

Project # SANDRESM1 | Borough: Manhattan | Issue Date: 11/25/2024

The East Side Coastal Resiliency (ESCR) Project is an initiative to provide long-term flood protection on the east side of Manhattan.

Work Begins in East River Park Ballfields 7 & 8

Starting week of December 2nd, 2024

Upcoming deep sewer work requires the closure of Ballfields 7 & 8, as part of the ongoing transition into Phase 2 of construction. Park access will remain via E. Houston Street, the E. 6th Street bridge, and the E. 10th Street bridge, along with access to Stuyvesant Cove Park to the north. Refer to map below for open amenities. Please follow onsite signage. Noise and air monitors are in place.
