NOTICE OF INTENT - #473040 SPECIAL INSPECTIONS SERVICES FOR COMPREHENSIVE MODERNIZATION DEPARTMENT PROJECTS - Other - PIN# 473040 - Due 8-25-23 at 2:00 P.M.

The New York City Housing Authority (“NYCHA”) Comprehensive Modernization Department (“Comp Mod Department”) intends to commence a procurement process for a master agreement for special inspection services (“SI Services”) at NYCHA Developments throughout New York City (each, a “Project”). NYCHA expects to release a request for proposal (“RFP”) in August 2023.

This Notice of Intent (“NOI”) is being issued solely for informational and planning purposes; it does not constitute a solicitation and is not part of any future procurement.

CONTACT: Not applicable; NYCHA is not seeking responses to this NOI.

NYCHA’s mission is to increase opportunities for low- and moderate-income New Yorkers by providing safe, affordable housing and facilitating access to social and community services. As North America’s largest public housing authority, NYCHA serves 339,900 authorized residents in 162,143 apartments within 277 housing developments through the conventional Section 9 public housing program. NYCHA also serves 29,789 authorized residents in 15,426 units within 58 developments that have been converted under the PACT/RAD programs. Through federal rent subsidies (Section 8 Leased Housing Program), NYCHA also assists approximately 201,938 authorized residents (92,595 families) in locating and renting units. The Comp Mod Department undertakes projects to rehabilitate and improve building performance at NYCHA campuses through an

integrated and comprehensive approach requiring a design-build or progressive design-build delivery method. Through holistic capital improvements instead of individual projects, the Comp Mod Department seeks the long-term benefits of preserving public housing for current and future residents by enhancing the quality of their lives with improved living conditions. The purpose of the upcoming RFP is to solicit proposals from SI Services firms to establish rates and other terms and conditions in exchange for inclusion in a pool of SI Services firms to receive subsequent task order requests for SI Services.

Proposals received will be evaluated in accordance with the terms of the RFP. NYCHA anticipates that individual task orders will be issued for each Project, following a competitive mini-solicitation process to provide construction management services. The specific scope of services will be based upon NYCHA’s need for a particular Project. The construction management firm chosen in response to a mini-solicitation will be required to perform and complete all assigned scope of services. Minority- and Women-Owned Business Enterprises (M/WBE) and Section 3 All NYCHA contracts require compliance with M/WBE participation goals, U.S. Department of Housing and Urban Development requirements including, without limitation, Section 3 of the Housing and Development Act of 1968 (12 U.S.C. 1701u), and New York City Mayor’s Office of Contract Services (MOCS) PASSPort registration requirements. To learn more, please visit: <https://www.nyc.gov/site/nycha/business/vendors.page>.

PRE-QUALIFIED LIST (PQL) PROGRAM FOR VARIOUS TRADES

NYCHA is currently accepting applications for Pre-Qualified List (PQL) program for various trades.

A PQL is a tool that NYCHA will use to qualify vendors and contract goods or services for its developments, streamlining the process for both vendors and NYCHA. NYCHA will publish contracting opportunities, and the PQL will predominantly be used to procure goods or services for those contracts. Vendors who apply to those bids must pre-qualify according to specific criteria, and vendors who are admitted to the PQL can bid on contracts.

Currently NYCHA has established four (4) PQL lists for the Closed-Circuit Television (CCTV), Carpentry, Painting and Lead Based Paint (Assessment and Abatement, Inspection and Assessment & Lab Analysis).

All vendors interested in NYCHA’s PQLs must follow two (2) important steps:

First, vendors must prepare and submit applications to the PQL: To pre-qualify, vendors must meet the minimum requirements listed on the Request for Qualification of the select PQL. Applications will be evaluated by NYCHA on a rolling basis.

Second, vendors who are admitted to the PQL can then bid on solicitations for services on the PQL: Vendors must bid on each contract award, as these are not guaranteed.

For more information regarding PQL’s and to obtain applications, please visit NYCHA’s website at: <https://www.nyc.gov/site/nycha/business/nycha-pql.page>.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.
