

Existing Issue Reoffered

On the date the Bonds were originally issued, Bond Counsel delivered its opinion that interest on the Bonds would be exempt from personal income taxes imposed by the State of New York or any political subdivision thereof, including the City, and assuming continuing compliance with the provisions of the Internal Revenue Code of 1986, as amended, interest on the Bonds would not be includable in the gross income of the owners thereof for federal income tax purposes. In connection with the reoffering of the Bonds, Bond Counsel will deliver its opinion that the conversion of the interest rate on the Bonds to a fixed rate to maturity is authorized by law and will not in and of itself adversely affect the exclusion of interest on the Bonds from gross income for purposes of federal income taxation. See "SECTION III: MISCELLANEOUS" herein for further information.

REOFFERING CIRCULAR OF THE CITY OF NEW YORK

The purpose of this Reoffering Circular, including the cover page, inside cover page and appendices, is to provide information about The City of New York (the “City”) in connection with the conversion by the City of \$50,000,000 aggregate principal amount of its General Obligation Bonds, Fiscal 2005 Series C, Subseries C-3 (the “Bonds”), from the Weekly Rate Mode to the Fixed Rate Mode, and the reoffering of such Bonds.

The Bonds currently bear interest at a Weekly Rate. If certain conditions are met on the conversion date set forth on the cover page of this Reoffering Circular (the “Conversion Date”), from and after the Conversion Date, the Bonds will bear interest in the Fixed Rate Mode. On the Conversion Date, the Bonds will be mandatorily tendered by the Holders thereof for purchase at a price of par, plus accrued interest to the Conversion Date. By this Reoffering Circular, the Bonds are being reoffered. Such Bonds are expected to be delivered to their purchasers on the Conversion Date.

The Bonds are general obligations of the City for the payment of which the City has pledged its faith and credit. All real property subject to taxation by the City is subject to the levy of *ad valorem* taxes, without limitation as to rate or amount, to pay the principal of, applicable redemption premium, if any, and interest on the Bonds.

The factors affecting the City’s financial condition described throughout this Reoffering Circular are complex and are not intended to be summarized in this Introductory Statement. The economic and financial condition of the City may be affected by various financial, social, economic, geo-political and other factors which could have a material effect on the City. This Reoffering Circular (including the information referred to in “Section I: Inclusion By Specific Reference”) should be read in its entirety.

From the date of issuance of the Bonds through the Conversion Date, the payment of the purchase price of the Bonds tendered for purchase has been provided for pursuant to a standby bond purchase agreement (the “Standby Bond Purchase Agreement”) issued by DEPPFA Bank plc, acting through its New York Branch (“DEPPFA”). Effective on the conversion of the Bonds, the Standby Bond Purchase Agreement will be cancelled, the Bonds will not be subject to tender for purchase and DEPPFA will have no liability with respect to the Bonds.

From the date of issuance of the Bonds through the Conversion Date, the scheduled payment of principal of and interest on the Bonds has been insured pursuant to a financial guaranty insurance policy (the “CIFG Policy”) issued by CIFG Assurance North America, Inc. (“CIFG”). Effective on the conversion of the Bonds, the CIFG Policy will be cancelled, the scheduled payment of principal of and interest on the Bonds will not be insured by the CIFG Policy and CIFG will have no liability with respect to the Bonds. Also, on the Conversion Date for the Bonds, an insurance policy from Assured Guaranty Corp. (“Assured Guaranty”) will be in effect covering the scheduled payment of principal of and interest on the Bonds.

APPENDIX B—FINANCIAL STATEMENTS

The Fiscal 2009 Series I Bonds described in such Official Statement are not offered by this Reoffering Circular.

SECTION II: THE BONDS

General

The Bonds are general obligations of the City issued pursuant to the Constitution and laws of the State, including the Local Finance Law (the “LFL”), and the New York City Charter (the “City Charter”) and in accordance with bond resolutions of the Mayor and a certificate of the Deputy Comptroller for Public Finance (the “Certificate”). The Bonds mature and bear interest as described on the inside cover page of this Reoffering Circular and contain a pledge of the City’s faith and credit for the payment of the principal of and interest on the Bonds. All real property subject to taxation by the City is subject to the levy of *ad valorem* taxes, without limitation as to rate or amount, to pay the principal of and interest on the Bonds. Interest on the Bonds, calculated on a 30/360 day basis, will be payable to the registered owners thereof as shown on the registration books of the City on the Record Date (the last business day of the calendar month immediately preceding the applicable interest payment date). The Bonds are being converted from the Weekly Rate Mode to the Fixed Rate Mode.

From the date of issuance of the Bonds through the Conversion Date, the payment of the purchase price of the Bonds tendered for purchase has been provided for pursuant to the Standby Bond Purchase Agreement. Effective on the conversion of the Bonds, the Standby Bond Purchase Agreement will be cancelled, the Bonds will not be subject to tender for purchase and DEPPA will have no liability with respect to the Bonds.

From the date of issuance of the Bonds through the Conversion Date, the scheduled payment of principal of and interest on the Bonds has been insured pursuant to the CIFG Policy. Effective on the conversion of the Bonds, the CIFG Policy will be cancelled, the scheduled payment of principal of and interest on the Bonds will not be insured by the CIFG Policy and CIFG will have no liability with respect to the Bonds. Also, on the Conversion Date for the Bonds, an insurance policy from Assured Guaranty will be in effect covering the scheduled payment of principal of and interest on the Bonds. See “Bond Insurance” below.

Payment Mechanism

Pursuant to the Financial Emergency Act, a general debt service fund (the “General Debt Service Fund” or the “Fund”) has been established for City bonds and certain City notes. Pursuant to the Act, payments of the City real estate tax must be deposited upon receipt in the Fund, and retained under a statutory formula, for the payment of debt service (with exceptions for debt service, such as principal of seasonal borrowings, that is set aside under other procedures). The statutory formula has in recent years resulted in retention of sufficient real estate taxes to comply with the City Covenants (as defined in “—Certain Covenants and Agreements”). If the statutory formula does not result in retention of sufficient real estate taxes to comply with the City Covenants, the City will comply with the City Covenants either by providing for early retention of real estate taxes or by making cash payments into the Fund. The principal of and interest on the Bonds will be paid from the Fund until the Act expires, and thereafter from a separate fund maintained in accordance with the City Covenants. Since its inception in 1978, the Fund has been fully funded at the beginning of each payment period.

If the Control Board determines that retentions in the Fund are likely to be insufficient to provide for the debt service payable therefrom, it must require that additional real estate tax revenues be retained or other cash

resources of the City be paid into the Fund. In addition, the Control Board is required to take such action as it determines to be necessary so that the money in the Fund is adequate to meet debt service requirements. For information regarding the termination date of the Act, see “SECTION III: GOVERNMENT AND FINANCIAL CONTROLS—City Financial Management, Budgeting and Controls—*Financial Emergency Act and City Charter*” included herein by specific reference.

Enforceability of City Obligations

As required by the State Constitution and applicable law, the City pledges its faith and credit for the payment of the principal of and interest on all City indebtedness. Holders of City debt obligations have a contractual right to full payment of principal and interest when due. If the City fails to pay principal or interest, the holder has the right to sue and is entitled to the full amount due, including interest to maturity at the stated rate and at the rate authorized by law thereafter until payment. Under the New York General Municipal Law, if the City fails to pay any money judgment, it is the duty of the City to assess, levy and cause to be collected amounts sufficient to pay the judgment. Decisions indicate that judicial enforcement of statutes such as this provision in the New York General Municipal Law is within the discretion of a court. Other judicial decisions also indicate that a money judgment against a municipality may not be enforceable against municipal property devoted to public use.

The rights of the owners of Bonds to receive interest and principal from the City could be adversely affected by a restructuring of the City’s debt under Chapter 9 of the Federal Bankruptcy Code. No assurance can be given that any priority of holders of City securities (including the Bonds) to payment from money retained in the Fund or from other sources would be recognized if a petition were filed by or on behalf of the City under the Federal Bankruptcy Code or pursuant to other subsequently enacted laws relating to creditors’ rights; such money might then be available for the payment of all City creditors generally. Judicial enforcement of the City’s obligation to make payments into the Fund, of the obligation to retain money in the Fund, of the rights of holders of bonds and notes of the City to money in the Fund, of the obligations of the City under the City Covenants and of the State under the State Pledge and Agreement (in each case, as defined in “—Certain Covenants and Agreements”) may be within the discretion of a court. For further information concerning rights of owners of Bonds against the City, see “SECTION VIII: INDEBTEDNESS—Indebtedness of the City and Certain Other Entities” included herein by specific reference.

Certain Covenants and Agreements

The City has covenanted that: (i) a separate fund or funds for the purpose of paying principal of and interest on bonds and interest on notes of the City (including required payments into, but not from, City sinking funds) shall be maintained by an officer or agency of the State or by a bank or trust company; and (ii) not later than the last day of each month, there shall be on deposit in a separate fund or funds an amount sufficient to pay principal of and interest on bonds and interest on notes of the City due and payable in the next succeeding month. The City currently uses the debt service payment mechanism described above to perform these covenants. The City also covenanted to include as terms of the Bonds the applicable variable rate provisions and to comply with such provisions and the statutory restrictions.

The State pledges and agrees in the Financial Emergency Act that the State will not take any action that will impair the power of the City to comply with the covenants described in the preceding paragraph (the “City Covenants”) or any right or remedy of any owner of the Bonds to enforce the City Covenants (the “State Pledge and Agreement”). The City will covenant to make continuing disclosure with respect to the Bonds (the “Undertaking”) to the extent summarized in “SECTION III: Miscellaneous—Continuing Disclosure Undertaking.” In the opinion of Bond Counsel, the enforceability of the City Covenants, the Undertaking and the State Pledge and Agreement may be subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors’ rights heretofore or hereafter enacted and may also be subject to the exercise of the State’s police powers and of judicial discretion in appropriate cases. The City Covenants, the Undertaking and the State Pledge and Agreement shall be of no force and effect with respect to any Bond if there is a deposit in trust with a bank or trust company of sufficient cash or cash equivalents to pay when due all principal of and interest on such Bond.

Use of Proceeds

The proceeds of the Bonds were used for various municipal capital purposes.

Mandatory Redemption

The Bonds are not subject to mandatory redemption.

Optional Redemption

The Bonds will be subject to redemption at the option of the City, on or after February 15, 2019, in whole or in part, by lot within each maturity and interest rate, on any date, upon 30 days' notice to Bondholders, at par, plus accrued interest to the date of redemption. The City may select amounts, maturities and interest rates for redemption in its sole discretion. On and after any redemption date, interest will cease to accrue on the Bonds called for redemption. Any Bonds that are escrowed to maturity in the future will remain subject to optional redemption by the City.

Bond Insurance

The scheduled payment of principal of and interest on the Bonds will be insured by Assured Guaranty. Information about Assured Guaranty is set forth in Appendix C. A specimen Assured Guaranty financial guaranty insurance policy is set forth in Appendix D.

The payment of principal of and interest on the Bonds by Assured Guaranty, as and when due under the terms set forth in the financial guaranty insurance policy issued in connection with the Bonds, is subject to the risk that Assured Guaranty is unable or unwilling to make such payment. Further, the market price and marketability of the Bonds may be adversely affected by the financial condition or the ratings of Assured Guaranty. In some instances, the value of the insurance on the Bonds could be adversely affected.

Bond Certificates

Book-Entry Only System

The Depository Trust Company ("DTC"), New York, New York, acts as securities depository for the Bonds. Reference to the Bonds under the caption "Bond Certificates" shall mean all Bonds that are deposited with DTC from time to time. The Bonds have been issued as fully-registered bonds registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Bond certificate has been issued for each maturity of the Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world's largest depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity, corporate and municipal debt issues, and money market instruments from over 100 countries that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions, in deposited securities through electronic computerized book-entry transfers and pledges between Direct Participants' accounts, thereby eliminating the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC National Securities Clearing Corporation and Fixed Income Securities Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated securities. Access to the DTC system is also available to both U.S. and non-U.S. securities brokers and dealers, bank, trust companies and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect

Participants”). DTC has Standard & Poor’s highest rating: AAA. The DTC rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com and www.dtc.org.

Purchases of Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC’s records. The ownership interest of each actual purchaser of each Bond (under this caption, “*Book-Entry Only System*,” a “Beneficial Owner”) is in turn to be recorded on the Direct and Indirect Participants records. Beneficial Owners will not receive written confirmation from DTC of their purchase, but Beneficial Owners are expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of Cede & Co. or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee effect no change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC’s records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Direct Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Neither DTC nor Cede & Co. (nor such other DTC nominee) will consent or vote with respect to Bonds unless authorized by a Direct Participant in accordance with DTC’s procedures. Under its usual procedures, DTC mails an omnibus proxy (the “Omnibus Proxy”) to the City as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.’s consenting or voting rights to those Direct Participants to whose accounts the Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption notices shall be sent to DTC. If less than all of the Bonds within a maturity are being redeemed, DTC’s practice is to determine by lot the amount of the interest of each Direct Participant in such maturity to be redeemed.

Payment of redemption proceeds and principal and interest on the Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC’s practice is to credit Direct Participants’ accounts upon DTC’s receipt of funds and corresponding detail information from the City or Fiscal Agent, The Bank of New York Mellon, on the payment date in accordance with their respective holdings shown on DTC’s records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in “street name,” and will be the responsibility of such Participant and not of DTC, the Fiscal Agent, or the City, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds and principal and interest payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the City or the Fiscal Agent, disbursement of such payments to Direct Participants shall be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners shall be the responsibility of Direct and Indirect Participants.

The services of DTC as securities depository with respect to the Bonds may be discontinued at any time by giving reasonable notice to the City or the Fiscal Agent. Under such circumstances, in the event that a successor securities depository is not obtained, Bond certificates will be printed and delivered.

The information-in this section concerning DTC and DTC's book-entry system has been obtained from sources that the City believes to be reliable, but the City takes no responsibility for the accuracy thereof.

No assurance can be given by the City that DTC will make prompt transfer of payments to the Participants or that Participants will make prompt transfer of payments to Beneficial Owners. The City is not responsible or liable for payment by DTC or Participants or for sending transaction statements or for maintaining, supervising or reviewing records maintained by DTC or Participants.

For every transfer and exchange of the Bonds, the Beneficial Owners may be charged a sum sufficient to cover any tax, fee or other charge that may be imposed in relation thereto.

Unless otherwise noted, certain of the information contained in this subsection "*Book-Entry Only System*" has been extracted from information furnished by DTC. Neither the City nor the Underwriters make any representation as to the completeness or the accuracy of such information or as to the absence of material adverse changes in such information subsequent to the date hereof.

SECTION III: MISCELLANEOUS

Tax Matters

In connection with the original issuance of the Bonds, Sidley Austin Brown & Wood LLP (now Sidley Austin LLP) delivered its approving opinion (the "Original Opinion"), which concluded that under then existing law interest on the Bonds would not be includable in the gross income of the owners of the Bonds for purposes of federal income taxation; however, interest on the Bonds would be includable in gross income of the owners thereof retroactive to the date of original issuance of the Bonds in the event of a failure by the City to comply with applicable requirements of the Internal Revenue Code of 1986, as amended (the "Code"), and covenants regarding use, expenditure or investment of the proceeds of the Bonds and the timely payment of certain investment earnings to the United States Treasury. The Original Opinion further concluded that, under then existing law, interest on the Bonds would not be a specific preference item for purposes of the federal individual or corporate alternative minimum tax; however, interest on the Bonds would be includable in the calculation of a corporation's alternative minimum tax and holders may be subject to other federal income tax consequences. In addition, the Original Opinion concluded that, under then existing law, interest on the Bonds would be exempt from personal income taxes of the State of New York and its political subdivisions.

A copy of the Original Opinion is contained in Appendix A to this Reoffering Circular.

On the Conversion Date of the interest rate on the Bonds to a fixed rate to maturity, as herein contemplated, Sidley Austin LLP, New York, New York, Bond Counsel, will deliver its opinion (the "Supplemental Opinion") to the effect that such conversion is authorized by law and will not in and of itself adversely affect the exclusion of interest on the Bonds from gross income for purposes of federal income taxation.

A copy of the Supplemental Opinion is contained in Appendix B to this Reoffering Circular.

Ownership of tax exempt obligations may result in collateral tax consequences to certain taxpayers, including, without limitation, financial institutions, property and casualty insurance companies, certain foreign corporations doing business in the United States, certain S Corporations with excess passive income, individual recipients of Social Security or railroad retirement benefits, taxpayers eligible for the earned income tax credit and taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry tax exempt obligations. Prospective purchasers of the Bonds should consult their tax advisors as to the applicability of any such collateral consequences.

The excess, if any, of the tax basis of the Bonds purchased by a purchaser (other than a purchaser who holds the Bonds as inventory, stock in trade or for sale to customers in the ordinary course of business) over the amount payable at maturity is "bond premium." Bond premium is amortized over the term of the Bonds

for federal income tax purposes. Owners of the Bonds are required to decrease their adjusted basis in the Bonds by the amount of amortizable bond premium attributable to each taxable year the Bonds are held. The amortizable bond premium on the Bonds attributable to a taxable year is not deductible for federal income tax purposes; however, bond premium is treated as an offset to qualified stated interest received on the Bonds. Owners of such Bonds should consult their tax advisors with respect to the determination for federal income tax purposes of the treatment of bond premiums upon sale or other disposition of such Bonds and with respect to the state and local tax consequences of owning and disposing of such Bonds.

Interest paid on tax-exempt obligations will be subject to information reporting in a manner similar to interest paid on taxable obligations. Although such reporting requirement does not, in and of itself, affect the excludability of interest on the Bonds from gross income for federal income tax purposes, such reporting requirement causes the payment of interest on the Bonds to be subject to backup withholding if such interest is paid to beneficial owners who (a) are not “exempt recipients,” and (b) either fail to provide certain identifying information (such as the beneficial owner’s taxpayer identification number) in the required manner or have been identified by the Internal Revenue Service (the “IRS”) as having failed to report all interest and dividends required to be shown on their income tax return. Generally, individuals are not exempt recipients, whereas corporations and certain other entities generally are exempt recipients. Amounts withheld under the backup withholding rules from a payment to a beneficial owner would be allowed as a refund or a credit against such beneficial owner’s federal income tax liability provided the required information is furnished to the IRS.

Future Tax Developments

Future legislative proposals, if enacted into law, regulations, rulings or court decisions may cause interest on the Bonds to be subject, directly or indirectly, to federal income taxation or interest on the Bonds to be subject to State or local income taxation, or otherwise prevent beneficial owners from realizing the full current benefit of the tax status of such interest. Further, legislation or regulatory actions and proposals may affect the economic value of the federal or state tax exemption or the market value of the Bonds. Prospective purchasers of the Bonds should consult their own tax advisors regarding any pending or proposed federal or State tax legislation, regulations, rulings or litigation, as to which Bond Counsel expresses no opinion.

Legal Opinions

The legality of the conversion of the Bonds will be covered by the approving legal opinion of Sidley Austin LLP, New York, New York, Bond Counsel to the City. Such firm is also acting as counsel for and against the City in certain other unrelated matters.

Certain legal matters will be passed upon for the City by its Corporation Counsel.

Orrick, Herrington & Sutcliffe LLP, New York, New York, Special Disclosure Counsel to the City, will pass upon certain legal matters in connection with the preparation of this Reoffering Circular.

Certain legal matters will be passed upon for the Underwriters by Hawkins Delafield & Wood LLP, New York, New York, counsel for the Underwriters.

Continuing Disclosure Undertaking

As authorized by the Act, and to the extent that (i) Rule 15c2-12 (the “Rule”) of the Securities and Exchange Commission (“SEC”) under the Securities Exchange Act of 1934, as amended (the “1934 Act”) requires the underwriters (as defined in the Rule) of Securities offered hereby (under this caption, if subject to the Rule, the “securities”) to determine, as a condition to purchasing the securities, that the City has covenanted to the effect of the Undertakings, and (ii) the Rule as so applied is authorized by a federal law that as so

construed is within the powers of Congress, the City has agreed with the record and beneficial owners from time to time of the outstanding securities (under this caption, if subject to the Rule, "Bondholders") to provide:

(a) within 185 days after the end of each fiscal year to each nationally recognized municipal securities information repository and to any New York State information depository, core financial information and operating data for the prior fiscal year, including (i) the City's audited general purpose financial statements, prepared in accordance with generally accepted accounting principles in effect from time to time, and (ii) material historical quantitative data on the city's revenue, expenditures, financial operations and indebtedness generally of the type found in Sections IV, V and VIII and under the captions "2004-2008 Summary of Operations" in Sections VI and "Pension Systems" in Section IX; included by specific reference in Section I hereof; and

(b) in a timely manner, to each nationally recognized municipal securities information repository or to the Municipal Securities Rulemaking Board, and to any New York State information depository, notice of any of the following events with respect to the securities, if material:

- (1) principal and interest payment delinquencies;
- (2) non-payment related defaults;
- (3) unscheduled draws on debt service reserves reflecting financial difficulties;
- (4) unscheduled draws on credit enhancements reflecting financial difficulties;
- (5) substitution of credit or liquidity providers, or their failure to perform;
- (6) adverse tax opinions or events affecting the tax-exempt status of the security;
- (7) modifications to rights of security holders;
- (8) bond calls;
- (9) defeasances;
- (10) release, substitution, or sale of property securing repayment of the securities;
- (11) rating changes; and
- (12) failure of the City to comply with clause (a) above.

Event (3) is included pursuant to a letter from the SEC staff to the National Association of Bond Lawyers dated September 19, 1995. However, event (3) may not be applicable, since the terms of the securities do not provide for "debt service reserves."

Events (4) and (5). The City does not undertake to provide any notice with respect to credit enhancement added after the primary offering of the securities, unless the City applies for or participates in obtaining the enhancement.

Event (6) is relevant only to the extent interest on the securities is tax-exempt.

Event (8). The City does not undertake to provide the above-described event notice of mandatory scheduled redemption, not otherwise contingent upon the occurrence of an event, if (i) the terms, dates and amounts of redemption are set forth in detail in the final official statement (as defined in the Rule), (ii) the only open issue is which securities will be redeemed in the case of a partial redemption, (iii) notice of redemption is given to the Bondholders as required under the terms of the securities and (iv) public notice of redemption is given pursuant to Exchange Act Release No. 23856 of the SEC, even if the originally scheduled amounts are reduced prior to optional redemptions or security purchases.

At the date hereof, there is no New York State information depository and the nationally recognized municipal securities information repositories are: Bloomberg Municipal Repository, 100 Business Park Drive, Skillman, New Jersey 08558; Standard & Poor's Securities Evaluations, Inc., 55 Water Street, 45th Floor, New York, New York 10041; DPC Data Inc., One Executive Drive, Fort Lee, New Jersey 07024; and Interactive Data Pricing and Reference Data, Inc., 100 William Street, New York, New York 10038, Attn: NRMSIR. Filings may be made either directly with such repositories or through a central information repository approved in accordance with Rule 15c2-12.

No Bondholder may institute any suit, action or proceeding at law or in equity (“Proceeding”) for the enforcement of the Undertaking or for any remedy for breach thereof, unless such Bondholder shall have filed with the Corporation Counsel of the City evidence of ownership and a written notice of and request to cure such breach, and the City shall have refused to comply within a reasonable time. All Proceedings shall be instituted only as specified herein, in the federal or State courts located in the Borough of Manhattan, State and City of New York, and for the equal benefit of all holders of the outstanding securities benefitted by the same for a substantially similar covenant, and no remedy shall be sought or granted other than specific performance of the covenant at issue.

Any amendment to the Undertaking may only take effect if:

(a) the amendment is made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature, or status of the City, or type of business conducted; the Undertaking, as amended, would have complied with the requirements of the Rule at the time of award of the securities after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and the amendment does not materially impair the interests of Bondholders, as determined by parties unaffiliated with the City (such as, but without limitation, the City’s financial advisor or bond counsel); and the annual financial information containing (if applicable) the amended operating data of financial information will explain, in a narrative form, the reasons for the amendment and the “impact” (as that word is used in the letter from the staff of the SEC to the National Association of Bond Lawyers dated June 23, 1995) of the change in the type of operating data or financial information being provided; or

(b) all or any part of the Rule, as interpreted by the staff of the SEC at the date of the Undertaking, ceases to be in effect for any reason, and the City elects that the Undertaking shall be deemed terminated or amended (as the case may be) accordingly.

For purpose of the Undertaking, a beneficial owner of a security includes any person who, directly or indirectly, through any contract, arrangement, undertaking, relationship or otherwise has or shares investment power which includes the power to dispose, or to direct the disposition of, such security, subject to certain exceptions, as set forth in the Understanding. An assertion of benefit ownership must be filed, with full documentary support, as part of the written request to the Corporation Counsel described above.

Underwriting

The Bonds are being purchased for reoffering by the Underwriters for whom Morgan Stanley & Co. Incorporated is acting as lead manager. The compensation for services rendered in connection with the underwriting of the Bonds shall be \$320,073.93. All of the Bonds will be purchased if any are purchased.

J.P. Morgan Securities Inc. has entered into an agreement (the “Distribution Agreement”) with UBS Financial Services Inc. for the retail distribution of certain municipal securities offerings, including the Bonds, at the original reoffering prices. Pursuant to the Distribution Agreement, J.P. Morgan Securities Inc. will share a portion of its underwriting compensation with respect to the Bonds with UBS Financial Services Inc.

Ratings

As fixed rate bonds, the ratings will be based on an insurance policy to be issued by Assured Guaranty. The City expects the Bonds to be rated “Aa2” by Moody’s Investors Service, Inc. (“Moody’s”) and “AAA” by Fitch, Inc. (“Fitch”) and, upon conversion, are expected to be rated “AAA” by Standard & Poor’s Ratings Services (“Standard & Poor’s”). Such ratings reflect only the views of Moody’s, Standard & Poor’s and Fitch from which an explanation of the significance of such ratings may be obtained. There is no assurance that such ratings will continue for any given period of time or that they will not be revised downward or withdrawn entirely. Any such downward revision or withdrawal could have an adverse effect on the market prices of such bonds.

HONORABLE WILLIAM C. THOMPSON, JR.
COMPTROLLER
The City of New York
Municipal Building
New York, New York 10007

Dear Comptroller Thompson:

We have acted as counsel to The City of New York (the “City”), a municipal corporation of the State of New York (the “State”), in the issuance of its General Obligation Bonds, Fiscal 2005 Series C (the “Bonds”).

The Bonds are issued pursuant to the provisions of the Constitution of the State, the Local Finance Law of the State, and the Charter of the City, and in accordance with a certificate of the Deputy Comptroller for Public Finance and related proceedings (the “Certificate”).

Based on our examination of existing law, such legal proceedings and such other documents as we deem necessary to render this opinion, we are of the opinion that:

1. The Bonds have been duly authorized, executed and issued in accordance with the Constitution and statutes of the State and the Charter of the City and constitute valid and legally binding obligations of the City for the payment of which the City has validly pledged its faith and credit, and all real property within the City subject to taxation by the City is subject to the levy by the City of *ad valorem* taxes, without limit as to rate or amount, for payment of the principal of and interest on the Bonds.

2. Interest on the Bonds is exempt from personal income taxes imposed by the State or any political subdivision thereof, including the City.

3. Except as provided in the following sentence, interest on the Subseries C-1, C-2 and C-3 Bonds (the “Tax-Exempt Bonds”) is not includable in the gross income of the owners of the Tax-Exempt Bonds for purposes of federal income taxation under existing law. Interest on the Tax-Exempt Bonds will be includable in the gross income of the owners thereof retroactive to the date of issue of the Tax-Exempt Bonds in the event of a failure by the City to comply with the applicable requirements of the Internal Revenue Code of 1986, as amended (the “Code”), and the covenants regarding use, expenditure and investment of bond proceeds and the timely payment of certain investment earnings to the United States Treasury; and we render no opinion as to the exclusion from gross income of interest on the Tax-Exempt Bonds for federal income tax purposes on or after the date on which any action is taken under the Bond proceedings upon the approval of counsel other than ourselves.

4. Interest on the Tax-Exempt Bonds is not a specific preference item for purposes of the federal individual or corporate alternative minimum tax. The Code contains other provisions that could

result in tax consequences, upon which we render no opinion, as a result of ownership of such Bonds or the inclusion in certain computations (including without limitation those related to the corporate alternative minimum tax) of interest that is excluded from gross income.

5. The excess, if any, of the amount payable at maturity of any maturity of the Tax-Exempt Bonds over the initial offering price of such Bonds to the public at which price a substantial amount of such maturity is sold represents original issue discount which is excluded from gross income for federal income tax purposes to the same extent as interest on the Tax-Exempt Bonds. The Code further provides that such original issue discount excluded as interest accrues in accordance with a constant interest method based on the compounding of interest, and that a holder's adjusted basis for purposes of determining a holder's gain or loss on disposition of Tax-Exempt Bonds with original issue discount will be increased by the amount of such accrued interest.

The rights of the owners of the Bonds and the enforceability thereof may be subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted, to the extent constitutionally applicable, and the enforcement of related contractual and statutory covenants of the City and the State may also be subject to the exercise of the State's police powers and of judicial discretion in appropriate cases.

The opinions expressed herein are based on an analysis of existing laws, regulations, rulings and court decisions. Such opinions may be adversely affected by actions taken or events occurring, including a change in law, regulation or ruling (or in the application or official interpretation of any law, regulation or ruling) after the date hereof. We have not undertaken to determine, or to inform any person, whether such actions are taken or such events occur and we have no obligation to update this opinion in light of such actions or events.

Very truly yours,

Sidley Austin Brown & Wood LLP

The City of New York

The Bank of New York Mellon
as Fiscal Agent

Morgan Stanley & Co. Incorporated
and the other Underwriters

We have acted as Bond Counsel to The City of New York in connection with the conversion of its General Obligation Bonds, Fiscal 2005 Series C, Subseries C-3 (the "Bonds") to a fixed rate through the adoption of the Supplemental Certificate, dated April 16, 2009, of the Deputy Comptroller for Public Finance (the "Supplemental Certificate"). This letter is delivered pursuant to the Supplemental Certificate and to the Certificate identified therein (the "Certificate").

As Bond Counsel, we have examined a transcript of proceedings relating to the Supplemental Certificate and have reviewed such questions of law and made such other inquiries as we have considered appropriate for the purpose of this opinion.

In our opinion, based upon the foregoing, the Supplemental Certificate and the actions ordered thereby are authorized by law and the Certificate and will not have an adverse effect on the exclusion from gross income for federal income tax purposes of interest on the Bonds as set forth in our opinion delivered with such Bonds. We render no opinion hereby as to the exclusion from gross income of the interest on the Bonds for federal income tax purposes. Furthermore, in rendering this opinion, we have not obtained, verified or reviewed any information concerning any event, except as aforesaid, that might have occurred subsequent to the original issuance of the Bonds, that might affect the exclusion from gross income of the interest on such Bonds for federal income tax purposes.

The opinions expressed herein are based on an analysis of existing laws, regulations, rulings and court decisions. Such opinions may be adversely affected by actions taken or events occurring, including a change in law, regulation or ruling (or in the application or official interpretation of any law, regulation or ruling) after the date hereof. We have not undertaken to determine, or to inform any person, whether such actions are taken or such events occur and we have no obligation to update this opinion in light of such actions or events.

BOND INSURANCE

The following information pertaining to Assured Guaranty Corp. (“Assured Guaranty” or the “Insurer”) has been supplied by Assured Guaranty. The City makes no representation as to the accuracy or adequacy of such information or as to the absence of material adverse changes in such information subsequent to the dates indicated. Summaries of or references to the financial guaranty insurance policy (the “Policy”) to be issued by Assured Guaranty are made subject to all the detailed provisions thereof to which reference is hereby made for further information and do not purport to be complete statements of any or all such provisions. See “APPENDIX D—SPECIMEN FINANCIAL GUARANTY INSURANCE POLICY.”

The Insurance Policy

Assured Guaranty has made a commitment to issue the Policy relating to the Bonds, effective as of the date of issuance of such Bonds. Under the terms of the Policy, Assured Guaranty will unconditionally and irrevocably guarantee to pay that portion of principal of and interest on the Bonds that becomes Due for Payment but shall be unpaid by reason of Nonpayment (the “Insured Payments”). Insured Payments shall not include any additional amounts owing by the City solely as a result of the failure by the Trustee or the Paying Agent to pay such amount when due and payable, including without limitation any such additional amounts as may be attributable to penalties or to interest accruing at a default rate, to amounts payable in respect of indemnification, or to any other additional amounts payable by the Trustee or the Paying Agent by reason of such failure. The Policy is non-cancelable for any reason, including without limitation the non-payment of premium.

“Due for Payment” means, when referring to the principal of the Bonds, the stated maturity date thereof, or the date on which such Bonds shall have been duly called for mandatory sinking fund redemption, and does not refer to any earlier date on which payment is due by reason of a call for redemption (other than by mandatory sinking fund redemption), acceleration or other advancement of maturity (unless Assured Guaranty in its sole discretion elects to make any principal payment, in whole or in part, on such earlier date) and, when referring to interest on such Bonds, means the stated dates for payment of interest.

“Nonpayment” means the failure of the City to have provided sufficient funds to the Trustee or the Paying Agent for payment in full of all principal and interest Due for Payment on the Bonds. It is further understood that the term Nonpayment in respect of a Bond also includes any amount previously distributed to the Holder (as such term is defined in the Policy) of such Bond in respect of any Insured Payment by or on behalf of the City, which amount has been recovered from such Holder pursuant to the United States Bankruptcy Code in accordance with a final, nonappealable order of a court having competent jurisdiction that such payment constitutes an avoidable preference with respect to such Holder. Nonpayment does not include nonpayment of principal or interest caused by the failure of the Trustee or the Paying Agent to pay such amount when due and payable.

Assured Guaranty will pay each portion of an Insured Payment that is Due for Payment and unpaid by reason of Nonpayment, on the later to occur of (i) the date such principal or interest becomes Due for Payment, or (ii) the business day next following the day on which Assured Guaranty shall have received a completed notice of Nonpayment therefor in accordance with the terms of the Policy.

Assured Guaranty shall be fully subrogated to the rights of the Holders of the Bonds to receive payments in respect of the Insured Payments to the extent of any payment by Assured Guaranty under the Policy.

The Policy is not covered by any insurance or guaranty fund established under New York, California, Connecticut or Florida insurance law.

The Insurer

Assured Guaranty Corp. (“Assured Guaranty”) is a Maryland-domiciled insurance company regulated by the Maryland Insurance Administration and licensed to conduct financial guaranty insurance business in all fifty states of the United States, the District of Columbia and Puerto Rico. Assured Guaranty commenced operations in 1988. Assured Guaranty is a wholly owned, indirect subsidiary of Assured Guaranty Ltd. (“AGL”), a Bermuda-based holding company whose shares are publicly traded and are listed on the New York Stock Exchange under the symbol “AGO.” AGL, through its operating subsidiaries, provides credit enhancement products to the U.S. and global public finance, structured finance and mortgage markets. Neither AGL nor any of its shareholders is obligated to pay any debts of Assured Guaranty or any claims under any insurance policy issued by Assured Guaranty.

Assured Guaranty is subject to insurance laws and regulations in Maryland and in New York (and in other jurisdictions in which it is licensed) that, among other things, (i) limit Assured Guaranty’s business to financial guaranty insurance and related lines, (ii) prescribe minimum solvency requirements, including capital and surplus requirements, (iii) limit classes and concentrations of investments, (iv) regulate the amount of both the aggregate and individual risks that may be insured, (v) limit the payment of dividends by Assured Guaranty, (vi) require the maintenance of contingency reserves, and (vii) govern changes in control and transactions among affiliates. Certain state laws to which Assured Guaranty is subject also require the approval of policy rates and forms.

Assured Guaranty’s financial strength is rated “AAA” (stable) by Standard & Poor’s, a division of The McGraw-Hill Companies, Inc. (“S&P”), “AAA” (stable) by Fitch, Inc. (“Fitch”) and “Aa2” (stable) by Moody’s Investors Service, Inc. (“Moody’s”). Each rating of Assured Guaranty should be evaluated independently. An explanation of the significance of the above ratings may be obtained from the applicable rating agency. The above ratings are not recommendations to buy, sell or hold any security, and such ratings are subject to revision or withdrawal at any time by the rating agencies. Any downward revision or withdrawal of any of the above ratings may have an adverse effect on the market price of any security guaranteed by Assured Guaranty. Assured Guaranty does not guaranty the market price of the securities it guarantees, nor does it guaranty that the ratings on such securities will not be revised or withdrawn.

Financial Guaranty Insurance Policy

Issuer:

Policy No.:

Obligations:

Premium:

Effective Date:

Assured Guaranty Corp., a Maryland corporation ("Assured Guaranty"), in consideration of the payment of the Premium and on the terms and subject to the conditions of this Policy (which includes each endorsement hereto), hereby unconditionally and irrevocably agrees to pay to the trustee (the "Trustee") or the paying agent (the "Paying Agent") for the Obligations (as set forth in the documentation providing for the issuance of and securing the Obligations) for the benefit of the Holders that portion of the Insured Payments which shall become Due for Payment but shall be unpaid by reason of Nonpayment.

Assured Guaranty will make such Insured Payments to the Trustee or the Paying Agent on the later to occur of (i) the date applicable principal or interest becomes Due for Payment, or (ii) the Business Day next following the day on which Assured Guaranty shall have Received a completed Notice of Nonpayment. If a Notice of Nonpayment by Assured Guaranty is incomplete or does not in any instance conform to the terms and conditions of this Policy, it shall be deemed not Received, and Assured Guaranty shall promptly give notice to the Trustee or the Paying Agent. Upon receipt of such notice, the Trustee or the Paying Agent may submit an amended Notice of Nonpayment. The Trustee or the Paying Agent will disburse the Insured Payments to the Holders only upon receipt by the Trustee or the Paying Agent in form reasonably satisfactory to it of (i) evidence of the Holder's right to receive such payments, and (ii) evidence, including without limitation any appropriate instruments of assignment, that all of the Holder's rights to payment of such principal or interest Due for Payment shall hereupon vest in Assured Guaranty. Upon and to the extent of such disbursement, Assured Guaranty shall become the Holder of the Obligations, any appurtenant coupon thereto and right to receipt of payment of principal thereof or interest thereon, and shall be fully subrogated to all of the Holder's right, title and interest thereunder, including without limitation the right to receive payments in respect of the Obligations. Payment by Assured Guaranty to the Trustee or the Paying Agent for the benefit of the Holders shall discharge the obligation of Assured Guaranty under this Policy to the extent of such payment.

This Policy is non-cancelable by Assured Guaranty for any reason. The Premium on this Policy is not refundable for any reason. This Policy does not insure against loss of any prepayment premium or other acceleration payment which at any time may become due in respect of any Obligation, other than at the sole option of Assured Guaranty, nor against any risk other than Nonpayment.

Except to the extent expressly modified by any endorsement hereto, the following terms shall have the meanings specified for all purposes of this Policy. "Avoided Payment" means any amount previously distributed to a Holder in respect of any Insured Payment by or on behalf of the Issuer, which amount has been recovered from such Holder pursuant to the United States Bankruptcy Code in accordance with a final, nonappealable order of a court having competent jurisdiction that such payment constitutes an avoidable preference with respect to such Holder. "Business Day" means any day other than (i) a Saturday or Sunday, (ii) any day on which the offices of the Trustee, the Paying Agent or Assured Guaranty are closed, or (iii) any day on which banking institutions are authorized or required by law, executive order or governmental decree to be closed in the City of New York or in the State of Maryland. "Due for Payment" means (i) when referring to the principal of an Obligation, the stated maturity date thereof, or the date on which such Obligation shall have been duly called for mandatory sinking fund redemption, and does not refer to any earlier date on which payment is due by reason of a call for redemption (other than by mandatory sinking fund redemption), acceleration or other advancement of maturity (unless Assured Guaranty in its sole discretion elects to make any principal payment, in whole or in part, on such earlier date) and (ii) when referring to interest on an Obligation, the stated date for payment of such interest. "Holder" means, in respect of any Obligation, the person or entity who, at the time of Nonpayment, is entitled under the terms of such Obligation to payment of principal or interest thereunder, except that Holder shall not include the Issuer or any person or entity whose direct or indirect obligation constitutes the underlying security for the Obligations. "Insured Payments" means that portion of the principal of and interest on the Obligations that shall become Due for Payment but shall be unpaid by reason of Nonpayment. Insured Payments shall not include any additional amounts owing by the Issuer solely as a result of the failure by the Trustee or the Paying Agent to pay such amount when due and payable, including without limitation any such additional amounts as may be attributable to penalties or to interest accruing at a default rate, to amounts payable in respect of indemnification, or to any other additional amounts payable by the Trustee or the Paying Agent by reason of such failure. "Nonpayment" means, in respect of an Obligation, the failure of the Issuer to have provided sufficient funds to the Trustee or the Paying Agent for payment in full of all principal and interest Due for Payment on such Obligation. It is further understood that the term "Nonpayment" in respect of an Obligation includes any Avoided Payment. "Receipt" or "Received" means actual receipt or notice of or, if notice is given by overnight or other delivery service, or by certified or registered United States mail, by a delivery receipt signed by a person authorized to accept delivery on behalf of the person to whom the notice was given. Notices to Assured Guaranty may be mailed by registered mail or personally delivered or telecopied to it at 1325 Avenue of the Americas, New York, New York 10019, Telephone Number: (212) 974-0100, Facsimile Number: (212) 581-3268, Attention: Risk Management Department - Public Finance Surveillance, with a copy to the General Counsel, or to such other address as shall be specified by Assured Guaranty to the Trustee or the Paying Agent in writing. A Notice of Nonpayment will be deemed to be Received by Assured Guaranty on a given Business Day if it is Received prior to 12:00 noon (New York City time) on such Business Day; otherwise it will be deemed Received on the next Business Day. "Term" means the period from and including the Effective Date until the earlier of (i) the maturity date for the Obligations, or (ii) the date on which the Issuer has made all payments required to be made on the Obligations.

At any time during the Term of this Policy, Assured Guaranty may appoint a fiscal agent (the "Fiscal Agent") for purposes of this Policy by written notice to the Trustee or the Paying Agent, specifying the name and notice address of such Fiscal Agent. From and after the date of Receipt of such notice by the Trustee or the Paying Agent, copies of all notices and documents required to be delivered to Assured Guaranty pursuant to this Policy shall be delivered simultaneously to the Fiscal Agent and to Assured Guaranty. All payments required to be made by Assured Guaranty under this Policy may be made directly by Assured Guaranty or by the Fiscal Agent on behalf of Assured Guaranty. The Fiscal Agent is the agent of Assured Guaranty only, and the Fiscal Agent shall in no event be liable to the Trustee or the Paying Agent for any acts of the Fiscal Agent or any failure of Assured Guaranty to deposit, or cause to be deposited, sufficient funds to make payments due under this Policy.

To the fullest extent permitted by applicable law, Assured Guaranty hereby waives, in each case for the benefit of the Holders only, all rights and defenses of any kind (including, without limitation, the defense of fraud in the inducement or in fact or any other circumstance that would have the effect of discharging a surety, guarantor or any other person in law or in equity) that may be available to Assured Guaranty to deny or avoid payment of its obligations under this Policy in accordance with the express provisions hereof. Nothing in this paragraph will be construed (i) to waive, limit or otherwise impair, and Assured Guaranty expressly reserves, Assured Guaranty's rights and remedies, including, without limitation, its right to assert any claim or to pursue recoveries (based on contractual rights, securities law violations, fraud or other causes of action) against any person or entity, in each case, whether directly or acquired as a subrogee, assignee or otherwise, subsequent to making any payment to the Trustee or the Paying Agent, in accordance with the express provisions hereof, and/or (ii) to require payment by Assured Guaranty of any amounts that have been previously paid or that are not otherwise due in accordance with the express provisions of this Policy.

This Policy (which includes each endorsement hereto) sets forth in full the undertaking of Assured Guaranty with respect to the subject matter hereof, and may not be modified, altered or affected by any other agreement or instrument, including, without limitation, any modification thereto or amendment thereof. THIS POLICY IS NOT COVERED BY THE PROPERTY/CASUALTY INSURANCE SECURITY FUND SPECIFIED IN ARTICLE 76 OF THE NEW YORK INSURANCE LAW. This Policy will be governed by, and shall be construed in accordance with, the laws of the State of New York.

IN WITNESS WHEREOF, Assured Guaranty has caused this Policy to be affixed with its corporate seal, to be signed by its duly authorized officer, and to become effective and binding upon Assured Guaranty by virtue of such signature.
