PRESERVATION AREA

#### 96-104 Height and setback regulations

The underlying height and setback regulations shall not apply, except as set forth in Sections 23-62 or 33-42 (Permitted Obstructions), as applicable. In lieu thereof, the height and setback provisions of this Section shall apply. All height shall be measured from #curb level#.

However, the City Planning Commission, by special permit, may modify the special height and setback regulations set forth in this Section. In order to grant such special permit, the Commission shall find that the distribution of #bulk# permits adequate access of light and air to surrounding #streets# and properties and that the maximum height does not exceed 99 feet beyond 100 feet of a #wide street#, and 115 feet within 100 feet of a #wide street#.

The Commission may prescribe appropriate conditions and safeguards to protect and minimize any adverse effects on the character of the surrounding area.

#### 96-112 Special permits

For #developments# or #enlargements# within the Preservation Area, or subject to the regulations of paragraph (a) of Section 96-31 (Special Regulations in R8 Districts), the City Planning Commission may allow, by special permit, the modifications set forth in paragraph (a) of this Section, provided that the findings in paragraph (b) are met.

- (a) The Commission may allow modifications to:
  - (1) the special height and setback regulations set forth in Section 96-104 (Height and setback regulations), provided that the height of the #building# shall not exceed 115 feet within 100 feet of a #wide street#, and 99 feet beyond 100 feet of a #wide street#; and
  - (2) the other applicable #bulk# regulations of this Resolution, except #floor area ratio#, for #buildings# that are located on a #zoning lot# that has an area of at least 40,000 square feet, occupies the frontage of a #wide street#, and contains existing public infrastructure.

- (b) In order to grant such special permit, the Commission shall find that:
  - (1) for height modifications to paragraph (a)(1) of this Section, the distribution of #bulk# permits adequate access to light and air to surrounding #streets# and properties;
  - (2) for other #bulk# modifications:
    - (i) there are physical conditions, including the presence of existing #buildings or other structures#, public infrastructure, or topographical features, that create practical difficulties in complying with the #bulk# regulations that would adversely affect the #building# configuration or site plan;
    - (ii) the proposed modifications will not unduly obstruct access to light and air to adjoining properties or #streets#:
    - (iii) the proposed scale and placement of the #development# or #enlargement# relates harmoniously with the surrounding area; and
    - (iv) the requested modification is reasonable in relation to the practical difficulties on the site or the public benefit derived from the #development# or #enlargement#.

The Commission may prescribe appropriate conditions and safeguards to protect and minimize any adverse effects on the character of the surrounding area.

■ NOTICE

#### CORRECTED NOTICE

PLEASE TAKE NOTICE that a Special Real Property Public Hearing, will be held, on May 18, 2022, at 10:00 A.M. The Public Hearing will be held via Conference Call-In Number: 1-646-992-2010, Access Code: 717 876 299.

Pursuant to Section 1802(6)(j) of the Charter, the Department of Housing Preservation and Development ("HPD") of the City of New York ("City"), has proposed amendments to the terms and conditions of the sale of certain real property (the "Premises") previously conveyed by the City of New York ("City"), located in the Borough of Manhattan and known as:

Block Lot(s) 60, 158

The City conveyed a portion of the Premises to Grand Street Guild Housing Development Fund Company, Inc. ("GSG") by deed, dated July 6, 1971 (the "GSG Deed") and a portion of the Premises to Grand Street Guild East Housing Development Fund Company, Inc. ("GSGE") by deed, dated July 6, 1971 (the "GSGE Deed", and together with the GSG Deed, the "Deeds"). The Deeds contain a restriction which requires the Premises to comply with the provisions of the Large Scale Residential Development Plan approved by the Board of Estimate on October 29, 1970 (Cal. No. 97) and on April 22, 1971 (Cal. No. 205) (the "LSRD Plan"), and further provides that the terms, conditions and limitations of the LSRD Plan shall be a covenant running with the land. In 2020, the LSRD Plan was modified by updating the previously-approved plans and zoning calculations under application number M 200058(A) ZSM (the "Minor Modification"), to permit the construction of a new building containing up to 235 affordable residential units and a parking structure with 126 spaces (the "Project").

This submission is to request approval to amend the Deeds with respect to the Premises to reflect the Minor Modification. Following amendment of the Deeds, GSG and GSGE will convey to the Premises to Clinton Street Housing Development Fund Corporation (the "Project Owner"). The Project Owner will develop the Project, which will be financed under HPD's Extremely Low and Low-Income Affordability Program, and the Project Owner will execute a regulatory agreement restricting the use of the Premises for a minimum of 30 years.

A public file containing copies of the calendar document and other public documents will be made available to Manhattan Community Board 3, for public review, at the office of Community Board 3, no later than twenty (20) days prior to the public hearing.

WHEREAS, confronting the dangers posed to City residents by the risk of fire requires bold executive action; and

FDNY shall take appropriate enforcement action to ensure compliance with these requirements.
