall (including the bulkhead), with ground floor retail uses, below-grade space (i.e., mechanical and back-of-house space), and on-site transportation improvements that would create new pedestrian access to, and egress from, the new Long Island Rail Road (LIRR) East Side Access (ESA) concourse (the existing connection from 45th Street to the Grand Central Terminal (GCT) Roosevelt Passageway would remain adjacent to the site at 52 Vanderbilt). The Proposed Action would also provide off-site improvements to passenger circulation at the Grand Central – 42nd Street Subway Station, including improvements to passenger connections to the IRT Flushing Line (#7 Train) platform.

Written comments on the DEIS are requested and will be received and considered by the Lead Agency through Monday, August 30, 2021.

For instructions on how to submit comments and participate remotely, please refer to the instructions at the beginning of this agenda.

This hearing is being held, pursuant to the State Environmental Quality Review Act (SEQRA) and City Environmental Quality Review (CEQR), CEQR No. 21DCP020M.

NEW YORK STATE OFFICE OF COMMUNITY RENEWAL
AND
NOTICE OF A PUBLIC HEARING**

TO ALL AGENCIES, COMMUNITY BOARDS, GROUPS, AND PERSONS:

The City of New York (the City) will hold a public hearing and comment period for the purpose of hearing comments on the City's community development needs, and to discuss the submission of several Community Development Block Grant (CDBG) applications for the 2021 program year.

The New York State Community Development Block Grant Program (NYS CDBG), is a Federally funded program administered by the NYS Office of Community Renewal (OCR). OCR has made available to eligible local governments approximately \$60 million for the 2020 program year for housing, economic development, public facilities, public infrastructure, and planning activities, with the principal purpose of benefitting low/moderate income persons and preventing, preparing for, and responding to COVID-19. Additional funds are expected to be made available in a subsequent funding round.

NYC intends to apply for \$4 million of NYS CDBG funding for three coronavirus-related projects, which are summarized at the end of this notice. Beginning Wednesday, July 28, 2021, the City's proposed applications will be available for review through the Department of City Planning's website, at www.nyc.gov/planning. Readers will be able to translate the documents into various languages including, but not limited to, Spanish, Russian, and Chinese (simplified). Due to the COVID-19 emergency, the documents will not be printed.

Additionally, the City will hold a virtual public hearing on Thursday, August 5, 2021 at 12:00 P.M. The hearing will provide information about the CDBG program and allow for interested parties to discuss the applications. Comments on the proposed projects will be received at this time. If special accommodations are needed for persons with disabilities, those with hearing impairments, or those in need of translation from English, those individuals should email Con-PlanNYC@planning.nyc.gov at least three days in advance of the hearing date to allow for necessary arrangements.

The hearing is being conducted pursuant to 24 CFR § 570.486 in compliance with the requirements of the Housing and Community Development Act of 1974, as amended and 24 CFR § 91.105(c) of the U.S. Department of Housing and Urban Development's Consolidated Plan regulations. Pursuant to waivers issued by HUD given the ongoing pandemic, the City will not hold in-person hearings and has instead created an online platform that allows the public to review the proposed submissions, provide comments, and view responses by the City to the comments received. The online platform may be accessed from the following web address: <https://www1.nyc.gov/site/planning/about/consolidated-plan.page>. You may also email comments to Con-PlanNYC@planning.nyc.gov. If you are unable to access email, please submit your comments to Lisa Rambaran, Consolidated Plan Program Manager, Department of City Planning, 120 Broadway 31st Floor, New York, NY 10271.

Comments must be received by close of business August 5, 2021.

Project Summaries

- 1. Furnishing Affordable Housing Units for Former Shelter Residents:** Since the onset of COVID-19, the NYC Department of Housing Preservation and Development (HPD) has significantly increased the number of households moving from shelter to permanent, HPD-assisted affordable housing in order to ensure households had safe places to isolate, maintain social distance, and take care of their health. The City proposes to use NYS CDBG funds to provide furnishings to these households, which affords stability and reduces the likelihood they return to homelessness and the dangers of COVID in the shelter system. HPD would contract with a non-profit provider to purchase and deliver furniture based on unit size and unique needs. Amount to be requested: \$1 million.
- 2. Expanding Internet Access for Housing Voucher Recipients:** The COVID-19 pandemic highlighted the critical need for universal internet access. A survey of housing voucher clients revealed that nearly half of the households do not have internet access at home. Many buildings in the low-income neighborhoods the

City primarily serves are physically disconnected from necessary infrastructure. In response, HPD proposes to use NYS CDBG funds for a pilot program to expand internet access via a "mesh" WiFi network. Amount to be requested: \$1 million.

3. **Expanding Access to Mental Health Services for Older Adults:** COVID-19 has intensified the need for accessible and culturally appropriate mental health services for older adults. Social distancing requirements and stay-at-home orders have exacerbated underlying pre-existing conditions, created new mental health needs, increased social isolation, and increased prevalence of elder abuse and elder crime. The NYC Department for the Aging (DFTA) proposes to use NYS CDBG funds to expand access to bilingual and bicultural licensed mental health clinicians for older adults living in the most impacted, vulnerable, and underserved communities. DFTA's Geriatric Mental Health program would be expanded to Older Adult Centers in these areas. Amount to be requested: \$2 million.

The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed, at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children's Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)
- Department of Homeless Services (DHS)
- Department of Probation (DOP)
- Department of Small Business Services (SBS)
- Department of Youth and Community Development (DYCD)
- Housing and Preservation Department (HPD)
- Human Resources Administration (HRA)
