BOROUGH PRESIDENT - BROOKLYN

■ PUBLIC HEARINGS

NOTICE IS HEREBY GIVEN that, pursuant to Section 201 of the New York City Charter, the Brooklyn Borough President will hold a ULURP hearing on the matter below in person, at 6:00 P.M., on Tuesday, February 28, 2023, in the Borough Hall Community Room. The meeting will be recorded for public transparency.

While visitors are not required to show proof of vaccination to enter the building, we do encourage individuals to wear masks in Borough Hall spaces.

For further information on accessibility or to make a request for accommodations, such as sign language interpretation services, please contact Corina Lozada, at corina.lozada@brooklynbp.nyc.gov, at least five (5) business days in advance, to ensure availability.

Testimony, at the hearing is limited to 2 minutes, unless extended by the Chair. The Borough President welcomes written testimony on all agenda items. For timely consideration, comments must be submitted to testimony@brooklynbp.nyc.gov, no later than Tuesday, March 7, 2023.

The following agenda item will be heard:

Lincoln-Wortman Rezoning (230024 ZMK, 230025 ZRK, 230026 PPK, 230027 PPK)

Applications by JNB Realty LLC and the NYC Department of Housing Preservation and Development (HPD), pursuant to Sections 197-c and 201 of the New York City Charter affecting 10 privately owned lots fronting Autumn, Lincoln, and Wortman Avenues in East New York. The co-applicants are seeking:

- A zoning map amendment to change the development site from R4 to R6A and R6B districts
- A zoning map amendment to designate the development site a Mandatory Inclusionary Housing (MIH) Area
- Acquisition and disposition of four formerly City-Owned lots in the project area by HPD

The requested actions would facilitate two five- and seven-story residential buildings, with a total of 206 affordable apartments on a 50,000-square foot parcel in Brooklyn Community District 16 (CD 16). The units would be geared toward households earning, on average, 30% to 70% of Area Median Income (AMI). Approximately 63 units would be permanently affordable, pursuant to MIH Option 1. The development would provide 55 ground-floor and cellar-level accessory parking spaces. As part of the project, Wortman Avenue will be developed with a new street and sidewalk to allow vehicular and pedestrian traffic.

f10-28

BOROUGH PRESIDENT - MANHATTAN

■ PUBLIC HEARINGS

The February 2023 Manhattan Borough Board Meeting, Public Hearing on the FY24 Preliminary Budget, and Manhattan Borough Board Vote on the Comprehensive Statement on the Budget Priorities of the Borough will be held, at 8:30 A.M. on Thursday, February 16th on Zoom.

To register, please visit https://us06web.zoom.us/webinar/register/WN_pg6lpvE9TVSPvWgLESnNeQ

f15-16

BOROUGH PRESIDENT - QUEENS

■ PUBLIC HEARINGS

NOTICE IS HEREBY GIVEN that a Public Hearing, will be held by the Borough President of Queens, Donovan Richards, on Thursday, February 16, 2023, starting at 9:30 A.M. The public hearing will be virtually streamed live, at www.queensbp.org, and held in-person in the Borough President's Conference Room, located at 120-55 Queens Boulevard, Kew Gardens, NY 11424.

Those who wish to testify may preregister for virtual speaking time by visiting, www.queensbp.org/landuse, and submitting their contact information through the preregistration link. After preregistering, the speaker will receive a confirmation email with instructions on how to participate in the virtual public hearing. Preregistration for speaking time can also be arranged by calling (718) 286-2860, between 9:00 A.M. to 5:00 P.M., prior to the date of the hearing. Members of the public may also attend the hearing at the above address, and publicly testify in the Conference Room.

Written testimony is welcome from those who are unable to testify virtually. All written testimony must be received by 5:00 P.M., on Thursday, February 16, 2023, and may be submitted by email, to planning2@queensbp.org, or by conventional mail, sent to the Office of the Queens Borough President, at 120-55 Queens Boulevard - Room 226, Kew Gardens, NY 11424.

The Public Hearing will be held on the following item:

CD Q02 — ULURP #230052 ZMQ — IN THE MATTER OF an application submitted by PF Supreme, LLC, pursuant to Sections 197-c and 201 of the New York City Charter for an amendment of the Zoning Map, Section No. 9d:

1. eliminating from within an existing R6 District a C1-2 District bounded by a line 100 feet southerly of Queens Boulevard, 61st Street, a line 175 feet southerly of Queens Boulevard, and 59th Street;
2. eliminating from within an existing R7-1 District a C1-2 District bounded by Queens Boulevard, 61st Street, a line 100 feet southerly of Queens Boulevard, and 59th Street;
3. establishing within an existing R6 District a C2-4 District bounded by a line 100 feet southerly of Queens Boulevard, 61st Street, a line 175 feet southerly of Queens Boulevard, and 59th Street; and
4. establishing within an existing R7-1 District a C2-4 District bounded by Queens Boulevard, 61st Street, a line 100 feet southerly of Queens Boulevard, and 59th Street;

Borough of Queens, Community District 2, as shown on a diagram (for illustrative purposes only), dated December 12, 2022.

f13-16

BUILD NYC RESOURCE CORPORATION

■ PUBLIC HEARINGS

The Build NYC Resource Corporation (the "Corporation"), is a not-for-profit local development corporation organized under Sections 402 and 1411 of the Not-for-Profit Corporation Law of the State of New York. In accordance with the aforesaid law, and pursuant to its certificate of incorporation, the Corporation has the power to issue non-recourse revenue bonds or notes and to make the proceeds of those bonds or notes available for projects that promote community and economic development in The City of New York (the "City"), and to thereby create jobs in the non-profit and for-profit sectors of the City's economy. The Corporation has been requested to issue such bonds and notes for the financings listed below in the approximate dollar amounts respectively indicated. As used herein, "bonds" or "notes" are the bonds or notes of the Corporation, the interest on which may be exempt from local and/or state and/or federal income taxes; and, with reference to the bond or note amounts provided herein below, "approximately" shall be deemed to mean up to such stated bond or note amount or a greater principal amount not to exceed 10% of such stated bond or note amount. All other amounts and square footage amounts and wage information shown below are approximate numbers.

Borrower Name: The Browning School (the "School" or the "Borrower"), a New York not-for-profit corporation exempt from federal income taxation pursuant to section 501(c)(3) of the Internal Revenue Code of 1986, as amended (the "Code"). The School is an independent, college preparatory school that provides an education for boys in grades kindergarten through 12. **Financing Amount:** \$40,000,000 in tax-exempt qualified 501(c)(3) bonds issued pursuant to section 145 of the Code and/or taxable bonds (the "Bonds"). **Project Description:** As part of a plan of financing, proceeds from the Bonds will be used to: (i) finance the cost of developing, converting and expanding an existing 5-story (plus cellar) building into a 56,900 square foot facility (and equipping, and furnishing the same) located on a 10,042 square foot parcel of land at 337 East 64th Street, New York, NY (the "Facility"); (ii) fund debt service reserve fund(s), if any; (iii) fund capitalized interest; and (iv) pay for certain costs related to the issuance of the Bonds. The School has leased the Facility and will operate such Facility as the Borrower's Upper School, which will serve approximately 200 students in grades nine through twelve. Renovations to the Facility will include the conversion of the current structure into a five-story with mezzanine level (plus cellar) educational facility, including classrooms, a biology and chemistry lab, a library, a cafeteria, common areas, administrative and faculty offices, a gymnasium and storage and support areas. **Address:** 337 East 64th Street, New York, NY 10065. **Type of Benefits:** Tax-exempt and/or taxable bond financing and exemption from City and State mortgage recording taxes. **Total Project Cost:** \$46,850,000. **Projected Jobs:** 3 full time equivalent jobs retained and 19 projected. **Hourly Wage Average and Range:** \$62.90/hour, estimated range of \$42.31/hour to \$117.14/hour.

Borrower Name: 584 Driggs FONB, LLC, a Delaware limited liability company and a disregarded entity for federal income tax purposes whose sole member is Friends of Northwest Brooklyn, Inc. ("FONB"), a New York not-for-profit corporation exempt from federal taxation pursuant to Section 501(c)(3) of the Internal Revenue Code of 1986, as amended (the "Code"), as borrower (the "Borrower"). FONB is an organization whose purpose is to provide support to Unity Preparatory Charter School of Brooklyn (the "School"), a public charter school for students from grades six through twelve. **Financing Amount:** \$27,000,000 in tax-exempt and/or taxable bonds (the "Bonds"). The tax-exempt bonds will be issued as part of a plan of finance of qualified 501(c)(3) bonds for educational facilities under Section 145 of the Code. **Project Description:** Proceeds of the Bonds will be used to finance or reimburse: (i) the acquisition of a 20,400 square foot three floor facility located on a 6,390 square foot parcel of land located at 584 Driggs Avenue, Brooklyn, New York (the "Facility") that is currently leased to the School by the current owner and operated by the School to serve its students in grades nine through twelve (the "High School"); (ii) renovations at the Facility in the amount of \$2,000,000; (iii) debt service reserve funds; (iv) capitalized interest; and (v) certain costs related to the issuance of the Bonds. The Facility will be owned by the Borrower and leased to the School, and the School will continue to operate the Facility as a public charter school serving the School's High School students. **Address:** 584 Driggs Avenue, Brooklyn, New York 11211. **Type of Benefits:** Tax-exempt and taxable bond financing and exemption from City and State mortgage recording taxes. **Total Project Cost:** \$27,000,000. **Projected Jobs:** 59 full-time equivalent retained. **Hourly Wage Average and Range:** \$45.50/hour, estimated range \$73.00/hour to \$21.63/hour.

For any updates to project information after the date of this notice, please visit the website of New York City Economic Development Corporation ("NYCEDC") at, www.nycedc.com/buildnyc-project-info.

The Corporation is committed to ensuring meaningful access to its programs. If you require any accommodation for language access, including sign language, please contact NYCEDC's Equal Access Officer, at (212) 312-3602, or at EqualAccess@edc.nyc.

Pursuant to Internal Revenue Code 147(f), the Corporation will hold a hearing at the offices of NYCEDC, 1 Liberty Plaza, 14th Floor, New York, NY 10006, on the proposed financings and transactions set forth above, commencing at 10:00 A.M., on Thursday, March 2nd, 2023. Interested members of the public are invited to attend.

Interested members of the public are invited to attend and will be given an opportunity to make a brief statement regarding the projects listed above. Please be advised that attendees should be prepared to wear a face covering and maintain social distance, if they are not willing to provide proof of vaccination status upon entry.

The Corporation will present information at such hearing on the proposed financings and transactions set forth above. For those members of the public desiring to review project applications and cost benefit analyses before the date of the hearing, copies of these materials will be made available at, <https://edc.nyc/build-nyc-board-meetings-and-public-hearings>, starting at 12:00 P.M. fourteen (14) days prior to the hearing. Persons desiring to make a brief statement during the conference call regarding the proposed transactions should give prior notice to the Corporation by sending an email, to ftufano@edc.nyc, no later than 5:00 P.M., the day before the hearing. Written comments may be submitted to the Corporation to the following email address: ftufano@edc.nyc. Please be advised that it is possible that certain of the aforementioned proposed transactions may be removed from the hearing agenda prior to the hearing date. Information regarding such removals will be available on the Corporation's website, at <https://edc.nyc/build-nyc-board-meetings-and-public-hearings>, on or about 12:00 P.M., on the Friday preceding the hearing.

INDUSTRIAL DEVELOPMENT AGENCY

■ PUBLIC HEARINGS

NEW YORK CITY INDUSTRIAL DEVELOPMENT AGENCY

NOTICE OF PUBLIC HEARING

The New York City Industrial Development Agency (the "Agency"), is empowered under the New York State Industrial Development Agency

Act (constituting Title 1 of Article 18-A of the General Municipal Law), and Chapter 1082 of the 1974 Laws of New York, as amended, to enter into straight-lease transactions for the benefit of qualified projects, and thereby advance the job opportunities, general prosperity and economic welfare of the people of the State of New York (the "State") and to improve their prosperity and standard of living. The Agency has been requested to participate in straight-lease transactions and to issue bonds for the purposes and at the addresses also identified below. As used herein, the "City" shall mean The City of New York. All dollar amounts (including bond issuance amounts), square footage amounts and wage information shown below are approximate numbers. As used herein, "bonds" are the bonds of the Agency, the interest on which may be exempt from local and/or state and/or federal income taxes. The references to the bond amounts or project cost amounts provided herein below are approximate and shall be deemed to mean up to such stated amount or a greater principal amount not to exceed 10% of such stated amount. All other amounts and square footage amounts and wage information shown below are approximate numbers.

Company Name(s): Spenceran Inc., a New York domestic business corporation (the "Company"), is an affiliate of AFS Market Inc. ("AFS Market"), a New York domestic business corporation and supermarket operator, and each of the Company and AFS Market is an affiliate of Bogopa Service Corp, a New York domestic business corporation and supermarket operator. **Project Description:** The Company seeks financial assistance in connection with the construction, furnishing and/or equipping of a 39,140 square foot condominium unit (the "Facility") located on the ground-floor and cellar of an 11-story, 230,000 square foot, 233-unit residential building located on a 47,108 square foot parcel of land at 1100 Myrtle Avenue, Brooklyn, NY 11206. The Facility will be owned by the Company and leased to and operated by AFS Market, as a full-service supermarket and related support space. **Address:** 1100 Myrtle Avenue, Brooklyn, NY 11206. **Type of Benefits:** Payments in lieu of City real property taxes, partial exemption from City and State mortgage recording taxes, and exemption from City and State sales and use taxes. **Total Project Cost:** \$9,000,000. **Projected Jobs:** 56.5 full-time equivalent jobs currently, 17 new full-time equivalent jobs projected. **Hourly Wage Average and Range:** \$20.80/hour, estimated range of \$18.60/hour to \$30.70/hour.

For any updates to project information after the date of this notice, please visit the website of New York City Economic Development Corporation ("NYCEDC") at, www.nycedc.com/nycida-project-info.

The Agency is committed to ensuring meaningful access to its programs. If you require any accommodation for language access, including sign language, please contact NYCEDC's Equal Access Officer, at (212) 312-3602 or at EqualAccess@edc.nyc.

Pursuant to Section 859a of the General Municipal Law of the State of New York, the Agency will hold a hearing at the offices of NYCEDC, 1 Liberty Plaza, 14th Floor, New York, New York 10006 on the proposed financings and transactions set forth above, commencing at 10:00 A.M., on Thursday, March 2nd, 2023.

Interested members of the public are invited to attend and will be given an opportunity to make a brief statement regarding the projects listed above. Please be advised that attendees should be prepared to wear a face covering and maintain social distance, if they are not willing to provide proof of vaccination status upon entry.

The Agency will present information at such hearing on the proposed financings and transactions set forth above. For those members of the public desiring to review project applications and cost benefit analyses before the date of the hearing, copies of these materials will be made available at: <https://edc.nyc/nycida-board-meetings-public-hearings>, starting on or about 12:00 P.M., fourteen (14) days prior to the hearing. Persons desiring to make a brief statement during the conference call regarding the proposed transactions should give prior notice to the Agency by sending an email, to ftufano@edc.nyc, no later than 5:00 P.M., the day before the hearing. Written comments may be submitted to the Agency to the following email address: ftufano@edc.nyc. Please be advised that it is possible that certain of the aforementioned proposed transactions may be removed from the hearing agenda prior to the hearing date. Information regarding such removals will be available on the Agency's website, at <https://edc.nyc/nycida-board-meetings-public-hearings>, on or about 12:00 P.M., on the Friday preceding the hearing.

f9-16

LANDMARKS PRESERVATION COMMISSION

■ PUBLIC HEARINGS

NOTICE IS HEREBY GIVEN that, pursuant to the provisions of Title 25, Chapter 3 of the Administrative Code of the City of New York (Sections 25-303, 25-307, 25-308, 25-309, 25-313, 25-318, 25-320) on Tuesday, February 28, 2023, at 9:30 A.M., a public hearing will be held in the public hearing room, at 1 Centre Street, 9th Floor, Borough of Manhattan, and will also be live-streamed and open to public participation by teleconference, with respect to the following properties, and then followed by a public meeting.

The final order and estimated times for each application will be posted on the Landmarks Preservation Commission website, the Friday before the hearing. Please note that the order and estimated times are subject to change. An overflow room is located outside of the primary doors of the public hearing room. Virtual attendance by the public is encouraged given the continuing presence of COVID, and the desire to facilitate social distancing. Any person requiring reasonable accommodation in order to participate in the hearing or attend the meeting should contact the Landmarks Commission no later than five (5) business days before the hearing or meeting. Members of the public not attending in person can observe the meeting on LPC's YouTube channel, at www.youtube.com/nyclpc, and may testify on particular matters by joining the meeting using either the Zoom app, or by calling in from any phone. Specific instructions on how to observe and testify, including the meeting ID and password, and the call-in number, will be posted on the agency's website, under the "Hearings" tab, <https://www1.nyc.gov/site/lpc/hearings/hearings.page>, on the Monday before the public hearing.

PROCUREMENT

“Compete To Win” More Contracts!

Thanks to a new City initiative - “Compete To Win” - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and Women-Owned Businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

- *Win More Contracts, at nyc.gov/competetowin*

“The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed, to the City’s prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence.”

HHS ACCELERATOR PREQUALIFICATION

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic HHS Accelerator Prequalification Application using the City’s PASSPort system. The PASSPort system is a web-based system maintained by the City of New York for use by its Mayoral Agencies to manage procurement. Important business information collected in the Prequalification Application is required every three years. Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete. Prequalification applications will be reviewed to validate compliance with corporate filings and organizational capacity. Approved organizations will be eligible to compete and would submit electronic proposals through the PASSPort system. The PASSPort Public Portal, which lists all RFPs, including HHS RFPs that require HHS Accelerator Prequalification, may be viewed at https://passport.cityofnewyork.us/page.aspx/en/rfp/request_browse_public. All current

and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding. For additional information about HHS Accelerator Prequalification and PASSPort, including background materials, user guides and video tutorials, please visit <https://www1.nyc.gov/site/mocs/systems/about-go-to-passport.page>.

Goods

CHESTERTON MECHANICAL SEALS AND SUPPORT SYSTEMS - Sole Source - Available only from a single source - PIN# 82623Y0310 - Due 3-7-23 at 4:00 P.M.

DEP, intends to enter into a Sole Source Agreement with Corrosion Products & Equipment Inc., for CMS-1 for Chesterton Mechanical Seals and Support Systems, in the amount of \$1,250,953.00. The Bureau of Wastewater Treatment (BWT) has a large number of Chesterton mechanical seals and support systems installed at various pumping systems in its Wastewater Resource Recovery Facilities (WRRF) and Collection Facilities. These specific mechanical seals and support systems are necessary as the intake and outtake fittings must match the footprint currently in place. To maintain these pumping systems at these facilities, procurement of original equipment manufacturer mechanical seals and support systems including complete set of mechanical seals, seal kits, stationary & rotary faces, elastomers, spiraltrac bushing, flow meters etc. is required. These mechanical seals and support systems are intended to replace and repair existing old or failed mechanical seals and support systems of the pumping systems. These Chesterton® Mechanical Seals and Support Systems, are used exclusively by DEP and has no further function citywide. This equipment is essential for ensuring that DEP continues to maintain its infrastructure in a state of good repair to effectively treat wastewater and accomplish its mission of protecting the public health and the environment. Any firm which believes it can also provide the required service IN THE FUTURE is invited to so, indicated by letter.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.

PURCHASE OF A TEST BENCH FOR DEP'S METER FACILITIES - Sole Source - Available only from a single source - PIN# 82623Y0312 - Due 3-7-23 at 4:00 P.M.

DEP, intends to enter into a sole source agreement with MARS Company, for the Purchase of a Test Bench for DEP Meter Facilities, in the amount of \$165,719.00. The DEP Meter Testing Facility contains three benches used to test the accuracy and efficiency of water meters for our entire system. Each bench is designed to test a specific sized meter ranging from Small (5/8" - 1") - Medium (1 1/2" - 2") - Large (3" - 12"). The meters are tested when we receive billing complaints from customers that have a discrepancy with their water bill. We also respond and provide test results when local elected officials make an inquiry on accuracy charges for their constituents. The bench assists in letting DEP know when meters should be removed from the system by using data of meters tested each day vs. the meter age and type in our system. We are able to determine failure rate of meters and can gauge meter removal needs based on our findings. This bench can only be obtained from MARS Company since they are the only manufacturer who produces computer driven high-speed water meter test equipment and turnkey installation packages in the United States. Any firm which believes it can also provide the required service IN THE FUTURE is invited to so, indicated by letter.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.

Environmental Protection, 59-17 Junction Boulevard, 17th Floor, Flushing, NY 11373. Glorivee Roman (718) 595-3226; glroman@dep.nyc.gov

f14-21

PURCHASE OF HAYWARD GORDON PUMPS AND PARTS - Sole Source - Available only from a single source - PIN# 82623Y0295 - Due 3-7-23 at 4:00 P.M.

DEP, intends to enter into a Sole Source agreement with Sherwood Logan & Associates Inc., for the purchase of Hayward Gordon Pumps and Parts, in the amount of \$875,993.16. The Bureau of Wastewater Treatment (BWT) has dozens of Hayward Gordon pumps in its citywide various Wastewater Resource Recovery Facilities (WRRF) and Collection Facilities. These specific pumps and parts are necessary as

the intake and outtake fittings must match the footprint currently in place. Hayward Gordon ULC is the original equipment manufacturer of Hayward Gordon pumps and parts. In order to maintain these facilities, procurement of original equipment manufacturer replacement complete pumps and parts including rotating assembly, impeller, drive assembly, wear element, seal, seal housing, packing, gasket, bearing, flange, shaft, shaft sleeve, gland etc. is required. These pumps and parts/accessories are intended to replace and repair existing old or failed pumps and parts to ensure proper maintenance and operation of the process pumping equipment and systems. Sherwood-Logan & Associates, Inc., is the only source for these products for our Wastewater Resource Recovery Facilities and Collection Facilities. Failure to provide the OEM replacement Hayward Gordon pumps and parts for pumping and grit removal equipment could cause failure process pumping systems that could impact our ability to perform maintenance, and risks failure of process treatment processes, and violation of our New York State SPDES discharge permits, resulting in substantial fines. Only genuine replacement OEM Hayward Gordon pumps and parts from sole source distributor Sherwood-Logan & Associates, Inc., will fit our existing field dimensions and have proven to be reliable and safe and maintained their accuracy with minimal wear. Any firm which believes it can also provide the required service IN THE FUTURE is invited to so, indicated by letter.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.

HEALTH AND MENTAL HYGIENE

■ INTENT TO AWARD

Services (other than human services)

WHOLE GENOME SEQUENCING (WGS) OF SARS-COV-2 VARIANTS FOR FY23-29 - Negotiated Acquisition - Other - PIN# 81623N0018 - Due 3-3-23 at 5:00 A.M.

DOHMH, intends to enter into Negotiated Acquisitions (limited pool) with six (6) vendors (BIOTIA INC., TRUSTEES OF COLUMBIA UNIVERSITY, HEALTHQUEST ESOTERIC INC., POPLAR HEALTHCARE PLLC, PRIMBIO RESEARCH INSTITUTE LLC, and NEOCHROMOSOME, INC.), who will perform Whole Genome Sequencing (WGS) of SARS-CoV-2 in remnant positive diagnostic specimens or derivatives thereof, as well as other pathogens of interest (monkeypox, Polio, and others).

DOHMH determined that the limited pool of vendors, were the only viable vendors to perform the required services. These vendors have met a set of qualifications and have successfully demonstrated during their response, to the COVID-19 Pandemic that they have the ability to perform these services. For continuity of services without interruption, it is in the City's best interest to enter into Negotiated Acquisition awards with the limited pool of 6 vendors. The anticipated duration of the contract term will be six years.

Vendors who feel they may be able, to provide these services, may submit an expression of interest via email, to Mr. Wang, at mwang3@health.nyc.gov.

DOHMH determined that there is a limited pool of vendors, that have the qualifications to perform Whole Genome Sequencing. These vendors were previously awarded Emergency contracts by DOHMH to respond, to the COVID-19 Pandemic to perform the required services and have expressed interest in continuing, to provide these services for the city. All vendors that express interest and meet the requirements will be considered for contract award.

FAMILY AND CHILD HEALTH

■ AWARD

Human Services/Client Services

SCHOOL BASED HEALTH CENTER SERVICES - Competitive Sealed Proposals/Pre-Qualified List - PIN# 81622P0003001 - AMT: \$6,000,000.00 - TO: Richmond Medical Center, 355 Bard Avenue, Staten Island, NY 10310.

School Based Health Centers, are medical health centers within the schools. They help students manage their illnesses during the school day. Because of the location, School Based Health Center, are an easy health care option for busy students with busy parents who cannot

always make it to their doctor's office. School-Based Health Centers have been providing primary care to students in NYC schools for over 30 years. It's been proven that School-Based Health Centers lower school absences and parents' time away from work. They also lower the chance of an emergency room or hospital visit. If a child has a chronic illness, or suddenly gets sick, a School-Based Health Center at their school can assist the child with needed care. Through this procurement, DOHMH is seeking appropriately qualified vendors to provide comprehensive primary preventive care including age appropriate reproductive health care services, and mental health services to students at SBHC in select NYC public schools.

Special Case Determination Is Not Applicable As Per Ppb Rule 3-10(A): Procurement is being transitioned to Passport, Successor to the HHS Accelerator System.

HUMAN RESOURCES ADMINISTRATION

■ INTENT TO AWARD

Human Services/Client Services

JCCGCI WORKFORCE DEVELOPMENT PROJECT - Negotiated Acquisition - Other - PIN# 06923N0009 - Due 2-24-23 at 3:00 P.M.

The Human Resources Administration (HRA), is requesting a one year Negotiated Acquisition (NA) under Sections 3-04 (b)(2)(i)(d) and 3-04(b)(2)(ii) of the New York City Procurement Policy Board Rules, with the

Jewish Community Council of Greater Coney Island Workforce Development Project (JCCGCI WDP), developed to provide unique low-income, underserved clients of Williamsburg, Borough Park, Gravesend, and Far Rockaway communities, to voluntarily explore their interest in employment, participate in job readiness, literacy, and training opportunities, and potentially gain and retain sustainable employment.

The Human Resources Administration (HRA), is requesting the NA with the single vendor to continue the program into the next calendar year as a bridge until agency can complete a competitive solicitation for these services. The current demonstration project ended December 31, 2022. This will leave the hard to employ and underserved adults residing in the five targeted communities with no services until a new RFX is awarded. Most adults in these communities leave school/yeshiva with little or no knowledge of how to prepare for work, find employment, or select a career that will enable them to find economic independence. In turn, the goal is to help clients to compete for and secure jobs with better career and wage growth potential than they would be able to find on their own. The program indirectly has an economic impact on the families of the individuals served and increases the overall economic health and tax base of the communities being served by this project. This NA will ensure continuity of services while assisting client to obtain and maintain employment for the betterment of the individuals, families and communities being served.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.

06923Y0170-SOLE SOURCE WITH IDEMIA- INCREASE IMAGE STORAGE CAPACITY FOR IDNYC - Request for Information - PIN# 06923Y0170 - Due 2-22-23 at 3:00 P.M.

DSS/HRA, is requesting a Sole Source contract with "Idemia Identity & Security USA LLC", to increase storage capacity on their servers that house IDNYC gallery of images associated our facial recognition records. The contract period for this project is from 1/23/2023 to 12/31/2023.

IDNYC, rely on our stored gallery of images to perform biometrics on the identity of our clients. Biometrics assist the programs exercise of due diligence, to avoid issuing different cards to the same person, and guard against identity theft and fraud. Because of this, an image gallery of clients must be maintained. The program has grown in participation to surpass the designated storage threshold. Upon assessment and considering IDNYC enrollment trajectory, it was determined that an increase in storage capacity from two (2) million to three (3) million will be sufficient to carry the program for another four (4) years. Idemia's the provider of the ID card product and hardware that enrolls' applications. Since the technology is their proprietary work, they are the only vendor capable of upgrading their own solution to increase storage capacity.

Any firm or organization which believes they can also provide this service is invited to respond to the RFI " 06923Y0170-Sole Source with Idemia- Increase image storage capacity for IDNYC" on PASSPort. If you have any questions, please email, "ACCOContractPlanning@dss.nyc.gov", with the subject line "06923Y0170-Sole Source with Idemia-Increase image storage capacity for IDNYC". Please indicate your interest by responding to the RFI EPIN: 06923Y0170, in PASSPort, no later than February 22, 2023, 3:00 P.M.

06923Y0171-SOLE SOURCE: MAINTENANCE AND SUPPORT OF CHANGE MACHINE LICENSE FY24 - Request for Information - PIN# 06923Y0171 - Due 2-22-23 at 3:00 P.M.

HRA/EIS, intends to enter into 3-year sole source contract with Change Machine, for its continuation to provide the Non-Residential DV Service Providers with access to the Change Machine application. Under this contract, 55 Premium Licenses of Change Machine will be obtained for the period from April 1, 2024 to March 31, 2027. These licenses will be used to arm non-residential domestic violence (DV) Community Based Organizations (CBOs), with extensive financial coaching tools that will enhance and accelerator DV victim's economic outcomes. Change Machine is the sole provider and proprietor of Change Machine licenses and support services. It solely owns the software rights which are not transferable. There is no other vendor with the capability or ability to run Change Machine.

Any firm or organization which believes they can also provide this service is invited to respond to the RFI " 06923Y0171-Sole Source: Maintenance

and Support of Change Machine License FY24" on PASSPort. If you have any questions, please email, "ACCOContractPlanning@dss.nyc.gov", with the subject line "06923Y0171-Sole Source: Maintenance and Support of Change Machine License FY24". Please indicate your interest by responding to the RFI EPIN: 06923Y0171, in PASSPort, no later than February 22, 2023, 3:00 P.M.

CORRECTION: REQUEST FOR BIDS ("RFB") FOR THE SALE OF FOOD FROM MOBILE FOOD UNITS AT VARIOUS PARKS CITYWIDE - Competitive Sealed Bids - PIN# CWB-2022-A - Due 3-10-23 at 2:00 P.M.

In accordance with Section 1-12 of the Concession Rules of the City of New York, the New York City Department of Parks and Recreation ("Parks"), is issuing, as of the date of this notice, a Request for Bids ("RFB") for the sale of food from mobile food units at various parks citywide.

Hard copies of the RFB can be obtained, at no cost, commencing February 13, 2023, through March 10, 2023, between the hours of 9:00 A.M. and 5:00 P.M., excluding weekends and Holidays, at the Revenue Division of the New York City Department of Parks and Recreation, which is located at 830 Fifth Avenue, Room 407, New York, NY 10065. All bids submitted in response to this RFB must be submitted by no later than March 10, 2023, at 2:00 P.M.

The RFB is also available for download from February 13, 2023, through March 10, 2023, on Parks' website. To download the RFB, visit www.nyc.gov/parks/businessopportunities, click on the link for "Concessions Opportunities at Parks," and, after logging in, click on the "download" link that appears adjacent to the RFB's description.

There will be a remote Bid Opening Procedure for each borough as scheduled below. If you are considering responding to this RFB, please make every effort to participate in this recommended Remote Bid Opening Procedure: You may join the remote Bid Opening Procedure via the Microsoft Teams link or by phone (audio only).

The schedule, Microsoft Teams link or dial-in number and Phone Conference ID for each borough's Remote Bid Opening Procedure is as follows:

AGENCY RULES

HEALTH AND MENTAL HYGIENE

■ NOTICE

Notice of Adoption of Final Rule Establishing a Subsidized Grocery Program

NOTICE IS HEREBY GIVEN in accordance with the requirements of Section 1043 of the New York City Charter and pursuant to the authority vested in the Commissioner of the Department of Health and Mental Hygiene (DOHMH) by sections 556 and 1043(a) of the New York City Charter, that DOHMH adopts the following rule establishing a subsidized grocery program. DOHMH published a Notice of Opportunity to Comment on the proposed rule in the City Record on December 13, 2022. On January 13, 2023, DOHMH held a public hearing on the proposed rule.

Statement of Basis and Purpose

The Department is adopting rules establishing a subsidized grocery program, called the Groceries to Go Program (“Program”).

The Program will provide eligible New Yorkers at risk for food insecurity with money to purchase groceries through an online marketplace of local grocery stores. Eligible participants will be invited to enroll and activate an account with the vendor providing

the online marketplace platform. Enrolled and activated accounts will be provided with a monthly credit to spend on groceries, some or all of which may be limited to certain categories for the purpose of health promotion, as determined by the Department. Participants can opt for grocery delivery or pick-up, and the credit can be applied toward delivery costs and tip. Participants will be screened for re-enrollment every six months.

This rule is necessary because food insecurity is a significant problem facing New York City. Approximately 1.1 million New Yorkers were food insecure prior to COVID-19. The COVID-19 pandemic exacerbated food insecurity for many New Yorkers through historically high unemployment rates, creating financial instability and the closure of institutions such as senior centers and public schools, where people reliably accessed meals prior to the pandemic. During the height of the pandemic in New York City from April to October 2020, about 45% of New Yorkers surveyed reported having less income and about 20% reported being unable to buy groceries due to lack of money for food. New Yorkers of color, those living in very high-poverty neighborhoods, and those with chronic conditions were disproportionately impacted.¹

Eligibility criteria for Program participation recognizes that while food insecurity is associated with many chronic conditions, research demonstrates that US adults in households with marginal, low and very low food security are more likely to have hypertension and diabetes, two of the most common diet-related chronic diseases that disproportionately burden communities of color², compared to adults in high food-secure households³.

Within New York City, food insecurity risk (measured and defined as per the Hunger Vital Sign)⁴ is more prevalent among adults with diabetes than those without (47.7% vs. 32.7%) and among those with hypertension than those without (43.1% versus 31.6%).⁵ Hypertension is a leading risk factor for heart disease and stroke, which, along with diabetes, are among the leading causes of premature deaths in NYC.⁶ Evidence also suggests food insecurity may exacerbate outcomes related to these diet-related chronic diseases,⁷ making New Yorkers at risk for food insecurity with these conditions a high priority population for food support programs.

Food insecurity risk is also more prevalent among NYC adults without health insurance (53.5%), compared to those with health insurance (31.6%).⁵ Included in the eligibility criteria is enrollment in New York City Care, a health care access program through NYC Health and Hospitals, that guarantees low-cost or no-cost services to New Yorkers who do not qualify for or cannot afford health insurance.

This rule is intended to support eligible New Yorkers who are at high risk for food insecurity and to assist enrollees in mitigating associated health risks. This rule is also needed to continue to develop and maintain a flexible model for online grocery ordering that can be adapted for future emergencies, such as future pandemics.

A public hearing regarding the rule was held on January 13, 2023. At the hearing, one person testified, and eleven comments were received, all generally supportive of the program. Three comments recommended the program use additional online grocery, delivery platforms or regional farms and farmers markets on the online platform. Three comments recommended removing participants who have not used credits after five months and redistributing unused credits to active program participants. Many raised concerns regarding platform accessibility and provided suggestions for program implementation to support online platform utilization and increase accessibility. Collectively, the comments received addressed concerns with the online ordering platform, credit levels, eligibility, as well as considerations beyond the scope of the rule for evaluation and implementation.

The Department will consider comments related to program implementation and evaluation as the program is implemented, but no changes to the proposed rule will be made at this time. With respect to accessibility concerns, we note that the rule includes a process for enrollees to seek a reasonable accommodation to access the online ordering platform. In such a case, an enrollee may contact the Department at the number provided at the time of enrollment.

Deleted material appears in [brackets]. New material is underlined. The terms "shall" and "must" may be used interchangeably and denote mandatory requirements unless the context clearly indicates otherwise.

Section 1. Title 24 of the Rules of the City of New York is amended by adding a new Chapter 34 to read as follows:

**CHAPTER 34
GROCERY DELIVERY PROGRAM**

§ 1-01. Grocery delivery program.

(a) Definitions. For purposes of the section, the following terms have the following meanings:

The term "food insecurity" means that within last 12 months of applying for enrollment or re-enrollment in the Program, the individual:

- (1) Had concern regarding lack of food for their household;
- (2) Lacked funds to purchase enough food for their household; or
- (3) Received food from a food pantry.

The term "Program" means the Groceries to Go Program described in this section.

(b) Groceries to Go Program. An individual may apply for enrollment in the Groceries to Go Program to receive credits that can be redeemed for online grocery purchases, including service fees, tips, and delivery to the household of such individual. The individual may apply for enrollment by calling the Department at the number posted on the Department's website.

(c) Eligibility criteria. Only one person per household may be enrolled in the Program at any time. The Program will not accept applications from more than one person at the same address. The Program will only be available to individuals that meet all of the following eligibility criteria:

- (i) The individual is a Health and Hospitals New York City Care Member;
- (ii) The individual reports diagnosis of hypertension or diabetes;
- (iii) The individual reports a risk for food insecurity; and
- (iv) The individual is a New York City resident.

(d) Program credits. Program credits will be allocated as follows:

- (i) A household of one or two people will receive \$140 per month;
- (ii) A household of three or more people will receive \$300 per month;
- (iii) The program credits will be eligible to be used for food categories posted on the Department's website. The Department will consider promotion of overall health when determining such categories.

(e) Ordering platform. Program enrollees will be able to use Program credits by ordering groceries through an online ordering platform using an active email address provided by the enrollee at the time of enrollment. Enrollees that require a reasonable accommodation to access the online ordering platform may contact the Department at the number provided at the time of enrollment.

(f) Enrollment capacity subject to available resources. Enrollment capacity for first time applicants of the Program is on a first-come, first-serve basis among eligible New Yorkers. Enrollment capacity is subject to resource availability as determined by the Department.

(g) Enrollment renewal. Enrollment eligibility of individuals in the Program will be reviewed by the Department every six months. Individuals will need to re-attest every six months that they meet each element of the eligibility criteria set forth in subdivision (c) of this section.

(h) Removal. The Department may remove an individual from the Program for the following reasons: (i) the individual is no longer eligible, (ii) inactivity for six months; or (iii) non-compliance with this section or established vendor policies. Individuals may also be removed at any time upon their request. The Department will provide written notice to the individual that they will be removed from the Program stating the reason for removal. An individual may object to such removal by submitting an objection in writing to the Commissioner or his or her designee within 10 calendar days of receipt of the notice, if received by e-mail or fax, or 15 days if received by mail. The objection will be reviewed and the individual will be notified of the Department's determination regarding the removal of the individual from the Program. Such determination constitutes a final agency action.

(i) Nothing in this section shall be construed as granting any individual that meets the eligibility criteria provided in subdivision (c) of this section a right to receive credits to purchase food for delivery under this Program. Program funding for the purchase and delivery of groceries provided for under this Chapter is subject to availability.

(j) The Program provided for under this section will terminate on such date as determined by the Department.

FINDING OF SUBSTANTIAL NEED FOR EARLIER IMPLEMENTATION

I hereby find and represent to the Mayor that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the Department Health and Mental Hygiene's (the "Department") amendment to Title 24 of the Rules of the City of New York by the addition of Chapter 34. The added chapter establishes rules of eligibility, enrollment, and removal for a subsidized grocery program. The program will provide to eligible New Yorkers at risk for food insecurity money to purchase groceries through an online marketplace of local grocery stores. There is a substantial need to provide this service to support eligible New Yorkers at risk of food insecurity as soon as possible. Without a finding of substantial need, the enrollment of eligible New Yorkers in the program will be delayed from the expected launch of this program of January 2023. As that circumstance would be unreasonable and inequitable, I find that there is a substantial need for bringing these rules into effect immediately upon publication in The City Record.

This declaration is made pursuant to Section 1043, subdivision f, paragraph 1(c) of the City

Charter.

/S/ Ashwin Vasan, MD, PhD
Commissioner

City of New York Department of Health and Mental Hygiene

APPROVED:

/S/ Eric Adams
Mayor

HOUSING PRESERVATION AND DEVELOPMENT

■ NOTICE

**REQUEST FOR COMMENT
REGARDING AN APPLICATION FOR A
CERTIFICATION OF NO HARASSMENT**

Notice Date: February 15, 2023

To: Occupants, Former Occupants, and Other Interested Parties

Property:	Address	Application #	Inquiry Period
	176 West Street, Brooklyn	5/2023	October 4, 2004 to Present

Authority: Greenpoint-Williamsburg Anti-Harassment Area, Zoning Resolution §§23-013, 93-90

Before the Department of Buildings can issue a permit for the alteration or demolition of a multiple dwelling in certain areas designated in the Zoning Resolution, the owner must obtain a "Certification of No Harassment" from the Department of Housing Preservation and Development ("HPD") stating that there has not been harassment of the building's lawful occupants during a specified time period. Harassment is conduct by an owner that is intended to cause, or does cause, residents to leave or otherwise surrender any of their legal occupancy rights. It can include, but is not limited to, failure, to provide essential services (such as heat, water, gas, or electricity), illegally locking out building residents, starting frivolous lawsuits, and using threats or physical force.

The owner of the building identified above has applied for a Certification of No Harassment. If you have any comments or evidence of harassment, at this building, please notify HPD, at **CONH Unit, 100 Gold Street, 6th Floor, New York, NY 10038** by letter postmarked

not later than 30 days from the date of this notice or by an in-person statement made within the same period. To schedule an appointment for an in-person statement, please call (212) 863-5277 or (212) 863-8211.

For the decision on the Certification of No Harassment Final Determination please visit our website, at www.hpd.nyc.gov or call (212) 863-8266.

**PETICIÓN DE COMENTARIO

	176 West Street, Brooklyn	5/2023	October 4, 2004 to Present

Autoridad: Greenpoint-Williamsburg Anti-Harassment Area, Código Administrativo Zoning Resolution §§23-013, 93-90

Antes de que el Departamento de Edificios pueda conceder un permiso para la alteración o demolición de una vivienda múltiple de ocupación de cuartos individuales, el propietario debe obtener una "Certificación de No Acoso" del Departamento de Preservación y Desarrollo de la Vivienda ("HPD") que indique que tiene no haber sido hostigado a los ocupantes legales del edificio durante un periodo de tiempo especificado. El acoso es una conducta por parte de un dueño de edificio que pretende causar, o causa, que los residentes se vayan o renuncien a cualquiera de sus derechos legales de ocupación. Puede incluir, entre otros, no proporcionar servicios esenciales (como calefacción, agua, gas o electricidad), bloquear ilegalmente a los residentes del edificio, iniciar demandas frívolas y utilizar amenazas o fuerza física.

El dueño del edificio identificado anteriormente ha solicitado una Certificación de No Acoso. Si tiene algún comentario o evidencia de acoso en este edificio, notifique a HPD al **CONH Unit, 100 Gold Street, 6th Floor, New York, NY 10038** por carta con matasellos no mas tarde que **30 días** después de la fecha de este aviso o por una declaración en persona realizada dentro del mismo periodo. Para hacer una cita para una declaración en persona, llame al (212) 863-5277 o (212) 863-8211.

Para conocer la decisión final sobre la Certificación de No Acoso, visite nuestra pagina web en www.hpd.nyc.gov o llame al (212) 863-8266.

ADVISORY REPORTS

Table with 4 columns: ISSUE DATE, EXPIRATION DATE, DOCKET #, SRA #. Row 1: 01/13/23, 1/13/2029, LPC-23-01569, SRA-23-01569. Row 2: ADDRESS (695 PARK AVENUE), BOROUGH (MANHATTAN), BLOCK/LOT (1403 / 1). Row 3: Upper East Side Historic District

To the Mayor, the Council, and the Acting President and CEO of the Dormitory Authority of the State of New York,

This report is issued pursuant to Section 25-318 of the Administrative Code of the City of New York, which requires a report from the Landmarks Preservation Commission for plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has reviewed a proposal for installing ten (10) cooling towers at the roof and interior alterations at the cellar and sub-basement; as shown on existing condition photographs; sightline section drawings; drawings EN-001.00, M-001.00, M-101.00, M-201.00, M-301.00, M-401.00, and M-601.00, dated March 13, 2020; drawing M-202.00, dated (revised) February 2, 2022; drawing M-501.00, dated (revised) January 21, 2022; drawings M-001.00 and M-002.00, dated (revised) July 16, 2020, and prepared by Andrew Dubel, P.E.; drawings S-001.00, S-101.00, S-102.00, S-300.00, and S-700.00, dated March 13, 2020, and prepared by George Ozga, P.E.; drawings H-100.00 and H- 101.00, dated March 13, 2020, and prepared by Kevin P. Janik, P.E.; and drawing LPC-1, dated (revised) December 19, 2022, and prepared by Pamela A. Smith, R.A., all submitted as components of the application.

With regard to this proposal, the Commission finds that the work is in

accordance with the provisions set forth in Title 63 of the Rules of the City of New York, Section 2-21 for Installation of Heating, Ventilation, Air Conditioning and other Mechanical Equipment, including Section 2-21(g)(1) for installation of HVAC and other mechanical equipment on rooftops and terraces.

Please see Title 63 of the Rules of the City of New York for complete text of any cited Rule section(s): <http://www1.nyc.gov/site/lpc/applications/rules-guides.page>

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

All approved drawings are marked approved by the Commission with a perforated seal indicating the date of approval. The work is limited to what is contained in the perforated documents. Other work or amendments to this filing must be reviewed and approved separately. This report constitutes the permit; a copy must be prominently displayed at the site while work is in progress. Please direct inquiries to Marie Guarino.

ADDRESS Prospect Park Prospect Park, Scenic Landmark		BOROUGH: Brooklyn	BLOCK/LOT: 1117 / 1

To the Mayor, the Council, and the City of New York Department of NYC Parks and Recreation

This report is issued pursuant to Section 25-318 of the Administrative Code of the City of New York, which requires a report from the Landmarks Preservation Commission for plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The proposed work consists of alterations to a pathway, known as the Meadowport Pathway, between the Meadowport Arch and Endale Arch within the northernmost section of the park (The Long Meadow and its environs), including replacing existing asphalt hex block paving and poured asphalt paving with new full-depth poured asphalt, matching the existing paving in footprint; and installing timber edging at the sides of the pathway, as well as the replacement of concrete paving ("bench pads") and benches adjacent to the pathways with poured asphalt paving and wood and metal benches ("Central Park Settees"), painted green and black; the installation of a metal trash receptacle at the pathway; and landscaping work, including, but not limited to, replacing trees and adding boulders and coir logs within the surrounding landscaped area, as described and shown in a memo, dated December 13, 2022; a 17 page presentation, titled "Meadowport Path," dated December 12, 2022, and prepared by the City of New York Parks and Recreation Olmsted Center and the Prospect Park Alliance, including drawings, photographs and notes, all submitted as components of the application.

In reviewing this proposal, the Commission notes that the Prospect Park Designation Report describes Prospect Park as a primarily naturalistic style park designed in 1865 by Frederick Law Olmsted and Calvert Vaux.

With regard to this proposal, the Commission found that replacement of the existing paving will not eliminate or damage any significant architectural features of the park or detract from a significant landscape composition or vista; that the replacement paving will be in keeping with paving at surrounding pathways in terms of material, details and finish, thereby supporting the unity of the pathways in keeping with the character of the park; that the replacement paving will match the existing paving in terms of placement and footprint; that any increase in paving associated with the proposed work will be de minimis; and that the proposed benches and trash receptacle will be in keeping with the types of furnishings typically found within the

park in terms of its placement, size, materials, and finishes. Based on these findings, the Commission determined this work to be appropriate to this scenic landmark.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

All approved drawings are marked approved by the Commission with a perforated seal indicating the date of approval. The work is limited to what is contained in the perforated documents. Other work or amendments to this filing must be reviewed and approved separately. This report constitutes the permit; a copy must be prominently displayed at the site while work is in progress. Please direct inquiries to Misha'el Shabrami.

BINDING REPORTS

ISSUE DATE: 01/13/23	EXPIRATION DATE: 1/13/2029	DOCKET #: LPC-23-05535	SRB #: SRB-23-05535
ADDRESS NYC Streetlight Poles		BOROUGH: Manhattan	BLOCK/LOT: /
Streetlight Poles Historic Street Lampposts, Individual Landmark Greenwich Village Historic District			

To the Mayor, the Council, and the Director of Mobile Telecom Franchises & Special Projects,

This report is issued pursuant to Sections 3020 and 854 (h) of the New York City Charter and Section 25-318 of the Administrative Code of the City of New York, which require a report from the Landmarks Preservation Commission for certain plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has reviewed a proposal for installing a telecommunications poletop antenna and shroud, and associated transmitter box mounted on an existing light pole, the design and attachment of which are in accordance with the guidelines established by the Public Design Commission. The work will occur at a light pole located within the Greenwich Village Historic District. The work consists of installing one (1) telecommunications poletop antenna and shroud, and transmitter box at the light pole, all finished silver to match the light pole; installing a grey-finished handhole at the concrete sidewalk; and excavating and replacing concrete paving, as described and shown in existing conditions photographs, locator map, poletop manager print out, manhole cover diagram, and a letter, dated December 9, 2022, prepared by Judith Garcia of NYC OTI, all submitted as components of the application.

In reviewing this proposal, the Commission notes that multiple telecommunications poletop antenna and transmitter box are proposed to be mounted on light poles throughout New York City's historic districts; that the Office of Technology and Innovation applications for such work have been divided into multiple phases, of which the current proposal consists of one (1) of such installations. The Commission also notes that the current application excludes any proposal for work with the African Burial Ground and The Commons Historic District, which must be reviewed and approved separately by the Landmarks Preservation Commission's Director of Archaeology. The Commission further notes that the Art Commission issued Certificate of Final Approval 22232 on September 14, 2005, approving the design of telecommunications poletop antennas and transmitter boxes, with associated conditions; and that the Public Design Commission issued Certificate 27570 on August 10, 2020, approving the design of shrouds for 4G and 5G mobile telecommunications equipment on light poles, with associated conditions. The Approved poletop identification number within the Greenwich Village Historic District is: 27569.

With regard to this proposal, the Commission finds that the small size, neutral finish, simple design, and mounting height of the shroud and transmitter box will help them to be discreet installations at the upper portions of the light pole; that the installations will not call attention to themselves and will not detract from the streetscape; that the handhole will be small in size, simple in design, and finished to match the surrounding untinted concrete paving; and that any concrete paving to be excavated will be replaced with new concrete paving to match the tint and scoring of the adjacent concrete paving. Based on these findings, the proposed work is determined to be appropriate to this historic district. Therefore, the work is approved.

Please provide one or more 8 by 10 inch archival-quality color photographs of the completed work to the Public Design Commission of the City of New York, for its records.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

All approved drawings are marked approved by the Commission with a perforated seal indicating the date of approval. The work is limited to what is contained in the perforated documents. Other work or amendments to this filing must be reviewed and approved separately. This report constitutes the permit; a copy must be prominently displayed at the site while work is in progress. Please direct inquiries to Janelle Gunther.

ADDRESS NYC Streetlight Poles		BOROUGH: Staten Island	BLOCK/LOT: /
Streetlight Poles St. Paul's Avenue-Stapleton Heights Historic District			

To the Mayor, the Council, and the Director of Mobile Telecom Franchises & Special Projects,

This report is issued pursuant to Sections 3020 and 854 (h) of the New York City Charter and Section 25- 318 of the Administrative Code of the City of New York, which require a report from the Landmarks Preservation Commission for certain plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has reviewed a proposal for installing telecommunications antennas, and an associated transmitter box and meter mounted on an existing utility pole. The work will occur at a utility pole located within the St. Paul's Avenue-Stapleton Heights Historic District. The work consists of installing three (3) telecommunications antennas, and a transmitter box and meter, as well as installing conduit, all mounted on the wood shaft of an existing utility pole, all finished grey-brown to match the existing utility pole, as described and shown in existing conditions photographs, locator map, poletop manager print out, and a letter, dated December 13, 2022, prepared by Judith Garcia of NYC OTI, and submitted as components of the application.

In reviewing this proposal, the Commission notes that multiple telecommunications poletop antenna and transmitter boxes are proposed to be mounted on light and utility poles throughout New York City's historic districts; that the Office of Technology and Innovation applications for such work have been divided into multiple phases, of which the current proposal consists of one (1) of such installations. The Commission also notes that the current application excludes any proposal for work with the African Burial Ground and The Commons Historic District, which must be reviewed and approved separately by the Landmarks Preservation Commission's Director of Archaeology. The Approved poletop identification number within the St. Paul's Avenue-Stapleton Heights Historic District is: 26947.

With regard to this proposal, the Commission finds that the small size, neutral finish, simple design, and mounting height of the antennas, transmitter box, and meter will help them to be discreet installations

at the upper portions of the light pole; that the installation on an existing utility pole will not result in damage to or demolition of any significant landscape improvement; and that the installations will not call attention to themselves and will not detract from the streetscape. Based on these findings, the proposed work is determined to be appropriate to this historic district. Therefore, the work is approved.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

All approved drawings are marked approved by the Commission with a perforated seal indicating the date of approval. The work is limited to what is contained in the perforated documents. Other work or amendments to this filing must be reviewed and approved separately. This report constitutes the permit; a copy must be prominently displayed at the site while work is in progress. Please direct inquiries to Janelle Gunther.

ADDRESS NYC Streetlight Poles		BOROUGH: Manhattan	BLOCK/LOT: /
Streetlight Poles Historic Street Lampposts, Individual Landmark Riverside-West End Historic District Extension II			

To the Mayor, the Council, and the Director of Mobile Telecom Franchises & Special Projects,

This report is issued pursuant to Sections 3020 and 854 (h) of the New York City Charter and Section 25- 318 of the Administrative Code of the City of New York, which require a report from the Landmarks Preservation Commission for certain plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has reviewed a proposal for installing a telecommunications poletop antenna and shroud, and associated transmitter box mounted on an existing light pole, the design and attachment of which are in accordance with the guidelines established by the Public Design Commission. The work will occur at a light pole located within the Riverside-West End Historic District Extension II. The work consists of installing one (1) telecommunications poletop antenna and shroud, and transmitter box at the light pole, all finished gray to match the light pole; installing a grey-finished handhole at the concrete sidewalk; and excavating and replacing concrete paving, as described and shown in existing conditions photographs, locator map, poletop manager print out, manhole cover diagram, and a letter, dated December 15, 2022, prepared by Judith Garcia of NYC OTI, all submitted as components of the application.

In reviewing this proposal, the Commission notes that multiple telecommunications poletop antenna and transmitter box are proposed to be mounted on light poles throughout New York City's historic districts; that the Office of Technology and Innovation applications for such work have been divided into multiple phases, of which the current proposal consists of one (1) of such installations. The Commission also notes that the current application excludes any proposal for work with the African Burial Ground and The Commons Historic District, which must be reviewed and approved separately by the Landmarks Preservation Commission's Director of Archaeology. The Commission further notes that the Art Commission issued Certificate of Final Approval 22232 on September 14, 2005, approving the design of telecommunications poletop antennas and transmitter boxes, with associated conditions; and that the Public Design Commission issued Certificate 27570 on August 10, 2020, approving the design of shrouds for 4G and 5G mobile telecommunications equipment on light poles, with associated conditions. The Approved poletop identification number within the Riverside-West End Historic District Extension II is: 25863.

With regard to this proposal, the Commission finds that the small size,

neutral finish, simple design, and mounting height of the shroud and transmitter box will help them to be discreet installations at the upper portions of the light pole; that the installations will not call attention to themselves and will not detract from the streetscape; that the handhole will be small in size, simple in design, and finished to match the surrounding untinted concrete paving; and that any concrete paving to be excavated will be replaced with new concrete paving to match the tint and scoring of the adjacent concrete paving. Based on these findings, the proposed work is determined to be appropriate to this historic district. Therefore, the work is approved.

Please provide one or more 8 by 10 inch archival-quality color photographs of the completed work to the Public Design Commission of the City of New York, for its records.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. ADDRESS 34-41 137TH STREET		BOROUGH: QUEENS	BLOCK/LOT: 4953 / 1
Lewis H. Latimer House, Individual Landmark			

To the Mayor, the Council, and the Deputy Commissioner, NYC Dept. of Parks and Rec.,

This report is issued pursuant to Sections 3020 and 854 (h) of the New York City Charter and Section 25- 318 of the Administrative Code of the City of New York, which require a report from the Landmarks Preservation Commission for certain plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

installing a storage shed with a 10' by 12' footprint, clad in painted composite wood siding behind the parking lot at the rear of the landmark house, as shown in a presentation labeled "Lewis Latimer House Museum Shed Installation," dated January 18, 2023, and prepared and submitted by the applicant as components of the application.

In reviewing this proposal, the Commission notes that the Lewis H. Latimer House Individual Landmark Designation Report describes 34-41 137th Street as a Queen Anne style house originally built ca. 1887-89 and expanded later with additions, and moved to the current location in 1988.

With regard to this proposal, the Commission finds that because the shed will be located well behind the house, separated from it by a rear yard and parking lot, it will have no impact on the historic character of the house; that because the house was moved to this lot in 1988, there are no historic site features which would be affected by the installation of the shed; and that the installation of the shed on a gravel pad will not cause damage to, or detract from the special historic and architectural character of the Individual Landmark. Based on these findings, the Commission determined that the work is appropriate to the landmark. The work, therefore, is approved.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

All approved drawings are marked approved by the Commission with a perforated seal indicating the date of approval. The work is limited to what is contained in the perforated documents. Other work or amendments to this filing must be reviewed and approved separately. This report constitutes the permit; a copy must be prominently displayed at the site while work is in progress. Please direct inquiries to Lisa Schaeffer.

ADDRESS NYC Streetlight Poles		BOROUGH: Manhattan	BLOCK/LOT: /
Streetlight Poles Historic Street Lampposts, Individual Landmark Greenwich Village Historic District			

To the Mayor, the Council, and the Director of Mobile Telecom Franchises & Special Projects,

This report is issued pursuant to Sections 3020 and 854 (h) of the New York City Charter and Section 25- 318 of the Administrative Code of the City of New York, which require a report from the Landmarks Preservation Commission for certain plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has reviewed a proposal for installing a telecommunications poletop antenna and shroud, and associated transmitter box mounted on an existing light pole, the design and attachment of which are in accordance with the guidelines established by the Public Design Commission. The work will occur at a light pole located within the Greenwich Village Historic District. The work consists of installing one (1) telecommunications poletop antenna and shroud, and transmitter box at the light pole, all finished silver to match the light pole; installing a grey-finished handhole at the concrete sidewalk; and excavating and replacing concrete paving, as described and shown in existing conditions photographs, locator map, poletop manager print out, manhole cover diagram, and a letter, dated December 27, 2022, prepared by Judith Garcia of NYC OTI, all submitted as components of the application.

In reviewing this proposal, the Commission notes that multiple telecommunications poletop antenna and transmitter box are proposed to be mounted on light poles throughout New York City's historic districts; that the Office of Technology and Innovation applications for such work have been divided into multiple phases, of which the current proposal consists of one (1) of such installations. The Commission also notes that the current application excludes any proposal for work with the African Burial Ground and The Commons Historic District, which must be reviewed and approved separately by the Landmarks Preservation Commission's Director of Archaeology.

The Commission further notes that the Art Commission issued Certificate of Final Approval 22232 on September 14, 2005, approving the design of telecommunications poletop antennas and transmitter boxes, with associated conditions; and that the Public Design Commission issued Certificate 27570 on August 10, 2020, approving the design of shrouds for 4G and 5G mobile telecommunications equipment on light poles, with associated conditions. The Approved poletop identification number within the Greenwich Village Historic District is: 27569.

With regard to this proposal, the Commission finds that the small size, neutral finish, simple design, and mounting height of the shroud and transmitter box will help them to be discreet installations at the upper portions of the light pole; that the installations will not call attention to themselves and will not detract from the streetscape; that the handhole will be small in size, simple in design, and finished to match the surrounding untinted concrete paving; and that any concrete paving to be excavated will be replaced with new concrete paving to match the tint and scoring of the adjacent concrete paving. Based on these findings, the proposed work is determined to be appropriate to this historic district. Therefore, the work is approved.

Please provide one or more 8 by 10 inch archival-quality color

photographs of the completed work to the Public Design Commission of the City of New York, for its records.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

All approved drawings are marked approved by the Commission with a perforated seal indicating the date of approval. The work is limited to what is contained in the perforated documents. Other work or amendments to this filing must be reviewed and approved separately. This report constitutes the permit; a copy must be prominently displayed at the site while work is in progress. ADDRESS NYC Streetlight Poles		BOROUGH: Manhattan	BLOCK/LOT: /
Streetlight Poles Historic Street Lampposts, Individual Landmark Riverside-West End Historic District Extension II			

To the Mayor, the Council, and the Director of Mobile Telecom Franchises & Special Projects,

This report is issued pursuant to Sections 3020 and 854 (h) of the New York City Charter and Section 25- 318 of the Administrative Code of the City of New York, which require a report from the Landmarks Preservation Commission for certain plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has reviewed a proposal for installing a telecommunications poletop antenna and shroud, and associated transmitter box mounted on an existing light pole, the design and attachment of which are in accordance with the guidelines established by the Public Design Commission. The work will occur at a light pole located within the Riverside-West End Historic District Extension II. The work consists of installing one (1) telecommunications poletop antenna and shroud, and transmitter box at the light pole, all finished gray to match the light pole; installing a grey-finished handhole at the concrete sidewalk; and excavating and replacing concrete paving, as described and shown in existing conditions photographs, locator map, poletop manager print out, manhole cover diagram, and a letter, dated December 28, 2022, prepared by Judith Garcia of NYC OTI, all submitted as components of the application.

In reviewing this proposal, the Commission notes that multiple telecommunications poletop antenna and transmitter box are proposed to be mounted on light poles throughout New York City's historic districts; that the Office of Technology and Innovation applications for such work have been divided into multiple phases, of which the current proposal consists of one (1) of such installations. The Commission also notes that the current application excludes any proposal for work with the African Burial Ground and The Commons Historic District, which must be reviewed and approved separately by the Landmarks Preservation Commission's Director of Archaeology. The Commission further notes that the Art Commission issued Certificate of Final Approval 22232 on September 14, 2005, approving the design of telecommunications poletop antennas and transmitter boxes, with associated conditions; and that the Public Design Commission issued Certificate 27570 on August 10, 2020, approving the design of shrouds for 4G and 5G mobile telecommunications equipment on light poles, with associated conditions. The Approved poletop identification number within the Riverside-West End Historic District Extension II is: 25863.

With regard to this proposal, the Commission finds that the small size, neutral finish, simple design, and mounting height of the shroud and transmitter box will help them to be discreet installations at the upper portions of the light pole; that the installations will not call attention to

themselves and will not detract from the streetscape; that the handhole will be small in size, simple in design, and finished to match the surrounding untinted concrete paving; and that any concrete paving to be excavated will be replaced with new concrete paving to match the tint and scoring of the adjacent concrete paving. Based on these findings, the proposed work is determined to be appropriate to this historic district. Therefore, the work is approved.

Please provide one or more 8 by 10 inch archival-quality color photographs of the completed work to the Public Design Commission of the City of New York, for its records.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

All approved drawings are marked approved by the Commission with a perforated seal indicating the date of approval. The work is limited to what is contained in the perforated documents. Other work or amendments to this filing must be reviewed and approved separately. This report constitutes the permit; a copy must be prominently displayed at the site while work is in progress. Please direct inquiries to Janelle Gunther.

ADDRESS NYC Streetlight Poles		BOROUGH: Staten Island	BLOCK/LOT: /
Streetlight Poles St. Paul's Avenue-Stapleton Heights Historic District			

To the Mayor, the Council, and the Director of Mobile Telecom Franchises & Special Projects,

This report is issued pursuant to Sections 3020 and 854 (h) of the New York City Charter and Section 25- 318 of the Administrative Code of the City of New York, which require a report from the Landmarks Preservation Commission for certain plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has reviewed a proposal for installing telecommunications antennas, and an associated transmitter box and meter mounted on an existing utility pole. The work will occur at a utility pole located within the St. Paul's Avenue-Stapleton Heights Historic District. The work consists of installing three (3) telecommunications antennas, and a transmitter box and meter, as well as installing conduit, all mounted on the wood shaft of an existing utility pole, all finished grey-brown to match the existing utility pole, as described and shown in existing conditions photographs, locator map, poletop manager print out, and a letter, dated December 28, 2022, prepared by Judith Garcia of NYC OTI, and submitted as components of the application.

In reviewing this proposal, the Commission notes that multiple telecommunications poletop antenna and transmitter boxes are proposed to be mounted on light and utility poles throughout New York City's historic districts; that the Office of Technology and Innovation applications for such work have been divided into multiple phases, of which the current proposal consists of one (1) of such installations. The Commission also notes that the current application excludes any proposal for work with the African Burial Ground and The Commons Historic District, which must be reviewed and approved separately by the Landmarks Preservation Commission's Director of Archaeology. The Approved poletop identification number within the St. Paul's Avenue-Stapleton Heights Historic District is: 26947.

With regard to this proposal, the Commission finds that the small size, neutral finish, simple design, and mounting height of the antennas, transmitter box, and meter will help them to be discreet installations at the upper portions of the light pole; that the installation on an existing utility pole will not result in damage to or demolition of any significant landscape improvement; and that the installations will not call attention to themselves and will not detract from the streetscape.

Based on these findings, the proposed work is determined to be appropriate to this historic district. Therefore, the work is approved.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

All approved drawings are marked approved by the Commission with a perforated seal indicating the date of approval. The work is limited to what is contained in the perforated documents. Other work or amendments to this filing must be reviewed and approved separately. This report constitutes the permit; a copy must be prominently displayed at the site while work is in progress. Please direct inquiries to Janelle Gunther.

ADDRESS 11 FULTON STREET Apt/Floor: 1st		BOROUGH: MANHATTAN	BLOCK/LOT: 96 / 1
South Street Seaport Historic District			

To the Mayor, the Council, and the NYC Economic Development Corporation,

This report is issued pursuant to Sections 3020 and 854 (h) of the New York City Charter and Section 25- 318 of the Administrative Code of the City of New York, which require a report from the Landmarks Preservation Commission for certain plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has reviewed a proposal for interior alterations only at the first floor, as shown on drawings A-001, A-002, A-101, A-201, A-401, A-501, P-001, P-101, and P-501 dated December 22, 2016, prepared by David G. E. Bucovny, R.A., and submitted as components of the application.

The Commission has reviewed the application drawings and finds that the work will have no effect on the significant protected features of the building.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

All approved drawings are marked approved by the Commission with a perforated seal indicating the date of approval. The work is limited to what is contained in the perforated documents. Other work or amendments to this filing must be reviewed and approved separately. This report constitutes the permit; a copy must be prominently displayed at the site while work is in progress. ADDRESS NYC Streetlight Poles		BOROUGH: Brooklyn	BLOCK/LOT: /

Streetlight Poles Prospect Park, Scenic Landmark

To the Mayor, the Council, and the Assistant Director, Mobile Telecom Franchises, NYC OTI,

This report is issued pursuant to Sections 3020 and 854 (h) of the New York City Charter and Section 25- 318 of the Administrative Code of the City of New York, which require a report from the Landmarks Preservation Commission for certain plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has reviewed a proposal for installing a telecommunications poletop antenna and shroud, and associated transmitter box mounted on an existing light pole, the design and attachment of which are in accordance with the guidelines established by the Public Design Commission. The work will occur at a light pole located within the Prospect Park Scenic Landmark. The work consists of installing one (1) telecommunications poletop antenna and shroud, and transmitter box at an existing light pole, all finished grey to match the existing light pole; installing a grey-finished handhole at the sidewalk, adjacent to the pole; and excavating and replacing hexagonal pavers, as described and shown in existing conditions photographs, locator map, poletop manager print out, manhole cover diagram, and a letter, dated May 31, 2022, prepared by Judith Garcia of NYC OTI, and submitted as components of the application.

In reviewing this proposal, the Commission notes that multiple telecommunications poletop antenna and transmitter box are proposed to be mounted on light poles throughout New York City's historic districts; that the Office of Technology and Innovation applications for such work have been divided into multiple phases, of which the current proposal consists of one (1) of such installations. The Commission also notes that the current application excludes any proposal for work with the African Burial Ground and The Commons Historic District, which must be reviewed and approved separately by the Landmarks Preservation Commission's Director of Archaeology. The Commission further notes that the Art Commission issued Certificate of Final Approval 22232 on September 14, 2005, approving the design of telecommunications poletop antennas and transmitter boxes, with associated conditions; and that the Public Design Commission issued Certificate 27570 on August 10, 2020, approving the design of shrouds for 4G and 5G mobile telecommunications equipment on light poles, with associated conditions. The Approved poletop identification number within the Prospect Park Scenic Landmark is: 18100.

With regard to this proposal, the Commission finds that the small size, neutral finish, simple design, and mounting height of the shroud and transmitter box will help them to be discreet installations at the upper portions of the light pole; that the installations will not call attention to themselves and will not detract from the streetscape; that the handhole will be small in size, simple in design, and finished to match the adjacent hexagonal pavers; and that any hexagonal pavers to be excavated will be replaced with new pavers to match the existing concrete paving in terms of dimensions, materials, and details. Based on these findings, the proposed work is determined to be appropriate to this historic district. Therefore, the work is approved.

Please provide one or more 8 by 10 inch archival-quality color photographs of the completed work to the Public Design Commission of the City of New York, for its records.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. ADDRESS Streetlight Poles		BOROUGH: Bronx	BLOCK/LOT: 0 / 0
NYC Streetlight Poles Historic Street Lampposts, Individual Landmark Grand Concourse Historic District			

To the Mayor, the Council, and the Director of Mobile Telecom Franchises & Special Projects,

This report is issued pursuant to Sections 3020 and 854 (h) of the New York City Charter and Section 25- 318 of the Administrative Code of the City of New York, which require a report from the Landmarks Preservation Commission for certain plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has reviewed a proposal for installing telecommunications poletop antennas and associated transmitter boxes mounted on existing light poles, the design and attachment of which are in accordance with the guidelines established by the Public Design Commission. The work will occur at light poles located within the Grand Concourse Historic District. The work consists of installing one (1) telecommunications poletop antenna and transmitter box at an existing light pole, as well as installing conduit mounted to the metal shaft of the light pole, all finished light gray to match the existing light pole; and excavating concrete paving where the concrete will be replaced to match the pre-existing tint and scoring, as described and shown in existing conditions photographs, locator map, poletop manager print out, manhole cover diagram, and a letter, dated December 29, 2022, prepared by Judith Garcia of NYC OTI, and submitted as components of the application.

In reviewing this proposal, the Commission notes that multiple telecommunications poletop antenna and transmitter box are proposed to be mounted on light poles throughout New York City's historic districts; that the Department of Information Technology and Telecommunications applications for such work have been divided into multiple phases, of which the current proposal consists of one (1) of such installations.

The Commission also notes that the current application excludes any proposal for work with the African Burial Ground and The Commons Historic District, which must be reviewed and approved separately by the Landmarks Preservation Commission's Director of Archaeology. The Commission further notes that the Art Commission issued Certificate of Final Approval 22232 on September 14, 2005, approving the design of telecommunications poletop antennas and transmitter boxes, with associated conditions; and that the Public Design Commission issued Certificate 27570 on August 10, 2020, approving the design of shrouds for 4G and 5G mobile telecommunications equipment on light poles, with associated conditions. The Approved poletop identification number within the Grand Concourse Historic District is: 27526.

With regard to this proposal, the Commission finds that the small size, neutral finish, simple design, and mounting height of the proposed poletop antenna and transmitter box will help them to be discreet installations at the upper portions of the light poles; that the installations will not call attention to themselves and will not detract from the streetscape; that the conduit run will be the thinnest possible diameter and will be finished to blend with the light pole shaft, so as not to call undue attention to itself; and that any concrete paving to be excavated will be replaced with new concrete paving to match the tint and scoring of the adjacent concrete paving. Based on these findings, the proposed work is determined to be appropriate to this historic district. Therefore, the work is approved.

Please provide one or more 8 by 10 inch black and white photographs of the completed work to the Public Design Commission of the City of New York, for its records.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

All approved drawings are marked approved by the Commission with a perforated seal indicating the date of approval. The work is limited to

what is contained in the perforated documents. Other work or amendments to this filing must be reviewed and approved separately. This report constitutes the permit; a copy must be prominently displayed at the site while work is in progress. Please direct inquiries to Abbie Hurlbut.

ADDRESS 139 BEEKMAN STREET Apt/FI: 1,2,4,4 Mez & Roof		BOROUGH: MANHATTAN	BLOCK/LOT: 96 / 1
South Street Seaport Historic District			

To the Mayor, the Council, and the NYC Economic Development Corp,
This report is issued pursuant to Sections 3020 and 854 (h) of the New York City Charter and Section 25- 318 of the Administrative Code of the City of New York, which require a report from the Landmarks Preservation Commission for certain plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has reviewed a proposal for exterior work at the roof, including installing HVAC units; and interior alterations at the first, fourth and mezzanine floors, as shown on drawings S-001, S-104, S-105, S-106, S-200, S-300, and S-301, dated December 20, 2022, and prepared by Craig Michael Schwitter, P.E., and drawings FA-001, FA-002, FA-003, FA-101, FA-102, M-001, EN-002, M-101 through M-105, M-201, M-202, M-301 through M-304, M-401, M-402, M-403, P-001, EN-001, P- 101, P-102, P-201, P-202, P-301, P-302, P-401, P-402, SP-001, SP-002, SP-098 through SP-102, SP-201, SP-301, and SP-302, dated December 20, 2022, and prepared by Alex B. Schwartz, P.E., all submitted as components of the application.

In reviewing this proposal, the Commission notes that 11 Fulton Street is a contemporary market building designed by Benjamin Thompson and Associates and built in 1983.

With regard to this proposal, the Commission finds that the work is in accordance with the provisions set forth in Title 63 of the Rules of the City of New York, Section 2-21 for Installation of Heating, Ventilation, Air Conditioning and other Mechanical Equipment, including Section 2-21(g)(2) for installation of HVAC and other mechanical equipment on rooftops and terraces. Based on these findings, the Commission determined that the work is appropriate to the building and to the South Street Seaport Historic District. The work, therefore, is approved.

Please see Title 63 of the Rules of the City of New York for complete text of any cited Rule section(s): <http://www1.nyc.gov/site/lpc/applications/rules-guides.page>.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

All approved drawings are marked approved by the Commission with a perforated seal indicating the date of approval. The work is limited to what is contained in the perforated documents. ADDRESS Streetlight Poles		BOROUGH: Brooklyn	BLOCK/LOT: /
NYC Streetlight Poles Historic Street Lampposts, Individual Landmark Prospect Park, Scenic Landmark			

To the Mayor, the Council, and the Director of Mobile Telecom Franchises & Special Projects,

This report is issued pursuant to Sections 3020 and 854 (h) of the New York City Charter and Section 25- 318 of the Administrative Code of the City of New York, which require a report from the Landmarks Preservation Commission for certain plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has reviewed a proposal for installing telecommunications poletop antennas and associated transmitter boxes mounted on existing light poles, the design and attachment of which are in accordance with the guidelines established by the Public Design Commission. The work will occur at a light pole located within the Prospect Park Scenic Landmark. The work consists of installing one (1) telecommunications poletop antenna and transmitter box at an existing light pole, as well as installing conduit mounted to the metal shaft of the light pole, all finished silver to match the existing light pole; installing a grey-finished handhole at the sidewalk, adjacent to the pole; and excavating and resetting sections of the existing Belgian block paving, as described and shown in existing conditions photographs, locator map, poletop manager print out, manhole cover diagram, and a letter, dated January 19, 2023, prepared by Judith Garcia of NYC OTI, and submitted as components of the application.

In reviewing this proposal, the Commission notes that multiple telecommunications poletop antenna and transmitter box are proposed to be mounted on light poles throughout New York City's historic districts; that the Office of Technology and Innovation applications for such work have been divided into multiple phases, of which the current proposal consists of one (1) of such installations. The Commission also notes that the current application excludes any proposal for work with the African Burial Ground and The Commons Historic District, which must be reviewed and approved separately by the Landmarks Preservation Commission's Director of Archaeology. The Commission further notes that the Art Commission issued Certificate of Final Approval 22232 on September 14, 2005, approving the design of telecommunications poletop antennas and transmitter boxes, with associated conditions. The Approved poletop identification number within the Prospect Park Scenic Landmark is: 27178.

With regard to this proposal, the Commission finds that the small size, neutral finish, simple design, and mounting height of the proposed poletop antennas and transmitter boxes will help them to be discreet installations at the upper portions of the light poles; that the installations will not call attention to themselves and will not detract from the streetscape; that the conduit run will be the thinnest possible diameter and will be finished to blend with the light pole shaft, so as not to call undue attention to itself; that the handhole will be small in size, simple in design, and finished to match the adjacent Belgian block pavers; and that the removed Belgian blocks will be re-used to repave the excavated areas in the street, and will be laid out in a similar pattern as the existing paving. Based on these findings, the proposed work is determined to be appropriate to this scenic landmark. Therefore, the work is approved.

Please provide one or more 8 by 10 inch black and white photographs of the completed work to the Public Design Commission of the City of New York, for its records.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

All approved drawings are marked approved by the Commission with a perforated seal indicating the date of approval. The work is limited to what is contained in the perforated documents. Other work or amendments to this filing must be reviewed and approved separately. This report constitutes the permit; a copy must be prominently displayed at the site while work is in progress. Please direct inquiries to Winnie Chau.

ADDRESS Streetlight Poles		BOROUGH: Manhattan	BLOCK/LOT: /
NYC Streetlight Poles Historic Street Lampposts, Individual Landmark Upper East Side Historic District			

To the Mayor, the Council, and the Director of Mobile Telecom Franchises & Special Projects,

This report is issued pursuant to Sections 3020 and 854 (h) of the New York City Charter and Section 25- 318 of the Administrative Code of the City of New York, which require a report from the Landmarks

Preservation Commission for certain plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has reviewed a proposal for installing telecommunications poletop antennas and associated transmitter boxes mounted on existing light poles, the design and attachment of which are in accordance with the guidelines established by the Public Design Commission. The work will occur at a light pole located within the Upper East Side Historic District. The work consists of installing one (1) telecommunications poletop antenna and transmitter box at an existing light pole, as well as installing conduit mounted to the metal shaft of the light pole, all finished silver to match the existing light pole; and excavating concrete pavers where the concrete will be replaced to match the pre-existing tint and scoring, as described and shown in existing conditions photographs, locator map, poletop manager print out, manhole cover diagram, and a letter, dated January 20, 2023, prepared by Judith Garcia of NYC OTI, and submitted as components of the application.

In reviewing this proposal, the Commission notes that multiple telecommunications poletop antenna and transmitter box are proposed to be mounted on light poles throughout New York City's historic districts; that the Office of Technology and Innovation applications for such work have been divided into multiple phases, of which the current proposal consists of one (1) of such installations. The Commission also notes that the current application excludes any proposal for work with the African Burial Ground and The Commons Historic District, which must be reviewed and approved separately by the Landmarks Preservation Commission's Director of Archaeology. The Commission further notes that the Art Commission issued Certificate of Final Approval 22232 on September 14, 2005, approving the design of telecommunications poletop antennas and transmitter boxes, with associated conditions. The Approved poletop identification number within the Upper East Side Historic District is: 21669.

With regard to this proposal, the Commission finds that the small size, neutral finish, simple design, and mounting height of the proposed poletop antennas and transmitter boxes will help them to be discreet installations at the upper portions of the light poles; that the installations will not call attention to themselves and will not detract from the streetscape; that the conduit run will be the thinnest possible diameter and will be finished to blend with the light pole shaft, so as not to call undue attention to itself; and that any concrete sidewalks to be excavated will be replaced with new concrete to match the tint and scoring of the adjacent concrete paving. Based on these findings, the proposed work is determined to be appropriate to this historic district. Therefore, the work is approved.

Please provide one or more 8 by 10 inch black and white photographs of the completed work to the Public Design Commission of the City of New York, for its records.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

All approved drawings are marked approved by the Commission with a perforated seal indicating the date of approval. The work is limited to what is contained in the perforated documents. Other work or amendments to this filing must be reviewed and approved separately. This report constitutes the permit; a copy must be prominently displayed at the site while work is in progress. Please direct inquiries to Winnie Chau.

OFFICE OF THE MAYOR

■ NOTICE

EMERGENCY EXECUTIVE ORDER NO. 219
October 2, 2022
INFANT FORMULA SHORTAGE

WHEREAS, in February 2022, concerns about contamination at the Sturgis, Michigan facility of Abbott Nutrition, the largest manufacturer of infant formula in the United States, led to a voluntary recall of

several lines of powdered formula and the temporary closure of the Sturgis facility; and

WHEREAS, the closure of the Sturgis facility, along with supply chain problems caused by the COVID-19 pandemic and other issues affecting the national economy, have led to shortages in infant formula, including in New York City, where, according to the Centers for Disease Control and Prevention, the majority of parents and caregivers rely on some amount of formula to feed their babies, and the inability of parents and caregiver to obtain infant formula remains an imminent threat to the health and safety of infants in New York City; and

WHEREAS, the state of emergency to address the infant formula shortage in the City of New York first declared in Emergency Executive Order No. 98, dated May 21, 2022, and extended most recently by Emergency Executive Order No. 204, dated September 17, 2022, remains in effect;

NOW, THEREFORE, pursuant to the powers vested in me by the laws of the State of New York and the City of New York, including but not limited to the New York Executive Law, the New York City Charter and the Administrative Code of the City of New York, and the common law authority to protect the public in the event of an emergency, it is hereby ordered:

Section 1. I hereby order that section 1 of Emergency Executive Order No. 214, dated September 27, 2022, is extended for five (5) days.

§ 2. This Emergency Executive Order shall take effect immediately and shall remain in effect for five (5) days unless it is terminated or modified at an earlier date.

EMERGENCY EXECUTIVE ORDER NO. 220

October 2, 2022

WHEREAS, the COVID-19 pandemic has severely impacted New York City and its economy, and is addressed effectively only by joint action of the City, State, and Federal governments; and

WHEREAS, the state of emergency to address the threat and impacts of COVID-19 in the City of New York first declared in Emergency Executive Order No. 98, dated March 12, 2020, and extended most recently by Emergency Executive Order No. 210, dated September 22, 2022, remains in effect; and

WHEREAS, this Order is given because of the propensity of the virus to spread person-to-person, and also because the actions taken to prevent such spread have led to property loss and damage;

NOW, THEREFORE, pursuant to the powers vested in me by the laws of the State of New York and the City of New York, including but not limited to the New York Executive Law, the New York City Charter and the Administrative Code of the City of New York, and the common law authority to protect the public in the event of an emergency:

Section 1. I hereby order that section 1 of Emergency Executive Order No. 215, dated September 27, 2022, is extended for five (5) days.

§ 2. I hereby direct the Fire and Police Departments, the Department of Buildings, the Sheriff, and other agencies as needed, to enforce the directives set forth in this Order in accordance with their lawful authorities, including Administrative Code sections 15-227(a), 28-105.10.1, and 28-201.1, and section 107.6 of the Fire Code. Violations of the directives set forth in this Order may be issued as if they were violations under Health Code sections 3.07 and 3.11, and enforced by the Department of Health and Mental Hygiene or any other agency.

§ 3. This Emergency Executive Order shall take effect immediately and shall remain in effect for five (5) days unless it is terminated or modified at an earlier date.

EMERGENCY EXECUTIVE ORDER NO. 221

October 2, 2022

WHEREAS, on September 2, 2021, the federal monitor in the *Nunez* use-of-force class action stated steps must be taken immediately to address the conditions in the New York City jails; and

WHEREAS, on June 14, 2022, the federal court in *Nunez* approved the *Nunez* Action Plan, which “represents a way to move forward with concrete measures now to address the ongoing crisis at Rikers Island”; and

WHEREAS, while there has been improvement in excessive staff absenteeism, the Department of Correction’s (DOC’s) staffing levels

continue to contribute to a rise in unrest and disorder and create a serious risk to the necessary maintenance and delivery of sanitary conditions; access to basic services including showers, meals, visitation, religious services, commissary, and recreation; and prompt processing at intake; and

WHEREAS, this Order is given to prioritize compliance with the *Nunez* Action Plan and to address the effects of DOC’s staffing levels, the conditions at DOC facilities, and health operations; and

WHEREAS, additional reasons for requiring the measures continued in this Order are set forth in Emergency Executive Order No. 140; and

WHEREAS, the state of emergency existing within DOC facilities, first declared in Emergency Executive Order No. 241, dated September 15, 2021, and extended most recently by Emergency Executive Order No. 211, dated September 22, 2022, remains in effect;

NOW, THEREFORE, pursuant to the powers vested in me by the laws of the State of New York and the City of New York, including but not limited to the New York Executive Law, the New York City Charter and the Administrative Code of the City of New York, and the common law authority to protect the public in the event of an emergency:

Section 1. I hereby direct that section 1 of Emergency Executive Order No. 216, dated September 27, 2022, is extended for five (5) days.

§ 2. This Emergency Executive Order shall take effect immediately and shall remain in effect for five (5) days unless it is terminated or modified at an earlier date.

EMERGENCY EXECUTIVE ORDER NO. 222

October 2, 2022

WHEREAS, the public safety was imperiled by a flash flood emergency caused by the remnants of Hurricane Ida that flooded roads, impacted mass transit, stranded motorists, and caused widespread damage to residential and commercial buildings throughout the City, causing unsafe conditions in those buildings and imperiling health and safety; and

WHEREAS, the state of emergency to address the remnants of Hurricane Ida, first declared in Emergency Executive Order No. 230, dated September 1, 2021, and last extended by Emergency Executive Order No. 212, dated September 22, 2022, remains in effect;

NOW THEREFORE, by the power vested in me as Mayor of the City of New York pursuant to law, including Executive Law § 24:

Section 1. I hereby direct that section 1 of Emergency Executive Order No. 217, dated September 27, 2022, is extended for five (5) days.

§ 2. This Emergency Executive Order shall take effect immediately and shall remain in effect for five (5) days unless it is terminated or modified at an earlier date.

EMERGENCY EXECUTIVE ORDER NO. 223

October 2, 2022

WHEREAS, there is currently an outbreak of the monkeypox virus that poses a significant risk to public health and that continues to expand and evolve worldwide, including within the United States and the State of New York; and

WHEREAS, on July 23, 2022, the World Health Organization declared the monkeypox outbreak a Public Health Emergency of International Concern; and

WHEREAS, the City and all of its agencies are prepared to continue to respond to monkeypox and are committed to protecting the health and well-being of all New Yorkers, which is imperiled by the person-to-person spread of monkeypox; and

WHEREAS, additional reasons for requiring the measures continued in this Order are set forth in Emergency Executive Order No. 158, dated August 1, 2022; and

WHEREAS, the state of emergency relating to monkeypox, declared in Emergency Executive Order No. 158, dated August 1, 2022, and last extended by Emergency Executive Order No. 218, dated September 27, 2022, remains in effect;

NOW, THEREFORE, pursuant to the powers vested in me by the laws of the State of New York and the City of New York, including but not limited to the New York Executive Law, the New York City Charter and the Administrative Code of the City of New York, and the common

law authority to protect the public in the event of an emergency:

Section 1. I hereby order that section 2 of Emergency Executive Order No. 218, dated September 27, 2022, is extended for five (5) days.

§ 2. This Emergency Executive Order shall take effect immediately and shall remain in effect for five (5) days unless it is terminated or modified at an earlier date.

EMERGENCY EXECUTIVE ORDER NO. 224
October 7, 2022

WHEREAS, over the past several months, thousands of asylum seekers have been arriving in New York City, from the Southern border, without having any immediate plans for shelter; and

WHEREAS, as of October 5, 2022, the asylum seekers who have entered the City's shelter system operated by the Department of Homeless Services (DHS Shelter System") include approximately 17,429 individuals, comprised of 2,896 families with children; 6,014 adults; and 734 adult families; and

WHEREAS, to date, the City has opened 42 DHS shelters in response to this influx of asylum seekers;

WHEREAS, the state of Texas, and the city of El Paso, have pledged to continue sending asylum seekers on buses to New York City, and

WHEREAS, Texas has not provided notice to New York City, and has indicated that it will continue not providing notice to New York City, regarding how many busloads of people will be arriving, or the dates and times of their arrival; and

WHEREAS, many of the buses arrive at the Port Authority Bus Terminal unannounced and unscheduled, in the early morning or late night hours; and

WHEREAS, many of the asylum seekers are coping with the effects of trauma and exhaustion, as well as other physical and mental health concerns; and

WHEREAS, the stress on the asylum seekers has been compounded by the additional days of travel to New York City, during which time it has been reported that many have been afforded limited food and water, and limited opportunities to leave the bus; and

WHEREAS, the DHS Shelter System is nearing its highest ever recorded population of over 61,000 individuals and is not designed to serve the influx of asylum seekers arriving to New York City from the Southern border;

WHEREAS, the City now faces an unprecedented humanitarian crisis that requires it to take extraordinary measures to meet the immediate needs of the asylum seekers while continuing to serve the tens of thousands of people who are currently using the DHS Shelter System; and

WHEREAS, the City has requested financial and other assistance from the federal and state governments; and

WHEREAS, the Governor has agreed to deploy National Guard troops to the City to assist in responding to this humanitarian crisis; and

WHEREAS, if asylum seekers continue to enter the City at the current rate, the total population within the DHS Shelter System will exceed 100,000 individuals next year;

NOW, THEREFORE, pursuant to the powers vested in me by the laws of the State of New York and the City of New York, including but not limited to the New York Executive Law, the New York City Charter and the Administrative Code of the City of New York, and the common law authority to protect the public in the event of an emergency:

Section 1. State of Emergency . A state of emergency is hereby declared to exist within the City of New York based on the arrival of thousands of individuals and families seeking asylum.

§2. Humanitarian Emergency Response and Relief Centers.

a. I hereby direct New York City Emergency Management (NYCEM) to coordinate with the New York City Health and Hospitals Corporation (H+H), the Department of Information Technology and Telecommunications, also known as the Office of Technology and Innovation (OTI), the Department of Design and Construction (DDC), the Mayor's Office of Immigrant Affairs, and other agencies as appropriate, to establish and operate temporary humanitarian relief centers to be known as "Humanitarian Emergency Response and Relief Centers" ("HERRCs") that will provide assistance for arriving asylum seekers, helping them by immediately offering respite, food, medical care, case work services, and assistance in accessing a range of

settlement options, including through connections to family and friends inside and outside of New York City, in addition to, if needed, direct referrals to alternative emergency supports.

b. I hereby authorize the Deputy Mayor of Health and Human Services to enter into a memorandum of understanding with H+H concerning the establishment and operation of the HERRCs, which shall, among other things, provide for the establishment of policies and procedures for the operation of the HERRCs, provide for the confidentiality of information collected from the persons served in the HERRCs, and provide restrictions on disclosure of information about an individual's immigration status consistent with the policies set forth in Executive Order 34 (dated May 13, 2003) and Executive Order 41 (dated September 17, 2003).

§ 3. Cooperation of all agencies .

I hereby direct all agency heads, including but not limited to the Mayor's Office of Immigrant Affairs, the New York City Emergency Management, the Department of Health and Mental Hygiene, the Mayor's Community Affairs Unit, the Fire Department, the Police Department, the Sheriff's Office, the Chief Privacy Officer, and the Departments of Buildings, Housing Preservation and Development, Sanitation, Social Services, Homeless Services, Environmental Protection, and Parks and Recreation, to take all appropriate and necessary steps to preserve health and public safety during this humanitarian crisis.

§ 4. Suspension of laws and rules .

a. I hereby direct that the following laws and rules related to the Uniform Land Use Review Procedure, and other procedures applicable to the City planning and land use review processes, to the extent they would apply to the siting, construction and operations of the HERRCs, impose limitations on the amount of time permitted for the holding of public hearings, the certification of applications, the submission of recommendations, any required or necessary voting, the taking of final actions, and the issuance of determinations, are suspended, and that any such time limitations are tolled for the duration of the State of Emergency: sections 195, 197-d, 203 , and 3020 and subdivisions (b) through (h) of section 197-c of the Charter, sections 25-303, 25-306, 25-308, 25-309, 25-310 and 25-313 of the Administrative Code, and sections 1-05.5 and 1-07.5 of Title 2 and sections 2-02 through 2-07 of Title 62 of the Rules of the City of New York.

b. I hereby direct that section 14-140 of the Administrative Code and section 12-10 of Title 38 of the Rules of the City of New York are suspended, to the extent they impact the disposition of personal property at the HERRCs.

§ 5. Effective date. The State of Emergency declared in section 1 of this Order shall remain in effect for 30 days and may be extended. The remaining provisions of this Order shall take effect immediately and shall remain in effect for five (5) days unless they are terminated or modified at an earlier date.

MAYOR'S OFFICE OF CONTRACT SERVICES

■ NOTICE

Notice of Intent to Issue New Solicitations Not Included in FY 2023 Annual Contracting Plan and Schedule

NOTICE IS HEREBY GIVEN that the Mayor will be issuing the following solicitations not included in the FY 2023 Annual Contracting Plan and Schedule that is published, pursuant to New York City Charter § 312(a):

Agency: NYC Department of Human Resources Administration (HRA)
Description of Services to be Provided: Democracy at Work (DW) Implementation, Support Service and Material Development
Democracy at Work is a non-profit organization that produces anti-capitalist, progressive media. DW staff analyzes capitalist economy critically as a systemic problem and advocates for democratizing workplaces as part of a systemic solution. They seek a stronger, fuller democracy in politics, culture and workplaces based on equal collaboration and shared leadership by workers inside enterprises and throughout society. The Public Engagement Unit (PEU) uses the Democracy at Work campaign style outreach tactics like phone banking and canvassing to provide New Yorkers with individualized support to help them navigate bureaucratic obstacles and get the help they need. PEU incorporate peer-to-peer texting to exponentially scale outreach without jeopardizing the quality of the support provided by Democracy at Work. Not only does Democracy at Work help conduct message testing ahead of large texting pushes to improve message effectiveness by 50-100%, but they also have access to large numbers of commercial data sets that PEU does not have access to. Their volunteers and staff are able to text large numbers of New Yorkers that PEU would not have the ability or bandwidth to. This will prove particularly useful to achieve Mayor's public goal of reaching 3 million New Yorkers over text.

Anticipated Contract Start Date: 4/15/23
Anticipated Contract End Date: 4/14/26

Anticipated Procurement Method: MWBE Noncompetitive Small Purchase Method
Job Titles: None
