

## ACQUISITION FOR ROADWAY IMPROVEMENTS IN ARTHUR KILL ROAD, S.I. DDC CAPITAL PROJECT ID: HWR1140A

The City of New York through its Department of Design and Construction (DDC), proposed to acquire the highlighted street areas below for the reconstruction of roadways, sidewalks and curbs, pedestrian ramps, sewers, and water mains within Arthur Kill Road, Staten Island.

The properties to be acquired are shown below on what is the title sheet of the proposed Damage and Acquisition Map No. 4267. No homes are being acquired in this project. Rather, this proposed acquisition is for lotted and unlotted properties, all within the mapped street.

At the public hearing, DDC will outline the purpose, proposed location and other information about the project. There will be an opportunity to provide comments on the record and for a limited period after the public hearing.

Upon the conclusion of the public hearing, DDC will be available to answer questions as to how the properties to be acquired are impacted.

**Disclaimer:** This flyer and the title sheet of the proposed map is for informational purposes only. The property acquisition details are noted on the public hearing notice, and the latest map is provided at the website link below.

**NYC DDC WEBSITE AND MICROSOFT TEAMS:**

1. Please go to the URL address <https://www.nyc.gov/site/ddc/projects/ProjectAcquisitionEvents.page> to enter the DDC website. See example website view below.

## Project Acquisition Events

The City of New York, acting by and through the Department of Design and Construction (DDC), hosts informational presentations to inform the public about proposed land acquisition, review the plan for public use, and discuss the impact it will have on residents and the environment. DDC encourages the public to attend these events so that we can answer any questions or concerns.

### Registration Prior to the Event

Please register at the link below with your full name, e-mail address, home address, telephone number and any questions/comments you may have.
