§ 7-803 Retaliation.

- (a) "Denial of work opportunities" under Section 20-1504 of the Administrative Code and "denial of future work opportunities" under Section 20-1508 of the Administrative Code include suspensions, deactivations, or any other act that results in a food delivery worker not being offered a trip, provided however that such terms do not include any act or omission required of a third-party food delivery service or third-party courier service in order to comply with a food delivery worker's maximum distance, bridge, and tunnel specifications in accordance with Section 20-1521(c) of the Administrative Code.
- (b) If a third-party food delivery service or a third-party courier service maintains a system in which food delivery worker suspensions, deactivations, trip or shift offers depend, in whole or in part, on food delivery workers' internal or public ratings, it is a retaliatory denial of work opportunity under Section 20-1504 of the Administrative Code and a retaliatory denial of a future work opportunity under Section 20-1508 of the Administrative Code when such third-party food delivery service or third-party courier service downgrades a food delivery worker's rating based on the exercise or attempted exercise of a right protected under Title 20, Chapter 15 of the Administrative Code.
- (c) It shall constitute retaliation under Section 20-1504 of the Administrative Code if a third-party food delivery service, a third-party courier service, or any other person takes an adverse action against a food delivery worker on account of such worker refusing a trip offered in violation of Section 20-1521 of the Administrative Code.
- (d) Each downgrading of a food delivery worker's internal or public rating as a result of such worker's exercise or attempted exercise of a right protected under Chapter 15 of Title 20 of the Administrative Code shall constitute a separate instance of retaliation and a separate instance of a violation of Section 20-1508(a)(3)(a) of the Administrative Code.

§ 7-804 Notice of Rights.

- (a) A third-party food delivery service or third-party courier service must provide the notice of rights required by Section 20-1505 of the Administrative Code to a food delivery worker no later than April 22, 2022 or prior to the food delivery worker's first trip, whichever is later.
- (b) For purposes of this section, if a third-party food delivery service or a third-party courier service hires, retains or engages a food delivery worker following a break in service of six months or more with such third-party food delivery service or third-party courier service, such food delivery worker shall be considered a new food delivery worker and the notice of rights must be provided to them as required by Section 20-1505 of the Administrative Code and subdivisions (a) and (b) of this section.
- (c) In addition to the requirements in subdivisions (a) through (c) of this section, upon request by a food delivery worker, a third-party food delivery service or third-party courier service must provide the notice of rights required by Section 20-1505 of the Administrative Code to such food delivery worker within fourteen (14) days of the date the request for such notice was received by the third-party food delivery service or third-party courier service.
- (d) The notice of rights required by Section 20-1505 of the Administrative Code must be provided by email and as a link within a text message sent to the food delivery worker. In addition to provision by text or email, such notice must also be made continuously available to all active food delivery workers through any website, mobile application, or other internet service used by a food delivery worker to perform work for a third-party food delivery service or third-party courier service.
- (e) When a third-party food delivery service or third-party courier service downloads or otherwise uses a notice of rights prepared by the commissioner and made available on the city's website, such third-party food delivery service or third-party courier service must provide such notice in accordance with any accessibility requirements set forth by the commissioner on the city's website.
- (f) If the commissioner updates the information in the notice of rights pursuant to Section 20-1505(a) of the Administrative Code, no later than thirty (30) days following the effective date of such update, a third-party food delivery service or third-party courier service must provide such updated notice to all food delivery workers in the manner provided in subdivisions (a) through (f) of this section.

§ 7-805 Recordkeeping.

- (a) (1) A request or subpoena for information or records from the Department must be served on a third-party food delivery service or third-party courier service in writing in person, via mail, or via email. When the Department issues a written request or subpoena for data, information or documents under Section 20-1506(a) of the Administrative Code, a third-party food delivery service or third-party courier service must provide all responsive data, information, or documents to the Department within thirty (30) days of receiving such request or subpoena.
- (2) A deadline of more than 30 days may be agreed to on consent by the Department and the third-party food delivery service or third-party courier service.

- (b) A third-party food delivery service or third-party courier service must create and maintain contemporaneous, true, and accurate records documenting compliance with the requirements of Chapter 15 of Title 20 of the Administrative Code for a period of three years. If, in the ordinary course of business, any record required to be maintained under this subdivision is created by a person other than such third-party food delivery service or third-party courier service, it is the responsibility of such third-party food delivery service or third-party courier service to obtain a copy of such record.
- (c) A third-party food delivery service or third-party courier service must maintain the data specified in this subdivision, or a copy of such data, according to record layouts prescribed by the Department, provided that such record layouts have been published and made available on the Department's website. Such data shall include:

- (iii) If different from the date and time that the trip offer was made to the food delivery worker, the date(s) and time(s) that the information required to be disclosed by Section 20-1521(d) of the Administrative Code was first disclosed to a food delivery worker;

- (b) Pursuant to Subdivisions (a) and (b) of Section 20-1521 of the Administrative Code, a third-party food delivery service or third-party courier service must provide a food delivery worker with the ability to set and update the maximum distance parameter and preferences in respect to the bridges and tunnels listed in subdivisions c and d of this section using the third-party food delivery or third-party courier service's website, mobile application, or other internet service through which trips are offered to such worker. Such distance, bridge, and tunnel parameters, when set or updated, shall take effect automatically and as soon as practicable, without requirement for review, approval, or any other act by a natural person employed by or acting on behalf of the third-party food delivery service or third-party courier service. The functions to set and modify such parameters must be included within a user interface easily accessible to workers through the website, mobile application, or other internet service and no less accessible than other settings or profile information a food delivery worker can select or input. A food delivery worker must be able to select and deselect the bridges and tunnels listed in subdivisions c and d of this section using a list or map within the user interface.

- (2) Holland Tunnel;
- (3) Queens Midtown Tunnel; and
- (4) Hugh L. Carey Tunnel (Brooklyn Battery Tunnel).
- (e) For any bridge or tunnel not listed in subdivisions c or d, a third-party food delivery service or third-party courier service may require a food delivery worker to specify such bridge or tunnel parameter via the user interface or by any other reasonable means, provided that the third-party food delivery service or third-party courier service has notified a food delivery worker of how they may set such parameter.
- (f) Pursuant to Section 20-1251(d)(2) of the Administrative Code, the estimated time and distance for a trip must include the total time and the total distance for a food delivery worker to complete the trip, including travel to a business from the location where the worker accepted the trip offer, picking up the food, beverage, or other goods for delivery, taking and depositing such delivery at a different location as requested, any waiting time, and any time spent placing the order with a food service establishment or other business, transmitting payment for the order to a food service establishment or other business, or assembling the order. The expected or required time of the last drop-off on a trip may be disclosed in lieu of the estimated time for the trip.
- (g) Pursuant to Section 20-1251(d)(3) of the Administrative Code, a third-party food delivery service or third-party courier service that engages a food delivery worker to perform a delivery must disclose to the food delivery worker the amount of any gratuity, if specified by the consumer, even if such third-party food delivery service or third-party courier service does not receive the order for delivery directly from the consumer.

Example: If a consumer places an order for delivery with a third-party food delivery service, and such third-party food delivery service transfers the order to a third-party food courier service that then facilitates the delivery, such third-party food courier service must disclose to the food delivery worker the amount of gratuity, if any, specified by the consumer.

Example: If a consumer places an order for delivery with a food service establishment or other business, and such food service establishment or other business transfers the order to a third-party food delivery service or third-party courier service that then facilitates the delivery, such third-party food delivery service or third-party courier service must disclose to the food delivery worker the amount of gratuity, if any, specified by the consumer.

- (h) A third-party food delivery service or third-party courier service must pay a food delivery worker for a completed trip no less than the amount it discloses pursuant to Section 20-1521(d)(4) of the Administrative Code, in addition to any gratuity owed for such trip. If, pursuant to subdivision (h) of this section, a third-party food delivery service or third-party courier service discloses an hourly pay rate to a food delivery worker, such third-party food delivery service or third-party courier service must pay such food delivery worker for the time such food delivery worker spends on the trip a rate no less than such hourly pay rate.
- (i) If a third-party food delivery service or a third-party courier service compensates a food delivery worker on an hourly basis, such third-party food delivery service or third-party courier service must satisfy the requirements of Section 20-1521(d)(4) of the Administrative Code by disclosing the hourly pay rate that will be applied to the time such food delivery worker spends performing the offered trip.
- (j) For purposes of Section 20-1521(a)(1)-(3) of the Administrative Code, a trip offered to a food delivery worker by a third-party food delivery service or third-party courier service requires travel across a bridge or through a tunnel if the shortest route generated by a routing engine selected by the Department for such trip involves passage over such bridge or through such tunnel, unless such third-party food delivery service or third-party courier service produces contemporaneous records showing that it provided an alternative route not requiring passage over such bridge or through such tunnel to such food delivery worker and that such route was consistent with the time and distance disclosed under Section 20-1521(d)(2) of the Administrative Code.

§ 7-807 Payments to Workers.

(a) For purposes of Section 20-1523(a) of the Administrative Code, a third-party food delivery service or third-party courier service shall be considered to have charged or imposed a fee on a food delivery worker if (1) it does not offer a form of payment to a food delivery worker free from any fees charged or imposed by a financial intermediary or other person or (2) a fee for payment is charged or imposed on a food delivery worker by any parent, affiliate, or subsidiary entity of the third-party food delivery service or third-party courier service.

- (b) For purposes of Section 20-1523(a) of the Administrative Code, any form of payment a third-party food delivery service or third-party courier service makes available to or requires for a food delivery worker is a form of payment selected by such service.

- (b) A third-party food delivery service or third-party courier service must provide a food delivery worker with the option of having an insulated food delivery bag required by Section 20-1524(a)(1) of the Administrative Code delivered to such worker.
- (c) In cases of loss, damage, theft, or deterioration, a third-party delivery service or third-party courier service must make available replacement insulated food delivery bags for a food delivery worker at no expense to such food delivery worker.
