

Dear Provider Partner,

We are reaching out because your organization did not opt into the City's Indirect Cost Rate (ICR) Funding Initiative. The Entryway Choice Form, which was required to enter the Initiative, closed on December 1, 2020. Your organization will therefore revert to a 10% ICR and will not be eligible for additional funding through an FY21 ICR Amendment.

If you need more information about the City's ICR Funding Initiative, please consult our [**Indirect Implementation Webpage**](#).

Should you have any questions or require assistance, please do not hesitate to reach out to the City Implementation Team at the Mayor's Office of Contract Services.

Sincerely,
The City Implementation Team
