

Construction Advisory

Project # SANDTWOBOR | Borough: Manhattan | Date Issued: 11/06/2024

The Brooklyn Bridge - Montgomery Coastal Resilience (BMCR) Project is an initiative to provide long-term flood protection on the south side of Manhattan.

Intermittent Roadway Closures

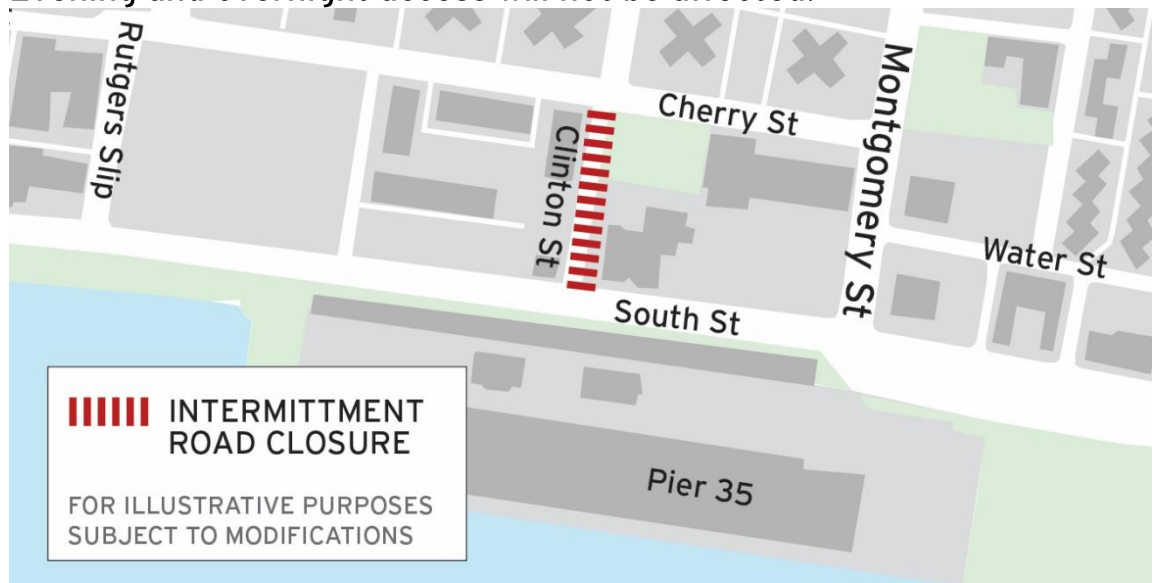

Starting November 6, 2024

for up to three (3) weeks

On Clinton St., South St. to Cherry St.

The contractor will be closing Clinton St between South St and Cherry St to excavate and install catch basins and utilities. Passenger vehicle access will be maintained, when possible, but with delays. We advise vehicles not to expect access between 7 am and 3:30 pm.

Evening and overnight access will not be affected.
