The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence.”

HHS ACCELERATOR PREQUALIFICATION

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic HHS Accelerator Prequalification Application using the City’s PASSPort system. The PASSPort system is a web-based system maintained by the City of New York for use by its Mayoral Agencies to manage procurement. Important business information collected in the Prequalification Application is required every three years. Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete. Prequalification applications will be reviewed to validate compliance with corporate filings and organizational capacity. Approved organizations will be eligible to compete and would submit electronic proposals through the PASSPort system. The PASSPort Public Portal, which lists all RFPs, including HHS RFPs that require HHS Accelerator Prequalification, may be viewed, at https://passport.cityofnewyork.us/page.aspx/en/rfp/request_browse_public

All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding. For additional information about HHS Accelerator Prequalification and PASSPort, including background materials, user guides and video tutorials, please visit <https://www.nyc.gov/site/mocs/hhsa/hhs-accelerator-guides.page>

The New York City Department of Correction will utilize the Negotiated Acquisition procurement method to obtain services of Esquire Consultant Group Ltd to provide IT Consulting Services for Time Matters Software to assist with the Department’s Legal Division.

The term of the contract will be from July 1, 2022 through June 30, 2024; with a one-year renewal option from July 1, 2024 to June 30, 2025.

DOC is highly satisfied with the performance by Esquire Consultant Group LTD. Time Matters is a solution that requires customization to be useful to its customers. Esquire Consultant Group LTD is the company that DOC hired years ago, when DOC first purchased the perpetual licenses for Time Matters, to customize it for us. This is why they are so uniquely qualified to provide the support - they are familiar with the architecture and how we use the program. DOC cannot afford to have a gap in this service, due to the threat of a federal receiver.

While there are other firms offering IT Consulting Services for Time Matters Software, it is not in the agency’s best interest to replace Esquire Consulting, LLC. Selecting a new vendor to provide Services for Time Matters Software would be a massive effort for both the vendor and DOC. To start from scratch with a new vendor would carry great risk.

PRE-QUALIFIED LIST (PQL) PROGRAM FOR VARIOUS TRADES

NYCHA is currently accepting applications for Pre-Qualified List (PQL) program for various trades.

A PQL is a tool that NYCHA will use to qualify vendors and contract goods or services for its developments, streamlining the process for both vendors and NYCHA. NYCHA will publish contracting opportunities, and the PQL will predominantly be used to procure

goods or services for those contracts. Vendors who apply to those bids must pre-qualify according to specific criteria, and vendors who are admitted to the PQL can bid on contracts.

Currently NYCHA has established four (4) PQL lists for the Closed-Circuit Television (CCTV), Carpentry, Painting and Lead Based Paint (Assessment and Abatement, Inspection and Assessment & Lab Analysis).

All vendors interested in NYCHA's PQLs must follow two (2) important steps:

First, vendors must prepare and submit applications to the PQL: To pre-qualify, vendors must meet the minimum requirements listed on the Request for Qualification of the select PQL. Applications will be evaluated by NYCHA on a rolling basis.

Second, vendors who are admitted to the PQL can then bid on solicitations for services on the PQL: Vendors must bid on each contract award, as these are not guaranteed.

For more information regarding PQLs and to obtain applications, please visit NYCHA's website at: <https://www.nyc.gov/site/nycha/business/nycha-pql.page>.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.

06924Y0225-PROFESSIONAL SERVICES FOR XEROX NEARSTAR DATASERVER APPLICATION - Request for Information - PIN# 06924Y0225 - Due 1-5-24 at 3:00 P.M.

Pursuant to Section 3-05 of the PPB Rules, the Department of Social Services (DSS) Information Technology Services (ITS) intends to enter into negotiations for a Sole Source contract with Xerox Corporation (Xerox) to provide a wide range of application software support services for the Xerox NearStar DataServer Application. Xerox with NearStar is responsible for the development of the basis system which was developed to assist Xerox with not only the multi-language mass mailings but also with all the Xerox printing which is a requirement due to the use of Xerox printers used by DSS Human Resources Administration (HRA). The Contract Term is 4/1/2023 through 3/31/2026.

DSS has determined that Xerox Corporation is the sole provider for the required services because the support for the software, programming, consulting, and integration work for the system functionality HRA requires, can only be supplied by NearStar's support and staff, currently provided through Xerox Corporation. NearStar is a sole owner of the software called DataServer and DataDoc that was purchased through Xerox Corporation for use by the NYC HRA.

Any firm or organization that believes it is qualified to provide these services, is invited to respond to the RFI 06924Y0225 [Professional Services for Xerox NearStar DataServer Application]. Please indicate your interest by responding to the RFI EPIN: 06924Y0225 in PASSPort no later than January 5, 2024, 3:00 P.M.

If you have any questions, please submit these through the Discussion Forum of the subject EPIN in PASSPort system.

AGENCY RULES

PROCUREMENT POLICY BOARD

■ NOTICE

Notice of Adoption of Rules

Pursuant to the authority vested in the Procurement Policy Board (PPB) by Section 311 of the New York City Charter and in accordance with the requirements of Section 1043 of said Charter, the PPB has adopted amendments to Chapter 3 of Title 9 of the Rules of the City of New York.

Statement of Basis and Purpose of Final Rules

These final Procurement Policy Board (PPB) Rule amendments update the provisions of the PPB Rules relating to consecutive postings in the City Record.

These rule amendments minimize the publication of certain notices in the *City Record*. The elimination of certain consecutive posting requirements, which have limited utility to the public, simultaneously preserves the resources of the City of New York and streamlines the procurement process.

Section 1 amends PPB Rule § 3-04(d)(1)(i) to eliminate the consecutive posting requirement for public notices regarding negotiated acquisitions.

Section 2 amends PPB Rule § 3-05(c)(1)(i) to eliminate the consecutive posting requirement for public notices regarding sole source procurements. This amendment adds flexibility to the notice process while ensuring that vendors possess a sufficient opportunity to express interest, as notices will remain accessible on the City Record's website.

Section 3 amends PPB Rule § 3-10(e)(1)(i) and (ii) to modify the consecutive posting requirement for inclusion on prequalification lists.

Section 4 amends PPB Rule § 3-11(e)(1) to eliminate the consecutive posting requirement for public notices regarding demonstration projects and to modify the posting deadline.

Section 5 amends PPB Rule § 3-12(b)(3)(i) to eliminate the consecutive posting requirement for public notices regarding innovative procurements.

Section 6 amends PPB Rule § 3-13(d)(1) to eliminate the consecutive posting requirement for public notices regarding government-to-government purchases.

Section 7 amends PPB Rule 3-16(c)(1) to modify the consecutive posting requirement for public notices regarding prequalified lists for the HHS Accelerator procurement mechanism.

On September 13, 2023, the PPB voted to initiate the rulemaking process under the Citywide Administrative Procedure Act for these rule amendments. A proposed version of these amendments was published in the *City Record* on September 27, 2023. A public hearing was held on November 1, 2023.

The PPB did not receive either written comments or oral testimony at the public hearing. In the absence of comments and in consideration of the PPB's discussions during the September public meeting, the PPB adopted the amendment on December 6, 2023.

The PPB's authority to promulgate these rules is found in sections 311, 321, 322, 324, 325, and 1043 of the New York City Charter.

"Shall" and "must" denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

DOHMH seeks to procure a technological solution to prevent overdose deaths among people who use drugs alone in supportive housing settings. There has been a huge uptick in overdose deaths in New York City due to the fentanyl and xylazine crises, particularly among people that use alone, such as those in supportive housing, who often do not get naloxone administered until it is too late. The simple device, LifeguardLite, is the only device available to link people using drugs directly with emergency services to deliver naloxone in time to avert fatal overdose. This is a device that gets installed within the supportive housing units. The tenant pushes a button when they begin to use drugs, and if they do not push again within a particular timeframe, an alert is sent to 911, similar to a fire alarm.
