The following agenda items will be heard:

1. 7120 New Utrecht Avenue Rezoning (230001 ZMK, 230002 ZRK)

Applications by 7120 New Utrecht LLC, pursuant to Sections 197-c and 201 of the New York City Charter, for land use actions affecting all or p/o five lots on block 6180 in the Bensonhurst neighborhood of Brooklyn Community District 11 (CD 11). The project area fronts the entire west side of New Utrecht Avenue (which serves as a conduit for the D-train elevated), between 71st and 72nd Streets. The Development Site consists of two applicant-owned lots with a total area of 18,518 sf.

The applicant seeks approval for the following:

Pursuant to Section 3-04(b)(2)(i)(A) of the NYC Procurement Policy Board Rules, FDNY has a time sensitive and compelling need to retain a vendor who can provide focus group services as the Court ordered that a Monitor oversee the Department's recruitment and hiring of Firefighters. As part of determining the necessary components of the next recruitment campaign, the Monitor has set forth numerous expectations for what must be included. Two of those expectations are that the Department will hire a firm to (1) engage in an advertising and social media effort to garner interest in the Firefighter title, similar to the tactics used during the FDNY's recruitment campaign for Exam 7001; and (2) conduct focus groups with candidates to assist in determining which advertising and social media tactics will work best for our targeted, age-eligible cohort. All focus group work must be completed well in advance of the campaign start date so information that is gathered can be incorporated into advertising. Therefore, competitive procurement processes do not allow for enough time to make a contract award and still meet this timeline.

TRANSITIONAL HOUSING - Competitive Sealed Proposals/ Pre-Qualified List - PIN# 00221P0019004 - AMT: \$8,268,000.00 - TO: Samaritan Daytop Village Inc, 138-02 Queens Boulevard, Briarwood, NY 11435.

The provision of transitional housing, is one component of the Mayor's commitment to continue to safely reduce the jail population, while providing services and supports that allow for community stability. Recent analysis of data from the updated Criminal Justice Agency's (CJA) Pretrial Release Assessment Tool, shows that 5.2% of all people arrested in NYC are street homeless, and are often not recommended for release pre-trial. The provision of supportive transitional housing for justice involved individuals, however, has the potential to as much as triple the number of street homeless individuals recommended for release on their own recognizance (ROR), at arraignment, given that not having an address and length of stay at current address are predictive factors in the updated CJA Release Assessment Tool used to provide the NYC Criminal Courts with information about the likelihood of an individual's court appearance. Transitional housing fills a much-needed gap in the transition from housing instability to permanent housing.

Special Case Determination is not applicable as per PPB Rule 3-10(a) - procurement is being issued through PASSPort, serving as a legacy to the HHS Accelerator system.

ALTERNATIVE TO DETENTION - BROOKLYN - Negotiated Acquisition - Other - PIN# 00221N0047001 - AMT: \$1,533,994.00 - TO: Center for Community Alternatives Inc., 115 East Jefferson Street, Suite 300, Syracuse, NY 13202.

The Family Court Alternative to Detention Services program, provide pre-dispositional supervision and services to court-involved youth as an alternative to detention (ATD). These ATD programs are designed primarily to prevent or reduce instances of flight resulting in Failure-to-Appear (FTA) warrant and re-arrest through the provision of supervision and supportive services. This contract will prevent or reduce instances of flight resulting in Failure-to-Appear (FTA) warrant and re-arrest through the provision of supervision and supportive services. Each program consists of two components: Tier I: Community Monitoring and Tier II: After School Supervision. Community monitoring consist of monitoring school attendance and curfews and making home visits. After School Supervision would consist of after-school programming, with the capacity for summer programming, that includes academic tutoring, appropriate services or referrals to services, and recreational opportunities. For both programs the provider track, report, and respond to participants' compliance or non-compliance.

MOCJ, must extend this contract for two years in order to ensure there is a continuation of services for this program. MOCJ will be transferring the contract to ACS, for ACS to oversee the program going forward. A two year contract is necessary to allow ACS to develop a solicitation and competitively solicit the ATD services.
