

NEW ISSUE

In the opinion of Fulbright & Jaworski L.L.P., Bond Counsel to the City for Tax Matters, interest on the Bonds will be exempt from personal income taxes imposed by the State of New York or any political subdivision thereof, including the City, and assuming continuing compliance with the provisions of the Internal Revenue Code of 1986, as amended, as described herein, interest on the Bonds will be excludable from the gross income of the owners thereof for federal income tax purposes. See “SECTION III: MISCELLANEOUS—Tax Matters” for further information.

\$180,000,000

The City of New York

General Obligation Bonds, Fiscal 2013 Series F Subseries F-3

ADJUSTABLE RATE BONDS

Dated: Date of Delivery Price: 100% CUSIP*: 64966KTD5 Due: March 1, 2042

The Bonds will be issued as registered bonds. The Bonds will be registered in the nominee name of The Depository Trust Company, New York, New York, which will act as securities depository for the Bonds.

The Bonds will initially bear interest in the Daily Rate Mode. Merrill Lynch, Pierce, Fenner & Smith Incorporated is the Underwriter and Remarketing Agent for the Bonds. The Bonds are subject to redemption and to optional and mandatory tender under the circumstances described herein. Payment of the Purchase Price of the Bonds tendered for purchase as described herein and not remarketed will be made pursuant and subject to the terms of the Liquidity Facility described herein provided by Bank of America, N.A. (in such capacity, the “Bank”), which is scheduled to terminate on March 18, 2016. The obligation of the Bank to purchase tendered Bonds pursuant to the terms of the Liquidity Facility can be terminated or suspended under certain circumstances as described herein. See “SECTION II: THE BONDS—Liquidity Facility.” In the event of a failure to remarket the Bonds and a failure by the Bank to purchase such Bonds, the City may, but is not obligated to, purchase such Bonds. Upon any such failure the Bonds will continue to be held by the tendering holders and will bear interest at the Maximum Rate.

The Bonds will be issued initially in Authorized Denominations of \$100,000 or any integral multiple of \$5,000 in excess of \$100,000. Other terms of the Bonds including interest rates, interest payment dates, mandatory and optional redemption and tender provisions are described herein.

The Bonds are offered subject to prior sale, when, as and if issued by the City and accepted by the Underwriter, subject to the approval of the legality of the Bonds by Sidley Austin LLP, New York, New York, Bond Counsel to the City, and to certain other conditions. Certain legal matters will be passed upon for the City by Fulbright & Jaworski L.L.P., New York, New York, Bond Counsel to the City for Tax Matters. Certain legal matters in connection with the preparation of this Official Statement will be passed upon for the City by Orrick, Herrington & Sutcliffe LLP, New York, New York, Special Disclosure Counsel to the City. Certain legal matters will be passed upon for the Underwriter by Squire Sanders (US) LLP, New York, New York, and D. Seaton and Associates, New York, New York, Co-Counsel to the Underwriter. It is expected that the Bonds will be available for delivery in New York, New York, on or about March 19, 2013.

**OFFICIAL STATEMENT
OF
THE CITY OF NEW YORK**

This Official Statement provides certain information concerning The City of New York (the “City”) in connection with the sale by the City of \$180,000,000 aggregate principal amount of its tax-exempt General Obligation Bonds, Fiscal 2013 Series F, Subseries F-3 (the “Adjustable Rate Bonds” or the “Bonds”). In addition to the Adjustable Rate Bonds, \$972,510,000 of the City’s General Obligation Bonds, Fiscal 2013 Series F, Subseries F-1 and F-2 (the “Fiscal 2013 Series F-1 and F-2 Bonds”), Series G and Series H (collectively, the “Fixed Rate Bonds”) will be issued as fixed rate bonds, which are described in a separate official statement and are not offered hereby. The delivery of the Adjustable Rate Bonds is contingent upon the delivery of the Fiscal 2013 Series F-1 and F-2 Bonds. Certain capitalized terms used herein and not otherwise defined will have the meanings ascribed thereto in Appendix A.

The Bonds will be general obligations of the City for the payment of which the City will pledge its faith and credit. All real property subject to taxation by the City will be subject to the levy of *ad valorem* taxes, without limitation as to rate or amount, to pay the principal of and interest on the Bonds.

The factors affecting the City’s financial condition described throughout this Official Statement, including information included by specific reference as described below, are complex and are not intended to be summarized in this Introductory Statement. The economic and financial condition of the City may be affected by various financial, social, economic, geo-political and other factors which could have a material effect on the City. This Official Statement (including the information referred to in “SECTION I: INCLUSION BY SPECIFIC REFERENCE”) should be read in its entirety.

Neither this Official Statement nor any statement which may have been made orally or in writing shall be construed as a contract or as a part of a contract with the original purchaser or any holders of the Bonds.

SECTION I: INCLUSION BY SPECIFIC REFERENCE

Portions of the City’s Official Statement dated March 1, 2013 (the “Fixed Rate Official Statement”), delivered herewith and relating to the Fixed Rate Bonds, subject to the information contained elsewhere herein, are included herein by specific reference, namely the information under the captions:

APPENDIX A—ECONOMIC AND DEMOGRAPHIC INFORMATION

APPENDIX B—FINANCIAL STATEMENTS

APPENDIX E—VARIABLE RATE DEMAND BONDS

The Fixed Rate Bonds described in the Fixed Rate Official Statement are not offered by this Official Statement.

Concurrently with the issuance of the Bonds and the Fixed Rate Bonds, the City expects to convert \$88,640,000 principal amount of its bonds from daily and weekly variable rates to fixed rates and \$248,120,000 principal amount of its bonds from daily and weekly rates to indexed rates. Such conversions are described in separate reoffering circulars and not offered hereby.

SECTION II: THE BONDS

General

The Bonds will be general obligations of the City issued pursuant to the Constitution and laws of the State, including the Local Finance Law (the “LFL”), and the New York City Charter (the “City Charter”) and in accordance with bond resolutions of the Mayor and a certificate of the Deputy Comptroller for Public Finance (the “Certificate”). The Bonds will mature and bear interest as described on the cover page of this Official Statement and will contain a pledge of the City’s faith and credit for the payment of the principal of, redemption premium, if any, and interest on the Bonds. All real property subject to taxation by the City will be subject to the levy of *ad valorem* taxes, without limitation as to rate or amount, to pay the principal of and interest on the Bonds.

Adjustable Rate Bonds

For additional terms of the Bonds not included in this SECTION II see the cover page, the inside cover page, “APPENDIX A—DEFINITIONS” and “APPENDIX B—MULTI-MODAL BONDS.” The Bonds may be converted to other Rate Modes as described in “APPENDIX B—MULTI-MODAL BONDS—Conversion to an Alternate Rate Mode.” Any such conversion would result in a mandatory tender of the Bonds being so converted. This Official Statement only describes the Bonds bearing interest at a Daily Rate, Two-Day Rate, Weekly Rate or Commercial Paper Rate. The Liquidity Facility does not cover the Bonds bearing interest at a Commercial Paper Rate. Under the Certificate, it is a condition to conversion to the Commercial Paper Rate Mode that the City provide a liquidity facility covering the Bonds in the Commercial Paper Rate Mode. It is currently anticipated that, should any Bonds be converted to a Term Rate, Fixed Rate, Stepped Coupon Rate, Index Rate or Auction Rate, a remarketing circular will be distributed describing such Term Rate, Fixed Rate, Stepped Coupon Rate, Index Rate or Auction Rate.

Payment Mechanism

Pursuant to the New York State Financial Emergency Act For The City of New York (the “Financial Emergency Act” or the “Act”), a general debt service fund (the “General Debt Service Fund” or the “Fund”) has been established for City bonds and certain City notes. Pursuant to the Act, payments of the City real estate tax must be deposited upon receipt in the Fund, and retained under a statutory formula, for the payment of debt service (with exceptions for debt service, such as principal of seasonal borrowings, that is set aside under other procedures). The statutory formula has in recent years resulted in retention of sufficient real estate taxes to comply with the City Covenants (as defined in “Certain Covenants and Agreements below”). If the statutory formula does not result in retention of sufficient real estate taxes to comply with the City Covenants, the City will comply with the City Covenants either by providing for early retention of real estate taxes or by making cash payments into the Fund. The principal of and interest on the Bonds will be paid from the Fund until the Act expires, and thereafter from a separate fund maintained in accordance with the City Covenants. Since its inception in 1978, the Fund has been fully funded at the beginning of each payment period.

If the Control Board determines that retentions in the Fund are likely to be insufficient to provide for the debt service payable therefrom, it must require that additional real estate tax revenues be retained or other cash resources of the City be paid into the Fund. In addition, the Control Board is required to take such action as it determines to be necessary so that the money in the Fund is adequate to meet debt service requirements. For information regarding the termination date of the Act, see “SECTION III: GOVERNMENT AND FINANCIAL CONTROLS—City Financial Management, Budgeting and Controls—*Financial Emergency Act and City Charter*” included by specific reference herein.

Enforceability of City Obligations

As required by the State Constitution and applicable law, the City pledges its faith and credit for the payment of the principal of and interest on all City indebtedness. Holders of City debt obligations have a

contractual right to full payment of principal and interest at maturity. If the City fails to pay principal or interest, the holder has the right to sue and is entitled to the full amount due, including interest to maturity at the stated rate and at the rate authorized by law thereafter until payment. Under the General Municipal Law, if the City fails to pay any money judgment, it is the duty of the City to assess, levy and cause to be collected amounts sufficient to pay the judgment. Decisions indicate that judicial enforcement of statutes such as this provision in the General Municipal Law is within the discretion of a court. Other judicial decisions also indicate that a money judgment against a municipality may not be enforceable against municipal property devoted to public use.

The rights of the owners of Bonds to receive interest, principal and redemption premium, if any, from the City could be adversely affected by a restructuring of the City's debt under Chapter 9 of the Federal Bankruptcy Code. No assurance can be given that any priority of holders of City securities (including the Bonds) to payment from money retained in the Fund or from other sources would be recognized if a petition were filed by or on behalf of the City under the Federal Bankruptcy Code or pursuant to other subsequently enacted laws relating to creditors' rights; such money might then be available for the payment of all City creditors generally. Judicial enforcement of the City's obligation to make payments into the Fund, of the obligation to retain money in the Fund, of the rights of holders of bonds and notes of the City to money in the Fund, of the obligations of the City under the City Covenants and of the State under the State Pledge and Agreement (in each case, as defined in "—Certain Covenants and Agreements") may be within the discretion of a court. For further information concerning rights of owners of Bonds against the City, see "SECTION VIII: INDEBTEDNESS—Indebtedness of the City and Certain Other Entities" included herein by specific reference.

Certain Covenants and Agreements

The City will covenant that: (i) a separate fund or funds for the purpose of paying principal of and interest on bonds and interest on notes of the City (including required payments into, but not from, City sinking funds) shall be maintained by an officer or agency of the State or by a bank or trust company; and (ii) not later than the last day of each month, there shall be on deposit in a separate fund or funds an amount sufficient to pay principal of and interest on bonds and interest on notes of the City due and payable in the next succeeding month. The City currently uses the debt service payment mechanism described above to perform these covenants. The City will further covenant in the Bonds to provide a general reserve for each fiscal year to cover potential reductions in its projected revenues or increases in its projected expenditures during each such fiscal year, to comply with the financial reporting requirements of the Act, as in effect from time to time, to limit its issuance of bond anticipation notes as required by the Act, as in effect from time to time, to include as terms of the Adjustable Rate Bonds the applicable variable rate provisions and to comply with such provisions and with the statutory restrictions on variable rate bonds in effect from time to time.

The State pledges and agrees in the Financial Emergency Act that the State will not take any action that will impair the power of the City to comply with the covenants described in the preceding paragraph (the "City Covenants") or any right or remedy of any owner of the Bonds to enforce the City Covenants (the "State Pledge and Agreement"). In the opinion of Bond Counsel, the enforceability of the City Covenants and the State Pledge and Agreement may be subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted and may also be subject to the exercise of the State's police powers and of judicial discretion in appropriate cases. The City Covenants and the State Pledge and Agreement shall be of no force and effect with respect to any Bond if there is a deposit in trust with a bank or trust company of sufficient cash or cash equivalents to pay when due all principal of, applicable redemption premium, if any, and interest on such Bond.

Use of Proceeds

The proceeds of the Bonds will be used for capital purposes, including payment of the expenses of the City incurred in connection with the issuance and sale of the Bonds.

Liquidity Facility

Bank of America, N.A. (the "Bank" or the "Liquidity Provider") has agreed to provide a Liquidity Facility in the form of a standby bond purchase agreement with respect to the Bonds. The following summary of the

Liquidity Facility does not purport to be comprehensive or definitive and is subject in all respects to all of the terms and provisions of the Liquidity Facility, to which reference is made hereby. Investors are urged to obtain and review a copy of the Liquidity Facility in order to understand all of its terms. Copies of the Liquidity Facility may be obtained from the Remarketing Agent for the Bonds. For information regarding the Liquidity Provider, see “APPENDIX E—THE BANK.”

General. The Liquidity Facility provides coverage for the principal of tendered Bonds and up to 35 days accrued interest on such Bonds at a maximum interest rate of 9% based upon a year of 365 days. The scheduled expiration date for the Liquidity Facility is March 18, 2016. The Liquidity Facility supports only the payment of the purchase price of the Bonds bearing interest at a Daily Rate, Two-Day Rate or Weekly Rate optionally tendered for purchase as described below (other than in connection with a mandatory tender of the Bonds on an optional redemption date as described under “APPENDIX B—MULTI-MODAL BONDS—Mandatory Tender for Purchase”), and does not otherwise support the payment of the principal of or interest on the Bonds. The Liquidity Facility is subject to termination, in some events with notice and in some events immediately without notice, as described below. Additionally, the Liquidity Facility may also be suspended immediately without notice to Bondholders, as described below.

The Liquidity Facility contains various provisions, covenants and conditions, certain of which are summarized below. Capitalized terms used in the following summary are defined in this Official Statement (except those definitions included herein by specific reference, as described under “SECTION I: INCLUSION BY SPECIFIC REFERENCE”) or the Liquidity Facility and reference thereto is made for a full understanding of their import.

On the date of issuance of the Bonds, the City will enter into the Liquidity Facility with the Liquidity Provider. Upon compliance with the terms and conditions of the Liquidity Facility, and subject to the terms and conditions set forth therein, the Liquidity Facility requires the Liquidity Provider to purchase tendered Bonds from time to time during the Purchase Period (as hereinafter defined) at the Purchase Price (as defined in the Liquidity Facility). Tendered Bonds which are purchased and held by the Liquidity Provider will bear interest at the Bank Rate (as defined in the Liquidity Facility) commencing on and including the date on which the Liquidity Provider has purchased such Purchased Bonds, in accordance with the terms of the Liquidity Facility.

The Purchase Period is the period from the effective date of the Liquidity Facility to and including the earliest to occur of (i) March 18, 2016 (or such later date to which the Liquidity Facility is extended at the sole discretion of the Liquidity Provider) (or, if such date is not a Business Day (as defined in the Liquidity Facility), the Business Day immediately succeeding such date), (ii) the opening of business of the Liquidity Provider on the Business Day immediately succeeding the date on which all Bonds have been paid in full (not including a defeasance in which such Bonds continue to be subject to optional or mandatory tender for purchase), redeemed, or converted to a Rate Mode other than the Daily Rate Mode, Two-Day Mode or Weekly Rate Mode in accordance with the terms of such Bonds (the Purchase Period to include the date of such conversion), (iii) the opening of business of the Liquidity Provider on the Business Day immediately succeeding the date on which the Liquidity Facility is substituted with a substitute liquidity facility in accordance with the terms of the Certificate, and (iv) the date on which the Available Commitment (as defined in the Liquidity Facility) with respect to the Bonds is terminated pursuant to the terms of the Liquidity Facility.

Events of Default Under the Liquidity Facility. Upon the occurrence of any event (each an “Event of Default”) set forth under the subheadings below entitled “*Events of Default Resulting in Immediate Termination Under the Liquidity Facility*” and “*Event of Default Resulting in Immediate Suspension Under the Liquidity Facility*,” the Liquidity Provider may exercise those rights and remedies provided under the subheading “*Remedies Under the Liquidity Facility*” below.

Events of Default Resulting in Immediate Termination Under the Liquidity Facility. Upon the occurrence of any of the following events, the Available Commitment and the obligation of the Liquidity Provider under the Liquidity Facility to purchase Bonds shall immediately terminate without notice or demand to any person and thereafter the Liquidity Provider shall be under no obligation to purchase such Bonds:

(a) any default by the City shall have occurred and be continuing in the payment of principal of or premium, if any, or interest on any general obligation bond or note or other similar forms of indebtedness

issued, assumed or guaranteed (*provided, however*, that the failure to pay any such guarantee as a result of any set-off, recoupment, counterclaim or any other defense of the City shall not constitute a failure to pay such indebtedness) by the City that is supported by the full faith, credit and taxing power of the City; *provided, however*, that such a payment default by the City shall not constitute an Event of Default if (x) the default was caused solely by an error or omission of an administrative or operational nature, (y) funds were available to enable the City to make the payment when due, and (z) the payment is made within one (1) Business Day of the City's actual knowledge of its failure to pay;

(b) the City shall commence a voluntary case or other proceeding seeking liquidation, reorganization or other relief with respect to itself or its debts under any bankruptcy, insolvency or other similar law now or hereafter in effect or seeking the appointment of a trustee, receiver, liquidator, custodian or other similar official of it or any substantial part of its property, or shall consent to any such relief or to the appointment of or taking possession by any such official in an involuntary case or other proceeding commenced against it, or shall make a general assignment for the benefit of creditors, or becomes insolvent within the meaning of Section 101(32) of the United States Bankruptcy Code, or shall declare a debt moratorium, or shall take any action to authorize any of the foregoing;

(c) an involuntary case or other proceeding shall be commenced against the City seeking liquidation, reorganization or other relief with respect to it or its debts under any bankruptcy, insolvency or other similar law now or hereafter in effect or seeking the appointment of a trustee, receiver, liquidator, custodian or other similar official of it or any substantial part of its property, and such involuntary case shall remain undismissed and unstayed for a period of 60 days; or an order for relief shall be entered against the City under the federal bankruptcy laws as now or hereafter in effect;

(d) (i) any provision of the Liquidity Facility, the Certificate or the Bonds relating to the payment of principal or interest on the Bonds (including Purchased Bonds (as defined in the Liquidity Facility)) as provided in the Liquidity Facility, the Certificate or the Bonds (including Purchased Bonds) shall at any time for any reason cease to be valid and binding on the City as a result of a ruling, finding, decree, order or legislative act or similar action by a governmental authority having jurisdiction over the City, or shall be declared in a final non-appealable judgment by any court having jurisdiction over the City to be null and void, invalid or unenforceable; or (ii) the City, acting through an official of the City having the authority to do so, shall repudiate its obligations under the Liquidity Facility or publicly contest (whether by legal proceedings or other similar proceedings or otherwise) any provision of the Liquidity Facility, the Certificate or the Bonds relating to the payment of principal or interest of the Bonds (including Purchased Bonds), or the City, acting through any official of the City having the authority to do so, shall publicly deny that it has any obligation to make payments on the Bonds (including Purchased Bonds) or the City, acting through an official of the City having the authority to do so, shall claim that any of its general obligation debt is not a valid, binding and enforceable general obligation of the City for any reason whatsoever;

(e) a debt moratorium shall have been imposed or commenced by the United States government, the State of New York or the City with respect to the payment of principal of or interest on the Bonds; or

(f) the long-term unenhanced ratings assigned by Moody's, S&P and Fitch to the Bonds or any general obligation bond or note or other evidence of indebtedness issued, assumed or guaranteed by the City that is supported by the full faith, credit and taxing power of the City, are withdrawn or suspended (for credit related reasons) or reduced below "Baa3," "BBB-" and "BBB-," respectively.

Event of Default Resulting in Immediate Suspension Under the Liquidity Facility. In the case of the occurrence of any failure to make any payment, as and when due, described in paragraph (a) under "*Events of Default Resulting in Immediate Termination Under the Liquidity Facility*" above, the Available Commitment and the obligation of the Liquidity Provider under the Liquidity Facility to purchase Bonds shall immediately be suspended without notice or demand to any person from and after the date of such failure, and thereafter the Liquidity Provider shall be under no obligation to purchase Bonds, until such obligation is reinstated as specified in the following sentence. The Available Commitment and the obligations of the Liquidity Provider under the Liquidity Facility immediately shall be reinstated and the terms of the Liquidity Facility will continue in full force and effect (unless the Liquidity

Facility shall otherwise have terminated by its terms) as if there had been no such suspension on the date on which, prior to the expiration of the time period specified in the proviso of paragraph (a) under “*Events of Default Resulting in Immediate Termination Under the Liquidity Facility*” above, as applicable, the relevant payment is made. In the event the City fails to cure any payment default described in paragraph (a) under “*Events of Default Resulting in Immediate Termination Under the Liquidity Facility*” above, the Available Commitment and the obligations of the Liquidity Provider under the Liquidity Facility immediately shall be terminated at the close of business upon the first Business Day after the City has actual knowledge of such failure to make such payment thereunder.

Remedies Under the Liquidity Facility. Upon the occurrence of any Event of Default, all amounts payable to the Liquidity Provider under the Liquidity Facility shall bear interest at the Default Rate and the Liquidity Provider may take any other actions permitted by applicable law. The Liquidity Provider shall not have the right to declare any amount due and payable under the Liquidity Facility, or to accelerate the maturity date of any Bonds.

In the case of an Event of Default as specified above under “*Events of Default Resulting in Immediate Termination Under the Liquidity Facility*” (each, an “Event of Termination”), the Available Commitment with respect to the Bonds and the obligation of the Liquidity Provider under the Liquidity Facility to purchase Bonds shall immediately terminate without notice or demand to any Person, and thereafter the Liquidity Provider shall be under no obligation to purchase such Bonds. Promptly upon the occurrence of such Event of Termination, the Liquidity Provider shall give written notice of the same to the City, the Tender Agent, the Fiscal Agent and the Remarketing Agent; but the Liquidity Provider shall incur no liability or responsibility whatsoever by reason of its failure to give such notice and such failure shall in no way affect the termination of the Available Commitment with respect to the Bonds and its obligation to purchase such Bonds pursuant to the Liquidity Facility.

Upon the occurrence of any Event of Default, the Liquidity Provider may deliver a notice to the Remarketing Agent not to remarket any of the Purchased Bonds. The Liquidity Provider may, at any time, in its discretion, revoke such notice by written notice to the City and the Remarketing Agent. In addition, upon the occurrence of any Event of Default, the Liquidity Provider, in its sole discretion, may (i) give written notice (a “Notice of Default”) of such Event of Default to the Remarketing Agent, the Fiscal Agent and the Tender Agent requesting a mandatory tender of all of the Bonds on a date not later than the last Business Day which is less than 15 calendar days after the Tender Agent receives notice of such mandatory tender and stating that the obligation of the Liquidity Provider to purchase such Bonds shall terminate 15 days after such notice is received by the Tender Agent and on such date the Available Commitment shall terminate and the Liquidity Provider shall be under no obligation to purchase such Bonds after such date or (ii) give a written notice to the City directing the City to convert to a Rate other than a Daily Rate, Two-Day Rate or Weekly Rate all or any portion of such Bonds. Upon such a conversion, the Liquidity Provider agrees to pay an amount equal to the Purchase Price of Bonds so converted and not remarketed, subject to and in accordance with the terms of the Liquidity Facility.

Optional Redemption

The Bonds are subject to redemption (or purchase in lieu thereof if permitted by the Certificate) prior to maturity, at a redemption price equal to the principal amount thereof, plus accrued interest, without premium, at the option of the City, in whole or in part, on any Optional Redemption Date, which, for Bonds in the Daily Rate Mode, Two-Day Rate Mode or the Weekly Rate Mode is any Business Day, upon 30 days’ written notice to Bondholders.

The City may select the amounts of Bonds for optional redemption in its sole discretion. In the event that less than all the Bonds subject to redemption are to be redeemed, the Bonds shall be selected for redemption as prescribed by the Certificate.

On and after any redemption date, interest will cease to accrue on the Bonds called for redemption.

Mandatory Redemption

The Bonds are Term Bonds subject to mandatory redemption upon 30 days’ (but not more than 60 days’) notice to Bondholders, by lot, on each March 1 (or other Mandatory Redemption Date specified for the applicable Rate Mode) at a redemption price equal to the principal amount thereof, plus accrued interest, without premium, in the amounts set forth below:

<u>March 1</u>	<u>Amount</u>
2038	\$17,165,000
2039	43,295,000
2040	44,730,000
2041	46,210,000
2042*	28,600,000

* Stated maturity.

At the option of the City, there shall be applied to or credited against any of the required amounts the principal amount of any such Term Bonds that have been defeased, purchased or redeemed and not previously so applied or credited.

Defeased Term Bonds shall, at the option of the City, no longer be entitled, but may be subject, to the provisions thereof for mandatory redemption.

Notice of Redemption

When Bonds are redeemed, the City will give notice of redemption only to DTC (not to the Beneficial Owners of the Bonds) not less than 30 or more than 60 days prior to the date fixed for redemption.

Mandatory and Optional Tender

The Bonds are subject to mandatory and optional tender as described in “APPENDIX B—MULTI-MODAL BONDS.”

Special Considerations Relating to the Bonds

The Remarketing Agent is Paid By the City. The responsibilities of the Remarketing Agent include determining the interest rate from time to time and remarketing Bonds that are optionally or mandatorily tendered by the owners thereof (subject, in each case, to the terms of the Certificate and the Remarketing Agreement), all as further described in this Official Statement. The Remarketing Agent is appointed by the City and is paid by the City for its services. As a result, the interests of the Remarketing Agent may differ from those of existing Holders and potential purchasers of Bonds.

The Remarketing Agent Routinely Purchases Bonds for its Own Account. The Remarketing Agent acts as remarketing agent for a variety of variable rate demand obligations and, in its sole discretion, routinely purchases such obligations for its own account. The Remarketing Agent is permitted, but not obligated, to purchase tendered Bonds for its own account and, in its sole discretion, may routinely acquire such tendered Bonds in order to achieve a successful remarketing of the Bonds (i.e., because there otherwise are not enough buyers to purchase the Bonds) or for other reasons. However, the Remarketing Agent is not obligated to purchase Bonds, and may cease doing so at any time without notice. The Remarketing Agent may also make a market in the Bonds by routinely purchasing and selling Bonds other than in connection with an optional or mandatory tender and remarketing. Such purchases and sales may be at or below par. However, the Remarketing Agent is not required to make a market in the Bonds. The Remarketing Agent may also sell any Bonds it has purchased to one or more affiliated investment vehicles for collective ownership or enter into derivative arrangements with affiliates or others in order to reduce its exposure to the Bonds. The purchase of Bonds by the Remarketing Agent may create the appearance that there is greater third party demand for the Bonds in the market than is actually the case. The practices described above also may result in fewer Bonds being tendered in a remarketing.

Bonds May be Offered at Different Prices on Any Date Including an Interest Rate Determination Date. Pursuant to the Certificate and the Remarketing Agreement, the Remarketing Agent is required to determine the applicable rate of interest that, in its judgment, is the lowest rate that would permit the sale of the Bonds it remarkets at par plus accrued interest, if any, on the applicable interest rate determination date. The interest rate will reflect, among other factors, the level of market demand for the Bonds (including whether the Remarketing Agent is willing to purchase Bonds for its own account). There may or may not be Bonds tendered and remarketed on an interest rate determination date, the Remarketing Agent may or may not be able to remarket any Bonds tendered for purchase on such date at par and the Remarketing Agent may sell Bonds at varying prices to different investors on such date or any other date. The Remarketing Agent is not obligated to advise purchasers in a remarketing if it does not have third party buyers for all of the Bonds it remarkets at the remarketing price. In the event the Remarketing Agent owns any Bonds for its own account, it may, in its sole discretion in a secondary market transaction outside the tender process, offer such Bonds on any date, including the interest rate determination date, at a discount to par to some investors.

The Ability to Sell the Bonds Other Than Through the Tender Process May Be Limited. The Remarketing Agent may buy and sell Bonds other than through the tender process. However, it is not obligated to do so and may cease doing so at any time without notice and may require Holders that wish to tender their Bonds to do so through the Tender Agent with appropriate notice. Thus, investors who purchase the Bonds, whether in a remarketing or otherwise, should not assume that they will be able to sell their Bonds other than by tendering the Bonds in accordance with the tender process. The Liquidity Facility is available only to purchase Bonds tendered in accordance with the tender process.

Remarketing Agent May Cease Remarketing the Bonds. Under certain circumstances the Remarketing Agent may cease remarketing the Bonds, subject to the terms of the Remarketing Agreement.

Book-Entry Only System

The Depository Trust Company (“DTC”), New York, New York, acts as securities depository for the Bonds. Reference to the Bonds under this caption “Book-Entry Only System” shall mean all Bonds held through DTC. The Bonds will be issued as fully-registered bonds registered in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Bond certificate will be issued for the Bonds and will be deposited with DTC.

DTC is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity, corporate and municipal debt issues, and money market instruments from over 100 countries that DTC’s participants (“Direct Participants”) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions, in deposited securities through electronic computerized book-entry transfers and pledges between Direct Participants’ accounts, thereby eliminating the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC is the holding company for DTC National Securities Clearing Corporation, and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to both U.S. and non-U.S. securities brokers and dealers, banks, trust companies and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants”). The DTC rules applicable to its Participants are on file with the Securities and Exchange Commission.

Purchases of Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC’s records. The ownership interest of each actual purchaser of each Bond (under this caption, “Book-Entry Only System,” a “Beneficial Owner”) is in turn to be recorded on the Direct and

Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase, but Beneficial Owners are expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of Cede & Co. or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee effect no change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Direct Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Neither DTC nor Cede & Co. (nor such other DTC nominee) will consent or vote with respect to Bonds unless authorized by a Direct Participant in accordance with DTC's procedures. Under its usual procedures, DTC mails an omnibus proxy (the "Omnibus Proxy") to the City as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption notices will be sent to DTC. If less than all of the Bonds within a maturity are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such maturity to be redeemed.

Payment of redemption proceeds and principal and interest on the Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the City or its Fiscal Agent, The Bank of New York Mellon, on the payment date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Fiscal Agent, or the City, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds and principal and interest payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the City or the Fiscal Agent, disbursement of such payments to Direct Participants shall be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners shall be the responsibility of Direct and Indirect Participants.

A Beneficial Owner shall give notice to elect to have its Bonds purchased or tendered, through its Participant, to the Tender Agent and the Remarketing Agent, and shall effect delivery of such Bonds by causing the Direct Participant to transfer the Participant's interest in the Bonds, on DTC's records, to the Tender Agent. The requirement for physical delivery of Bonds in connection with an optional tender or a mandatory purchase will be deemed satisfied when the ownership rights in the Bonds are transferred by Direct Participants on DTC's records and followed by a book-entry credit of tendered Bonds to the Tender Agent's DTC account.

The services of DTC as securities depository with respect to the Bonds may be discontinued at any time by giving reasonable notice to the City or the Fiscal Agent. Under such circumstances, in the event that a successor securities depository is not obtained, Bond certificates will be printed and delivered.

No assurance can be given by the City that DTC will make prompt transfer of payments to the Participants or that Participants will make prompt transfer of payments to Beneficial Owners. The City is not responsible or

liable for payment by DTC or Participants or for sending transaction statements or for maintaining, supervising or reviewing records maintained by DTC or Participants.

For every transfer and exchange of the Bonds, the Beneficial Owners may be charged a sum sufficient to cover any tax, fee or other charge that may be imposed in relation thereto.

Unless otherwise noted, certain of the information contained under this caption “Book-Entry Only System” has been extracted from information furnished by DTC. Neither the City nor the Underwriter of the Bonds makes any representation as to the completeness or the accuracy of such information or as to the absence of material adverse changes in such information subsequent to the date hereof.

SECTION III: MISCELLANEOUS

Certain Reports

As indicated in the Fixed Rate Official Statement, on March 4, 2013 the City Comptroller released a report on the Financial Plan which, consistent with prior reports on the City’s financial plans, identifies potential risks and offsets to the Financial Plan. The following is a summary of such report and supplements the information contained in the second and third paragraphs under the heading “Section VII: Financial Plan — Certain Reports” of the Fixed Rate Official Statement.

In the report, the City Comptroller identified net risks for fiscal years 2013 through 2017 which, when added to the results projected in the Financial Plan, would result in gaps of \$2.68 billion, \$1.68 billion, \$3.75 billion, \$2.68 billion and \$2.15 billion in fiscal years 2013 through 2017, respectively. The differences from the Financial Plan projections result in part from the City Comptroller’s expenditure projections, which exceed those in the Financial Plan by \$2.66 billion, \$1.07 billion, \$991 million, \$955 million and \$920 million in fiscal years 2013 through 2017, respectively, resulting from: (i) wage increases, including retroactive wage increases, as a result of collective bargaining with the City’s teacher and school administrator unions, which would result in increased costs of \$2.60 billion in fiscal year 2013 and \$900 million in each of fiscal years 2014 through 2017; (ii) increased overtime expenditures of \$69 million and \$161 million in fiscal years 2013 and 2014, respectively, and \$100 million in each of fiscal years 2015 through 2017; (iii) uncertainty of receipt of increased Medicaid funds for special education services of \$40 million and \$80 million in fiscal years 2013 and 2014, respectively, and \$100 million in each of fiscal years 2015 through 2017; (iv) increased public assistance caseload and grants expenditures of \$20 million in each of fiscal years 2013 through 2017, respectively; and (v) lower estimates for judgments and claims expenditures of \$60 million, \$93 million, \$129 million, \$165 million and \$200 million in fiscal years 2013 through 2017, respectively. The differences from the Financial Plan also result from the City Comptroller’s revenue projections. The report estimates that (i) property tax revenues will be lower by \$13 million in fiscal year 2013, and higher by \$31 million, \$119 million, \$350 million and \$668 million in fiscal years 2014 through 2017, respectively; (ii) personal income tax revenues will be higher by \$24 million, \$326 million, \$228 million, \$266 million and \$312 million in fiscal years 2013 through 2017, respectively; (iii) business tax revenues will be lower by \$19 million, \$50 million, \$116 million, \$143 million and \$236 million in fiscal years 2013 through 2017, respectively; (iv) sales tax revenues will be higher by \$10 million, \$75 million, \$210 million, \$352 million and \$337 million in fiscal years 2013 through 2017, respectively; and (v) real-estate related tax revenues will be lower by \$14 million and \$56 million in fiscal years 2013 and 2017, respectively, and higher by \$4 million, \$67 million and \$85 million in fiscal years 2014 through 2016, respectively. The revenue projections result in lower net tax revenues of \$12 million in fiscal year 2013 and higher net tax revenues of \$386 million, \$508 million, \$910 million and \$1.02 billion in fiscal years 2014 through 2017, respectively. The City Comptroller’s report also states that the Financial Plan assumption of revenues of \$600 million, \$497 million and \$363 million in fiscal years 2014 through 2016, respectively, from the sale of taxi medallions is a significant risk. Additionally, the report identifies the uncertainty regarding State education aid resulting from the lack of implementation of a teacher evaluation plan and the financial impact of the federal sequester as additional risks to the Financial Plan, and estimates that federal and State aid could decline by as much as \$400 million in each of fiscal years 2014 through 2017 as a result of these actions.

Supplemental Certificates

For any one or more of the following purposes and at any time or from time to time, the City may enter into a supplement to the Certificate:

- (a) to cure any ambiguity, supply any omission or cure or correct any defect or inconsistent provision relating to the Adjustable Rate Bonds;
- (b) to identify particular Adjustable Rate Bonds for purposes not inconsistent with the Certificate, including credit or liquidity support, remarketing, serialization and defeasance; or
- (c) to insert such provisions with respect to the Adjustable Rate Bonds as are necessary or desirable and are not to the prejudice of the Bondholders.

Each supplement is conditioned upon delivery to the City of a Favorable Opinion of Bond Counsel.

Tax Matters

In the opinion of Fulbright & Jaworski L.L.P. (“Bond Counsel to the City for Tax Matters” or “Tax Counsel”), interest on the Bonds will be exempt from personal income taxes imposed by the State or any political subdivision thereof, including the City.

The City has covenanted in a Tax Certificate to comply with certain provisions of the Internal Revenue Code of 1986, as amended (the “Code”), relating to the exclusion from gross income of the interest on the Bonds for purposes of federal income taxation. In the opinion of Tax Counsel, assuming compliance by the City with such covenants, interest on the Bonds will be excludable from the gross income of the owners thereof for purposes of federal income taxation. Failure by the City to comply with such covenants may cause interest on the Bonds to be includable in the gross income of the owners thereof retroactive to the date of issue of the Bonds. Further, Tax Counsel will render no opinion as to the effect on the exclusion from gross income of interest on the Bonds of any action taken or not taken after the date of such opinion without the approval of Tax Counsel.

In the opinion of Tax Counsel, interest on the Bonds is not an item of tax preference for purposes of the federal individual or corporate alternative minimum tax. The Code contains other provisions that could result in tax consequences, upon which no opinion will be rendered by Tax Counsel, as a result of ownership of the Bonds or the inclusion in certain computations (including, without limitation, those related to the corporate alternative minimum tax) of interest that is excluded from gross income. Interest on the Bonds owned by a corporation will be included in such corporation’s adjusted current earnings for purposes of calculating the alternative minimum taxable income of such corporation, other than an S corporation, a qualified mutual fund, a real estate investment trust, a real estate mortgage investment conduit, or a financial asset securitization investment trust (“FASIT”). A corporation’s alternative minimum taxable income is the basis on which the alternative minimum tax imposed by Section 55 of the Code will be computed.

In rendering the foregoing opinions, Tax Counsel will rely on the opinion of Sidley Austin LLP, as Bond Counsel, to the effect that the Bonds have been duly authorized, executed and issued in accordance with the Constitution and statutes of the State and the Charter of the City and constitute valid and legally binding obligations of the City. Sidley Austin LLP has not been engaged to review any matter or conduct any investigation or examination relating to the federal, state or local tax consequences with respect to the receipt of interest on the Bonds, or the ownership or the disposition of the Bonds, and takes no responsibility therefor. Furthermore, Sidley Austin LLP is not expressing any opinion as to any federal, state or local tax consequences arising with respect to the Bonds, the receipt of interest thereon or the ownership or disposition thereof, including, without limitation, the exclusion from gross income of interest on the Bonds.

Tax Counsel’s opinion is not a guarantee of a result, but represents its legal judgment based upon its review of existing statutes, regulations, published rulings and court decisions and the covenants of the City described above. No ruling has been sought from the Internal Revenue Service (the “IRS”) with respect to the matters addressed in the opinion of Tax Counsel, and Tax Counsel’s opinion is not binding on the IRS. The IRS has an ongoing program of auditing the tax-exempt status of the interest on tax-exempt obligations. If an audit of the Bonds is commenced, under current procedures the IRS is likely to treat the City as the “taxpayer.”

and the owners of the Bonds would have no right to participate in the audit process. In responding to or defending an audit of the tax-exempt status of the interest on the Bonds, the City may have different or conflicting interests from the owners of the Bonds. Public awareness of any future audit of the Bonds could adversely affect the value and liquidity of the Bonds during the pendency of the audit, regardless of its ultimate outcome.

Except as described above, Tax Counsel expresses no opinion with respect to any federal, state or local tax consequences under present law, or proposed legislation, resulting from the receipt or accrual of interest on, or the acquisition or disposition of, the Bonds. Prospective purchasers of the Bonds should be aware that the ownership of tax-exempt obligations such as the Bonds may result in collateral federal tax consequences to, among others, financial institutions, life insurance companies, property and casualty insurance companies, certain foreign corporations doing business in the United States, S corporations with subchapter C earnings and profits, individual recipients of Social Security or Railroad Retirement benefits, individuals otherwise qualifying for the earned income tax credit, owners of an interest in a FASIT, and taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry, or who have paid or incurred certain expenses allocable to, tax-exempt obligations. Prospective purchasers should consult their own tax advisors as to the applicability of these consequences to their particular circumstances.

Existing law may change so as to reduce or eliminate the benefit to holders of the Bonds of the exclusion of interest thereon from gross income for federal income tax purposes. Proposed legislative or administrative action, whether or not taken, could also affect the value and marketability of the Bonds. Prospective purchasers of the Bonds should consult with their own tax advisors with respect to any proposed changes in tax law.

Legal Opinions

The legality of the authorization and issuance of the Bonds will be affirmed by the approving legal opinion of Sidley Austin LLP, New York, New York, Bond Counsel to the City. Reference should be made to the form of such opinion set forth in Appendix C hereto for the matters covered by such opinion and the scope of Bond Counsel's engagement in relation to the issuance of the Bonds. Such firm is also acting as counsel for and against the City in certain other unrelated matters.

The opinion of Fulbright & Jaworski L.L.P., New York, New York, Bond Counsel to the City for Tax Matters, will be substantially in the form of Appendix D hereto. Reference should be made to the form of such opinion for the matters covered by such opinion and the scope of Tax Counsel's engagement in relation to the issuance of the Bonds.

Certain legal matters will be passed upon for the City by its Corporation Counsel.

Orrick, Herrington & Sutcliffe LLP, New York, New York, Special Disclosure Counsel to the City, will pass upon certain legal matters in connection with the preparation of this Official Statement. A description of those matters and the nature of the review conducted by that firm is set forth in its opinion which is on file at the office of the Corporation Counsel.

Certain legal matters will be passed upon by Squire Sanders (US) LLP, New York, New York, and D. Seaton and Associates, New York, New York, Co-Counsel to the Underwriter.

Underwriting

The Bonds are being purchased for reoffering by Merrill Lynch, Pierce, Fenner & Smith Incorporated (the "Underwriter") who has agreed, subject to certain conditions, to purchase the Bonds from the City and to make an initial public offering of the Bonds at prices that are not in excess of the initial public offering price set forth on the cover page of this Official Statement. The Underwriter will be obligated to purchase all the Bonds if any of the Bonds are purchased. The Underwriter is not being paid a fee to underwrite the Bonds but will receive a fee as Remarketing Agent.

The delivery of the Bonds is contingent upon the delivery of the Fiscal 2013 Series F-1 and F-2 Bonds.

Merrill Lynch, Pierce, Fenner & Smith Incorporated, the Underwriter and Remarketing Agent for the Bonds, and Bank of America, N.A, the Liquidity Provider for the Bonds, are both wholly-owned, indirect subsidiaries of Bank of America Corporation.

The Underwriter and its affiliates are full service financial institutions engaged in various activities, which may include securities trading, commercial and investment banking, financial advisory, investment management, principal investment, hedging, financing and brokerage activities. The Underwriter and its affiliates have, from time to time, performed, and may in the future perform, various investment banking services for the City for which they received or will receive customary fees and expenses.

In the ordinary course of their various business activities, the Underwriter and its affiliates may make or hold a broad array of investments and actively trade debt and equity securities (or related derivative securities) and financial instruments (which may include bank loans and/or credit default swaps) for their own account and for the accounts of their customers and may at any time hold long and short positions in such securities and instruments. Such investment and securities activities may involve securities and instruments of the City.

Financial Advisors

The City has retained Public Resources Advisory Group and A.C. Advisory, Inc. to act as financial advisors with respect to the City's financing program and the issuance of the Bonds.

MULTI-MODAL BONDS

The Multi-Modal Bonds are subject to the provisions summarized below. Capitalized terms used in this “APPENDIX B—MULTI-MODAL BONDS” which are not otherwise defined in the Official Statement are defined in “APPENDIX A—DEFINITIONS.”

General

The Multi-Modal Bonds are subject to mandatory tender for purchase as described under “Mandatory Tender for Purchase” and, if such Bonds are in a Daily Rate Mode, Two-Day Mode or Weekly Rate Mode, are subject to optional tender for purchase as described under “Optional Tender for Purchase.” The Multi-Modal Bonds of a Subseries will continue in a Rate Mode until converted to another Rate Mode and will bear interest at a rate determined in accordance with the procedures for determining the interest rate during such Rate Mode. See “Conversion to an Alternate Rate Mode” and “Interest Rates and Reset Dates” below.

During any Initial Period for the Liquidity Enhanced Bonds, a Daily Rate Period, a Two-Day Rate Period, a Commercial Paper Rate Period or a Weekly Rate Period, interest will be computed on the basis of a 365-day or 366-day year for the actual number of days elapsed.

Interest on the Multi-Modal Bonds will be the interest accruing and unpaid through and including the day preceding the Interest Payment Date and will be payable on each Interest Payment Date to the registered owner thereof as shown on the registration books kept by the Fiscal Agent at the close of business on the applicable Record Date.

Conversion to an Alternate Rate Mode

Subject to the conditions in the Certificate, the City may convert all or a portion of the Multi-Modal Bonds in one Rate Mode to a different Rate Mode by delivering a Conversion Notice to, as applicable, the Remarketing Agent, the applicable Standby Purchaser, DTC, the Fiscal Agent and the Tender Agent specifying the Subseries of Multi-Modal Bonds to be converted, the Conversion Date and the Rate Mode that will be effective on the Conversion Date. The City must deliver such Conversion Notice not less than 15 days prior to the Conversion Date or a shorter period (of at least 10 days) if acceptable to the Fiscal Agent and DTC.

The Tender Agent, no later than three days after receipt of the Conversion Notice, is to give notice by first-class mail to the Holders of the Bonds to be converted, which notice must state (i) the Conversion Date; (ii) that the Rate Mode will not be converted unless the City receives on the Conversion Date a Favorable Opinion of Bond Counsel; (iii) the name and address of the principal corporate trust offices of the Fiscal Agent and Tender Agent; (iv) that the Bonds to be converted will be subject to mandatory tender for purchase on the Conversion Date at the Purchase Price; and (v) that upon the Conversion, if there is on deposit with the Tender Agent on the Conversion Date an amount sufficient to pay the Purchase Price of the Multi-Modal Bonds so converted, such Bonds not delivered to the Tender Agent on the Conversion Date will be deemed to have been properly tendered for purchase and will cease to represent a right on behalf of the Holder thereof to the payment of principal or interest thereon and shall represent only the right to payment of the Purchase Price on deposit with the Tender Agent, without interest accruing thereon from and after the Conversion Date.

If less than all of the Multi-Modal Bonds then subject to a particular Rate Mode are to be converted to a new Rate Mode, the particular Multi-Modal Bonds which are to be converted to a new Rate Mode will be selected by the Fiscal Agent (or, if the City so elects, the City) subject to the provisions of the Certificate regarding Authorized Denominations.

If a Favorable Opinion of Bond Counsel cannot be obtained, or if the election to convert was withdrawn by the City, or if the Remarketing Agent has notified the Fiscal Agent, the City and the applicable Standby

Purchaser that it has been unable to remarket the Multi-Modal Bonds on the Conversion Date, the affected Multi-Modal Bonds will bear interest in the Rate Mode previously in effect or, with a Favorable Opinion of Bond Counsel, any other Rate Mode selected by the City to which such Bonds are duly converted.

Interest Rates and Reset Dates

General. The rate at which the Adjustable Rate Bonds will bear interest during any Rate Period will be the rate of interest that, if borne by the Adjustable Rate Bonds for such Rate Period, in the judgment of the Remarketing Agent, having due regard for the prevailing financial market conditions for bonds or other securities which are comparable as to federal income tax treatment, credit and maturity or tender dates with the federal income tax treatment, credit and maturity or tender dates of the Adjustable Rate Bonds, would be the lowest interest rate that would enable the Adjustable Rate Bonds to be sold at a price equal to the principal amount thereof, plus accrued interest thereon, if any. No Rate Period for Liquidity Enhanced Bonds of a Subseries will extend beyond the scheduled Expiration Date of the Standby Agreement then in effect.

Maximum Rate. The Bonds may not bear interest at a rate greater than the Maximum Rate.

Daily Rate. The Daily Rate for any Business Day is to be determined by the Remarketing Agent and announced by 10:00 a.m., New York City time, on such Business Day. For any day which is not a Business Day, the Daily Rate will be the Daily Rate for the immediately preceding Business Day.

If (i) a Daily Rate for a Daily Rate Period has not been determined by the Remarketing Agent, (ii) no Remarketing Agent is serving under the Certificate, (iii) the Daily Rate so established is held to be invalid or unenforceable with respect to a Daily Rate Period, or (iv) pursuant to the Remarketing Agreement the Remarketing Agent is not then required to establish a Daily Rate, then the Daily Rate for such Daily Rate Period shall continue in effect for two weeks, and thereafter such Bonds shall bear interest at the Maximum Rate until a Rate has been established by the Remarketing Agent.

Two-Day Rate. When interest on a Subseries of Adjustable Rate Bonds is payable at a Two-Day Rate, the Remarketing Agent will set a Two-Day Rate on or before 10:00 a.m., New York City time, on the first day of a period during which such Bonds bear interest at a Two-Day Rate and on each Monday, Wednesday and Friday thereafter so long as interest on such Bonds is to be payable at a Two-Day Rate or, if any Monday, Wednesday or Friday is not a Business Day, on the next Monday, Wednesday or Friday that is a Business Day. The Two-Day Rate set on any Business Day will be effective as of such Business Day and will remain in effect until the next day on which a Two-Day Rate is required to be set in accordance with the preceding sentence.

If (i) a Two-Day Rate for a Two-Day Rate Period has not been determined by the Remarketing Agent, (ii) no Remarketing Agent is serving under the Certificate, (iii) the Two-Day Rate determined by the Remarketing Agent is held to be invalid or unenforceable or (iv) pursuant to the Remarketing Agreement the Remarketing Agent is not then required to establish a Two-Day Rate, then the Two-Day Rate for such Two-Day Rate Period shall continue in effect for two weeks, and thereafter such Bonds shall bear interest at the Maximum Rate until a Rate has been duly established by the Remarketing Agent.

Weekly Rate. Unless otherwise provided by the City pursuant to the Certificate, the Weekly Rate is to be determined by the Remarketing Agent and announced by 10:00 a.m., New York City time, on the first day of the Weekly Rate Period. The Weekly Rate Period means a period commencing on the day specified by the City and extending to and including the sixth day thereafter, e.g. if commencing on a Thursday then extending to and including the next Wednesday.

If (i) a Weekly Rate has not been determined by the Remarketing Agent, (ii) no Remarketing Agent is serving under the Certificate, (iii) the Weekly Rate determined by the Remarketing Agent is held to be invalid or unenforceable with respect to a Weekly Rate Period, or (iv) pursuant to the Remarketing Agreement, the Remarketing Agent is not then required to establish a Weekly Rate, then the Weekly Rate for such Weekly Rate Period shall continue in effect for two weeks, and thereafter, such Bonds will bear interest at the Maximum Rate until a Rate has been duly established by the Remarketing Agent.

Commercial Paper Rate. The Commercial Paper Rate Period for each Adjustable Rate Bond in a Commercial Paper Rate Mode is to be determined by the Remarketing Agent and announced by 12:30 p.m., New York City time, on the first day of each Commercial Paper Rate Period. Commercial Paper Rate Periods may be from 1 to 365 days. If the Remarketing Agent fails to specify the next succeeding Commercial Paper Rate Period, such Commercial Paper Rate Period will be the shorter of (i) seven days or (ii) the period remaining to but not including the maturity or redemption date of such Bond. Each Adjustable Rate Bond in a Commercial Paper Mode is to bear interest during a particular Commercial Paper Rate Period at a rate per annum equal to the interest rate determined above corresponding to the Commercial Paper Rate Period. An Adjustable Rate Bond can have a Commercial Paper Rate Period and bear interest at a Commercial Paper Rate that differs from other Adjustable Rate Bonds in the Commercial Paper Rate Mode.

If (i) a Commercial Paper Rate for a Commercial Paper Rate Period has not been determined by the Remarketing Agent, (ii) no Remarketing Agent is serving under the Certificate, (iii) the Commercial Paper Rate determined by the Remarketing Agent is held to be invalid or unenforceable with respect to a Commercial Paper Rate Period, or (iv) pursuant to the Remarketing Agreement, the Remarketing Agent is not then required to establish a Commercial Paper Rate, the Commercial Paper Rate for such Commercial Paper Rate Period will continue in effect on such Bonds for two weeks, and thereafter, such Bonds will bear interest at the Maximum Rate until a Rate has been duly established by the Remarketing Agent.

Optional Tender for Purchase

General. If the Adjustable Rate Bonds are supported by a Credit Facility, or by a Liquidity Facility and no Liquidity Condition is in effect, an Adjustable Rate Bond or any portion thereof equal to an Authorized Denomination may be tendered for purchase, at the Purchase Price, at the option of its registered owner on any Business Day during a Daily Rate Mode, Two-Day Mode or Weekly Rate Mode upon giving notice of the registered owner's election to tender in the manner and at the times described below. Notice of an election to tender an Adjustable Rate Bond registered in the name of DTC is to be given by the Direct Participant on behalf of the Beneficial Owner of the Adjustable Rate Bond and will not be given by DTC. Notice of the election to tender for purchase of an Adjustable Rate Bond registered in any other name is to be given by the registered owner of such Adjustable Rate Bond or its attorney-in-fact.

A Direct Participant or the registered owner of an Adjustable Rate Bond must give written notice of its irrevocable election to tender such Adjustable Rate Bond or a portion thereof for purchase at its option to the Tender Agent with a copy to the Remarketing Agent at their respective principal offices, in the case of Adjustable Rate Bonds bearing interest in a Daily Rate Mode, by no later than 10:30 a.m. on the Optional Tender Date, in the case of Adjustable Rate Bonds bearing interest in a Two-Day Mode, not later than 3:00 p.m. on a Business Day at least two Business Days prior to the Optional Tender Date, and in the case of Adjustable Rate Bonds bearing interest in a Weekly Rate Mode, by no later than 5:00 p.m., New York City time, on a Business Day at least seven days prior to the Optional Tender Date. In addition, the registered owner of an Adjustable Rate Bond is required to deliver such Bond to the Tender Agent at its principal corporate trust office at or prior to 1:00 p.m., New York City time, on such Optional Tender Date.

Mandatory Tender for Purchase

If a Credit Facility is in effect (or if Bonds are supported by a Liquidity Facility and there is no existing Liquidity Condition), the Bonds which are affected by the following actions are subject to mandatory tender and purchase at the Purchase Price on the following dates (each, a "Mandatory Tender Date"):

- (a) on each Conversion Date for the Adjustable Rate Bonds being converted to a different Rate Mode;
- (b) on the Business Day following each Rate Period for the Adjustable Rate Bonds in the Commercial Paper Mode or the Term Rate Mode;
- (c) on a Business Day specified by the Tender Agent, at the direction of the City, which shall be not less than one Business Day prior to the substitution of a Standby Agreement (including assignments) or the Expiration

Date of any Standby Agreement (which Standby Agreement will be drawn upon to pay the Purchase Price of unremarketed Tendered Bonds), unless a substitution is occurring and Rating Confirmation has been received from each Rating Agency;

- (d) on a Business Day that is not less than one Business Day prior to the Termination Date of a Standby Agreement relating to a Subseries of Adjustable Rate Bonds specified in a Default Notice delivered in accordance with the Standby Agreement.

Should a Credit Facility be in effect, in addition to the preceding, upon any failure by the City to provide funds to the Fiscal Agent for the timely payment of principal or interest on the maturity or mandatory redemption date or Interest Payment Date, the Tender Agent shall cause a draw to be made upon such Credit Facility for the immediate purchase of the applicable Bonds and notice of mandatory tender to be given to each Holder of such Bonds.

The Adjustable Rate Bonds are also subject to mandatory tender for purchase on any Optional Redemption Date, upon 10 days' notice to Holders of such Bonds, if the City has provided a source of payment therefor in accordance with the Certificate and State law; under such circumstances, the Purchase Price is not payable by the Liquidity Facility.

Whenever Adjustable Rate Bonds are to be tendered for purchase in accordance with (a) above, the Tender Agent is to give notice to the Holders of such Adjustable Rate Bonds indicating that such Bonds are subject to mandatory tender for purchase on the date specified in such notice. The failure of any Holder of any portion of Adjustable Rate Bonds to receive such notice will not affect the validity of such Conversion to a new Rate Mode.

Whenever Adjustable Rate Bonds are to be tendered for purchase in accordance with (c) or (d) above, the Tender Agent is to give notice to the Holders of such Adjustable Rate Bonds indicating that such Bonds are subject to mandatory tender for purchase on the date specified in such notice. The Tender Agent is to give such notice by first-class mail and not less than five calendar days prior to the Expiration Date or Termination Date. The failure of any Holder of any portion of such Adjustable Rate Bonds to receive such notice will not affect the validity of the proceedings in connection with the effectiveness of the affected Standby Agreement.

Bonds Deemed Purchased

The Adjustable Rate Bonds or portions thereof required to be purchased upon a tender at the option of the registered owner thereof or upon a mandatory tender will be deemed to have been tendered and purchased for all purposes of the Certificate, irrespective of whether such Adjustable Rate Bonds have been presented and surrendered to the Tender Agent, if on the Tender Date money sufficient to pay the Purchase Price thereof is held by the Tender Agent. The former registered owner of a Tendered Bond or an Adjustable Rate Bond deemed to have been tendered and purchased will have no claim thereunder or under the Certificate or otherwise for payment of any amount other than the Purchase Price.

Purchase Price and Payment

On each Tender Date, a Tendered Bond will be purchased at the applicable Purchase Price. The Purchase Price of a Tendered Bond is the principal amount of the Adjustable Rate Bond to be tendered or the amount payable to the registered owner of a Purchased Bond following receipt by such owner of a purchase notice from the Remarketing Agent, plus accrued and unpaid interest from the immediately preceding Interest Payment Date.

The Purchase Price of a Tendered Bond held in a book-entry-only system will be paid, in same-day funds, to DTC in accordance with DTC's standard procedures for effecting same-day payments, as described herein under the heading "Book-Entry Only System." Payment will be made without presentation and surrender of the Tendered Bonds to the Tender Agent and DTC will be responsible for effecting payment of the Purchase Price to the DTC Participants.

The Purchase Price of any other Adjustable Rate Bond will be paid, in same-day funds, only after presentation and surrender of the Adjustable Rate Bond to the Tender Agent at its designated office. Payment

will be made by 3:00 p.m., New York City time, on the Tender Date on which an Adjustable Rate Bond is presented and surrendered to the Tender Agent.

The Purchase Price is payable solely from, and in the following order of priority, the proceeds of the remarketing of Adjustable Rate Bonds tendered for purchase, money made available by the Standby Purchaser under the Standby Agreement then in effect, and money furnished by or on behalf of the City (which has no obligation to do so).

No Extinguishment

Adjustable Rate Bonds held by any Standby Purchaser or by a Fiduciary for the account of any Standby Purchaser following payment of the Purchase Price of such Bonds by the Fiduciary with money provided by any Standby Purchaser shall not be deemed to be retired, extinguished or paid and shall for all purposes remain outstanding.

Liquidity Conditions

Upon the occurrence of a suspension condition, as specified in a Liquidity Facility, the Standby Purchaser's obligations to purchase the related Bonds shall immediately be suspended (but not terminated) without notice or demand to any person and thereafter the Standby Purchaser shall be under no obligation to purchase such Bonds (nor shall such Bonds be subject to optional or mandatory tender for purchase) unless and until the Standby Purchaser's commitment is reinstated pursuant to the related Liquidity Facility. Promptly upon the occurrence of such suspension condition, the Standby Purchaser shall notify the City, the Tender Agent and the Remarketing Agent of such suspension in writing and the Tender Agent shall promptly relay such notice to the affected Bondholders upon receipt; but the Standby Purchaser shall incur no liability or responsibility whatsoever by reason of its failure to give such notice and such failure shall in no way affect the suspension of its obligation to purchase such Bonds. If the suspension condition shall be cured as described in the related Liquidity Facility, the obligations of the Standby Purchaser under such Liquidity Facility shall be reinstated (unless the Standby Purchaser's obligations shall have expired or shall otherwise have been terminated or suspended as provided in such Liquidity Facility).

Upon the occurrence of an event of immediate termination, as specified in a Liquidity Facility, a Standby Purchaser's obligation under such Liquidity Facility to purchase the related Bonds shall immediately terminate without notice or demand to any person, and thereafter the Standby Purchaser shall be under no obligation to purchase such Bonds (nor shall such Bonds be subject to optional or mandatory tender for purchase). Promptly upon the occurrence of such event the affected Standby Purchaser shall give written notice of the same to the City, the Tender Agent and the Remarketing Agent and the Tender Agent shall promptly relay such notice to the affected Bondholders upon receipt; but the affected Standby Purchaser shall incur no liability or responsibility whatsoever by reason of its failure to give such notice and such failure shall in no way affect the termination of its obligation to purchase such Bonds.

Inadequate Funds for Tender

If the funds available for purchase of Tendered Bonds are inadequate for the purchase of all such Bonds tendered on any Tender Date, or a Liquidity Condition shall exist under a Liquidity Facility, then the affected Holders shall not have the right to require the City or other persons to repurchase such Bonds and the Tender Agent shall give written notice to all affected Bondholders. However, such Holders may submit their Bonds for remarketing pursuant to the procedures described herein and the Certificate and Remarketing Agreement. Any such Bonds that cannot be remarketed shall immediately be returned to the owners thereof and shall bear interest from such Tender Date at the Maximum Rate. Under a Credit Facility, or a Liquidity Facility as long as no Liquidity Condition exists, the obligation to deposit funds in sufficient amounts to purchase such Bonds pursuant to the applicable Standby Agreement shall remain enforceable, and shall only be discharged at such time as funds are deposited with the Tender Agent in an amount sufficient, together with the proceeds of remarketing, to purchase all such Bonds that were required to be purchased on such Tender Date, together with any interest which has accrued to the subsequent purchase date.

Remarketing of Bonds Upon Tender

Pursuant to the Remarketing Agreement, the Remarketing Agent is required to use its best efforts to remarket a Tendered Bond on its Tender Date at a price equal to the Purchase Price. The Remarketing Agreement sets forth, among other things, certain conditions to the Remarketing Agent's obligation to remarket Tendered Bonds.

On each Tender Date, the Remarketing Agent is to give notice by Electronic Means to the related Liquidity Provider, the Fiscal Agent, the Tender Agent and the City specifying the principal amount of Tendered Bonds for which it has arranged a remarketing, along with the principal amount of Tendered Bonds, if any, for which it has not arranged a remarketing, and shall transfer to the Tender Agent the proceeds of the remarketing of the Tendered Bonds. The Tender Agent is, on such Tender Date, to obtain funds under the applicable Standby Agreement in accordance with its terms in an amount equal to the difference between the Purchase Price of the Tendered Bonds subject to purchase and the remarketing proceeds available to the Tender Agent.

Defeasance

For the purpose of determining whether Multi-Modal Bonds shall be deemed to have been defeased, the interest to come due on such Multi-Modal Bonds shall be calculated at the Maximum Rate; and if, as a result of such Multi-Modal Bonds having borne interest at less than the Maximum Rate for any period, the total amount on deposit for the payment of interest on such Multi-Modal Bonds exceeds the total amount required, the balance shall be paid to the City. In addition, Multi-Modal Bonds shall be deemed defeased only if there shall have been deposited in trust money in an amount sufficient for the timely payment of the maximum Purchase Price that could become payable to the Bondholders upon the exercise of any applicable optional or mandatory tender for purchase.

Liquidity or Credit Facility

For Adjustable Rate Bonds that are not defeased and are subject to optional or mandatory tender for purchase, the City shall, as required by law, keep in effect one or more Standby Agreements for the benefit of the Bondholders, which shall require a financially responsible party or parties other than the City to purchase all or any portion of such Adjustable Rate Bonds duly tendered by the holders thereof for repurchase prior to the maturity of such Adjustable Rate Bonds. A financially responsible party or parties, for the purposes of this paragraph, shall mean a person or persons determined by the Mayor and the Comptroller of the City to have sufficient net worth and liquidity to purchase and pay for on a timely basis all of the Adjustable Rate Bonds which may be tendered for repurchase by the holders thereof.

Each owner of an Adjustable Rate Bond bearing interest at a Daily, Two-Day or Weekly Rate will be entitled to the benefits and subject to the terms of the Liquidity Facility or Credit Facility for such Bond. Under such Credit Facility or Liquidity Facility, the Bank agrees to make available to the Tender Agent, upon receipt of an appropriate demand for payment, the Purchase Price for Adjustable Rate Bonds. Mandatory purchase by a Bank of Adjustable Rate Bonds shall occur under the circumstances provided therefor, including, so long as a Credit Facility is provided or no Liquidity Condition exists, failure to extend or replace the Credit Facility or Liquidity Facility relating to such Adjustable Rate Bonds, and (at the option of the Bank) other events, including without limitation breaches of covenants, defaults on other bonds of the City or other entities, and events of insolvency. Notwithstanding the other provisions of the Adjustable Rate Bonds and the Certificate, upon the purchase of an Adjustable Rate Bond by the Bank, all interest accruing thereon from the last date for which interest was paid shall accrue for the benefit of and be payable to the Bank.

If a Credit Facility or Liquidity Facility is to be extended or replaced, the City shall give Written Notice to each affected Bondholder at least 15 days prior to any extension or substitution.

The obligation of the Bank to purchase Adjustable Rate Bonds pursuant and subject to the terms and conditions of the Credit Facility or Liquidity Facility for such Bonds is effective so long as a Credit Facility is provided or there exists no Liquidity Condition. The obligation of the City to repay amounts advanced by the Bank in respect of such Bank's purchase of Adjustable Rate Bonds shall be evidenced by the Bonds so purchased by such Bank.

The preceding is a summary of certain provisions expected to be included in the initial Credit Facility and proceedings under which the Multi-Modal Bonds are to be offered, and is subject in all respects to the underlying documents, copies of which will be available for inspection during business hours at the office of the Fiscal Agent. Information regarding the Bank is included herein as “APPENDIX E — THE BANK.” Neither the City nor the Underwriter makes any representation with respect to the information in “APPENDIX E — THE BANK.”

HONORABLE JOHN C. LIU
COMPTROLLER
The City of New York
Municipal Building
New York, New York 10007

Dear Comptroller Liu:

We have acted as counsel to The City of New York (the "City"), a municipal corporation of the State of New York (the "State"), in the issuance of its General Obligation Bonds, Fiscal 2013 Series F, Subseries F-3 (the "Bonds").

The Bonds are issued pursuant to the Constitution of the State, the Local Finance Law of the State, and the Charter of the City, and in accordance with a certificate of the Deputy Comptroller for Public Finance and related proceedings. In rendering the opinions set forth herein, we reviewed certificates of the City and such other agreements, documents and matters to the extent we deemed necessary to render our opinions. We have not undertaken an independent audit or investigation of the matters described or contained in the foregoing certificates, agreements and documents. We have assumed, without undertaking to verify, the genuineness of all documents and signatures presented to us; the due and legal execution and delivery thereof by, and validity against, any parties other than the City; and the accuracy of the factual matters represented, warranted or certified therein.

Based on the foregoing and our examination of existing law, we are of the opinion that the Bonds have been duly authorized, executed and issued in accordance with the Constitution and statutes of the State and the Charter of the City and constitute valid and legally binding obligations of the City for the payment of which the City has validly pledged its faith and credit, and all real property within the City subject to taxation by the City is subject to the levy by the City of ad valorem taxes, without limit as to rate or amount, for payment of the principal of and interest on the Bonds.

The rights of the owners of the Bonds and the enforceability thereof may be subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted, to the extent constitutionally applicable, and the enforcement of related contractual and statutory covenants of the City and the State may also be subject to the exercise of the State's police powers and of judicial discretion in appropriate cases.

The City has received the opinion of Fulbright & Jaworski L.L.P. regarding certain federal, state and local tax consequences of ownership of or receipt or accrual of interest on the Bonds and we express no opinion as to such matters. We have not been engaged to investigate, examine, review or opine as to any matter relating to the

federal, state or local tax consequences with respect to the Bonds (including the receipt of interest thereon) or the ownership or disposition thereof. Accordingly, in rendering this opinion, we are not passing upon the treatment of the Bonds (including interest thereon) for any federal, state or local tax purposes, we have not reviewed any matter or conducted any investigation or examination relating thereto and we take no responsibility therefor. We express no opinion as to any federal, state, or local tax consequences arising with respect to the Bonds or the ownership or disposition thereof, including, without limitation, the exclusion from gross income of interest on the Bonds.

The opinions expressed herein are based on an analysis of existing laws, regulations, rulings and court decisions. Such opinions may be adversely affected by actions taken or events occurring, including a change in law, regulation or ruling (or in the application or official interpretation of any law, regulation or ruling) after the date hereof. We have not undertaken to determine, or to inform any person, whether such actions are taken or such events occur and we have no obligation to update this opinion in light of such actions or events.

Very truly yours,

HONORABLE JOHN C. LIU
COMPTROLLER
The City of New York
Municipal Building
New York, New York 10007

Dear Comptroller Liu:

We have acted as counsel to The City of New York (the "City"), a municipal corporation of the State of New York (the "State"), in connection with the issuance by the City on the date hereof of its General Obligation Bonds, Fiscal 2013, Subseries F-3 (the "Bonds").

The Bonds are issued pursuant to the Constitution of the State, the Local Finance Law of the State, and the Charter of the City, and in accordance with a certificate of the Deputy Comptroller for Public Finance and related proceedings. We have examined, and in expressing the opinions hereinafter described we rely upon, certificates of the City and such other agreements, documents and matters as we deem necessary to render our opinions. We have not undertaken an independent audit or investigation of the matters described or contained in the foregoing certificates, agreements and documents. We have assumed, without undertaking to verify, the authenticity of all documents submitted to us as originals, the conformity to originals of all documents submitted to us as certified copies, the genuineness of all signatures, and the accuracy of the statements contained in such documents.

In rendering the opinions below, we are relying on the opinion of Sidley Austin LLP of even date herewith to the effect that the Bonds have been duly authorized, executed and issued in accordance with the Constitution and statutes of the State and the Charter of the City and constitute valid and legally binding obligations of the City.

Based upon the foregoing and our examination of existing law, we are of the opinion that:

1. Interest on the Bonds is exempt from personal income taxes imposed by the State or any political subdivision thereof, including the City.

2. The City has covenanted in a Tax Certificate dated the date hereof to comply with certain provisions of the Internal Revenue Code of 1986, as amended to the date hereof (the "Code"), relating to the exclusion from gross income of the interest on the Bonds for purposes of federal income taxation. Assuming compliance by the City with such covenants, interest on the Bonds will be excludable from the gross income of the owners thereof for federal income tax purposes.

3. Interest on the Bonds is not an item of tax preference for purposes of the federal individual or corporate alternative minimum tax. The Code contains other provisions that could result in tax consequences, upon which we render no opinion, as a result of ownership of such Bonds or the inclusion in certain computations (including without limitation those related to the corporate alternative minimum tax) of interest that is excluded from gross income.

We express no opinion with respect to any other federal, state or local tax consequences under present law or any proposed legislation resulting from the receipt or accrual of interest on, or the acquisition or disposition of, the Bonds. Furthermore, we express no opinion as to the effect on the exclusion from gross income of interest on the Bonds of any action taken or not taken after the date of this opinion without our approval. Ownership of tax-exempt obligations such as the Bonds may result in collateral federal tax consequences to, among others, financial institutions, life insurance companies, property and casualty insurance companies, certain foreign corporations doing business in the United States, "S" corporations with subchapter C earnings and profits, owners of an interest in a financial asset securitization investment trust, individual recipients of Social Security or Railroad Retirement Benefits, individuals otherwise qualifying for the earned income tax credit and taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry, or who have paid or incurred certain expenses allocable to, tax-exempt obligations.

Our opinions are based on existing law, which is subject to change. Such opinions are further based on our knowledge of facts as of the date hereof. We assume no duty to update or supplement our opinions to reflect any facts or circumstances that may thereafter come to our attention or to reflect any changes in any law that may thereafter occur or become effective. Moreover, our opinions are not a guarantee of result and are not binding on the Internal Revenue Service; rather, such opinions represent our legal judgment based upon our review of existing law that we deem relevant to such opinions and in reliance upon the representations and covenants referenced above. Finally, we express no opinion herein as to the accuracy, completeness or sufficiency of, or any other matter related to, the Official Statement dated March 7, 2013, relating to the Bonds or any other offering material relating to the Bonds.

Very truly yours,
