HOUSING PRESERVATION AND DEVELOPMENT

■ PUBLIC HEARINGS

PLEASE TAKE NOTICE that a Special Real Property Public Hearing will be held, on March 29, 2023, at 10:00 A.M. The Public Hearing will be held, at the Woodstock Library, 761 East 160th Street, at which time and place those wishing to be heard will be given an opportunity to be heard concerning the proposed deed amendment described below.

Pursuant to Section 1802(6)(j) of the Charter, the Department of Housing Preservation and Development ("HPD") has proposed amendments, to the terms and conditions of the sale of certain real property previously conveyed by the City of New York ("City"), located in the Borough of Bronx and known as:

<u>BLOCK</u>	<u>LOT</u>
2287	p/o Lot 26 (f/k/a Lot 71)

on the Tax Map of the City ("Premises") and, now known as the Betances V project in HPD's Senior Affordable Rental Apartments Program.

The City of New York (the "City") conveyed the Premises to do south Bronx Housing Development Fund Company, Inc. ("South Bronx HDFC") by Indenture dated March 22, 1971 (the "1971 Indenture"), subject, to the terms, covenants and conditions of an agreement between the City and South Bronx HDFC dated November 13, 1970 (the "Disposition Agreement"). South Bronx HDFC conveyed a remainder estate in the Premises, to the City by Indenture dated July 8, 1975 (the "1975 Indenture"). Subsequently, the City took title, to the Premises, pursuant to an in rem tax foreclosure deed dated August 8, 1978. By deed dated June 27, 2019, the City conveyed the Premises, to the New York City Housing Authority ("NYCHA"), and NYCHA immediately leased the Premises and the adjacent property then-known as Block 2287, Lot 26 ("Lot 26") and together with the Premises, the "Project Lots") to BG Betances Housing Development Fund Corporation ("Developer") and BG Betances L.P. ("Betances LP" and together with the Developer, the "Sponsor"), pursuant to that certain Ground Lease Agreement dated as of June 27, 2019 for a period of ninety-nine (99) years. Sponsor is developing one 152-unit affordable, supportive, senior housing building on the Project Lots (the "Project").

This submission is to request approval to:

1. Modify the 1971 Indenture to remove the restriction that subjects the Premises to "[a]ll the terms, covenants and conditions of" the Disposition Agreement, as it was not recorded and after diligent search, cannot be found in the City's records and thus the City cannot verify compliance therewith; and
2. Modify the 1975 Indenture to remove the restriction that the Premises are to be kept "free and clear of any and all liens or encumbrances" other than the mortgage made by the South Bronx HDFC to Bankers Trust Company securing a loan made March 23, 1971 in the sum of \$2,767,900 and any covenants, easements and restrictions as of the date thereof so that current and future financing can be maintained or made for the Premises, including an HPD mortgage, and so a certain Regulatory Agreement among Sponsor, the New York

City Housing Development Corporation, and HPD and any future regulatory agreements can be recorded against the Premises.

A public file containing copies of the calendar document and other public documents will be made available to Bronx Community Board 1 for public review, at the office of Community Board 1 no later than twenty (20) days prior, to the public hearing.

The hearing location is accessible to individuals using wheelchairs or other mobility devices. STATEMENT OF BASIS AND PURPOSE OF RULES

The TLC is proposing rules that reflect changes to state and local law. Local Law 12 of 2020 made changes to the sections of the New York City Administrative Code that governed the TLC’s Critical Driver and Persistent Violator Programs. The Critical Driver Program was a TLC program that imposed additional penalties on drivers who accumulated a certain number of points issued by the New York State Department of Motor Vehicles or equivalent licensing agency. The Persistent Violator Program is a TLC program that imposes additional penalties on drivers who accumulate a certain number of points issued by TLC for violations of TLC rules. Local Law 12 eliminated the Critical Driver Program and amended the Persistent Violator Program to ensure that a TLC licensed driver will not be penalized under the program more than once for the same violation or violations. This rule proposal consolidates the two programs, which serve the same purpose, under the heading of the Persistent Violator Program.

Additionally, chapter 59 of the Laws of 2019, chapter 59 of the Laws of 2021 and chapter 408 of the Laws of 2019 amended the insurance requirements for vehicles transporting passengers for hire as set forth in §370 of the State Vehicle and Traffic Law (“VTL”). Chapter 59 of the Laws of 2019 amended VTL §370 by requiring a combined single limit of at least \$1.5 million for motor vehicles with a seating capacity of eight or more that transport passengers for hire. Chapter 59 of the Laws of 2021 also amended VTL §370 by requiring a combined single limit of at least \$500,000 for commuter vans with a seating capacity of eight or more that transport passengers for hire. Chapter 408 of the Laws of 2019 amended that same section to clarify that the minimum liability coverage requirement of \$10,000 per accident for injury to or destruction of property is included within the \$1.5 million combined single limit and is not an additional coverage requirement. Accordingly, these proposed rules reflect those changes by updating the relevant insurance requirements in TLC’s rules.

The TLC is also proposing changes to rules that require licensees to respond to demands for information from the TLC (known as “directives”). The amendment, which applies across all sectors of for-hire transportation, will decrease the time in which licensees must respond to directives from the TLC from 10 to three business days. This change will enable the TLC Prosecution Unit’s investigative process to operate more effectively.

These proposed rules would also clarify that a TLC-licensed driver must not operate a Paratransit Vehicle, Commuter Van, Taxicab, For-Hire Vehicle or a Street Hail Livery if the driver’s state-issued Chauffeur’s License has been suspended or revoked, or if the driver’s New York State driving privileges are suspended or revoked. The proposed rules would reduce the penalties for the above violations related to driving a Paratransit Vehicle and would add a new penalty for the above violations for driving a Commuter Van.

The proposed rules would require Medallion Owners or their Agents to pay sublessee Drivers, including when Medallion Owners or Agents delegated that responsibility to other parties and those parties failed to pay the driver.

The proposed rules would align payment requirements for the Street Hail Livery Improvement Fund with the equivalent structure that governs the Taxi Improvement Fund.

Finally, the proposed rules would clarify that a For-Hire Vehicle License terminates immediately upon being revoked or surrendered, or if the vehicle's state license plates are voluntarily surrendered.

TLC's authority for these rules is found in section 2303 of the New York City Charter and section 19-503 of the New York City Administrative Code.
