What are Your Organization Activities / Primary Functions: Bridging the gap of
historically inadequate community outreach in the LES Waterfront Community is our
Goal. Local resident leaders have formed a new alliance to help provide more
effective flows of information between local residents and CBO's, developers,
elected officials, Community Board 3, etc. Resident and community leaders of Two
Bridges Tower, Land's End I, Land's End II, Gouverneur Gardens, Two Bridges
Town-homes and Knickerbocker Village have formed a new community group; Tenants
United Fighting for Lower East Side or TUFF-LES. The formation of this group is in
response to a growing sentiment that efforts to reach out to the Lower East Side
waterfront community have long been inadequate and selective, resulting in a number
of so-called community developments, events uses that do not appear to have actual
community input or involvement.
