Self-Declare Minority-Owned/Woman-Owned Business Enterprise (M/WBE) Certifications

Before We Begin

The steps in this guide can be completed by a user provisioned with the role:

- Vendor Admin
- Signatory
- Contributor

Follow the steps below to self-declare Minority-Owned/Woman-Owned Business Enterprise (M/WBE) certifications in PASSPort.

Note: Self-declaring M/WBE certifications in PASSPort does not replace the certification process with NYC Small Business Services (SBS); however, self-declaring in PASSPort will allow SBS to run reports on self-declared M/WBE vendors and proactively reach out to them to start the SBS certification process. Once the SBS certification process is completed, PASSPort will update the Self-declared status to Certified.

1. Log in to PASSPort.

On the PASSPort Homepage, click the Vendor Information widget.

The Basic Information tab opens.

Scroll down to the Vendor M/WBE Certifications section at the bottom of the page.
 To declare a new M/WBE certification, click the + Declare New Certification button.

The M/WBE Certifications window appears.

3. Click the **Self-Declared Certification** drop down field and begin typing to select a certification from the menu or click **See All** to select from the full list of certifications.
