RE: **Letter of Support for the LIC Protected Bike Lanes Proposal**

Dear Commissioner Garcia:

At the June 2, 2022 meeting of Community Board 2 a motion was made and seconded to send a letter of support for the installation of the LIC Protected Bike Lanes Proposal.

At that meeting, with a quorum present, the vote was all in favor to send this support letter unanimously by a show of hands with none opposed and two (2) abstentions with the following stipulations:

- DOT must report back to CB 2 in 30 days after installation to hear feedback from the community.
- Identify placement and add loading zones to the plan.
- Identify placement and add handicapped parking to the plan.
- Speak to businesses and conduct outreach on plan.
- Speak to the community about changes, get boots on the ground, educate public on loss of parking and what alternatives exist.

Please contact CB 2 if you have any questions.

Thank you for your assistance.

Sincerely,

Morry Galonoy
Chairperson, Community Board 2
