■ VENDOR LIST

Goods and Services

PRE-QUALIFIED LIST (PQL) PROGRAM FOR VARIOUS TRADES

NYCHA is currently accepting applications for Pre-Qualified List (PQL) program for various trades.

A PQL is a tool that NYCHA will use to qualify vendors and contract goods or services for its developments, streamlining the process for both vendors and NYCHA. NYCHA will publish contracting opportunities, and the PQL will predominantly be used to procure goods or services for those contracts. Vendors who apply to those bids must pre-qualify according to specific criteria, and vendors who are admitted to the PQL can bid on contracts.

Currently NYCHA has established four (4) PQL lists for the Closed-Circuit Television (CCTV), Carpentry, Painting and Lead Based Paint (Assessment and Abatement, Inspection and Assessment & Lab Analysis).

All vendors interested in NYCHA's PQLs must follow two (2) important steps:

First, vendors must prepare and submit applications to the PQL: To pre-qualify, vendors must meet the minimum requirements listed on the Request for Qualification of the select PQL. Applications will be evaluated by NYCHA on a rolling basis.

Second, vendors who are admitted to the PQL can then bid on solicitations for services on the PQL: Vendors must bid on each contract award, as these are not guaranteed.

For more information regarding PQL's and to obtain applications, please visit NYCHA's website at: https://www.nyc.gov/site/nycha/business/nycha-pql.page.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor prequalification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.

HOUSING PRESERVATION AND DEVELOPMENT

GENERAL SERVICES

■ SOLICITATION

Services (other than human services)

THE OPERATION, RENOVATION, AND MAINTENANCE OF A FOOD BAR LOCATED AT 100 GOLD STREET, NEW YORK, NY. - Other - PIN# 80620240001 - Due 10-16-23 at 2:00 P.M.

In accordance with Section 1-14 of the Concession Rules of the City of New York ("Concession Rules"), the New York City Department of Housing Preservation & Development ("HPD") intends to enter into a negotiated concession for a license agreement for the operation, renovation, and maintenance of a food bar at 100 Gold Street, Manhattan. The selected operator must be able to operate, renovate, and maintain the facility as a healthy and affordable food bar amenity for the building employees and visitors.

The concession will have a term not to exceed ten (10) years. The concession will be operated pursuant to a permit issued by HPD; no leasehold or other proprietary right will be offered. The concession is projected to commence around Fall/Winter 2023 and will expire no more than 10 years from the commencement date. As compensation to the City, HPD anticipates receiving an annual permit fee, to be negotiated with the chosen operator.

At this time, it is neither practicable nor advantageous to award this concession by competitive sealed proposals or competitive sealed bids due to the existence of a time-sensitive situation as HPD has determined not to renew the current concessionaire; the concessionaire has not met their obligations and claims to be unable to do so. HPD recognizes the value of having the food bar to serving both employees and the public and therefore wishes to start a concession with a new vendor while minimizing the time with no food services along with revenue lost. For these reasons, it is in the best interest of the City to pursue a negotiated concession for this facility.

Potential concessionaires that would like to express interest in the proposed concession and/or obtain additional information concerning the concession may contact Hector Padilla, at (212) 863-5783 or via e-mail at Padillah@hpd.nyc.gov and carbon copy Johnathan Lamberty at Lambertj@hpd.nyc.gov by October 16, 2023. Thereafter, there will be a process for submission of proposals. HPD will evaluate the proposals on the bases of capital investment, improvement and designs; operating experience; financial capability; planned operations; and fee offer. Where applicable, HPD may condition the award of this concession upon the successful completion of PASSPort (the Procurement and Sourcing Solutions Portal) Questionnaires and review of that information by the Department of Investigation. In addition, any person or entity with at least a 10% ownership interest in the submitting vendor (including a parent company), may be required to complete PASSPort Questionnaires (Principal Questionnaire for any person and Vendor Questionnaire for any entity with at least a 10% ownership interest in the submitting vendor). This concession has been determined not to be a major concession as defined by Chapter 7 of the Rules of the City Planning Commission.

Please note that the concession award is subject to applicable provisions of Federal, State, and local laws and executive orders requiring affirmative action and equal employment opportunity. The New York City Comptroller is charged with the audit of concession agreements in New York City. Any person or entity who believes that there has been unfairness, favoritism or impropriety in the proposal process should inform the Comptroller, Office of Contract Administration, 1 Centre Street, New York, NY 10007, telephone number (212) 669-2323.

Please address any questions and/or correspondence relating to the potential concession award to Hector Padilla, Executive Director for General Services, at (212) 863-5783 or via e-mail at padillah@hpd.nyc.gov and carbon copy Johnathan Lamberty at lambertj@hpd.nyc.gov.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor prequalification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.

HERRC CASEWORK SERVICES - Request for Proposals - PIN# 2746 - Due 10-23-23 at 5:00 P.M.

NYC Health + Hospitals began operationalizing its Humanitarian Emergency Response and Relief Centers (HERRCs) in October 2022 as a response to the mass influx of asylum seekers arriving in New York City. In order to meet the significant and continued casework and reconnections resource needs of this population, NYC Health + Hospitals is seeking to contract with casework service vendors. Because the HERRC program evolves quickly, with new sites coming online rapidly and with program practices constantly evolving, selected vendors must be able to quickly operationalize services at new sites throughout the five boroughs and across the state, without sacrificing quality at existing sites within the purview of their contract. This service includes providing culturally-competent casework services in the pursuit of reconnecting asylum seekers with friends and loved ones throughout the country, or otherwise supporting them to resettle without needing to rely on City-provided housing, and establishing exit strategies in an end-to-end capacity.

What authorizes HPD to make this rule? Sections 1043 and 1802 of the City Charter and subdivision (3) of section 32 of the Private Housing Finance Law authorize HPD to make these proposed rules. The proposed rules were included in HPD's regulatory agenda.

Where can I find the HPD rules? The HPD rules are in title 28 of the Rules of the City of New York.

What rules govern the rulemaking process? HPD must meet the requirements of Section 1043 of the City Charter when creating or changing rules. This notice is made according to the requirements of Section 1043 of the City Charter.

Statement of Basis and Purpose of Proposed Rule

Consistent with HPD's authority under section 32 of the Private Housing Finance Law ("PHFL"), HPD, the supervising agency for Cityaided Mitchell-Lama developments, proposes to adopt rules that would set forth a separate, streamlined process for rent increases in units occupied by tenants whose rent is paid in whole or in part with a rental assistance subsidy. For these tenants, an increase to the monthly rent will not result in a greater cost to the tenant because the rent increase is borne by the rental assistance program. The budget-based analysis currently set forth in in 28 RCNY 3-10, as well as the public hearing requirement, applies only to units where the rent increase results in the tenant paying more rent or carrying charges. As such, HPD is proposing a rule amendment that would apply different procedures to rent increases for units occupied by tenants with a rental assistance subsidy that will be more efficient because they will not require a hearing or tenant notifications.

The proposed rule amendment would authorize the housing company or HPD itself to seek such increases for tenants whose rent is paid by a rental assistance subsidy, pursuant to an application from the Mitchell-Lama housing company that includes, among other things, a three-year projection of operations on a cash flow basis and the most recent annual audited financial statement. The implementation of rent increases for subsidized tenants can occur more often than every two years. As such, housing companies can benefit from the additional cash flow available through the rental assistance subsidy programs without imposing any increased rental burden on the residents and can do so on a more expedited, frequent basis.

Section 1. Section 3-10 of chapter 3 of title 28 of the Rules of the City of New York is amended by adding a new subdivision (i) to read as follows:

- (i) (1) Notwithstanding anything to the contrary contained in this section, a housing company may submit an application for an increase in the maximum rental or carrying charges per dwelling unit paid solely by a tenant/cooperator who pays for such rent or carrying charge, in whole or in part, with a rental assistance subsidy. Where the housing company does not submit such an application, HPD, upon its determination of the need for an increase in rents or carrying charges, may request that such housing company submit the information set forth in paragraph two of this subdivision. For the purposes of this subdivision, the term "rental assistance subsidy" means payments made by a federal, state or local governmental agency or instrumentality for the payment of monthly rent or carrying charge up to an enumerated payment standard, provided that an increase in such payment standard does not result in a higher rent or carrying charge contribution for the tenant/cooperator in receipt of such rental assistance subsidy.
 - (2) Such application need not be in the same form as delineated in subdivision (c) of this section, but must contain such information and documentation as required by HPD, including, but not limited to:
- (i) Name of housing company, location of development, date of organization and number of rental rooms.
 - Dates of completion and of occupancy.
 - (iii) Status with respect to tax exemption.
 - (iv) Present average room rent.
 - (v) Present income from non-dwelling spaces.
 - (vi) Assessed valuation of land and land improvements.
 - (vii) Such other information and data as may be pertinent.
- (viii) Request for a specific rent increase to the applicable rental assistance subsidy payment standard.
- (ix) The following exhibits and schedules using a format for these exhibits and schedules available from HPD:

Exhibit I. A three-year projection of operations on a cash flow basis, complete with applicable schedules. In addition to the three-year projection, an actual base year must be used as a starting point, reflecting the information in the latest certified statement of financial condition prepared by a certified public accountant.

Exhibit II. A calculation of the monthly rental or carrying charge increase required up to the maximum payment standard for the applicable rental assistance subsidy program, detailing the number of tenants/cooperators receiving a rental assistance subsidy and their monthly rents or carrying charges on a per room basis in a format approved by HPD. This calculation must include beginning working capital or deficit working capital as of the beginning of the projection. This calculation must also include total deficits projected for the length of the projection and one month's working capital to be left at the end of the period.

Exhibit III. A three-year projection of operations on a cash flow basis after reflecting the increase calculated in Exhibit II above. All applicable schedules will be provided as required in Exhibit I.

Exhibit IV. The most recent annual audited financial statement for the housing company. Working capital or negative working capital resulting from prior years' operations, as well as required reserves that were not funded, must be considered in the calculation of the required increase in the petition.

- (x) Such further information on any of the matters listed above or on any other matters as HPD may require. Such additional information shall be verified and filed within the time stated by HPD. HPD may also request an amended or superseding application.
- (3) Notwithstanding subdivision (b) of this section, no public hearing shall be required before HPD may act upon an application filed pursuant to this subdivision and HPD may grant such an application more frequently than every two years. The provisions of subdivisions (e), (f) and (h) of this section shall not apply to such application. Notwithstanding subdivision (c) or (d) of this section, there is no requirement to deliver notices regarding such pending application to the subsidized tenant/cooperators.
- (4) Once HPD determines to grant such an increase request, the Assistant Commissioner shall issue an Order specifying the amount of the increase and the date(s) of its implementation.
- (5) If the tenant/cooperator permanently vacates a dwelling unit for which a rent/carrying charge increase has been granted pursuant to this subdivision and the new tenant/cooperator for such unit is ineligible for and does not receive a rental assistance subsidy for which such increase was granted, the rent or carrying charge for such unit shall be reduced to the amount that has been approved for such unit in accordance with the subdivisions of this section other than this subdivision (i).

What authorizes DOT to make this rule? Sections 1043 and 2903(a) of the New York City Charter ("City Charter") authorize DOT to make this proposed rule. This rule was included in DOT's regulatory agenda for this Fiscal Year.

Where can I find the Department of Transportation rules? DOT's rules are codified in Title 34 of the Rules of the City of New York ("RCNY").

What laws govern the rulemaking process? DOT must meet the requirements of Section 1043 of the City Charter when creating or changing rules. This notice is made according to the requirements of Section 1043(b) of the City Charter.

Statement of Basis and Purpose of Proposed Rule

The Commissioner of the New York City Department of Transportation ("DOT") is authorized to promulgate rules regarding parking and traffic operations in the City pursuant to section 2903(a) of the New York City Charter.

Pursuant to paragraph (1) of subdivision (a) of section 2903 of the Charter, DOT has authority to promulgate rules regulating the conduct of vehicular and pedestrian traffic on streets of the City, which includes the pedestrian walkways and bicycle lanes on bridges and bridge approaches.

DOT, in consultation with the Police Department ("NYPD") and the Department of Sanitation ("DSNY"), has determined that it is necessary to promulgate a rule prohibiting vending on such walkways and lanes in order to enhance pedestrian safety, ease overcrowding and promote the safety and security of the bridges. The proposed rule will aid in the City's enforcement efforts, thereby promoting safety and security in these areas.

In recent years, pedestrian counts on the elevated pedestrian walkway of the Brooklyn Bridge have increased. In 2022, there were an average of over 34,000 pedestrians traversing the Brooklyn Bridge elevated pedestrian walkway on a fall weekend day, compared to an average of over 17,000 pedestrians on such a weekend day in 2021. The width of the elevated pedestrian walkway of the Brooklyn Bridge averages 16 feet, but is less than 5 feet in multiple areas along the length of the Bridge. These high pedestrian counts make vending along the walkway an unsafe condition, particularly in areas where the width of the elevated pedestrian walkway narrows to 5 feet. The ability of pedestrians to exit the bridge safely is jeopardized by vendors who display and store their wares, carts, tables, tents, tarps, canopies, coolers, and generators along the elevated pedestrian walkway, impeding pedestrian traffic flow. Further, the Brooklyn Bridge is a critical link in and out of Manhattan and, as a result, is, at times, subjected to extremely high pedestrian traffic, such as during emergencies and protests, where the safe egress of pedestrians is crucial.

In addition to the safety challenges posed by the high number of pedestrians and the potential for obstruction of the elevated pedestrian walkway, DOT has concerns about the effect of the carts, tables,

wagons, generators, and similar items on the structural load capacity of the Brooklyn Bridge. Lastly, prohibiting such objects on the elevated pedestrian walkway would reduce the susceptibility of the bridge to fire threats and to threats to national security.

The specific change to the DOT Traffic Rules that is proposed would amend section 4-12(g) relating to vendors to specify that no vendor may stop, remain upon or otherwise encumber, or permit any cart, table, wagon, vehicle, or other object owned by them to stop, remain upon, or otherwise encumber, elevated pedestrian walkways and bicycle lanes on bridges and bridge approaches for the purpose of selling, displaying, storing or creating merchandise or providing a service. This amendment would apply to all the bridges under the jurisdiction of DOT.

New material is underlined. [Deleted material is in brackets.]

Section 1. Subdivision (g) of Section 4-12 of Chapter 4 of Title 34 of the Rules of the City of New York is amended to read as follows

(g) *Peddlers.* [No peddler, vendor, hawker, or huckster shall stop or remain or permit any cart, wagon, or vehicle owned or controlled by him/her, to stop, remain upon or otherwise encumber any street in front of any premises if the owner or lessee of the ground floor objects.]

(1) No peddler, vendor, hawker, or huckster shall permit his cart, wagon, or vehicle to stand on any street when stopping, standing, or parking is prohibited or on any street within 25 feet of any corner of the curb or to stand at any time on any sidewalk or within 500 feet of any public market or within 200 feet of any public or private school. (2) No peddler, vendor, hawker, or huckster shall stop, remain upon or otherwise encumber, or permit any cart, table, wagon, vehicle, or other object owned or controlled by such peddler, vendor, hawker or huckster to stop, remain upon or otherwise encumber, any elevated pedestrian walkway or bicycle lane on a bridge or a bridge approach for the purpose of selling, displaying, storing or creating merchandise or providing a service. For purposes of this subdivision, the term "bridge" means a structure erected to allow for travel over a highway, body of water, railway or other obstacle; the term "elevated pedestrian walkway" means a portion of a bridge that is separated from vehicular traffic and is intended for use by pedestrians; and the term "bridge approach" means the area within the envelope of a bridge that connects a bridge to the street.

THE CITY OF NEW YORK - PUBLIC NOTICE

DETERMINATION AND FINDINGS BY THE CITY OF NEW YORK PURSUANT TO SECTION 204 OF THE NEW YORK STATE EMINENT DOMAIN PROCEDURE LAW

Whereas, the New York City Department of Design and Construction ("DDC"), on behalf of the New York City Department of Transportation ("DOT") and the City of New York ("City"), has proposed the acquisition of certain portions of lots and unlotted street bed properties on Richmond Valley Road from Arthur Kill Road to Page Avenue, as shown on the Damage and Acquisition Map No. 4268, dated 06/08/2020, and last revised 01/27/2022 (Capital Project No. HWR00512) in the Borough of Staten Island (the "Project"); and Whereas, the New York State Eminent Domain Procedure Law ("EDPL") sets forth uniform procedures for condemnations by municipalities throughout the State of New York, which also governs this acquisition; and

Whereas, pursuant to the EDPL, the City is required to hold a public hearing to inform the public of the proposed acquisition, the impact on the lotted and unlotted properties listed below, to review the public use to be served by the Project, and the impact on the environment and residents; and

Whereas, on July 27, 2023 the City held a public hearing pursuant to EDPL Section 204 (with an option to attend virtually) in relation to this acquisition, in the Borough of Staten Island. Having given due consideration to the complete hearing record, which includes, amongst other things, all documents submitted and all public comments, the City makes the following determination and findings concerning the above and below described acquisition and Project:

- The public use and benefit of this project is for the reconstruction of Richmond Valley Road between Page Avenue and Arthur Kill Road in the Borough of Staten
- The properties proposed to be acquired are within the acquisition limits shown on Damage and Acquisition Map No. 4268, dated 06/08/2020, and last revised 01/27/2022, as follows ("the acquisition area"):
 - Richmond Valley Road from Page Avenue to Arthur Kill Road.

The portions of lots proposed to be acquired include the following locations, as shown on the Tax Map of the City of New York for the Borough of Staten Island:

BLOCK #	PART OF LOT #
7584	1, 4, 20
7580	17

An environmental assessment of the proposed property acquisition location was conducted in accordance with the requirements of the State Environmental Quality Review Act (SEQRA) and the New York City Environmental Quality Review process. New York City Department of Transportation, as lead agency, determined that the proposed project would have no potential significant adverse impact on the environment, and issued a Negative Declaration (CEQR No. 22DOT019R) on August 31, 2022.

Comments presented at the public hearing have been reviewed by the City and given due consideration. Comments were made about extent of the proposed taking and its impact and benefit of the Project on the affected properties, duration of construction and potential effects of construction on local business, , and compensation.

The City has also reviewed all potential alternate locations and has determined that no other sites are feasible for the Project.

DETERMINATION:

Based upon due consideration of the record and the foregoing findings, it is determined that the City of New York should exercise its power of eminent domain to acquire the above-described properties in order to promote and permit the purposes of the Project to be achieved.

VETERANS' SERVICES

■ NOTICE

Notice of Concept Paper

The Department of Veterans Services proposes to issue an RFP to provide peer-to-peer support programs that will empower US Military Service Members, past and present—in addition to their caregivers, survivors, and families—to enhance their social engagement, fortify their emotional wellness, and encourage help-seeking behavior, thereby reducing social isolation. We envision offering a broad selection of arts, music, health and wellness, athletic, culinary, educational, and other community-based programs aimed towards peaking the wide interests of Veterans (and Veteran family members) of all service eras, genders, races/ethnicities, disability statuses, ages, and other demographics. These services must be held in person and not virtually.

We ask providers to create an accepting environment where Veterans (caregivers, survivors, and families) can engage in a novel activity with other participants and by doing so build comradery and mutual support for each other. We believe this can best occur if one consistent type of activity is offered rather than multiple activities rolled into one program. Our intent is for participants to show up on a regular basis to develop cohesion rather than opting in or out of programs that offer different activities.

Collaboration among organizations is encouraged especially for recruiting program participants. Consider contacting local Veteran Service Organizations in your communities like the American Legion, Veterans of Foreign Wars, Vietnam Veterans of America, Disabled Veterans of America, Jewish War Veterans, Catholic War Veterans, Student Veterans of America located at NYC colleges and universities, etc.

The Concept Paper will be posted on PASSPort at 06324Y0008 from October 4th, 2023, through November 17, 2023. Comments in response to the Concept Paper may be submitted, by responding to the RFI in PASSPort or by submitting via email to DVSDwyer@veterans.nyc.gov.

IUMAN RESOURCES ADMINISTRATION

NOTICE

NOTICE OF ADOPTION OF EMERGENCY RULE AMENDING THE CITYFHEPS RENTAL ASSISTANCE VOUCHER PROGRAM

ursuant to the authority of the Commissioner of the New York City furnan Resources Administration (HRA), under sections 603 and 043(i) of the New York City Charter, and sections 34, 56, 61, 62, 77, and 131-a of the New York Social Services Law, notice is hereby given the adoption of the following emergency rule, effective immediately, mending the CityFHEPS rules by allowing recipients of CityFHEPS ental assistance vouchers to use such vouchers for housing located of only within New York City, but also in any county or locality across New York State.

New York City Human Resources Administration Statement of Basis and Purpose of Emergency Rule

The Human Resources Administration is implementing further innovations to the City Fighting Homelessness and Eviction Prevention Supplement (CityFHEPS) rental assistance program that will immediately and significantly expand access to housing opportunities for New Yorkers with CityFHEPS housing vouchers. New York City continues to face a serious housing shortage and recordingh shelter populations, with 113,000 people total in the City's care. CityFHEPS voucher holders will now be able to utilize their voucher to obtain permanent, affordable housing not only within New York City, but also in any county or locality across New York State.

Over the last decade, rents in NYC have risen precipitously, and the stock of low-rent housing has dropped to dismally low levels. According to the 2021 Housing and Vacancy Survey, the Citywide rental vacancy rate was 4.54%. Units available for low rents are extremely scarce, with vacancy rates even lower than the 4.54% Citywide rate. For example, units with rents of less than \$900 had a net rental vacancy rate of 0.86 percent, and among those with rents of \$900 to \$1,499 it was 0.93 percent. In contrast, among units with rents of \$1,500 to \$2,299 the net rental vacancy rate was 4.09 percent and among units with rents of \$2,300 or more it was 12.64%. Expanding the pool of affordable units that New York City voucher holders can shop for will allow more households currently in shelter to be stably housed. This change to the CityFHEPS rules provides additional housing mobility for voucher holders, giving them greater control over where they choose to move, live and work.

Additionally, the City is in the midst of an unprecedented humanitarian crisis in which thousands of individuals in need of shelter are crossing the border of the United States and coming to New York City. This crisis has driven shelter capacity to a record low. In response to this emergency, the City has embarked on a herculean effort to provide temporary shelter to those in need who are found in its jurisdiction. Successfully connecting more households in need with rental assistance vouchers and permanent housing options will have the added benefit of freeing urgently needed capacity within the NYC shelter system.

Sections 603 and 1043 of the City Charter and Sections 34, 56, 61, 62, 77, and 131-a of the New York Social Services Law authorize HRA to promulgate this rule.

New material is <u>underlined</u>. Deleted material is [bracketed].

Section 1. Paragraph 7 of subdivision a of section 10-03 of Chapter 10 of Title 68 of the Rules of the City of New York is amended to read as follows:

(7) The household must have a lease, other agreement, or regulatory right to rent, for at least one year, a residence in New York City or within New York State that has passed a safety and habitability assessment. The rent for the unit must be reasonable in comparison to other comparable units in the area where the unit is located and must not exceed the maximum monthly rent, and the household must be protected from rent increases for at least a year, except that if the unit is subject to government regulations with respect to allowable rents, rent increases authorized under the applicable government regulations will be permitted midyear. If a household includes a person younger than eighteen years of age, the lease or other rental agreement must be for an apartment.

\S 2. Paragraph 1 of subdivision c of section 10-04 of Chapter 10 of Title 68 of the Rules of the City of New York is amended to read as follows:

(1) The household must have a lease for at least one year for a residence in New York City or within New York State that has passed a safety and habitability assessment. The household must not have resided in such residence at any point during the prior year, except that the Commissioner, in the exercise of discretion, may allow a household to [do so] move into such residence in extraordinary circumstances, including but not limited to where the family was evicted, constructively evicted, or otherwise forced to leave due to the condition of the unit, and the landlord has made all repairs to bring the apartment into compliance with applicable codes; where the eviction was from supportive housing and returning the tenant to the supportive housing unit is in the best interests of the household; or where the means of ingress and egress are accessible for a person with a disability and/or the apartment unit has structural accessibilities.

§ 3. Subdivision a of section 10-05 of Chapter 10 of Title 68 of the Rules of the City of New York is amended to read as follows:

(a) Except as otherwise provided in 68 RCNY \S 10-15(h), the maximum monthly rent for an SRO or apartment towards which

CityFHEPS rental assistance under this subchapter may be applied will be set by HRA in accordance with Section 982.503 of Title 24 of the Code of Federal Regulations, at the payment standard adopted by the New York City Housing Authority. For residences outside of New York City, the maximum monthly rent will be set by HRA at the applicable local housing authority standard. When calculating CityFHEPS rental assistance payment amounts, HRA will subtract from such maximum monthly rent a utility allowance set by HRA at the standard adopted by the New York City Housing Authority pursuant to Section 982.517 of Title 24 of the Code of Federal Regulations or, for residences outside of New York City, the utility allowance adopted by the applicable local housing authority. HRA will publish on its website the current CityFHEPS maximum monthly rents and utility allowance schedule.

§ 4. Section 10-07 of Chapter 10 of Title 68 of the Rules of the City of New York is amended by adding a new subdivision e, to read as follows:

(e) Notwithstanding anything to the contrary in this section, a CityFHEPS unit may not be a room where such unit is located outside of New York City.

Required Finding Pursuant to New York City Charter Section 1043(i)(1)

IT IS HEREBY CERTIFIED that the immediate effectiveness of this emergency rule establishing changes to the CityFHEPS program is necessary to address the urgent need to relocate homeless individuals and families from Department of Homeless Services (DHS) shelters into stable, permanent housing. The City and the State of New York are in the midst of a humanitarian crisis. Large numbers of individuals and families seeking asylum in the United States have arrived and are continuing to arrive in the City in need of temporary housing assistance. Due to the number of recently arrived asylum seekers in New York City, the shelter system is experiencing a record high need for capacity. As of October 1, 2023, more than 122,000 asylum seekers have arrived in the City, and currently, more than 63,000 asylum seekers remain in locations provided by the City, with more arriving every day. Over the last year, the City has opened at least 149 emergency shelters run by DHS, as well as 17 large scale humanitarian relief centers. The large number of arrivals has strained the City's capacity to provide a temporary place to stay for those who need it. This unprecedented crisis has required the City to take extraordinary measures to meet the immediate needs of the asylum seekers while continuing to serve the tens of thousands of people currently residing in DHS shelters.

In the current crisis, every free bed matters. While this rule change will not resolve the ongoing strain on the City's shelter system, it will facilitate a more expeditious exit from shelter and thereby free up additional space.

It is therefore necessary to act by emergency rulemaking so that the City can provide more New Yorkers with an opportunity to move into permanent, affordable housing, while freeing much needed capacity within DHS shelters.

The program established under the CityFHEPS rule allows individuals and families to rent apartments at competitive market-rate rents based on the annual New York City Housing Authority Section 8 Payment Standards. Given the low supply of affordable housing stock in NYC, many voucher holders remain in shelter. By expanding the pool of affordable apartment to units throughout New York State, this emergency rule will allow additional households to be eligible to move out of shelter and into permanent housing. Delaying implementation of this rule pending non-emergency rulemaking would result in a prolonged and unnecessary strain on the shelter system, which provides necessary services to homeless individuals in New York City.

Pursuant to Section 1043(i)(1) of the Charter, the emergency rule will remain in effect for 60 days while HRA prepares a permanent rule.

IT IS THEREFORE HEREBY CERTIFIED that the immediate effectiveness of a rule providing for the elimination of the length of stay requirement for individuals and families in DHS shelters is necessary to address an imminent threat to a necessary service.

PRE-QUALIFIED LISTS

PRE-QUALIFIED LISTS

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstances. When an agency decides to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any demial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH). Section 3-10 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists. For information regarding specific pre-qualified lists, please visit www.nyc.gov/selltonyc.
