Speaker, City Council  
City Hall  
New York, NY 10007

Dear Speaker Adams:

In accordance with the requirements of Local Law 199, § 16-1011, this letter serves as an update regarding the Commercial Waste Zone (CWZ) Program.

Please note that no zones were implemented during the previous fiscal year. The first zone, Queens Central, is currently in the transition period and is scheduled for implementation on January 2, 2025. Pre-implementation activities, including customer sign-ups and system setup, are ongoing. As such, disaggregated data by zone and awardee will be included in the report covering Fiscal Year 2025.

DSNY remains committed to fulfilling the requirements of Local Law 199 and will submit the full report by the next reporting deadline of September 30, 2025.

Sincerely,

Frank Marshall
