HHS ACCELERATOR PREQUALIFICATION

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic HHS Accelerator Prequalification Application using the City’s PASSPort system. The PASSPort system is a web-based system maintained by the City of New York for use by its Mayoral Agencies to manage procurement. Important business information collected in the Prequalification Application is required every three years. Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete. Prequalification applications will be reviewed to validate compliance with corporate filings and organizational capacity. Approved organizations will be eligible to compete and would submit electronic proposals through the PASSPort system. The PASSPort Public Portal, which lists all RFPs, including HHS RFPs that require HHS Accelerator Prequalification, may be viewed, at https://passport.cityofnewyork.us/page.aspx/en/rfp/request_browse_public. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding. PPE SERVICE - Negotiated Acquisition - Other - PIN#81623N0008 - Due 11-14-22 at 5:00 A.M.

NYC DOHMH, intends to enter into a Negotiated Acquisition (NA) contract with Nexera Inc., for Personal Protective Equipment (PPE) Service operations for a contract period of 10 months. DOHMH determined that it is in the city's best interest to enter into this NA directly with Nexera Inc. who's contract services are being transferred from NYC Emergency Management (NYCEM), to NYC DOHMH. For continuity of services, DOHMH will streamline the services provided by Nexera Inc., into its own processes while utilizing its current DOHMH vendor to take over some of the Nexera functions (ie storage, procurement, etc).

Vendors who believe they can provide these services are welcome to submit an expression of interest by emailing, swillia9@health.nyc.gov on or before the due date.

It is determined that NYC DOHMH, will procure a Negotiated Acquisition, limited pool of 1 vendor with Nexera Inc., for PPE services and operations. NYC Emergency Management has an existing emergency contract with Nexera Inc., that is set to expire on 12/31/2022, which is being transferred to NYC DOHMH for continuity of PPE services and operations. It is not practicable or advantageous, to the City to procure these services through Competitive Procurements. DOHMH will streamline the services provided by Nexera into its own processes while utilizing the current DOHMH vendor, Concordance Health Solution (CHS), to take over some of the Nexera functions (ie storage, procurement, etc). CHS is the vendor DOHMH uses for all of its current emergency stockpile and is in the process of getting CDC certification (exclusive to certified SNA warehouses). Thus, this is a transitional contract allowing DOHMH to transfer the PPE center into DOHMH's processes.

HIV CRIMINAL JUSTICE STAKEHOLDERS PROJECT - Negotiated Acquisition - Other - PIN#81623N0009 - Due 11-11-22 at 5:00 A.M.

NYC DOHMH, intent to enter into a Negotiated Acquisition contract with the National Center for Civic Innovation (NCCI), for the provision of HIV Criminal Justice Stakeholders Project and HIV Criminalization Project. NCCI, through its partner project program, The Center of HIV Law and Policy (CHLP), will be carrying out the following anticipated services in a continued effort to support NYC 2020 goals to ending the HIV Epidemic Plan: HIV/infectious disease resources and literacy programs for criminal justice stakeholders and HIV criminalization confidentiality and intersection of public health and criminal justice portfolio (HIV Criminalization Project). The duration of this contract will be 1 year and 6 months. Potential vendors who are interested in future procurements as such services, can submit an expression of interest via email, to mnapolitano@health.nyc.gov, no later than 11/11/22, at 12:00 A.M.

The Agency has determined that it is in the best interest of the City, to utilize a Negotiated Acquisition method of source selection, as there are no other organizations or entities that have CHLP's depth and breadth of experience in HIV criminalization or have conducted seminars on this topic for prosecutors, defense attorneys and public health agencies. CHLP's long-term relationships with national and local criminal justice stakeholders are an essential element of the trust that is essential for these seminars to be productive. These unique relationships and array of services makes NCCI through its partner project program with CHLP, the only viable vendor.

Statement of Basis and Purpose of Proposed Rule

The Office of Citywide Events Coordination and Management (CECM), Street Activity Permit Office (SAPO) administers New York City's permit system for street activities, block parties and fairs.

Each year SAPO issues permits to over 200 street fairs and over 5,000 other events, most of which include the use of multiple blocks over several days, the erection of structures, the vending of food, apparel and other goods and the use of amplified sound and the performance of music. Events like these require additional police officers which increases overtime costs to the City. These events also divert police

officers from core crime fighting, public safety and counter terrorism duties.

To more effectively deploy police resources and control overtime costs, the New York City Police Department has recommended that SAPO exercise its discretion to deny permit applications for new events in calendar year 2023. The proposed rules will authorize SAPO to deny permit applications for street fairs if the street fair was not held in the calendar year 2022. Events that received permits in calendar year 2022 may be eligible to receive permits again in calendar year 2023.

CECM authority for these rules is found in section 1043 of the New York City Charter and Executive Order Nos. 100 and 105 of 2007.

New material is underlined.

§ 2. Subdivision (d) of Section 1-05 of Chapter 1 of Title 50 of the Rules of the City of New York is amended to read as follows:

- (d) For the calendar year [2022]2023, the Director shall deny applications for street activity permits for street fairs not held in the calendar year [2019]2022.
