**HOUSING AND COMMUNITY RENEWAL**

**■ PUBLIC HEARINGS**

Public Notice is Hereby Given pursuant to §26-405a(9) of the New York City Rent and Rehabilitation Law that the New York State Division of Housing and Community Renewal (DHCR) will conduct a public hearing to be held at **250 Broadway, 19th floor, New York State Assembly Hearing Room, New York, NY 10007 on Thursday, November 16, 2023** for the purpose of collecting information relating to all factors which the DHCR may consider in establishing a Maximum Base Rent (MBR) for rent controlled housing accommodations located in the City of New York for the 2024-2025 biennial MBR cycle. It should be noted the 2019 Housing Stability and Tenant Protection Act (HSTPA) impacts the formula for calculating Maximum Collectible Rent (MCR) increases. The 5-year averaging of 1-year rent guidelines results in significantly lower annual increases in the MCR than the prior formula, which allowed up to a 7.5% annual increase in the MCR over 2 years until the MBR is reached. The morning session of the hearing will be held from 10:00 A.M. to 12:30 P.M.; the afternoon session will run from 2:00 P.M. to 4:30 P.M.

Pre-registration of speakers is advised. Those who wish to pre-register may contact the office of Christopher Padrón, Executive Assistant, at (718) 262-4822 or email Christopher.padron@hcr.ny.gov and state the time they wish to speak at the hearing and whom they represent. Pre-registered speakers who have reserved a time to speak will be heard at approximately that time. Speakers who register the day of the hearing will be heard in the order of registration at those times not already reserved by pre-registered speakers. Speaking time will be limited to five minutes in order to give as many people as possible the opportunity to be heard. Speakers should be prepared to submit copies of their remarks to the DHCR official presiding over the hearing. The hearing will conclude when all registered speakers in attendance at the hearing have been heard. DHCR will also accept written testimony submitted prior to the end of the hearing. Submissions may also be sent in advance to Christopher Padrón, Executive Assistant, 6th Floor, Division of Housing and Community Renewal, Gertz Plaza, 92-31 Union Hall Street, Jamaica, NY 11433. To obtain a report on the DHCR recommendation for the 2018-2019 MBR cycle, interested parties should call (718) 262-4822 or email Christopher.padron@hcr.ny.gov

**HOUSING PRESERVATION AND DEVELOPMENT**

■ PUBLIC HEARINGS

**PLEASE TAKE NOTICE** that a public hearing will be held on December 27, 2023 at 10:00 A.M. or as soon thereafter as the matter may be reached on the calendar, at which time those wishing to be heard will be given an opportunity to be heard concerning the proposed disposition of the real property identified below. The Public Hearing will be held via Conference Call. Call-in #: 1-646-992-2010; Access Code 717 876 299.

Pursuant to Section 695(2)(b) of the General Municipal Law and Section 1802(6)(j) of the Charter, the Department of Housing Preservation and Development ("HPD") of the City of New York ("City") has proposed the sale of the following City-owned property (collectively, "Disposition Area") in the Borough of Manhattan:

Addresses	Blocks/ Lots
150 W 121 <sup>st</sup> Street	(1905/155)
204 W 120 <sup>th</sup> Street	(1925/38)
271 W 126 <sup>th</sup> Street	(1932/1)
305 W 126 <sup>th</sup> Street	(1953/27)

Under HPD's Affordable Neighborhood Cooperative Program, occupied City-owned residential buildings are purchased by Restoring Communities Housing Development Fund Corporation ("Sponsor") and then rehabilitated by a private developer selected through a request for qualifications. Upon conveyance to the Sponsor, buildings will be managed by the private developers. Following completion of rehabilitation, Sponsor conveys the building to a cooperative housing development fund corporation ("Cooperative Corporation") formed by the building's tenants. The cooperative interests attributable to occupied apartments will be sold to the existing tenants for \$2,500 per apartment, or \$250 for qualifying households under a purchase savings plan. Under the program's term sheet, the cooperative interests attributable to vacant apartments will be sold for a price affordable to families earning no more than 120% of the area median income; the current project proposes an estimate of roughly 80% of area median income.

Under the proposed project, the City will sell the Disposition Area to Sponsor for the nominal price of one dollar (\$1.00) per building. When completed, the project will provide approximately 48 affordable cooperative dwelling units, as well as 1 commercial space and 1 commercial or community space at 271 West 126<sup>th</sup> Street.

At the time of sale, the Sponsor will be required to sign a rental regulatory agreement with HPD containing, among other things, restrictions on rents, incomes, and assets. When the Sponsor conveys the building to the Cooperative Corporation upon the completion of rehabilitation, the Cooperative Corporation will be required to sign a

cooperative regulatory agreement with HPD containing, among other things, restrictions on sale prices, incomes, and assets as well as requirements for a flip tax and building reserve fund.

The appraisal and the proposed Land Disposition Agreement and Project Summary are available for public examination by emailing **Margaret Carey at [CareyM@hpd.nyc.gov](mailto:CareyM@hpd.nyc.gov)** on business days during business hours.

To make a request for accommodation, such as sign language interpretation services, please contact the Mayor's Office of Contract Services ("MOCS") via e-mail at [disabilityaffairs@mocs.nyc.gov](mailto:disabilityaffairs@mocs.nyc.gov) or via phone at (212) 298-0734. ### HHS ACCELERATOR PREQUALIFICATION

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic HHS Accelerator Prequalification Application using the City’s PASSPort system. The PASSPort system is a web-based system maintained by the City of New York for use by its Mayoral Agencies to manage procurement. Important business information collected in the Prequalification Application is required every three years. Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete. Prequalification applications will be reviewed to validate compliance with corporate filings and organizational capacity. Approved organizations will be eligible to compete and would submit electronic proposals through the PASSPort system. The PASSPort Public Portal, which lists all RFPs, including HHS RFPs that require HHS Accelerator Prequalification, may be viewed, at [https://passport.cityofnewyork.us/page.aspx/en/rfp/request\\_browse\\_public](https://passport.cityofnewyork.us/page.aspx/en/rfp/request_browse_public)

All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding. For additional information about HHS Accelerator Prequalification and PASSPort, including background materials, user guides and video tutorials, please visit <https://www.nyc.gov/site/mocs/hhsa/hhs-accelerator-guides.page>

**PRE-QUALIFIED LIST (PQL) PROGRAM FOR VARIOUS TRADES**

NYCHA is currently accepting applications for Pre-Qualified List (PQL) program for various trades.

A PQL is a tool that NYCHA will use to qualify vendors and contract goods or services for its developments, streamlining the process for both vendors and NYCHA. NYCHA will publish contracting opportunities, and the PQL will predominantly be used to procure goods or services for those contracts. Vendors who apply to those bids must pre-qualify according to specific criteria, and vendors who are admitted to the PQL can bid on contracts.

Currently NYCHA has established four (4) PQL lists for the Closed-Circuit Television (CCTV), Carpentry, Painting and Lead Based Paint (Assessment and Abatement, Inspection and Assessment & Lab Analysis).

All vendors interested in NYCHA's PQLs must follow two (2) important steps:

First, vendors must prepare and submit applications to the PQL: To pre-qualify, vendors must meet the minimum requirements listed on the Request for Qualification of the select PQL. Applications will be evaluated by NYCHA on a rolling basis.

Second, vendors who are admitted to the PQL can then bid on solicitations for services on the PQL: Vendors must bid on each contract award, as these are not guaranteed.

For more information regarding PQLs and to obtain applications, please visit NYCHA's website at: <https://www.nyc.gov/site/nycha/business/nycha-pql.page>.

■ NOTICE

**Notice of Adoption of Amendments to Chapter 12 of Title 68 of the Rules of the City of New York Regarding the Fair Fares NYC Program**

**NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED** in the Commissioner of the New York City Human Resources Administration (HRA) pursuant to Section 603 of the New York City Charter, and in accordance with the requirements of Section 1043 of the New York City Charter, that HRA has adopted the above final rule.

A proposed rule was published in the City Record on September 6, 2023, and a public hearing was held on October 6, 2023.

**Statement of Basis and Purpose of Rule**

The Fair Fares NYC Program helps New York City residents with low incomes manage their transportation costs by providing them with a 50% discount on public transportation. Eligible New York City residents receive a 50% discount on subway and eligible bus fares. Pay-per-Ride, weekly unlimited, and monthly unlimited options are all available. Fair Fares can also provide 50% off MTA Access-A-Ride paratransit trips.

The current Fair Fares rule provides that an applicant’s gross income must not exceed 100 percent of Federal Poverty Level (FPL). This proposed rule will raise the income level to 120 percent of the FPL. Expansion of the Fair Fares program discount will assist low-income New Yorkers by improving access to daily needs such as jobs, education, healthcare, food, nature and recreation and foster equitable development and restoration of NYC post pandemic. Additionally, improved access addresses income disparities and allows for favorable quality of life outcomes for the lowest income New Yorkers.

The Department’s authority for these rules is found in Section 603 of the City Charter and Sections 34 and 77 of the New York Social Services Law.

New material is underlined. Deleted material is [bracketed].

**Section 1. Subdivision (a) of section 12-03 of Title 68 of the Rules of the City of New York is amended to read as follows:**

- (a) To be eligible to receive a Fair Fares discount an applicant must:
  - (1) submit a completed application, including supporting documentation, in a format and manner established by the Program;
  - (2) submit a signed Fair Fares NYC Conditions of Use form pursuant to DSS/HRA’s Memorandum with New York City Transit Authority; and
  - (3) meet the following eligibility requirements:
    - (A) The applicant must be a New York City resident;
    - (B) The applicant must be between 18 and 64 years of age;
    - (C) The applicant’s gross income must not exceed [100] 120 percent of FPL;
    - (D) Except as provided in 68 RCNY § 12-02(a), the applicant must not currently be eligible for a duplicative discount or benefit from DSS/HRA, NYCT or any other entity or program;
    - (E) The applicant must not be currently suspended or permanently disqualified from the Program under 68 RCNY § 12-05(b);

**§ 2. Subdivision (a) of section 12-08 of Title 68 of the Rules of the City of New York is amended to read as follows:**

- (a) For so long as the Program uses a card to facilitate the discount for some types of transportation, the Program reserves the right to limit the number of replacement cards it will issue to an individual within [a calendar] an enrollment year, in accordance with the Conditions of Use pursuant to DSS/HRA’s Memorandum of Understanding with NYCT.

**Notice of Adoption of Amendments to Chapter 10 of Title 68 of the Rules of the City of New York**

**NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED** in the Commissioner of the New York City Human Resources Administration (HRA) pursuant to Section 603 of the New York City Charter, and in accordance with the requirements of Section 1043 of the New York City Charter, that HRA has adopted the above final rule.

This rule was published as a proposed rule in the City Record on August 15, 2023, and a public hearing was held on September 15, 2023. HRA received and reviewed comments submitted.

**Statement of Basis and Purpose**

These rules make several changes to the CityFHEPS program by revising the eligibility requirements for a CityFHEPS voucher. On June 16<sup>th</sup>, 2023, Mayor Eric Adams signed an emergency rule amending Chapter 10 of Title 68 of the Rules of the City of New York, removing the CityFHEPS program’s eligibility requirement of a qualifying shelter stay for households seeking shopping letters and standardizing the work requirement for households seeking shopping letters at 10 hours per week. These amendments to the CityFHEPS program are aimed at connecting more households in need with rental assistance vouchers, while freeing urgently needed capacity within the City’s shelter system. Those changes will be made permanent through this rule amendment. Specifically, the CityFHEPS rules are amended as follows:

- Eliminate the 90-day length of stay requirement for single adults and families.
- Reduce the number of hours that families are required to work to become eligible for CityFHEPS from 14 to 10 hours per week, and implement a 10 hour per week work requirement for single adults. This change will create uniformity across populations in shelter.
- For households moving out of shelter into permanent housing, require that the household must not have resided in the residence to which they are moving at any point during the prior year.

In addition, this rule clarifies the definition of gross income to make clear that it excludes financial assistance received by individuals as part of their participation in a pilot program to study and evaluate the impact and potential benefits of direct cash transfers.

Sections 603 and 1043 of the City Charter and Sections 34, 56, 61, 62, 77, and 131-a of the New York Social Services Law authorize HRA to promulgate these rules.

New material is underlined. Deleted material is [bracketed].

**Section 1. Subdivision (s) of section 10-01 of Chapter 10 of Title 68 of the Rules of the City of New York is amended to read as follows:**

(s) “**Gross income**” means the sum of: (1) earned income, as defined in Section 352.17(a) of Title 18 of the New York Codes, Rules and Regulations, except that it shall exclude income earned through SYEP; and (2) unearned income, as defined in Section 387.10(b)(3) of such title, except that it shall exclude PA and shall only include income that is regularly recurring. Third party contributions to the rent will not be counted as income. All other income deductions or exclusions, including those set forth in Sections 387.11 and 387.12 of Title 18 of the New York Codes, Rules and Regulations, shall not be applied when calculating a household’s gross income. Any financial assistance received by individuals as part of their participation in a pilot program to study and evaluate the impact and potential benefits of direct cash transfers shall be exempt for the length of time the individual participates in the program, but no longer than sixty months.

**§ 2. Section 10-04 of Title 68 of the Rules of the City of New York is amended to read as follows:**

**§ 10-04 Initial Eligibility and Approval for Shelter Residents and Persons Who Are Street Homeless.**

(2) If the household is not currently in receipt of PA, HRA may require the household to apply for any assistance available under Part 352 of Title 18 of the New York Codes, Rules and Regulations.

(3) Reserved.

(4) If a household is potentially eligible for any federal or State housing benefits, including Section 8 or the HRA HOME TBRA program described in 68 RCNY Ch. 9, at HRA's request, the household may be required to apply for such benefits and accept them if offered.

(5) The household must not be eligible for FHEPS.

(6) If any member of the household has been determined to be eligible for HRA shelter under Section 452.9 of Title 18 of the New York Codes, Rules and Regulations, the household must not include the perpetrator of the domestic violence that resulted in such determination.

(7) If the household is currently in a DHS family shelter, the household must be eligible for shelter as determined by DHS pursuant to Parts 351 and 352 of Title 18 of the New York Codes, Rules and Regulations.

(8) The household must be street homeless, reside in a DHS shelter that has been identified for imminent closure, or belong to Group A or B below:

(A) Group A: A household will belong to Group A if it satisfies any of the criteria set forth below and either: (1) currently resides in a DHS shelter [and either has a qualifying shelter stay pursuant to 68 RCNY § 10-04(b) or is eligible for HRA shelter]; or (2) currently resides in an HRA shelter:

(i) The household [(AA) includes a member who is under 18 years of age and (BB)] is collectively working at least [14] 10 hours per week in unsubsidized employment or in a qualifying subsidized employment program and can demonstrate income from such employment for the last 30 days. However, the Commissioner may waive the requirement that the household collectively work at least [14]10 hours per week for good cause where the household has a demonstrated, consistent work history and has experienced a recent loss in number of hours worked due to circumstances that are likely to be temporary;

(ii) [The household consists exclusively of members 18 years of age or older and can demonstrate income from unsubsidized employment or a qualifying subsidized employment program for the last 30 days;

(iii) [The household includes a member who receives federal disability benefits or receives a recurring monthly PA grant and has been determined by HRA to be potentially eligible for federal disability benefits based on their own documented disability;

(iv) (iii) The household includes a member who is 60 years of age or older; or

(i) The household includes a veteran; or

(ii) The household includes an individual who has been referred by a City agency through a CityFHEPS qualifying program and the Commissioner has determined that due to the particular circumstances of the household, CityFHEPS rental assistance is needed to abbreviate the household's stay in an HRA or DHS shelter.

(b) [Qualifying Shelter Stay and Limitations:

(1) Qualifying Shelter Stay: A household in a DHS family shelter will have a qualifying shelter stay for purposes of 68 RCNY § 10-04(a)(8)(A) if the household has resided in a DHS shelter for at least 90 days prior to certification, excluding gaps of up to ten calendar days. An individual in a DHS single adult shelter will have a qualifying shelter stay for purposes of 68 RCNY § 10-04(a)(8)(A) if the individual has resided in a DHS shelter for at least 90 of the last 365 days. Once a household has a qualifying shelter stay, it will not lose its eligibility for a shopping letter pursuant to 68 RCNY § 10-04(c) by moving from one type of shelter to another. Similarly, a household who has been street homeless will not lose its eligibility for a shopping letter by entering an HRA or DHS shelter.

(2) Qualifying Shelter Stay Limitations: The Commissioner may set a date by which qualifying shelter stays must commence, for purposes of 68 RCNY § 10-04(a)(8)(A), upon an evaluation of housing market conditions, shelter utilization rates, and the availability of funding, when the Commissioner determines that a limiting date is necessary to maintain the program's viability. The Commissioner may remove such a limiting date upon further review of housing market conditions, shelter utilization rates, and the availability of funding.

(c) When a household has met the eligibility requirements set forth in 68 RCNY § 10-04(a), the Commissioner shall issue such household a shopping letter. The letter will include an expiration date and will be conditioned on the household continuing to meet the requirements of 68 RCNY § 10-04(a) until the time of approval.

[(d)] (c) Once a household has received a CityFHEPS shopping letter, the household must meet the following additional conditions to be approved for CityFHEPS rental assistance:

(1) The household must have a lease for at least one year for a residence in New York City that has passed a safety and habitability assessment. The household must not have resided in such residence at any point during the prior year, except that the Commissioner, in the exercise of discretion, may allow a household to do so in extraordinary circumstances, including but not limited to where the family was evicted, constructively evicted, or otherwise forced to leave due to the condition of the unit, and the landlord has made all repairs to bring the apartment into compliance with applicable codes; where the eviction was from supportive housing and returning the tenant to the supportive housing unit is in the best interests of the household; or where the means of ingress and egress are accessible for a person with a disability and/or the apartment unit has structural accessibility features that comport with the needs of a person with mobility disabilities.

(2) If the household includes a person younger than 18 years of age, the lease or other rental agreement must be for an apartment.

(3) The rent for the unit must be reasonable in comparison to other comparable units in the area where the unit is located and must not exceed the maximum monthly rent, or in the case of a unit towards which an additional payment pursuant to 68 RCNY § 10-15(h) will be applied, must not exceed the regulatory rent.

(4) The household must be protected from rent increases for at least one year, except that if the unit is subject to government regulations with respect to allowable rents, rent increases authorized under such regulations will be permitted midyear.

(5) If the household is not currently in receipt of PA, the household must apply for any assistance available under Part 352 of Title 18 of the New York Codes, Rules and Regulations.

(6) All members of the household who are eligible for PA must be in receipt of PA and all members in receipt of PA must be in compliance with PA requirements.

[(e)] (d) At the time of approval, HRA will calculate the household's monthly rental assistance amount pursuant to 68 RCNY § 10-06 or 68 RCNY § 10-07, as applicable. Except as provided in 68 RCNY § 10-09, the monthly rental assistance amount will not change until renewal, regardless of changes in household composition, income, the maximum monthly rents or the actual rent for the CityFHEPS unit.

**FINDING OF SUBSTANTIAL NEED FOR EARLIER IMPLEMENTATION**

In accordance with Section 1043(f)(1)(d) of the New York City Charter, the New York City Human Resources Administration ("HRA") has determined that there is a substantial need for the implementation of this rule amending the CityFHEPS program, as set forth in Chapter 10 of Title 68 of the Rules of the City of New York, immediately upon its final publication in the City Record, thereby waiving the requirement that thirty days elapse prior to the effective date of the rule.

The City and State of New York are in the midst of a humanitarian crisis. Large numbers of individuals and families seeking asylum in the United States are continuing to arrive in the City in need of temporary housing assistance. Due to the number of recently arrived asylum seekers in New York City, the shelter system is experiencing a record high need for capacity. This unprecedented crisis has required the City to take extraordinary measures to meet the immediate needs of the asylum seekers while continuing to serve the tens of thousands of people currently residing in City shelters.

In the current crisis, every free bed matters. These rule changes will not resolve the ongoing strain on the City's shelter system, but the change to the CityFHEPS eligibility criteria will facilitate a more expeditious exit from shelter and thereby free up additional space. The City promulgated rules on an emergency basis to eliminate the 90-day length of shelter stay requirement for single adults and families seeking assistance through CityFHEPS and to adjust the number of hours that individuals and families are required to work. To ensure that these rules remain in effect, they must take effect immediately upon publication in the City Record.

Therefore, we find pursuant to section 1043(f)(1)(d) of the New York City Charter that there is a substantial need for this rule's earlier implementation.

**Notice of Adoption of Amendments  
to Chapter 10 of Title 68 of the Rules of  
the City of New York and of Chapter 60 of Title 28 of  
the Rules of the City of New York**

**NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED** in the Commissioner of the New York City Human Resources Administration (HRA) pursuant to Section 603 of the New York City Charter and in the Commissioner of the Department of Housing Preservation (HPD) and Development pursuant to Section 1802 of the Charter, and in accordance with the requirements of Section 1043 of the New York City Charter, that HRA and HPD have adopted the above final rule.

This rule was published as a proposed rule in the City Record on August 15, 2023 and a public hearing was held on September 15, 2023. HRA and HPD received and reviewed comments submitted.

**Statement of Basis and Purpose**

These rules establish a pilot program – to be codified in Subchapter C of Chapter 10 of Title 68 – that aims to facilitate CityFHEPS voucher-holders finding safe and sanitary apartments.

New York City faces a severe housing shortage. The dearth of available apartments is particularly acute in the most affordable housing, with less than one percent of apartments with asking monthly rents below \$1,500 available. As outlined in the City's plan to prevent homelessness, "Housing Our Neighbors: A Blueprint for Housing and Homelessness," the City has committed to getting New Yorkers into safe, high-quality affordable homes. The "Unlocking Doors" initiative, as set forth in this rule, will help accomplish this goal by providing grants to reimburse owners for the costs of rehabilitating rent stabilized dwellings in need of repair, on the condition that the rehabilitated units are leased to New Yorkers experiencing homelessness who have CityFHEPS vouchers. These reimbursement grants will help reduce the number of chronically vacant, low-rent apartments and thereby increase the availability of desperately needed safe and affordable housing. They will facilitate CityFHEPS voucher-holders moving out of shelter and into permanent housing.

This pilot program will focus on the small number of rent stabilized apartments that are chronically vacant and need significant repairs in order to become safe and habitable. A unit that is eligible for this reimbursement grant program must: (1) be rent stabilized; (2) be vacant in both 2022 and 2023; and (3) have a legal rent below the applicable specified threshold. In order to receive a reimbursement grant, an applicant will need to first submit construction cost estimates to HPD for pre-approval. HPD will certify that the unit meets certain eligibility criteria and that the cost estimates are consistent with its schedule of maximum cost allowances for work items that are eligible for reimbursement. After receiving a preliminary certificate of eligibility from HPD, the owner will have six months to complete construction, after which the subject dwelling unit must pass a safety and habitability assessment. The unit must also be in compliance with the lead-based paint inspection requirements of section 27-2056.4(a-1) of the Administrative Code. Upon a successful inspection, HRA will work with the owner to lease the subject dwelling unit to an eligible household and will pay the final repair amount approved by HPD, up to a maximum of \$25,000 for each such dwelling unit – an amount that reflects the funding currently available for this pilot program.

This new reimbursement grant program will be jointly administered by the Human Resources Administration and the Department of Housing Preservation and Development.

Sections 603, 1802, and 1043 of the City Charter authorize HRA and HPD to promulgate these rules, and Sections 34, 56, 61, 62, 77, and 131-a of the New York Social Services Law authorize HRA to promulgate these rules.

The project-based program provides rental assistance to eligible households that is tied to specific units designated by HRA as Subchapter B units. The unit repair program is a pilot program that will exist only so long as sufficient funds are available for its administration and will allow a limited number of landlords who meet the requirements set forth in Subchapter C of this chapter and Chapter 60 of Title 28 of the Rules of the City of New York to receive reimbursement for necessary repairs to vacant, rent stabilized units, provided that such units are rented to households with a tenant-based CityFHEPS rental assistance voucher.

**SANITATION**

■ NOTICE

**Notice of Adoption of Final Rule Relating to Use of Certain Receptacles by Certain Commercial Establishments**

NOTICE IS HEREBY GIVEN in accordance with the requirements of sections 1043 of the New York City Charter and pursuant to the authority vested in the Commissioner of the Department of Sanitation by sections 753 and 1043(a) of the New York City Charter and section 16-120 of the New York City Administrative Code, that DSNY adopts the following rule relating to the use of certain receptacles by certain commercial establishments. DSNY published a Notice of Opportunity to Comment on the proposed rule in the *City Record* on September 19, 2023. On October 24, 2023, DSNY held a public hearing on the proposed rule.

**Statement of Basis and Purpose**

DSNY rules currently allow for all commercial establishments to set out their waste and recyclable materials within one hour of closing, provided that the scheduled collection occurs before the establishment next reopens for business and only if such materials are placed out for

collection in receptacles with tight-fitting lids. Those establishments that place materials out for collection in bags, regardless of the time they close, may place such materials at the curb no earlier than 8:00 P.M.

DSNY recently adopted rules that require all food-related businesses and commercial establishments that are a part of a chain of stores to set out any putrescible solid waste, including refuse and organic waste, at the curb for private carter collection in rigid receptacles with tight-fitting lids. This new proposed rule would amend this recent rule and expand this requirement to include all commercial establishments regardless of whether such establishments are food-related businesses or are part of a chain of stores.

These changes are a part of the City's commitment to cleaning up New York City streets and reducing food sources for rats. Businesses are generators of putrescible waste, including organics, and bags of waste set out for collection on the curb, even when in compliance with existing waste set out requirements, attract rats and vermin and are unsightly. Requiring these businesses that produce any amount of food waste to place their putrescible waste in sealed containers will meaningfully limit potential food sources for vermin while also helping to keep our sidewalks free of unattractive piles of black bags.

These changes align with other City initiatives to increase the use of containers for waste storage and collection, creating cleaner, more livable, and more vibrant streets and neighborhoods across New York City.

New material is underlined.

[Deleted material is in brackets.]

Asterisks (\*\*\*) indicate unamended text.

"Shall" and "must" denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

§1. Section 1-02.4 of Chapter 1 of Title 16 of the rules of the City of New York is amended to read as follows:

§ 1-02.4 Receptacles Required for [Certain] Commercial Establishments Receiving Curbside Collection

(a) Definitions

1. The terms "catering establishment," "food manufacturer," "food preparation establishment," "food service establishment," "food wholesaler," and "retail food store" have the same meanings as in section 16-306.1 of the Administrative Code.

2. The term "chain of stores" means a commercial establishment that operates five or more stores located within the city of New York that are engaged in the same general field of business and conduct business under the same business name or operate under common ownership or management or pursuant to a franchise agreement with the same franchisor.

3. The term "commercial establishment" means an entity that is required to provide for the removal of waste pursuant to the provisions of §16-116 of the Administrative Code.

(b) The following must set out any putrescible solid waste, including refuse and organic waste, at the curb for private carter collection in rigid receptacles with tight-fitting lids, in accordance with §1-02.1(b), (d) and (e):

1. Catering establishments, food manufacturers, food preparation establishments, food service establishments, food wholesalers, and retail food stores.
2. A commercial establishment that is part of a chain of stores and that is not included pursuant to paragraph (1) of this subdivision.

3. Any commercial establishment receiving curbside collection of waste by a private carter that is not included pursuant to paragraphs (1) or (2) of this subdivision.

(c) The requirements of this section do not apply to recyclable materials other than organic waste.

(d) The requirements of this section do not apply to commercial establishments that receive off-street collection, including collection from inside a loading dock.

(e) Notwithstanding the requirements of this section, commercial establishments must comply with all laws, rules and regulations, including, but not limited to, the rules and regulations of the Department of Health and Mental Hygiene with respect to the management of waste.

§2. This rule shall take effect on March 1, 2024.

Federal Emergency Management Agency
In accordance with 44 CFR §9.8 for Executive Order 11988
Proposed Pumping Station Improvements
Bay Terrace, Queens County, New York

Notification is hereby given to the public of the intent of the Department of Homeland Security- Federal Emergency Management Agency (DHS-FEMA) to provide federal funding to the New York City Department of Environmental Protection (NYC DEP) as subrecipient for a new elevated support building (superstructure) to house the electrical distribution for an existing pump station through the Hazard Mitigation Grant Program (HMGP).

The Proposed Action is located at the southeast intersection of the Clearview Expressway and the Cross Island Expressway, Bay Terrace, Queens County NY (40.78805, -73.789503). The proposed scope of work consists of elevating the proposed superstructure to 17.5 feet NAVD88 which is at the base flood elevation (BFE), as indicated by best available flood map data, plus at least three (3) feet of freeboard for this Critical Action.

This action would take place within the 100-year floodplain. Alternatives considered include: 1) no action, 2) proposed alternative, which is the proposed elevated superstructure or 3) alternate construction. FEMA has determined that building the proposed elevated superstructure is the most practicable alternative to ensure continuity of operations to support the existing pump station.

Comments about this project, potential alternatives, and floodplain impacts may be submitted in writing within 15 days of the date of this publication to: U.S. Department of Homeland Security, Federal Emergency Management Agency - Region 2 - Environmental Planning and Historic Preservation, Mitigation Division, One World Trade Center, Suite 53, New York, NY 10007 or via email to FEMAR2COMMENT@fema.dhs.gov.
