06	402198615A	<p>Request: Dept. of Youth & Community Development Provide Funds for Acquisition of Property, Design & Construction of a Youth and Community Center in CB2.</p> <p>Explanation: Due to budget cuts to non-profit funding, youth programs are limited in number; there is minimal open space for sports activities, and the community lacks affordable day care and a Beacon School. A community center would provide space for supervised activities for children and young people; would allow CB2' Youth Planning Committee to design a comprehensive delinquency prevention and skills training center for the almost 10,000 area teenagers; develop a employment bank, and drug abuse alcohol prevention programs. Other programs suc as arts and crafts, tutoring and intergenerational programs would benefit our youth and would be developed. The construction of a youth center in CB2 would benefit all age groups, in particular the at-risk youngsters in Woodside.</p> <p>Responsible Agency: Department of Youth & Community Development</p> <p>Council Districts: 25, 26</p> <p>Budget Line: P-56</p>	<p>This project was not recommended by the agency at the time of the Departmental Estimates.</p>

The precinct is housed in a mixed use and industrial area congested with traffic. Roads are blocked with tractors loading/unloading causing traffic backups. A new centrally located stationhouse to include off-street parking and State-of-the Art equipment will provide ample space for personnel/equipment and be more accessible to the public. The existing location on 50th Ave can be used as a sattelite for PD to handle Queens Waterfront Development.</p> <p>Responsible Agency: Police Department</p> <p>Council Districts: 25, 26</p> <p>Project in Coordination with: Department of Design & Construction</p>	<p>This project was not recommended by the agency at the time of the Departmental Estimates.</p>
