

Project # SANDTWOBRR | Borough: Manhattan | Date Issued: 08/27/2024

The Brooklyn Bridge – Montgomery Coastal Resilience (BMCR) Project is an initiative to provide long-term flood protection on the south side of Manhattan.

## Mass Excavation

Requiring daytime road closures on  
Clinton Street, South St. to Cherry St.  
7:00 am to 4:00 pm

Tuesday August 27, 2024, up to two (2) weeks

To upgrade the water distribution system, the entire system, and surrounding utilities, must be exposed. This requires daytime closures of Clinton St. For your safety, please follow on-site signage and flaggers.

Cars parked on Clinton St may leave but expect delays.
