AUTO THEFT PREVENTION TIP:
Don’t Leave the Keys in the Ignition

Vehicles left unattended with keys in the ignition are easily targeted by car thieves. This dangerous practice allows for an easy theft or a joy ride by an inexperienced driver.

This commonly occurs around the neighborhood store, deli, coffee shop, or newspaper stand. Remain alert. Don’t create an opportunity. Don’t become a victim!

When leaving your vehicle always:
• Close Your Windows
• Turn off the Ignition and REMOVE THE KEYS
• Lock Your Doors!

You might only be a “minute” -- but a minute is all a thief needs. Lock up your car and take your keys with you!
