GENERAL CONSTRUCTION JOB ORDER CONTRACT FOR REGION 4, BROOKLYN - Renewal - PIN# 82621B0022001R001 - AMT: \$3,000,000.00 - TO: NYCMC Corp., 98-18 Astoria Boulevard, Suite 1, East Elmhurst, NY 11369.

The uninterrupted continuation of this contract is needed to keep providing general construction Job Order contract region 4, Brooklyn. The work under this contract is for General Construction Work under a series of small to medium size construction projects, at various Bureau of Water & Sewer Operations (BWSO) facilities in Region 4 (Brooklyn Pollution Control Plant areas). In addition to large capital construction projects, BWSO has an ongoing need to accomplish smaller, straight forward construction projects, at its facilities. Without Job Order Contracts, for each such project, the BWSO must prepare complete contract documents and execute the required steps through the competitive bid process. Procuring the construction through this traditional design-bid-build process takes considerable time. Many of the projects are essential to maintain the operation of BWSO facilities. The considerable time it takes to get contracts in place can jeopardize the continuation of service and, in some cases, permit the problem to worsen and result in additional costs. This Job Order Contract allows BWSO to accomplish the much-needed projects in a fraction of the time while paying competitive prices for the work.
