**PRE-QUALIFIED LIST (PQL) PROGRAM FOR VARIOUS TRADES**

NYCHA is currently accepting applications for Pre-Qualified List (PQL) program for various trades.

A PQL is a tool that NYCHA will use to qualify vendors and contract goods or services for its developments, streamlining the process for both vendors and NYCHA. NYCHA will publish contracting opportunities, and the PQL will predominantly be used to procure goods or services for those contracts. Vendors who apply to those bids must pre-qualify according to specific criteria, and vendors who are admitted to the PQL can bid on contracts.

Currently NYCHA has established four (4) PQL lists for the Closed-Circuit Television (CCTV), Carpentry, Painting and Lead Based Paint (Assessment and Abatement, Inspection and Assessment & Lab Analysis).

All vendors interested in NYCHA's PQLs must follow two (2) important steps:

First, vendors must prepare and submit applications to the PQL: To pre-qualify, vendors must meet the minimum requirements listed on the Request for Qualification of the select PQL. Applications will be evaluated by NYCHA on a rolling basis.

Second, vendors who are admitted to the PQL can then bid on solicitations for services on the PQL: Vendors must bid on each contract award, as these are not guaranteed.

For more information regarding PQLs and to obtain applications, please visit NYCHA's website at: <https://www.nyc.gov/site/nycha/business/nycha-pql.page>.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.

### VETERANS' SERVICES

#### NOTICE

#### Notice of Concept Paper

The Department of Veterans Services proposes to issue an RFP to provide peer-to-peer support programs that will empower US Military Service Members, past and present—in addition to their caregivers, survivors, and families—to enhance their social engagement, fortify their emotional wellness, and encourage help-seeking behavior, thereby reducing social isolation. We envision offering a broad selection of arts, music, health and wellness, athletic, culinary, educational, and other community-based programs aimed towards peaking the wide interests of Veterans (and Veteran family members) of all service eras, genders, races/ethnicities, disability statuses, ages, and other demographics. These services must be held in person and not virtually.

We ask providers to create an accepting environment where Veterans (caregivers, survivors, and families) can engage in a novel activity with other participants and by doing so build comradery and mutual support for each other. We believe this can best occur if one consistent type of activity is offered rather than multiple activities rolled into one program. Our intent is for participants to show up on a regular basis to develop cohesion rather than opting in or out of programs that offer different activities.

Collaboration among organizations is encouraged especially for recruiting program participants. Consider contacting local Veteran Service Organizations in your communities like the American Legion, Veterans of Foreign Wars, Vietnam Veterans of America, Disabled Veterans of America, Jewish War Veterans, Catholic War Veterans, Student Veterans of America located at NYC colleges and universities, etc.

The Concept Paper will be posted on PASSPort at 06324Y0008 from October 4th, 2023, through November 17, 2023. Comments in response to the Concept Paper may be submitted, by responding to the RFI in PASSPort or by submitting via email to DVSDwyer@veterans.nyc.gov.

**THE OPERATION, RENOVATION, AND MAINTENANCE OF A FOOD BAR LOCATED AT 100 GOLD STREET, NEW YORK, NY.**  
- Other - PIN# 80620240001 - Due 10-16-23 at 2:00 P.M.

In accordance with Section 1-14 of the Concession Rules of the City of New York ("Concession Rules"), the New York City Department of Housing Preservation & Development ("HPD") intends to enter into a negotiated concession for a license agreement for the operation, renovation, and maintenance of a food bar at 100 Gold Street, Manhattan. The selected operator must be able to operate, renovate, and maintain the facility as a healthy and affordable food bar amenity for the building employees and visitors.

The concession will have a term not to exceed ten (10) years. The concession will be operated pursuant to a permit issued by HPD; no leasehold or other proprietary right will be offered. The concession is projected to commence around Fall/Winter 2023 and will expire no more than 10 years from the commencement date. As compensation to the City, HPD anticipates receiving an annual permit fee, to be negotiated with the chosen operator.

At this time, it is neither practicable nor advantageous to award this concession by competitive sealed proposals or competitive sealed bids due to the existence of a time-sensitive situation as HPD has determined not to renew the current concessionaire; the concessionaire has not met their obligations and claims to be unable to do so. HPD recognizes the value of having the food bar to serving both employees and the public and therefore wishes to start a concession with a new vendor while minimizing the time with no food services along with revenue lost. For these reasons, it is in the best interest of the City to pursue a negotiated concession for this facility.

Potential concessionaires that would like to express interest in the proposed concession and/or obtain additional information concerning the concession may contact Hector Padilla, at (212) 863- 5783 or via e-mail at Padillah@hpd.nyc.gov and carbon copy Johnathan Lamberty at Lambertj@hpd.nyc.gov by October 16, 2023. Thereafter, there will be a process for submission of proposals. HPD will evaluate the proposals on the bases of capital investment, improvement and designs; operating experience; financial capability; planned operations; and fee offer. Where applicable, HPD may condition the award of this concession upon the successful completion of PASSPort (the Procurement and Sourcing Solutions Portal) Questionnaires and review of that information by the Department of Investigation. In addition, any person or entity with at least a 10% ownership interest in the submitting vendor (including a parent company), may be required to complete PASSPort Questionnaires (Principal Questionnaire for any person and Vendor Questionnaire for any entity with at least a 10% ownership interest in the submitting vendor). This concession has been determined not to be a major concession as defined by Chapter 7 of the Rules of the City Planning Commission.

Please note that the concession award is subject to applicable provisions of Federal, State, and local laws and executive orders requiring affirmative action and equal employment opportunity. The New York City Comptroller is charged with the audit of concession agreements in New York City. Any person or entity who believes that there has been unfairness, favoritism or impropriety in the proposal process should inform the Comptroller, Office of Contract Administration, 1 Centre Street, New York, NY 10007, telephone number (212) 669-2323.

Please address any questions and/or correspondence relating to the potential concession award to Hector Padilla, Executive Director for General Services, at (212) 863-5783 or via e-mail at padillah@hpd.nyc.gov and carbon copy Johnathan Lamberty at lambertj@hpd.nyc.gov.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.

Housing Preservation and Development, 100 Gold Street, Room 1A, New York, NY 10038. Hector Padilla (212) 863-8398; padillah@hpd.nyc.gov
