Dear Nonprofit Partner,

Yesterday, the City of New York held an Indirect Rate Implementation Briefing to introduce the City's implementation plan and timeframes for rolling out the indirect cost rate funding initiative. Over the next few weeks, we will be posting on the [Indirect Investment webpage](#) a video summarizing the Briefing, the Briefing PowerPoint, Frequently Asked Questions and Answers, updates to the Cost Manual and next steps for providers.

We will keep you informed as information is released. In the meantime, we hope you will become familiar with the [Cost Manual](#) and reach out to us at help@mocs.nyc.gov if you have any questions.
