Statement of Basis and Purpose of Proposed Rules

The Campaign Finance Board (the "CFB" or "Board") is a nonpartisan, independent City agency that empowers New Yorkers to make a greater impact in elections. The CFB administers the City's campaign finance system, overseeing and enforcing the regulations related to campaign finance and holding candidates accountable for using public funds responsibly. The CFB publishes detailed public information about money raised and spent in City elections by candidates and independent spenders, and engages and educates voters through community outreach, the voter guide, and the debate program.

The CFB is proposing amendments to several of its rules regarding disclosure, transition and inauguration entities, and the voter guide. The changes are largely administrative and are intended to streamline the candidate experience and to ensure that the rules comport with amendments to local laws. The following is a summary of the changes. "Shall" and "must" denote mandatory requirements and may be used

interchangeably in the rules of this agency, unless otherwise specified or unless the context clearly indicates otherwise.

Summary of Proposed Rules

Disclosure

Section 4-05(b)(ii)(B) is amended to provide that, at the Board's discretion, disclosure statements may be required to be filed on October 15 in the year prior to the year of a primary or general election. This change is to provide campaigns with an additional opportunity to demonstrate eligibility for the first public funds payment in December of that year.

Section 4-05(c)(ii)(C) is amended to clarify that contributions not itemized in disclosure statements are not matchable, even if they would otherwise be subject to the disclosure exemption applicable to contributions totaling \$99 or less from a single source. This amendment is to conform with section 3-703(6)(b)(ii) of the New York City Administrative Code (the "Code").

Section 4-06 is amended to require daily disclosure of contributions aggregating \$1,000 or more and expenditures aggregating \$20,000 or more during the 14 days preceding the election. Previously, the threshold was contributions in excess of \$1,000 and expenditures in excess of \$20,000. This change is made in recognition of the reduced contribution limits pursuant to section 3-703(1)(f) of the Code as amended by Local Law 128 of 2019.

Section 4-07 is amended to clarify that, even after a final statement has been filed, any subsequent financial activity must be reported to the Board in the next semi-annual disclosure statement. Candidates who file a final statement are relieved of the obligation to file semi-annual statements if they have not raised or spent funds during the reporting period, but any subsequent activity (for example, fundraising to pay penalties or costs associated with the post-election audit) must be disclosed to the public and to the Board.

Sections 14-03 and 15-06 are amended to modify the disclosure deadlines applicable to independent spenders in primary, general, and special elections. Independent spenders will now be required to file disclosure statements on a weekly basis during the election year (for primary and general elections) or beginning when the vacancy is declared (for special elections). Disclosure statements are not required if the independent spender had no reportable activity during the reporting period.

Transition and Inauguration Entities ("TIEs")

The definition of "transition expenses" in section 1-02 is amended to clarify that re-elected incumbents are permitted to use a TIE to make expenditures in furtherance of their selection as Speaker of the City Council, and to remove the reference to the deadline for incurring transition expenses, which is addressed in section 13-03(b)(iii).

Sections 13-03(b)(iii) and 15-07(a) are amended to clarify the time frame for making transition and inauguration expenditures in general and special elections, respectively. The amendments reflect the Board's existing policy that, notwithstanding the deadlines for incurring transition and inauguration expenses, a TIE may make expenditures after those deadlines for the purpose of paying liabilities incurred prior to those deadlines, fundraising to pay such liabilities, or routine and nominal expenditures associated with and necessary for satisfying such liabilities, terminating the entity, and responding to a CFB audit.

Section 13-03(c)(ii) is amended to clarify that, if a TIE pays its leftover funds to the New York City Election Campaign Finance Fund (the "Fund") in lieu of refunding such funds to its donors, it is characterized as a payment rather than a refund. This is an administrative clarification to reflect the fact that TIEs do not receive public funds.

Voter Education and Engagement

Section 7-06 is amended to provide, pursuant to section 3-705(4) of the Code as amended by Local Law 48 of 2022, that the Board will withhold five percent of a candidate's public funds payments until the final pre-election disclosure statement, and that the five percent withholding will not be paid to any candidate who fails to participate in the video voter guide by providing to the CFB any submissions required for a video statement to be created and published. The requirements for candidate video statements are detailed in Chapter 16 of these rules. Previously, section 3-705(4) of the Code provided for the Board to withhold "up to" 5% of payments, but, as amended by Local Law 48 of 2022, the provision now directs the Board to withhold exactly 5%.

The definitions of "candidate print statement," "candidate video statement," and "election" in section 16-01 are amended to reflect the fact that the CFB issues voter guides for all contested covered elections.

Section 16-02(b)(ii)(A) is amended to provide that candidate video statements must contain the same categories of biographical information regarding the candidate as print statements, and may also include a concise audio description of the candidate. This change is made to conform with sections 1053(a)(3) and 1053(e)(2) of the New

York City Charter (the "Charter"), as amended by Local Law 48 of 2022.

Section 16-02(b)(ii)(F) is amended to provide that an American Sign Language translation, and captions in English and other languages required by law, will be provided for each candidate video statement. This change is made to conform with section 1053(e)(3) of the Charter, as amended by Local Law 48 of 2022.

Section 16-02(b)(ii)(G) is amended to provide that whether a candidate video statement satisfies the requirements of these rules is determined by the Board at its sole discretion. This change is made to conform with section 16-02(b)(i)(E) regarding candidate print statements.

A new section 16-02(b)(ii)(I) is added to provide that candidate video statements included in the voter guide will be made accessible to individuals with vision disabilities. This section is added to conform with section 1053(e)(4) of the Charter, as added by Local Law 48 of 2022.

Section 16-03(b) is amended to provide that the online voter guide will be published in all languages required by law. This change is made to conform with section 1053(d) of the Charter, as amended by Local Law 48 of 2022.

Miscellaneous

Minor technical amendments are made to sections 2-03(a), 4-05(c)(ii)(C), 5-05(j) 6-02(a)(ii)(D), 6-06(e), 7-04(a), 7-07(b), 15-02(d)(viii), and 15-03(e)(i).

Text of Proposed Rules

New material is underlined.

[Deleted material is in brackets.]

§1. The definition of "transition expenses" in section 1-02 of chapter 1 of title 52 of the rules of the city of New York is amended to read as follows:

"Transition expenses" means expenses relating to an elected candidate's transition into office for goods and services received, used, or rendered before the elected candidate's date of inauguration. Transition expenses shall be limited to those incurred solely for the purpose of preparing to take office, such as those listed in section 13-03(b)(i), and may not be incurred after January 31 in the year after the year of the election, or, in the case of a special election, 30 days after inauguration]. Incumbent elected candidates shall not incur transition expenses, except for expenditures made for the purpose of furthering the elected candidate's selection as Speaker of the City Council.

§2. Subdivision (a) of section 2-03 of chapter 2 of title 52 of the rules of the city of New York is amended to read as follows:

(a) The candidate must notify the Board of any material change in the information required to be listed on the candidate's Filer Registration or Certification, including any new information or any change to any required information, concerning any political committee, bank account, merchant or payment processor account, candidate or treasurer employment, address, telephone number, or email address, in such manner as may be provided by the Board, if such change occurs prior to the covered election or within a period of five years from the filing of a final statement showing satisfaction of all liabilities and disposition of all assets arising from the covered election, including payment of any penalties or repayment of public funds owed to the Board. Such notification must be submitted no later than the next deadline for filing a disclosure statement, or, in the case of changes that occur after the deadline for the [last] final disclosure statement required to be filed, no later than 30 days after the date of the change.

§3. Subparagraph (B) of paragraph (ii) of subdivision (b) of section 4-05 of chapter 4 of title 52 of the rules of the city of New York is amended to read as follows:

(B) Pre-election disclosure statements are due: (i) 32 and 11 days before the election; and (ii) at the Board's discretion, on October 15 in the year before the year of the election; and (iii) at the Board's discretion, on March 15 and the fourth Friday in August in the year of the election.

§4. Subparagraph (C) of paragraph (ii) of subdivision (c) of section 4-05 of chapter 4 of title 52 of the rules of the city of New York is amended to read as follows:

(C) Contributions totaling \$99 or less from a single source. Contributions totaling \$99 or less from a single source need not be separately itemized in a disclosure statement, unless such contributor is an employee of the candidate or of the spouse, or domestic partner of such candidate or of [a business] an entity in which such candidate, spouse, or domestic partner has an ownership interest of 10% or more or in which such candidate, spouse or domestic partner holds a management position, such as the position of officer, director, or trustee; provided, however, that contributions that are not itemized shall not be matchable.

§5. Section 4-06 of chapter 4 of title 52 of the rules of the city of New York is amended to read as follows:

§4-06. Daily disclosures during the two weeks preceding the election. If a candidate, during the 14 days preceding an election, accepts aggregate contributions and/or loans from a single source [in excess] of \$1,000 or more or makes aggregate expenditures to a single [vendor] payee [in excess] of \$20,000 or more, the candidate must report, in a disclosure to the Board, all contributions and loans accepted from such source or expenditures made to such [vendor] payee during that 14-day period. The first such disclosure must be received by the Board within 24 hours after the contribution or loan that causes the total to [exceed] reach \$1,000 is accepted or the expenditure that causes the total to [exceed] reach \$20,000 is made. Each subsequent disclosure must be received by the Board within 24 hours after any additional contribution or loan is accepted or expenditure is made. Information reported in these disclosures must also be included in the candidate's next post-election disclosure statement.

§6. Subdivision (a) of section 4-07 of chapter 4 of title 52 of the rules of the city of New York is amended to read as follows:

(a) A candidate must file all disclosure statements required under section 4-05(b) until such time as the candidate files a final statement demonstrating the disposition of all committee assets and satisfaction of all committee liabilities, including the payment of any penalties or repayment of public funds owed to the Board; provided, however, that any financial activity occurring after the final statement has been filed must be reported in the next semi-annual disclosure statement.

§7. Subdivision (j) of section 5-05 of chapter 5 of title 52 of the rules of the city of New York is amended to read as follows:

(j) Contributions with unreported occupation, employer, and business address. Contributions for which the candidate has not reported the contributor's occupation, employer, and business address, where such contributions: (i) total more than \$99; or (ii) total \$99 or less, and the contributor is an employee of the candidate, of the spouse or domestic partner of such candidate, or of [a business] an entity in which such candidate, spouse, or domestic partner has an ownership interest of 10% or more or in which such candidate, spouse, or domestic partner holds a management position, such as the position of officer, director, or trustee.

§8. Subparagraph (D) of paragraph (ii) of subdivision (a) of section 6-02 of chapter 6 of title 52 of the rules of the city of New York is amended to read as follows:

(D) payments to the candidate or a spouse, domestic partner, child, grandchild, parent, grandparent, [brother, or sister] or sibling of the candidate or spouse or domestic partner of such child, grandchild, parent, grandparent, [brother, or sister] or sibling, or to [a business] an entity in which the candidate or any such person has a 10% or greater ownership interest;

§9. Subdivision (e) of section 6-06 of chapter 6 of title 52 of the rules of the city of New York is amended to read as follows:

(e) Where identification would be [impractical] impracticable. This requirement may be modified by the Board concerning items upon which identification would be [impractical] impracticable.

STATEMENT OF BASIS AND PURPOSE OF PROPOSED RULES

The mission of the Mayor’s Office of Media and Entertainment (“MOME”) is to support and strengthen New York City’s creative economy and make it accessible to all. MOME comprises five divisions: the Film Office, which coordinates film and television production throughout the five boroughs; NYC Media, the largest municipal television and radio broadcasting entity in the country with a reach of 18 million viewers within a 50-mile radius; the Creative Industries division, which supports industry and workforce development in film, television, theater, music, publishing, advertising, and digital content; the Office of Nightlife, supporting the sustainable development of New York City’s nightlife industry; and the Press Credentials Office, which issues access credentials to news media. Overall, MOME programs support the employment of nearly half a million workers in an industry that generates over \$104B in economic activity annually.

The “Made in NY” logo is a federally registered trademark. The City created the “Made in NY” branding initiative as part of the goal to support and grow the media and entertainment industries, and the initiative includes the logo and credit attribution. In 2013, MOME formally established the “Made in NY” Marketing Credit Program for film and television (the “Film and Television Marketing Credit Program”) by rule. The Film and Television Marketing Credit Program offers to “Made in NY” film and television productions opportunities to promote their project in New York City, the top media market in the country. The “Made in NY” logo has also become a mark of distinction in the film and television industry, as well as among New Yorkers.

The global digital gaming industry is projected to record revenues of \$180 billion in global sales, making the digital gaming industry larger than the global film and North American sports industries combined, with New York State ranking fifth in total in-state game industry-related economic output across the country. New York City is among the top ten cities in terms of industry presence and number of digital game developers and publishers. According to MOME’s New York City Digital Game Industry 2021 Economic Impact Study, the digital game industry provides 7,600 jobs in New York City, \$762 million in wages, and \$2 billion in total economic output (business revenues and self-employment receipts).

Given the tremendous potential for the development of this creative industry in New York City, MOME seeks to offer incentives for the production of new digital games in New York City. To that end, this proposed rule would establish a Made in NY Marketing Credit Program for Digital Gaming Media Production. Like the Film and Television Marketing Credit Program, the proposed rule would provide digital game companies with opportunities to promote their projects in New York City, the top media market in the country.

Specifically, the proposed rule would be set forth in a new chapter and would:

- Establish the Made in NY Marketing Credit Program for Digital Gaming Media Production.
• Outline the application process.
• Provide standards for assessing applications.
• Require that recipients provide a cultural benefit in the form of a monetary contribution to a non-profit entity that is on a list established by the New York City Department of Cultural Affairs or has been identified through the New York City Council Participatory Budget process.
• Set forth reporting and record keeping requirements.

Proposed Rule

“Shall” and “must” denote mandatory requirements and may be used interchangeably unless otherwise specified or unless the context clearly indicates otherwise.

New material is underlined.

§ 19-03 Application process.

(a) The Program application form and directions for applying are available on MOME’s website.

(b) In accordance with MOME’s application instructions, an applicant must submit a completed application form after its qualified digital gaming media production was completed and no more than 24 months after completion and at least sixty days prior to the first release date. The applicant must include information about the first date that the qualified digital gaming media production is set to be released either in stores, on digital platforms or through any and all other media.

(c) The application form is not deemed complete until all questions have been fully addressed by the applicant and any additional supporting documents requested by MOME have been provided in a manner sufficient to allow MOME to properly evaluate the application.

(d) Applications that are complete will be reviewed by MOME in the order they are received. If MOME receives more than one application on the same date, priority will be given to the applicant having the earliest anticipated date of first release of the qualified digital gaming media production.

(e) MOME will approve or disapprove the application based upon criteria set forth in §19-04(a) of these rules.

(f) No later than twenty business days from receipt of the application, MOME will inform the applicant in writing if its request has been approved or denied. If approved, the notification will include a certificate of marketing credit. MOME will not provide the allocated marketing credits unless and until the certificate is signed and returned by the applicant within five business days.

§ 19-04 Evaluation of applications.

(a) In order to be approved for marketing credit, each of the following requirements must be satisfied:

- (1) the application is complete;
- (2) MOME has determined that the applicant’s project is a qualified digital gaming media production;
- (3) the application was received by MOME no more than twenty-four months after the qualified digital gaming media production was completed and at least sixty days prior to the first release date;
- (4) the applicant has identified a listed cultural institution or community organization as the recipient of its Community Benefit;
- (5) the applicant agrees to comply with Program requirements, including the in-credit requirement; and
- (6) the digital gaming media production entity has not been awarded Program marketing credits within the 365 days preceding submission of its application.

(b) If all of the requirements set forth in this section are not met, or if MOME concludes that the applicant has knowingly submitted false or misleading information, MOME will disapprove the application.

§19-05 Allocation of “Made in NY” marketing credit for digital gaming media.

(a) When an application has been approved, MOME will issue the certificate of marketing credit to the approved applicant.

(b) MOME will allocate the credit based on a project’s qualified digital gaming media production costs, tiers to be established by the Commissioner and posted on MOME’s website, and MOME’s availability of media assets.

(c) If the approved applicant is unable to use the media assets for the dates specified in the certificate after the credit has been allocated or does not sign and return the certificate of marketing credit within five business days of MOME’s issuance, such approved applicant will lose its “first come, first served” status and will be accommodated subject to availability without guarantee of reallocation.

§19-06 In-credit requirement; logo; printing costs.

(a) In-credit requirement. Each recipient of a marketing credit must include the “Made in NY” logo in a qualified digital gaming media production in a location readily accessible and easily readable by the end user or in another manner acceptable to the Commissioner. The

phrase "The "Made in NY" logo is a trademark of the City of New York and is used with the City's permission" must appear along with the "Made in NY" logo unless waived by the Commissioner.

(b) the "Made in NY" logo in all artwork provided for bus shelters, subway cars, and other media assets provided pursuant to this Program.

(c) An approved applicant must pay for the costs, if any, of printing materials for distribution through the media assets assigned under the Program if (1) the qualified digital gaming media production costs are \$10 million or more; or (2) more than five percent of the beneficial ownership of the qualified digital media production entity is owned directly or indirectly by a publicly traded entity; or (3) the qualified digital media production entity has more than \$35 million in annual revenue.

§19-07 Appeal process.

(a) If an applicant's application is disapproved by MOME, or if an approved applicant disagrees with the amount of the media assets granted by MOME, such person may appeal such determination.

(b) In the case of an appeal from a disapproval of an application, an applicant can request an appeal by sending a letter to the Mayor's Office of Media and Entertainment, Attn: Commissioner, to the address and by the means specified in the application form, within thirty days from the date of the denial letter issued by MOME.

(c) In the case of an appeal from a determination of the amount of media assets, an approved applicant can request an appeal by sending a letter to the Commissioner, as provided in subdivision (b), within thirty days from the date of issuance of the certificate of marketing credit.

(d) If an applicant fails to request an appeal within thirty days of MOME's denial decision and/or allocated amount of media assets, such decision will be deemed final.

(e) Upon receipt of a timely letter of appeal, the Commissioner will appoint an appeal officer within MOME to review the matter. The appeal officer may reverse, affirm or modify the original determination and provide a written explanation of their finding in a report to the Commissioner. The Commissioner or their designee must issue a final order in writing within sixty days of the report. A copy of the final order will be issued to the appellant within ten days after the date the Commissioner or their designee renders the final order.

§19-08 Final report.

As part of the Community Benefit component of the Program, within thirty days after the completion of a marketing credit recipient's media campaign, such recipient must submit to MOME by U.S. mail or email proof of payment to a listed cultural institution or community organization, in the form of a cancelled check or letter of acknowledgment. A recipient that has not satisfied this component of the Program will be required to make a payment to MOME in an amount equivalent to 100% of the value of the media assets received, as determined by MOME.

§19-09 Record retention.

Each marketing credit recipient must maintain records, in paper or electronic form, of any qualified digital gaming media production's costs used to calculate the media assets received through this Program for a minimum of three years from the date of filing of the tax return applicable to the time period for which such recipient claims the marketing credit. MOME has the right to request such records upon reasonable notice.

ENVIRONMENTAL PROTECTION

■ NOTICE

PUBLIC NOTICE
Federal Emergency Management Agency
In accordance with 44 CFR §9.8 for Executive Orders 11988 & 11990 Proposed Stormwater Resiliency Measures East Harlem, New York County, New York

NOTIFICATION IS HEREBY GIVEN to the public of the intent of the Department of Homeland Security-Federal Emergency Management Agency (DHS-FEMA), to provide Federal funding to the New York City Department of Environmental Protection (NYCDEP) as Subrecipient for financial assistance to install flood control measures, including nature-based detention and retention basins, at eight locations within the Clinton Houses public housing development in the Manhattan neighborhood of East Harlem. Funds are being requested through the Building Resilient Infrastructure and Communities (BRIC) grant program. The purpose of the BRIC grant program is to proactively invest in hazard mitigation projects, reducing the risks that communities face from disasters and natural hazards. This notification is given in accordance with Executive Order (EO) 11988 (Floodplain Management), EO 11990 (Protection of Wetlands), the Federal Coastal Zone Management Act, and 44 CFR Part 9, regulations for implementing EO 11988 and EO 11990.

The proposed project entails the installation of eight sites with green infrastructure interventions at the Clinton Houses development. These interventions will include infiltration-based stormwater system units placed under and above existing open spaces such as basketball courts, parking lots, and other locations. A conveyance system comprising of inlets, perforated pipes, spreader tanks and small bioretention nature-based channels will be utilized to route the rainfall runoff from the Clinton Houses development and surrounding streets into the eight sites. Several sites may also include "water squares," which will allow for water to be stored above ground (up to one foot) in the proposed locations. These sites will be integrated into the community as multi-functional open spaces able to store excessive rainfall runoff while incorporating green infrastructure and nature-based designs.

This action would take place within the 100-year floodplain per the current preliminary flood insurance rate map, which means that the action has the potential to affect, or be affected by, the floodplain. Alternatives considered include: 1) taking no action and 2) the proposed alternative to install the green infrastructure at the Clinton Houses development. FEMA, has determined that the proposed alternative is the most practicable to combat the increasing threat of stormwater flooding that is known to impact this community. FEMA has also determined that investment of funds to reduce flood risk is in the public interest. Potential impacts to water quality or aquatic habitat are anticipated to be negligible during construction and minimized through best management practices and conservation measures incorporated from resource agency recommendations and required regulatory permits.

Comments about this project, potential alternatives, and floodplain impacts may be submitted in writing within 15 days of the date of this publication to: FEMA Region 2, Attn: Environmental Planning and Historic Preservation, 26 Federal Plaza, New York, NY 10278, or via email, to FEMAR2COMMENT@fema.dhs.gov. If substantive comments are received, FEMA will evaluate and address the comments as part of the environmental documentation for this project.
