### Lincoln-Wortman Rezoning (230024 ZMK, 230025 ZRK, 230026 PQK, 230027 PPK)

Applications by JNB Realty LLC and the NYC Department of Housing Preservation and Development (HPD), pursuant to Sections 197-c and 201 of the New York City Charter affecting 10 privately owned lots fronting Autumn, Lincoln, and Wortman Avenues in East New York. The co-applicants are seeking:

- A zoning map amendment to change the development site from R4 to R6A and R6B districts
- A zoning map amendment to designate the development site a Mandatory Inclusionary Housing (MIH) Area
- Acquisition and disposition of four formerly City-Owned lots in the project area by HPD

The requested actions would facilitate two five- and seven-story residential buildings, with a total of 206 affordable apartments on a 50,000-square foot parcel in Brooklyn Community District 16 (CD 16). The units would be geared toward households earning, on average, 30% to 70% of Area Median Income (AMI). Approximately 63 units would be permanently affordable, pursuant to MIH Option 1. The development would provide 55 ground-floor and cellar-level accessory parking spaces. As part of the project, Wortman Avenue will be developed with a new street and sidewalk to allow vehicular and pedestrian traffic.

# **PURCHASE OF A TEST BENCH FOR DEP'S METER FACILITIES** - Sole Source - Available only from a single source - PIN# 82623Y0312 - Due 3-7-23 at 4:00 P.M.

DEP, intends to enter into a sole source agreement with MARS Company, for the Purchase of a Test Bench for DEP Meter Facilities, in the amount of \$165,719.00. The DEP Meter Testing Facility contains three benches used to test the accuracy and efficiency of water meters for our entire system. Each bench is designed to test a specific sized meter ranging from Small (5/8" -1") – Medium (1 ½"-2") - Large (3" – 12"). The meters are tested when we receive billing complaints from customers that have a discrepancy with their water bill. We also respond and provide test results when local elected officials make an inquiry on accuracy charges for their constituents. The bench assists in letting DEP know when meters should be removed from the system by using data of meters tested each day vs. the meter age and type in our system. We are able to determine failure rate of meters and can gauge meter removal needs based on our findings. This bench can only be obtained from MARS Company since they are the only manufacturer who produces computer driven high-speed water meter test equipment

and turnkey installation packages in the United States. Any firm which believes it can also provide the required service IN THE FUTURE is invited to so, indicated by letter.

### AGENCY RULES

#### CAMPAIGN FINANCE BOARD

■ NOTICE

#### **Notice of Final Rules**

IN COMPLIANCE WITH SECTION 1043 OF THE NEW YORK CITY CHARTER, and exercising authority vested in the Campaign Finance Board (the ("CFB" or "Board") under Chapters 45 and 46 of the New York City Charter (including Sections 1043, 1052(a)(8) and 1052(a)(12) thereof) and under the New York City Campaign Finance Act (including Section 3-708(8) of the New York City Administrative Code), the Board hereby adopts amendments to the Campaign Finance Board Rules (the "Board rules") regarding disclosure, transition and inauguration entities, and the voter guide.

These amendments are being made to streamline the candidate experience and to ensure that the rules comport with amendments to local laws.

#### I. Explanation, Basis, and Purpose

The Campaign Finance Board (the "CFB" or "Board") is a nonpartisan, independent City agency that empowers New Yorkers to make a greater impact in elections. The CFB administers the City's campaign finance system, overseeing and enforcing the regulations related to campaign finance and holding candidates accountable for using public funds responsibly. The CFB publishes detailed public information about money raised and spent in City elections by candidates and independent spenders, and engages and educates voters through community outreach, the voter guide, and the debate program.

The CFB is proposing amendments to several of its rules regarding disclosure, transition and inauguration entities, and the voter guide. The changes are largely administrative and are intended to streamline the candidate experience and to ensure that the rules comport with amendments to local laws. The following is a summary of the changes. "Shall" and "must" denote mandatory requirements and may be used interchangeably in the rules of this agency, unless otherwise specified or unless the context clearly indicates otherwise.

#### **Summary of Final Rules**

#### **Disclosure**

Section 4-05(b)(ii)(B) is amended to provide that, at the Board's discretion, disclosure statements may be required to be filed on October 15 in the year prior to the year of a primary or general election. This change is to provide campaigns with an additional opportunity to demonstrate eligibility for the first public funds payment in December of that year.

Section 4-05(c)(ii)(C) is amended to clarify that contributions not itemized in disclosure statements are not matchable, even if they would otherwise be subject to the disclosure exemption applicable to contributions totaling \$99 or less from a single source. This amendment is to conform with section 3-703(6)(b)(ii) of the New York City Administrative Code (the "Code").

Section 4-06 is amended to require daily disclosure of contributions aggregating \$1,000 or more and expenditures aggregating \$20,000 or more during the 14 days preceding the election. Previously, the

threshold was contributions in excess of \$1,000 and expenditures in excess of \$20,000. This change is made in recognition of the reduced contribution limits pursuant to section 3-703(1)(f) of the Code as amended by Local Law 128 of 2019.

Section 4-07 is amended to clarify that, even after a final statement has been filed, any subsequent financial activity must be reported to the Board in the next semi-annual disclosure statement. Candidates who file a final statement are relieved of the obligation to file semi-annual statements if they have not raised or spent funds during the reporting period, but any subsequent activity (for example, fundraising to pay penalties or costs associated with the post-election audit) must be disclosed to the public and to the Board.

Sections 14-03 and 15-06 are amended to modify the disclosure deadlines applicable to independent spenders in primary, general, and special elections. Independent spenders will now be required to file disclosure statements on a weekly basis during the election year (for primary and general elections) or beginning when the vacancy is declared (for special elections). Disclosure statements are not required if the independent spender had no reportable activity during the reporting period.

#### Transition and Inauguration Entities ("TIEs")

The definition of "transition expenses" in section 1-02 is amended to clarify that re-elected incumbents are permitted to use a TIE to make expenditures in furtherance of their selection as Speaker of the City Council, and to remove the reference to the deadline for incurring transition expenses, which is addressed in section 13-03(b)(iii).

Sections 13-03(b)(iii) and 15-07(a) are amended to clarify the time frame for making transition and inauguration expenditures in general and special elections, respectively. The amendments reflect the Board's existing policy that, notwithstanding the deadlines for incurring transition and inauguration expenses, a TIE may make expenditures after those deadlines for the purpose of paying liabilities incurred prior to those deadlines, fundraising to pay such liabilities, or routine and nominal expenditures associated with and necessary for satisfying such liabilities, terminating the entity, and responding to a CFB audit.

Section 13-03(c)(ii) is amended to clarify that, if a TIE pays its leftover funds to the New York City Election Campaign Finance Fund (the "Fund") in lieu of refunding such funds to its donors, it is characterized as a payment rather than a refund. This is an administrative clarification to reflect the fact that TIEs do not receive public funds.

#### **Voter Education and Engagement**

Section 7-06 is amended to provide, pursuant to section 3-705(4) of the Code as amended by Local Law 48 of 2022, that the Board will withhold five percent of a candidate's public funds payments until the final pre-election disclosure statement, and that the five percent withholding will not be paid to any candidate who fails to participate in the video voter guide by providing to the CFB any submissions required for a video statement to be created and published. The requirements for candidate video statements are detailed in Chapter 16 of these rules. Previously, section 3-705(4) of the Code provided for the Board to withhold "up to" 5% of payments, but, as amended by Local Law 48 of 2022, the provision now directs the Board to withhold exactly 5%.

The definitions of "candidate print statement," "candidate video statement," and "election" in section 16-01 are amended to reflect the fact that the CFB issues voter guides for all contested covered elections.

Section 16-02(b)(ii)(A) is amended to provide that candidate video statements must contain the same categories of biographical information regarding the candidate as print statements, and may also include a concise audio description of the candidate. This change is made to conform with sections 1053(a)(3) and 1053(e)(2) of the New York City Charter (the "Charter"), as amended by Local Law 48 of 2022.

Section 16-02(b)(ii)(F) is amended to provide that an American Sign Language translation, and captions in English and other languages required by law, will be provided for each candidate video statement. This change is made to conform with section 1053(e)(3) of the Charter, as amended by Local Law 48 of 2022.

Section 16-02(b)(ii)(G) is amended to provide that whether a candidate video statement satisfies the requirements of these rules is determined by the Board at its sole discretion. This change is made to conform with section 16-02(b)(i)(E) regarding candidate print statements.

A new section 16-02(b)(ii)(I) is added to provide that candidate video statements included in the voter guide will be made accessible to individuals with vision disabilities. This section is added to conform with section 1053(e)(4) of the Charter, as added by Local Law 48 of 2022.

Section 16-03(b) is amended to provide that the online voter guide will be published in all languages required by law. This change is made to conform with section 1053(d) of the Charter, as amended by Local Law 48 of 2022.

#### Miscellaneous

Minor technical amendments are made to sections 2-03(a), 4-05(c)(ii) (C), 5-05(j) 6-02(a)(ii)(D), 6-06(e), 7-04(a), 7-07(b), 15-02(d)(viii), and 15-03(e)(i).
