■ PUBLIC HEARINGS

PLEASE TAKE NOTICE, The Subcommittee on Land Marks, Public Sitings, and Dispositions, will hold a remote public hearing on the following matters, commencing, at 10:00 A.M., on December 7, 2021, at <https://council.nyc.gov/live/>. Please visit, <https://council.nyc.gov/land-use/>, in advance for information about how to testify and how to submit written testimony.

Pursuant Section 576-a(2) of the Private Housing Finance Law, the Department of Housing Preservation and Development ("HPD") of the City of New York ("City") has proposed the sale of the following City-Owned property (collectively, "Disposition Area") in the Borough of Staten Island:

Block/Lot(s)

Block 487/ Part of Lot 100

Under HPD's New Construction Finance Programs, sponsors purchase City-Owned or privately owned land or vacant buildings and construct or rehabilitate multifamily buildings in order to create affordable rental housing units with a range of affordability, including units for formerly homeless families. Construction and permanent financing is provided through loans from private institutional lenders and from public sources including HPD, the New York City Housing Development Corporation, the State of New York, and the federal government. Additional funding may also be provided from the syndication of low-income housing tax credits.

Under the proposed project, the City will sell the Disposition Area to Stapleton Housing Development Fund Corporation ("Sponsor") for the nominal price of one dollar per tax lot. The Sponsor will also deliver an enforcement note and mortgage for the remainder of the appraised value ("Land Debt"). The Sponsor will then construct, at least one building containing a total of approximately 359 rental dwelling units, plus one unit for a superintendent. The building will also contain approximately 9,000 square feet of community facility space on the Disposition Area.

The Land Debt or the City's capital subsidy may be repayable out of resale or refinancing profits for a period of, at least thirty (30) years following completion of construction. The remaining balance, if any, may be forgiven, at the end of the term.

The appraisal and the proposed Land Disposition Agreement and Project Summary are available for public examination by emailing Margaret Carey, at careym@hpd.nyc.gov, on business days during business hours.

For questions about accessibility and requests for additional accommodations, please contact swerts@council.nyc.gov or nbenjamin@council.nyc.gov or (212) 788-6936, at least three (3) business days before the hearing.

Specifically, these proposed new rules would:

- Set the expiration date for third-party food delivery service licenses;
- Require third-party food delivery services to maintain certain records;
- Establish procedures for complying with requests for records and information;
- Clarify the location of a required disclosure about gratuities for food delivery workers;
- Clarify the location of a required disclosure about third-party telephone number listings;
- Require third-party delivery services to provide a disclosure and the ability for customers to opt out of certain data sharing;
- Create a penalty schedule for violations related to third-party food delivery services; and
- Clarify requirements for responding to certain requests for data from the Department.

Sections 1043 and 2203(f) of the New York City Charter and Section 20-104(b) of the New York City Administrative Code authorize the Department of Consumer and Worker Protection to make these proposed rules.

New material is underlined.
[Deleted material is in brackets.]

“Shall” and “must” denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

Proposed Rule Amendments

Section 1. Chapter 2 of Title 6 of the Rules of the City of New York is amended by adding a new Subchapter KK to read as follows:

Subchapter KK: Third-Party Food Delivery Services

§ 2-461 License Application Requirements.

(a) Third-party food delivery service licenses expire on August 31st in odd numbered years.

(b) An application for a third-party food delivery service license must include the Department’s basic license application, the third-party food delivery service license application supplement, and any other documents and information requested by the Department.

(c) Pursuant to section 20-113 of the Administrative Code, a separate third-party food delivery service license is required for each trade name that a person uses to conduct the business of a third-party food delivery service. A third-party food delivery service license applicant must submit a separate license application for each trade name it will use to conduct the business of a third-party food delivery service.

(d) A licensee or applicant must notify the Department in writing of any change to the websites, mobile applications, third-party food delivery platforms, uniform resource locators, or operating systems contained in the licensee’s or applicant’s basic license application or third-party food delivery service license application supplement within 10 days of the change.

§ 2-462 Records.

(a) (1) Pursuant to subdivision (a)(4) of section 20-563.8 of the Administrative Code, every third-party food delivery service must maintain records sufficient to document the full ownership of such third-party food delivery service. Such records must be maintained in an electronic format for a period of at least 3 years.

(2) Every third-party food delivery service must maintain records sufficient to demonstrate compliance with the requirements set forth in subdivision (b) of section 20-563.2 of the Administrative Code. Such records must be maintained in an electronic format for a period of at least 3 years.

(3) Every third-party food delivery service must maintain records sufficient to document all customer requests not to share the customer’s data with a food service establishment pursuant to subdivision (b) of section 20-563.7 of the Administrative Code. Such records must be maintained in an electronic format for a period of at least 3 years.

(b) (1) A request or subpoena for information or records from the Department must be served on a third-party food delivery service in writing in person, via mail, or via email. A third-party delivery service must respond to a written request or subpoena for information or records from the Department by providing to the Department true, accurate, and contemporaneously made electronic records or information within 30 days of the date that the request is received and in the formats and layouts prescribed by the Department in such request or subpoena.

(2) Notwithstanding subdivision (b)(1) of this section, the Department can provide for a deadline of fewer than 30 days if agreed to by the parties or if the Department has reason to believe that the third-party food delivery service will: destroy or falsify records; or close, sell, or transfer its business, dispose of assets, or imminently declare for bankruptcy.

(3) A deadline of more than 30 days may be agreed to on consent by the Department and the third-party food delivery service.

(4) The Department may issue a summons to a third-party food delivery service who fails to provide true and accurate electronic records or information by the deadline provided in the written request or subpoena or the deadline agreed to by the parties.

(c) A third-party delivery service’s failure to maintain, retain, or produce a record that is required by law or rule to be maintained that is relevant to a material fact alleged by the Department in a summons, petition, or other notice of hearing creates a reasonable inference that such fact is true.

§ 2-463 Gratuities for Food Delivery Workers

The disclosure required by subdivision (b) of section 20-563.2 of the Administrative Code must be made:

(a) directly adjacent to the gratuity solicitation; or

(b) accessible via a link placed directly adjacent to the gratuity solicitation if such link is labeled with plain language to describe its contents.

§ 2-464 Telephone Number Listings.

A listing or link for a third-party telephone number permitted by subdivision (a) of section 20-563.5 of the Administrative Code and the disclosures required by such subdivision for a third-party telephone number must appear directly adjacent to the direct telephone number for the food service establishment.

§ 2-465 Sharing Customer Data.

(a) To comply with subdivision (b) of section 20-563.7 of the Administrative Code, every third-party food delivery service must, for every prospective order, provide the following disclosure in a clear and conspicuous manner: “To process orders, (name of third-party food delivery service) collects customer data, which includes your name, telephone number, email address, delivery address, and what you ordered from the restaurant. If the restaurant requests it, (name of third-party food delivery service) will share your customer data concerning this order with the restaurant unless you opt out of sharing your data. You can click here to opt out of sharing this data (hyperlink to an electronic form allowing customer to opt out).”

(b) Every third-party food delivery service must provide for what is required by this section prior to the customer completing a prospective order and on the same page of its website, mobile application, or other platform where the customer is completing such prospective order.

§ 2. Subchapter B of Chapter 6 of Title 6 of the Rules of the City of New York is amended by adding a new Section 6-79 to read as follows:

§ 6-79 Third-Party Food Delivery Services Penalty Schedule.

All citations are to Title 20 of the Administrative Code of the City of New York or Title 6 of the Rules of the City of New York.

Unless otherwise specified, the penalties set forth for each section of law or rule shall also apply to all subdivisions, paragraphs, subparagraphs, clauses, items, or any other provision contained therein. Each subdivision, paragraph, subparagraph, clause, item, or other provision charged in the Notice of Violation shall constitute a separate violation of the law or rule.

In certain cases, the Department may ask for license suspension or revocation, as permitted by statute. If a respondent is found in violation of multiple provisions that require a suspension period, the suspension periods shall run concurrently.

Unless otherwise specified by law, a second, or third and subsequent violation means a violation by the same respondent, whether by pleading guilty, being found guilty in a decision, or entering into a settlement agreement for violating the same provision of law or rule, within two years of the prior violation(s).

Violations by third-party food delivery services accrue on a daily basis for each day and for each food service establishment with respect to which a violation is committed.

LATE NOTICE

OFFICE OF THE MAYOR

NOTICE

MAYOR'S PERSONNEL ORDER NO. 2021/2

TO THE HEADS OF ALL AFFECTED CITY DEPARTMENTS AND AGENCIES:

SUBJECT: CITYWIDE POLICY FOR EXCUSED LEAVE TO ACCOMPANY A CHILD OR CHILDREN RECEIVING A COVID-19 VACCINATION.

Pursuant to the powers vested in the Mayor by law, effective November 4, 2021, it is hereby ordered that all City employees shall be eligible to receive up to four (4) hours per child of excused leave for travel during scheduled work hours to accompany their child to receive the COVID-19 vaccine for each required administration of the vaccine.

1. Paid Leave to Accompany a Child or Children Receiving a COVID-19 Vaccination

1. An employee may take up to four hours of excused leave per child for travel during scheduled work hours to accompany a child or children to receive a COVID-19 vaccine for each required administration of the vaccine.

2. Terms and conditions

- For the purposes of this order, child of an eligible employee means a biological, adopted, or foster child, stepchild, a legal ward or a child with respect to whom the employee stands in loco parentis, under the age of 18 years of age, or age 18 or older and incapable of self-care because of a mental or physical disability, and eligible to receive the COVID-19 vaccine.
- To the extent practicable, an employee should notify their supervisor at least three calendar days before their child's or children's scheduled administration of the vaccine and schedule the excused leave for a time that minimizes interference with agency operations.
- The employee must provide documentation of the child or children's scheduled vaccination at the time they notify the supervisor of the need for excused leave and provide documentation of the receipt of each required vaccination, including the date and time of administration, signed by the provider or the provider's agent.
- An employee with more than one eligible child should make best efforts to schedule the vaccination appointments for all eligible children at the same time.
- An employee is excused only for the time required for their child or children to receive the vaccine, including travel to and from the vaccination site, up to a maximum of four hours for each child per vaccine injection.
- Any additional time off must be charged to the employee's leave balances.
- An agency head, in his or her sole discretion, may grant excused leave in excess of four hours to an employee in exceptional circumstances, such as widespread mass transit delays, unusually long travel distance between the worksite and the site of the vaccination, or unexpected delays at the vaccination site.
- An employee seeking excused leave that exceeds four hours per vaccine injection must provide a credible explanation and documentation of the reason that the absence from the worksite to accompany their child or children to receive a vaccination exceeded four hours per child.
- An employee who accompanies their child to receive the vaccination during nonworking hours shall not receive excused leave for such administration.

All officers or employees of the City having any jurisdiction over the matters provided in this Order are hereby directed, pursuant to the powers vested in them, to take the steps necessary to effectuate the provisions of this Order.

Bill de Blasio
Mayor
