In December 2019, Mayor De Blasio announced a new effort to end long-term street homelessness in New York City. The Journey Home:

An Action Plan to End Long-Term Street Homelessness calls for the development of 1,000 new Safe Haven beds by the end of 2024. Learn more about the plan at: https://www1.nyc.gov/assets/dhs/downloads/pdf/the-journey-home-2019-print-web.pdf The New York City Department of Homeless Services (DHS) estimates that there are approximately 1,500 adults who live on the streets, subways or in other public places, and who are experiencing long-term street homelessness. Street homeless clients are not coming into traditional shelter for a variety of reasons. As a result, DHS has tailored a system based on homeless clients' reports of the type of shelter they would be more likely to accept; namely, a low-threshold, more private site with fewer rules and regulations.

Judgment is necessary to determine whether the proposer proposed the appropriate site and services for the populations served.

PRE-QUALIFIED LIST (PQL) PROGRAM FOR VARIOUS TRADES

NYCHA is currently accepting applications for Pre-Qualified List (PQL) program for various trades.

A PQL is a tool that NYCHA will use to qualify vendors and contract goods or services for its developments, streamlining the process for both vendors and NYCHA. NYCHA will publish contracting opportunities, and the PQL will predominantly be used to procure goods or services for those contracts. Vendors who apply to those bids must pre-qualify according to specific criteria, and vendors who are admitted to the PQL can bid on contracts.

Currently NYCHA has established four (4) PQL lists for the Closed-Circuit Television (CCTV), Carpentry, Painting and Lead Based Paint (Assessment and Abatement, Inspection and Assessment & Lab Analysis).

All vendors interested in NYCHA's PQLs must follow two (2) important steps:

First, vendors must prepare and submit applications to the PQL: To pre-qualify, vendors must meet the minimum requirements listed on the Request for Qualification of the select PQL. Applications will be evaluated by NYCHA on a rolling basis.

Second, vendors who are admitted to the PQL can then bid on solicitations for services on the PQL: Vendors must bid on each contract award, as these are not guaranteed.

For more information regarding PQLs and to obtain applications, please visit NYCHA's website at: https://www.nyc.gov/site/nycha/business/nycha-pql.page.

06924Y0225-PROFESSIONAL SERVICES FOR XEROX NEARSTAR DATASERVER APPLICATION - Request for Information - PIN# 06924Y0225 - Due 1-5-24 at 3:00 P.M.

Pursuant to Section 3-05 of the PPB Rules, the Department of Social Services (DSS) Information Technology Services (ITS) intends to enter into negotiations for a Sole Source contract with Xerox Corporation (Xerox) to provide a wide range of application software support services for the Xerox NearStar DataServer Application. Xerox with NearStar is responsible for the development of the basis system which was developed to assist Xerox with not only the multi-language mass mailings but also with all the Xerox printing which is a requirement due to the use of Xerox printers used by DSS Human Resources Administration (HRA). The Contract Term is 4/1/2023 through 3/31/2026.

DSS has determined that Xerox Corporation is the sole provider for the required services because the support for the software, programming, consulting, and integration work for the system functionality HRA requires, can only be supplied by NearStar's support and staff, currently provided through Xerox Corporation. NearStar is a sole owner of the software called DataServer and DataDoc that was purchased through Xerox Corporation for use by the NYC HRA.

Any firm or organization that believes it is qualified to provide these services, is invited to respond to the RFI 06924Y0225 [Professional Services for Xerox NearStar DataServer Application].
