## *Our Mission*

SculptureCenter leads the conversation on contemporary art by supporting **artistic innovation** and independent thought,

highlighting sculpture's specific potential to **change the way we engage with the world.**

Positioning artists' work in larger cultural, historical, and aesthetic contexts, SculptureCenter discerns and interprets **emerging ideas.**

Founded by artists in 1928, SculptureCenter provides an international forum that **connects artists and audiences** by presenting exhibitions, commissioning new work, and generating scholarship.

*SculptureCenter – what we do:*

**Commissioned exhibitions with artists**

- **The opportunity to make new work as a young artist, mid-career artist, or established artist who has not shown extensively in New York City**
