CD 14 **C 220237 HUQ**
IN THE MATTER OF an application submitted by the Department of
 Housing Preservation and Development pursuant to Section 505 of
 Article 15 of the General Municipal (Urban Renewal) Law of New York
 State and Section 197-c of the New York City Charter, for the second

NOTICE

On Wednesday, March 30, 2022, a public hearing is being held by the City Planning Commission (CPC), accessible remotely, in conjunction with the above ULURP hearing to receive comments related to a Draft Environmental Impact Statement (DEIS) concerning an application by the New York City Department of Housing Preservation and Development ("HPD"). HPD is seeking a series of land use actions including zoning map amendments, zoning text amendments, amendments to the Edgemere URP including acquisition of real property, disposition of City-Owned property, Urban Development Action Area (UDAA) designation and Urban Development Action Area Project (UDAAP) approval, and a Mayoral Zoning Override and potential future construction financing from HPD (the "Proposed Actions") to facilitate the development of market-rate and affordable housing and community amenities to benefit the neighborhood in transit-oriented areas and discourage future development in areas at greater risk to coastal hazards.

The Project Area is generally bounded by Beach 35th Street to the east, Rockaway Freeway and Rockaway Beach Boulevard to the south, Beach 50th Street and Beach 51st Street to the west, and Jamaica Bay to the north in the neighborhood of Edgemere in Queens Community District 14 on the Rockaway Peninsula.

In total, the reasonable worst-case development scenario (RWCDs) for the Proposed Actions is expected to result in 1,222 residential units in approximately 1,313,659 gross square feet (gsf), including up to 465 affordable units; approximately 115,849 gsf of local retail uses; and approximately 640 new parking spaces. Under the RWCDs, the Proposed Actions would also result in a net increment of 3,568 residents and 389 workers.

Written comments on the DEIS are requested and will be received and considered by the Lead Agency through 5:00 P.M. on Monday, April 11, 2022.

For instructions on how to submit comments and participate remotely, please refer to the instructions at the beginning of this agenda.

This hearing is being held, pursuant to the State Environmental Quality Review Act (SEQRA) and City Environmental Quality Review (CEQR), CEQR No. 21HPD009Q.

CORRECTION: DOE SCHOOL CONFLICT CRISIS MANAGEMENT SYSTEM OF SCHOOL BASED SERVICES - Negotiated Acquisition - Available only from a single source - PIN# 00222N0035 - Due 3-23-22 at 5:00 P.M.

The Crisis Management System, is a supporting a set of interrelated services to reduce gun violence in over 88 schools across 40 target neighborhoods. The school-based services component is designed to provide culturally competent programming to at-risk youth to reduce the likelihood of their involvement in violence in their school or community, with the goal of increasing their engagement at school as measured through attendance, academic progress, and other measures. The program can also include school-wide activities to assist in changing the culture around violence and to assist schools in their response to incidents that occur in the school or community.

(a) the current health emergency and the extraordinary challenges of the pandemic emphasizes the urgent need to streamline procurement through the execution and management of multiple subcontracts with a diverse pool of approximately 10-15 competent community-based organizations, to achieve the deliverables of the mayoral announcement of Academic Recovery for all ; (b) the significant and drastic increase in gun violence across multiple neighborhoods in New York City that require an immediate response and intervention to interrupt the cycle of violence that impacts students citywide; and (c) the exceptionally limited timeframe to implement the mayoral strategy to expand employment services to New Yorkers to directly impact the build environment to contribute to the healthy and vibrant communities.
