06923Y0176- GUNTHER REPAIR SERVICES FOR EXTENDED HOURS - Request for Information - PIN#06923Y0176 - Due 3-29-23 at 3:00 P.M.

Office of Information Technology Services (ITS) of the Department of Social Services (DSS) is requesting a Sole Source procurement with Bell and Howell, LLC for Gunther Repair Services for Extended Hours. Contract term is 8/1/2023 - 7/31/2024. Contract amount is \$75,900.00.

ITS is requesting repair service for three Gunther production mail inserters during extended hours of afterhours/weekends. These inserters serve to process client letters and checks for daily delivery, to the USPS and are currently being maintained by Bell & Howell LLC. Bell & Howell LLC holds the current maintenance contract for Gunther Services during regular hours and will be providing the afterhours and weekend repair service, which is not covered in the current contract.

The night and weekend calls, to the vendor are eliminated through the use of regularly scheduled equipment tuning. The mail operation is under significant failure if the equipment has not been maintained properly. Benefit renewal and other notices were not going out on time; thus, impacting clients' benefits. It became mandatory to employ night and weekend equipment services to bring the operation back to functional again and have services restored. In addition, this vendor is performing full preventive maintenance on all inserters, and the onsite tech is replaced with a more knowledgeable tech.

Bell and Howell, LLC is the developer of the Gunther Champion Software Platform and is the sole company capable of performing system configuration and deployment as well as ongoing support and maintenance. There are no third parties approved by Bell and Howell to perform maintenance services, or equipment or software upgrades on Gunther manufactured equipment within the State of New York. Accordingly, Bell and Howell is the only manufacturer of equipment that is designed and purpose built for use with this software (Gunther Champion Software).

If you have any questions, please email ACCOContractPlanning@dss. nyc.gov with the subject line "06923Y0176 - Gunther Repair Services for Extended Hours". Please indicate your interest by responding, to the RFI EPIN: 06923Y0176 in PASSPort no later than 3/29/2023, 3:00 P.M.
