This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. This plan uses a provider network . You will pay less if you use a provider in the plan's network . Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist ?	No.	You can see the specialist you choose without a referral .

All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
