(1) A form or duplicate thereof prepared and distributed by the Bureau substantially completed and sworn to or affirmed by authorized issuing agents which shall constitute a notice of violation when served as hereinafter provided.

(3) For purposes of this definition, authorized issuing agents shall also include special patrolmen appointed by the police commissioner pursuant to subdivision (c) of §14-106 of the administrative code of the City of New York to do special duty at Arlington Terrace in the borough of Staten Island.

**STATEMENT OF BASIS AND PURPOSE
OF RULE AMENDMENT**

The definition of "Notice of Violation (summons)" contained in section 39-01 of the Rules Relating to Parking Violations is being amended to state that special patrolmen of the New York City Hunts Point Terminal Market are authorized to issue notices of parking violation in the City of New York. These special patrolmen, who have been appointed by the police commissioner pursuant to subdivision (c) of §14-106 of the Administrative Code of the City of New York, are responsible for patrolling the heavily trafficked New York City Hunts Point Terminal Market. These officers patrol the streets and parking lots that run into or are adjacent to the New York City Hunts Point Terminal Market. It would therefore be reasonable to authorize the New York City Hunts Point Terminal Market special patrolmen to issue notices of violation to illegally parked vehicles so as to increase compliance with traffic rules and regulations and ultimately enhance public safety.
