PRE-QUALIFIED LIST (PQL) PROGRAM FOR VARIOUS TRADES

NYCHA is currently accepting applications for Pre-Qualified List (PQL) program for various trades.

A PQL is a tool that NYCHA will use to qualify vendors and contract goods or services for its developments, streamlining the process for both vendors and NYCHA. NYCHA will publish contracting opportunities, and the PQL will predominantly be used to procure goods or services for those contracts. Vendors who apply to those bids must pre-qualify according to specific criteria, and vendors who are admitted to the PQL can bid on contracts.

Currently NYCHA has established four (4) PQL lists for the Closed-Circuit Television (CCTV), Carpentry, Painting and Lead Based Paint (Assessment and Abatement, Inspection and Assessment & Lab Analysis).

All vendors interested in NYCHA's PQLs must follow two (2) important steps:

First, vendors must prepare and submit applications to the PQL: To pre-qualify, vendors must meet the minimum requirements listed on the Request for Qualification of the select PQL. Applications will be evaluated by NYCHA on a rolling basis.

Second, vendors who are admitted to the PQL can then bid on solicitations for services on the PQL: Vendors must bid on each contract award, as these are not guaranteed.

For more information regarding PQLs and to obtain applications, please visit NYCHA's website at: <https://www.nyc.gov/site/nycha/business/nycha-pql.page>.

The Department of Housing Preservation and Develop is seeking to procure software development services for the Housing Connect 2.0 system to develop, maintain, customize, configure, test, and support new features and functionality in Housing Connect 2.0, while resolving bugs, upgrading infrastructure, and ensuring adherence to City security policies and standards from Prutech Solutions Inc., via a Negotiated Acquisition.

This is a public facing application helping New York City's citizens with affordable housing. All production support issues are a much bigger risk as HPD is not adequately staffed and will not have vendor support until a new contract is in place. It is essential that the Housing Connect system does not become impaired. Because if such an event occurred there would be significant wide ranging negative effects to both the system users and HPD.

Since Fiscal Year 2017, the Administration has funded the Immigrant Opportunity Initiative (IOI) program, through which networks of nonprofit legal providers and community-based organizations conduct outreach in immigrant communities across the City and provide legal assistance to low-income immigrant New Yorkers in matters ranging from citizenship and lawful permanent residency application to more complex immigration matters, including asylum applications and removal defense work. A critical element of the IOI program has been

its flexibility and responsiveness to emergent needs. OCJ's contracts with the IOI service provider consortia allow for rapid deployment of staff and resources to address emerging legal needs of the immigrant community. To ensure the continuity of critical immigrant legal services, OCJ requests authorization to procure a Negotiated Acquisition Extension to extend program services from July 1, 2023, to June 30, 2024 (FY24) for a total amount of \$13,815,715.11 - this amount includes the program base amount of \$11,052,572.09 and a 25% Allowance amount of \$2,763,143.02.

This is a Negotiated Acquisition Extension for Immigrant Opportunity Initiative to ensure the continuity of critical immigrant legal services provided by incumbent provider The Legal Aid Society for one year, until new contract is put in place. Special case is pursuant to PPB Rule 3-01(d)(2)(vii).
