To whom it may concern,

My name is Yissel Rodriguez, and I live at 134 Eldridge Street, where Attaboy operates its bar. I've lived in this building for 31 years, and as a bar in the Lower East Side, Attaboy stands out from the rest as they are very respectful of its residential environment keeping the noise level to a minimum, and well-mannered clients. I have no doubt that they will continue to maintain this decorum; therefore, I fully support Attaboy in their community board meeting.

Sincerely,

Dear Community Board Members and to whomever
it may concern,

I am writing a recommendation on behalf of the bar, Attaboy, who operate out of the commercial space on the ground floor of 134 Eldridge St. As a resident of the same building for the last twelve years I can honestly report that I have never had a problem with the workers or the people who visit this bar. It is, as far as I can tell, one of the most well run and respectful bars in the whole lower east side. We are glad actually to have this bar as a responsible actor on our street, as it can be a dark sidestreet on some nights. Attaboy has always addressed any requests over noise or maintenance and we consider them a good neighbor.

To the Community Board Members and whomever it may concern:

I am writing a recommendation on behalf of the bar, Attaboy, who operate out of the commercial space on the ground floor of 134 Eldridge St. As a resident of the same building for the last seven years, I can honestly report that I have never had a problem with the workers or the people who visit this bar. It is, as far as I can tell, one of the best run and quiet bars in the neighborhood - I would know, living upstairs! We are glad actually to have this bar as additional eyes on the street when things get a bit sketchy. Attaboy attracts a nightlife crowd but they are never rowdy or obnoxious. And I can say that in the building we, the residents, have a great relationship with the staff of Attaboy. Any requests over noise or maintenance have always been swiftly addressed and we consider them as our neighbor.

I fully support granting their requests.
