Dominic Stiller

TO: Members of the Transportation Committee

FROM: Dominic Stiller, Committee Chairperson

RE: **Transportation Committee Meeting Agenda  
Wednesday November 13, 2024, at 6:30 p.m.**

DATE: October 30, 2024

### Con Edison's LIC Reliability Project:

Con Edison will be building a new transmission line in Long Island City connecting Vernon and Newtown Substations approximately 3 miles long starting in late 2024 and end in summer of 2026. An estimated \$125 million will be invested in this project to support load requirements. This transmission line is adding the ability to deliver approximately 200MW of additional capacity to the Newtown substation and the networks it serves, so as energy needs increase in the LIC area, the substation will have the ability to meet that load. Rachel Hutt, Corporate Affairs Manager, Queens Regional & Community Affairs as well as **TBD Subject Matter Expert** will be sharing a short presentation to Queens Community Board I Transportation Committee.

### **Business Session\***

- Old Business/ New Business
- Adjournment

\* Only Board Members are permitted to speak during this portion of the meeting.

---

To insure the health and safety of attendees the above referenced meeting has been scheduled for **Wednesday November 13, 2024, 6:30 p.m. via Zoom. You may join online or via telephone.** (Please see page 2)

Your attendance is very important as a committee member. We will be reviewing information at the committee level.

Please call the Board Office if you will be attending via telephone to share your information. All interested Board Members are welcome to attend. You may view at YouTube: Community Board One Queens also.

Thank you.
