Lonnie Sobel
Partner & Co-Operator
Chinatown Fair
8 Mott Street
New York, NY 10038

To Whom It May Concern at Community Board 3,

My name is Lonnie Sobel and I am a managing partner of Chinatown Fair Family Fun Center, a famed video arcade located at 8 Mott Street. I have co-owned and operated this arcade for more than a decade, and it has been a staple on Mott Street since 1944. We are proud to be part of the Chinatown community and are excited to remain here & thrive for years to come.

8 Mott street is the same building as 5 Chatham Square. We are keen on the potential music venue moving in, as it will likely lead to an increase in our business and add some needed life to neighborhood at night. We understand the operator to be very experienced in running similar businesses, and he has already become friendly with our managers in the past months. We believe he will be a model commercial tenant and neighbor.

Bringing a bit more life to the neighborhood at night will go a long way towards making our streets feel safer and improving business for not only us but the restaurants nearby. It perhaps goes without saying, but the Bowery has a rich history of live music and entertainment. A new live music space represents our neighborhood and its history well, and we're excited to see it open.

As always,

Lonnie Sobel
