GENERAL INFORMATION

HIGHLIGHTS OF RECENT LEGISLATION

The law was amended in 2009 to provide taxpayers with additional time to apply for a refund of the Utility Tax. For tax periods beginning on or after January 1, 2009, Utility Tax refunds may be claimed up to three years from the time the return is filed or two years from the time the tax is paid, the same as the period applying to refunds of General Corporation Tax, Business Corporation Tax, the Unincorporated Business Tax, and the Bank Tax. Administrative Code section 11-1108(a), as amended by Chapter 201 of the Laws of 2009, section 35.

Beginning January 1, 2006, metered sales of energy to tenants of certain cooperative housing corporations are exempted from the City utility tax. The exemption applies to cooperative corporations with at least 1,500 apartments that own or operate a cogeneration facility that was in place before January 1, 2004 (or that replaces such a facility), and that make metered sales of the energy produced for the development's tenants or occupants. See Ad. Code §§11-1101.25, 11-1101.26 and 11-1102(g). A return must still be filed by the cooperative corporation using a tax rate of zero.

For information concerning the Relocation Employment Assistance Program (REAP) see the Department of Finance website at:

Effective for tax periods beginning on and after August 1, 2002, entities that receive eighty percent or more of their gross receipts from charges for the provision of mobile telecommunications services to customers will be taxed as if they were regulated utilities for purposes of the New York City Utility Tax, General Corporation Tax, Business Corporation Tax, Banking Corporation Tax and Unincorporated Business Tax. Thus, such entities will be subject to only the New York City Utility Tax. The amount of gross income subject to tax has been amended to conform to the Federal Mobile Telecommunications Sourcing Act of 2000. In addition, if any such entity is a partnership, its partners will not be subject to the New York City Utility Tax on their distributive share of the income of any such entity. Finally, for tax years beginning on and after August 1, 2002, partners in any such entity will not be subject to General Corporation Tax, Business Corporation Tax, Banking Corporation Tax or Unincorporated Business Tax on their distributive share of the income of any such entity. Laws of New York of 2002, Chapter 93, Part C and Laws of New York of 2015, Chapter 60, Part D.

NOTE: There have been substantial changes to the Energy Cost Savings Program. For information, call 311 or, if outside New York City, 212-NEW-YORK (212-639-9675).

Taxpayers first becoming subject to the utility tax must file monthly returns for every month of the calendar year in which they first become subject to tax.

GENERAL DEFINITIONS

1. **“Gross operating income”** includes (1) receipts from furnishing or selling gas, electricity, steam, water or refrigeration, or furnishing or selling gas, electric, steam, water, refrigeration or telecommunications services, (2) receipts from omnibus services (except limited fare omnibus companies, see Item 3), whether or not a profit is realized, without deduction for any cost, expense or discount paid or 3) for tax periods beginning on or after August 1, 2002, 84 percent of **ALL** charges for mobile telecommunications services to customers where the place of primary use of the customer is in the City. For tax periods beginning on or after August 1, 2002, “Gross operating income” does not include the taxpayer’s distributive share, if any, of income gains, losses and deductions from any partnership subject to the NYC Utility Tax as a utility or vendor of utility services, including its share of separately reported items. Effective for tax periods beginning on and after August 1, 2002, entities that receive eighty percent or more of their gross receipts from charges for the provision of mobile telecommunications services to customers will be taxed as if they were subject to the supervision of the Department of Public Service of the State of New York and will **NOT** be considered vendors of utility services.
