The provisions set forth in paragraph (a) of this Section shall apply to all #buildings or other structures#. Such provisions are modified for certain subareas as set forth in paragraphs (b) through (h) of this Section.

(a) For all #buildings#

(1) #Street wall# location provisions

On #wide streets#, and on #narrow streets# within 50 feet of their intersection with a #wide street#, the #street wall# shall be located on the #street line# and extend along such entire #street# frontage of the #zoning lot# up to at least the minimum base height specified in the table in this Section. For #developments# that occupy the entire #block# frontage of a #street# and provide a continuous sidewalk widening along such #street line#, the boundary of the sidewalk widening shall be considered to be the #street line# for the purposes of this Section.

The #street wall# location provisions of this Section shall not apply along that portion of any #street# frontage:

(c) Subareas C, F and G

In Subareas C, F and G, for #zoning lots# with #wide# and #narrow street# frontage, no #street wall# is required beyond 50 feet of a #wide street#. PROCUREMENT

"Compete To Win" More Contracts!

Thanks to a new City initiative - "Compete To Win" - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and Women-Owned Businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

• Win More Contracts, at nyc.gov/competetowin

"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed, to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR PREQUALIFICATION

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic HHS Accelerator Prequalification Application using the City's PASSPort system. The PASSPort system is a web-based system maintained by the City of New York for use by its Mayoral Agencies to manage procurement. Important business information collected in the Prequalification Application is required every three years. Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete. Prequalification applications will be reviewed to validate compliance with corporate filings and organizational capacity. Approved organizations will be eligible to compete and would submit electronic proposals through the PASSPort system. The PASSPort Public Portal, which lists all RFPs, including HHS RFPs that require HHS Accelerator Prequalification, may be viewed at https://passport.eityofnewyork.us/page.aspx/en/rfp/request_browse_public. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding. For additional information about HHS Accelerator Prequalification and PASSPort, including background materials, user guides and video tutorials, please visit https://www1.nyc.gov/site/mocs/systems/about-go-to-passport.page.

Software upgrade for the existing security system.

Because OATH has an existing maintenance contract with SecureWatch24 LLC, for its Genetec Security System, it is neither practical nor advantageous to seek the software upgrade via a competitive sealed bid, or competitive sealed proposal. The upgrade services naturally fall within the duties of the maintenance contract vendor. The advantages of negotiating with SecureWatch24 LLC, clearly outweigh the disadvantages of a lack of competition.

For electronic Proposal submissions, please note the following procedures: Proposal submissions can be sent via electronic mail ("The Proposal Submission Email") to DCPSubmissions@schools.nyc. gov (the "Proposal Submission Email Address"). Proposal Submissions sent to any other email address will be disregarded. The subject line of your Proposal Submission Email must include the solicitation number and the name of the submitting vendor (e.g. R1409 – Enter Company Name). Please attach the completed Request for Proposal and the Appendix F - Pricing Form documents to the Proposal Submission Email as separate files. Please name the Appendix F - Pricing Form attachment "Appendix F - Pricing Form" and the completed Request for Proposal attachment "RFP."

If the files accompanying your proposal submission are too large to be transmitted as email attachments, please include in the first line of your Proposal Submission Email a link to a Microsoft OneDrive folder containing all of your Proposal-related documents. Please note that if you are using OneDrive, do not attach any documents to the Proposal Submission Email. Further, please include a separate folder within your OneDrive folder which includes the separate Appendix F - Pricing Form file. Please name this folder and the Appendix F - Pricing Form file "Appendix F - Pricing Form." The name of your OneDrive folder must match the subject line of your Proposal submission, and your OneDrive folder must not contain any files unrelated to the Proposal Submission.

Guidance for first-time Microsoft One-Drive Users: Microsoft OneDrive ("OneDrive") is a file hosting and synchronization service operated by Microsoft as part of its web version of Microsoft Office. OneDrive allows users to grant access to files which are too large to transmit via electronic mail to other users. If you do not have Office 365, please take the following steps to gain access to a free version of OneDrive so that you can upload those proposal submission documents which are too large to transmit via electronic mail: 1. Conduct an internet search for "Microsoft OneDrive;" 2. Navigate to the official Microsoft website and sign up for a free account; 3. Once you have created a folder for the solicitation whose name matches the subject line of your Proposal Submission Email, upload the documents relevant to your proposal submission in this folder. 4. Create a share link for this folder; 5. Be sure to check your share settings so that anyone receiving the link that you create will be able to open the link and access the files. If your share link permissions are restricted (e.g. to only your organization in Office 365), the DOE will not be able to view your solicitation documents. It is your responsibility to ensure that the link(s) you provide allows the DOE to view, download and/or open your documents; and 6. Include the link which you have created as the first line of your proposal Submission Email.

For hard copy (paper) Proposal submissions, please follow the below instructions: Further to prior instructions regarding submissions of Proposals. In addition to electronic submission via email, the proposer may choose to hand deliver their Proposal packages to NYC DOE at any time prior to the Proposal Due Date/Time. If you plan to submit a paper Proposal. You must provide notice by emailing

DCPSubmissions@schools.nyc.gov, including "Paper Submission Request for Solicitation # R1409" in the subject line, at least three (3) business days in advance of the anticipated date and time and place you or your agent plan to arrive at 65 Court Street, Brooklyn, NY 11201, Rm 1201 to drop off your Proposal. Proposers should include in their notification e-mail the name of the person who will be delivering the Proposal or advise that the Proposal Package will be arriving by messenger. Proposers who fail to provide advance notification of intent to hand-deliver a proposal risk not having anyone to receive the Proposal Package. Fed Ex, UPS, USPS or other common deliveries services will not be accepted.

The proposal opening will be held on Friday, February 17, 2023. (This is an internal opening only, no public allowed).

Please continue to check the DOE website and/or Vendor Portal for updates. https://infohub.nyced.org/vendors https://www.finance360.org/vendor/vendorportal/
