May 24, 2021

CERTIFICATE 27789

RESOLVED That the Design Commission, having considered designs for the reconstruction of a plaza (Canal Street Triangle) as part of the Gateways to Chinatown program, Walker Street, Baxter Street, and Canal Street, Manhattan, submitted by the Department of Transportation, represented by exhibits 6617-Q, R & S of record in this matter, hereby gives to the same unanimous final approval with the understanding that (1) the Commission discourages the proliferation of digital signs in the public realm in general, and particularly in parks and similar places intended for the enjoyment of nature and/or historic sites; (2) a digital sign in this location will not negatively change the experience of the plaza; (3) the digital content will be limited to (a) artistic, historic, and cultural content that will be curated by the DOT Art Program in collaboration with a neighborhood cultural institution and (b) sponsorship opportunities will be limited to no more than 10% of the screen and overseen by the Chinatown Partnership Business Improvement District (BID), which will also maintain the plaza; (4) DOT will provide clarification on when the WalkNYC map can be adapted for other frames and contexts; (5) the team will revise the kiosk design by (a) replacing the cylindrical rods with a more durable and less climbable option, such as cables and (b) raising the kiosk structure from the ground for ease of maintenance; and (6) by Fall 2021, the team will submit an updated proposal with the revised kiosk, including (a) final drawings, (b) details on the digital screen resolution, size, and illumination, durability, content management plan and system, maintenance and warranties, life-cycle, and any other feedback from the consultant, and (c) a draft of the maintenance agreement, including a detailed plan for the management of the digital screen. Commissioner Marton recused herself.

Final approval is conditioned upon commencement of work before May 24, 2023 and submission of comprehensive photographic documentation of the completed project consisting of 8" x 10" archival-quality color photographs.
