**DOE SCHOOL CONFLICT CRISIS MANAGEMENT SYSTEM OF SCHOOL BASED SERVICES** - Negotiated Acquisition - Other -PIN# 00222N0026 - Due 4-5-22 at 6:00 P.M.

The Crisis Management System, is a supporting a set of interrelated services to reduce gun violence in over 88 schools across 40 target neighborhoods. The school-based services component is designed to provide culturally competent programming to at-risk youth to reduce the likelihood of their involvement in violence in their school or community with the goal of increasing their engagement at school as measured through attendance, academic progress, and other measures. The program can also include school-wide activities to assist in changing the culture around violence and to assist schools in their response to incidents that occur in the school or community.

(a) the current health emergency and the extraordinary challenges of the pandemic emphasizes the urgent need to streamline procurement through the execution and management of multiple subcontracts with a diverse pool of approximately 10-15 competent community-based organizations to achieve the deliverables of the mayoral announcement of Academic Recovery for all; (b) the significant and drastic increase in gun violence across multiple neighborhoods in New York City that require an immediate response and intervention to interrupt the cycle of violence that impacts students citywide; and (c) the exceptionally limited timeframe to implement the mayoral strategy to expand employment services to New Yorkers to directly impact the build environment to contribute to the healthy and vibrant communities.

#### Statement of Basis and Purpose of Proposed Rules

Administrative Code section 27-2056.4 provides that owners of multiple dwellings must annually inform tenants that they may request stove knob covers for gas stoves. Recent amendments to section 27-2056.4 by Local Law 44 of 2022, added that tenants may request either stove knob covers, or permanent stove safety knobs with integrated locking mechanisms.

Tenants must affirmatively request either device in writing to the owner after receiving the required annual notice. The owner does not have to provide either the stove knob covers or the permanent stove safety knobs if there is no such available device for the stove, if the owner has already fulfilled two requests for replacement of such devices within the previous year, or if the owner has not received a request for installation of such devices.

Owners must keep a record of providing the annual notice, written tenant responses, units for which devices were provided, and a list of requests for such devices. Owners must also document where requests were made for stove knob covers or permanent stove safety knobs with integrated locking mechanisms but not provided because there was no such available device for the stove.

New material is underlined. [Deleted material is in brackets.]

"Shall" and "must" denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

Section one. Section 55-01 of chapter 55 of title 28 of the rules of the city of New York is amended to read as follows:

#### §55-01 Records.

An owner must keep a record of the following documents for five years, and produce such documents upon request of the Department:

 $\left[ (1) \text{ a documented notification of refusal of stove knob covers tenants;} \right]$ 

[(2)] (1) documentation of <u>annual notification to tenants</u> [attempts] by the owner to make stove knob covers <u>or permanent stove safety</u> <u>knobs with integrated locking mechanisms</u> available for apartments [where the owner knows or reasonably should know that a child under age six resides, for which the tenant did not return the annual notice to the owner];

[(3)] (<u>2</u>) a list of units for which stove knob covers <u>or permanent stove</u> safety knobs with integrated locking mechanisms were made available;

[(4)] (3) a list of [tenants who requested] <u>written requests received</u> <u>from units for stove knob covers or permanent stove safety knobs</u> <u>with integrated locking mechanisms and attempts to make them</u> <u>available;[.]</u>

[(5)] (4) a list of units where, after written request by the tenant, stove knob covers or permanent stove safety knobs with integrated locking mechanisms could not be made available for the particular stove in the unit, with documented proof that compatible knob covers\_ or permanent stove safety knobs with integrated locking mechanisms for such stove are unavailable or that the stove was not a gas-powered stove.

#### §55-02 Annual Notice.

On or prior to [January 5, 2019, and every year, thereafter] <u>January</u> <u>16th annually</u>, an owner of a unit in a multiple dwelling, other than a dwelling unit in a multiple dwelling owned as a condominium or cooperative and used as the primary residence of such owner, must provide an annual notice to each tenant of a unit with a gas-powered stove regarding the owner's obligation to provide stove knob covers or permanent stove safety knobs with integrated locking mechanisms pursuant to New York City Administrative Code section 27-2046.4(a). [Such notice may be combined with other annual notices required to be provided to tenants.] Such notice must provide the following information:

#### **ENGLISH VERSION:**

#### ANNUAL NOTICE REGARDING INSTALLATION OF STOVE KNOB COVERS <u>OR PERMANENT STOVE SAFETY KNOBS</u> WITH INTEGRATED LOCKING MECHANISMS

The owner of this building is required, by Administrative Code §27-2046.4(a), to provide stove knob covers <u>or permanent stove safety</u> knobs with integrated locking mechanisms for each knob located on the front of each gas-powered stove to tenants in each dwelling unit in which a child under six years of age resides when requested to do so in writing by the tenant, unless there is no available stove knob cover that is compatible with the knobs on the stove. Tenants may [refuse] request stove knob covers or permanent stove safety knobs with integrated locking mechanisms by marking the appropriate box on this form. Tenants may also request stove knob covers or permanent stove safety knobs with integrated locking mechanisms even if they do not have a child under age six residing with them, by marking the appropriate box on this form. The owner must make the stove knob covers available within 30 days of [this notice] the written request by the tenant. Please also note that an owner is only required to provide replacement stove knob covers or permanent stove safety knobs with integrated locking mechanisms twice within any one-year period. You may request [or refuse] stove knob covers or permanent stove safety knobs with integrated locking mechanisms by checking the appropriate box on the form below, and by returning it to the owner at the address provided. #### PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after In the receipt of a proper invoice. The City pays interest on all late invoices. However, there are certain types of payments that are not eligible for interest; these are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year: in January and in July.

#### HOW TO READ CR PROCUREMENT NOTICES

Procurement notices in the CR are arranged by alphabetically listed Agencies, and within Agenci Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section.

at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified unless a different one is given in the individual notice. In that event, the directions in the individual notice should be followed.

The following is a SAMPLE notice and an explanation of the notice format used by the CR.
