Safety Improvements

Improve Connections

Reduce Speeding

NYC DOT will implement street safety improvements on Review Ave. and Laurel Hill Blvd. from Greenpoint Ave. to 56th Rd.:

- Add two-way protected bike lane on the northern curb
- Update curb regulations to accommodate truck movements
- Convert 37th St. between Starr Ave. and Review Ave. from one-way east-bound to one-way west-bound

Implementation begins Fall 2024
