## TABLE OF CONTENTS

|   | Page                 |
|---|----------------------|
| <b>EXECUTIVE SUMMARY</b> .....  | ES-1                 |
| <b>CHAPTER 1 PROJECT DESCRIPTION</b> .....                                      | 1-1                  |
| A. Introduction.....  | 1-1                  |
| B. Background.....  | 1-5                  |
| Study Area History .....  | 1-5                  |
| Existing Zoning.....  | 1-6                  |
| C. Description of the Proposed Actions .....                                    | <del>1-8</del> 1-7   |
| Zoning Map Amendments .....   | <del>1-8</del> 1-7   |
| Zoning Text Amendments .....  | 1-11                 |
| Inclusionary Housing Text Amendment.....  | 1-12                 |
| D. Reasonable Worst Case Development Scenario (RWCDS) .....                     | 1-13                 |
| Overview.....   | 1-13                 |
| General Criteria for Determining Development Sites.....                         | 1-13                 |
| The Future Condition Without the Proposed Actions.....                          | 1-15                 |
| The Future Condition With the Proposed Actions.....                             | 1-29                 |
| E. Purpose and Need .....   | 1-29                 |
| Purpose and Need of Text Amendments .....                                       | 1-30                 |
| F. Analysis and Procedural Framework.....                                       | 1-30                 |
| Environmental Review Process .....  | <del>1-30</del> 1-31 |
| Legislative Applicability.....  | 1-31                 |
| Environmental Impact Statement.....   | 1-31                 |
| Process Overview .....  | 1-31                 |
| Establishing a Lead Agency .....  | 1-31                 |
| Determination of Significance .....   | 1-32                 |
| Scoping .....   | 1-32                 |
| Preparation of the Draft Environmental Impact Statement.....                    | 1-33                 |
| Public Review .....   | 1-33                 |
| Preparation and Completion of the Final Environmental<br>Impact Statement ..... | <del>1-33</del> 1-34 |
| Statement of Findings .....   | <del>1-33</del> 1-34 |
| Coordination with Other Review Processes .....                                  | 1-34                 |
| Uniform Land Use Review Procedure.....  | 1-34                 |
| G. Framework for Environmental Analysis.....                                    | 1-35                 |
| Scope of Environmental Analysis.....  | 1-35                 |
| Analysis Year.....  | <del>1-35</del> 1-36 |
| Study Areas.....  | <del>1-35</del> 1-36 |
| Existing Conditions.....  | <del>1-35</del> 1-36 |
| The Future Condition Without the Proposed Actions.....                          | 1-36                 |
| The Future Condition With the Proposed Actions.....                             | 1-36                 |
| <b>CHAPTER 2 LAND USE, ZONING, AND PUBLIC POLICY</b> .....                      | 2-1                  |
| A. Introduction.....  | 2-1                  |

---

|    |  |      |
|----|--|------|
| B. | Overview.....  | 2-1  |
| C. | Methodology.....   | 2-2  |
|    | Study Areas.....   | 2-3  |
|    | Primary Study Area .....   | 2-3  |
|    | Secondary Study Area .....   | 2-3  |
| D. | Existing Conditions.....   | 2-3  |
|    | Primary Study Area .....   | 2-3  |
|    | Subarea A1.....  | 2-7  |
|    | Subarea A2.....  | 2-7  |
|    | Subarea A3.....  | 2-11 |
|    | Subarea A4.....  | 2-11 |
|    | Subarea A5.....  | 2-14 |
|    | Subarea B1.....  | 2-14 |
|    | Subarea B2.....  | 2-17 |
|    | Subarea C1.....  | 2-17 |
|    | Subarea D1.....  | 2-21 |
|    | Subarea E1 .....   | 2-24 |
|    | Secondary Study Area .....   | 2-24 |
|    | Zoning .....   | 2-28 |
|    | Primary Study Area .....   | 2-28 |
|    | Secondary Study Area .....   | 2-29 |
|    | Public Policy.....   | 2-32 |
|    | Long Island City In-Place Industrial Park, City of New York, 1983...2-32   |      |
|    | The Plan for Long Island City: A Framework for Development,<br>Department of City Planning, 1993 .....   | 2-32 |
|    | Long Island City Air Quality Improvement Project, Department of<br>City Planning, 1997 .....   | 2-33 |
|    | Bloomberg Administration: Major Economic Initiatives, City of<br>New York, 2004.....   | 2-33 |

**CHAPTER 3 SOCIOECONOMIC CONDITIONS..... 3-1**

|   |      |
|---|------|
| A. Introduction.....                                  | 3-1  |
| B. Overview.....                                      | 3-1  |
| C. Methodology.....                                   | 3-2  |
| Analytical Framework .....                            | 3-2  |
| Study Area .....                                      | 3-2  |
| Data Sources .....                                    | 3-2  |
| Residential Displacement .....                        | 3-2  |
| Business and Institutional Displacement .....         | 3-4  |
| Adverse Effects on Specific Industries .....          | 3-5  |
| D. Preliminary Assessment.....                        | 3-5  |
| Direct Residential Displacement .....                 | 3-5  |
| CEQR Assessment Criteria.....                         | 3-6  |
| Indirect Residential Displacement .....               | 3-8  |
| Direct Business and Institutional Displacement .....  | 3-10 |
| Indirect Business and Institutional Displacement..... | 3-17 |
| Existing Conditions .....                             | 3-17 |
| Economic Activity .....                               | 3-17 |

---

|    |  |                      |
|----|--|----------------------|
|    | Employment.....  | 3-19                 |
|    | Commercial Space .....                                       | 3-20                 |
|    | Commercial Space Availability Outside Study Area.....        | 3-20                 |
|    | CEQR Assessment Criteria.....                                | <del>3-20</del> 3-21 |
|    | Adverse Effects on a Specific Industry.....                  | 3-24                 |
| E. | Detailed Analysis of Indirect Residential Displacement ..... | 3-24                 |
|    | Existing Conditions.....                                     | 3-24                 |
|    | Population .....   | 3-25                 |
|    | Households .....   | 3-26                 |
|    | Income .....   | 3-26                 |
|    | Housing Characteristics .....                                | 3-27                 |
|    | Housing Value .....  | 3-30                 |
|    | Recent Residential Trends .....                              | 3-30                 |
|    | Rent Regulated and Non-Regulated Housing .....               | 3-31                 |
|    | Population at Risk of Displacement.....                      | 3-32                 |
|    | Unprotected Units.....                                       | 3-32                 |
|    | Identifying Population at Risk .....                         | 3-33                 |
|    | Conclusion: At-Risk Population .....                         | <del>3-36</del> 3-37 |
|    | Future Condition Without the Proposed Actions—2017 .....     | 3-37                 |
|    | Future Condition With the Proposed Actions .....             | 3-38                 |
| F. | Conclusion .....   | 3-40                 |
|    | Direct Residential Displacement .....                        | 3-40                 |
|    | Indirect Residential Displacement .....                      | 3-40                 |
|    | Direct Business and Institutional Displacement .....         | 3-40                 |
|    | Indirect Business and Institutional Displacement.....        | 3-41                 |
|    | Adverse Effects on Specific Industries .....                 | 3-41                 |

**CHAPTER 4 COMMUNITY FACILITIES AND SERVICES .....4-1**

|    |                                 |      |
|----|---------------------------------|------|
| A. | Introduction.....               | 4-1  |
| B. | Overview.....                   | 4-1  |
| C. | Methodology.....                | 4-1  |
|    | Schools.....                    | 4-2  |
|    | Libraries .....                 | 4-2  |
|    | Day Care Facilities.....        | 4-5  |
|    | Health Care Facilities.....     | 4-6  |
|    | Police and Fire Protection..... | 4-6  |
| D. | Existing Conditions.....        | 4-7  |
|    | Schools.....                    | 4-7  |
|    | Elementary Schools .....        | 4-7  |
|    | Intermediate Schools .....      | 4-7  |
|    | Libraries .....                 | 4-7  |
|    | Population Served .....         | 4-7  |
|    | Library Facilities.....         | 4-8  |
|    | Court Square Library .....      | 4-9  |
|    | Broadway Library .....          | 4-9  |
|    | Long Island City Library .....  | 4-9  |
|    | Study Area Total.....           | 4-10 |
|    | Day Care Facilities.....        | 4-10 |

|    |  |      |
|----|--|------|
|    | Health Care Facilities.....                        | 4-12 |
|    | Hospitals and Emergency Rooms .....                | 4-12 |
|    | Other Outpatient Services .....                    | 4-12 |
|    | Police .....                                       | 4-13 |
|    | Fire Protection .....                              | 4-15 |
| E. | Future Condition Without the Proposed Actions..... | 4-15 |
|    | Schools.....                                       | 4-15 |
|    | Elementary and Intermediate Schools .....          | 4-16 |
|    | Libraries .....                                    | 4-18 |
|    | Day Care Facilities.....                           | 4-18 |
|    | Health Care Facilities.....                        | 4-19 |
|    | Police .....                                       | 4-19 |
|    | Fire Protection .....                              | 4-19 |
| F. | Future Condition With the Proposed Actions.....    | 4-19 |
|    | Schools.....                                       | 4-19 |
|    | Libraries .....                                    | 4-20 |
|    | Day Care Facilities.....                           | 4-21 |
|    | Health Care Facilities.....                        | 4-21 |
|    | Police .....                                       | 4-21 |
|    | Fire Protection .....                              | 4-21 |
| G. | Conclusion .....                                   | 4-21 |
|    | Schools.....                                       | 4-22 |
|    | Libraries .....                                    | 4-22 |
|    | Day Care Facilities.....                           | 4-22 |
|    | Health Care Facilities.....                        | 4-22 |
|    | Police and Fire Protection.....                    | 4-22 |

**CHAPTER 5 OPEN SPACE..... 5-1**

|    |  |                             |
|----|--|-----------------------------|
| A. | Introduction.....                        | 5-1                         |
| B. | Overview.....                            | 5-1                         |
| C. | Methodology.....                         | <del>5-1</del> <u>5-2</u>   |
|    | Study Area .....                         | <del>5-1</del> <u>5-2</u>   |
|    | Inventory of Open Space Resources .....  | 5-2                         |
|    | Adequacy of Open Space Resources .....   | <del>5-2</del> <u>5-4</u>   |
|    | Criteria for Quantitative Analysis.....  | <del>5-2</del> <u>5-4</u>   |
